Chicken Soup for the Soul: Count Your Blessings

Chicken Soup for the Soul: Count Your Blessings will inspire and uplift readers with its stories of optimism, faith, and strength. In bad times, and good, readers will be heartened to find something good in each day. A great Christmas gift and start to the New Year. What are you thankful for today? This uplifting book reminds readers of the blessings in their lives, despite financial stress, natural disasters, health scares and illnesses, housing challenges and family worries. Stories of optimism, faith, and strength remind us of the simple pleasures of family, home, health, and inexpensive good times.

The Year of Counting Souls

As Japanese forces attack the Philippines in the aftermath of Pearl Harbor, US army nurse Louise Harrison waits to be evacuated from Manila. But with the enemy closing in, Louise is forced to flee with a handful of wounded soldiers to a field hospital deep in the mountains. Isolated in an unfamiliar country amid desperate conditions, Louise strikes up a friendship with Sammy Mori, an injured Japanese soldier with a secret. Deemed a traitor for reporting on the atrocities in Nanking, Sammy is being hunted by his brother, Yoshiko, a member of the feared Japanese military secret police. When Yoshiko discovers the hospital camp, Louise and her patients find themselves in even greater danger. Caught between new loyalties and old, Louise and Sammy must trust their unlikely bond to sustain them through deprivation and chaos. It's a bond that inspires unexpected acts of courage and sacrifice--a light of hope shining through the darkness of war.

Torches of the Soul: A Journey of Scriptural Reflections

This e-book applies the practical insights of thirty selected biblical passages to our daily lives. Each reflection is adorned with gems of thought to nurture the senses, stimulate the mind, encourage the spirit, invigorate the soul and inspire the heart. You will be reminded of God's love and power in the life of every Christian and gain renewed strength for the living of these days.

Applied Mathematics: Body and Soul

Applied Mathematics: Body & Soul is a mathematics education reform project developed at Chalmers University of Technology and includes a series of volumes and software. The program is motivated by the computer revolution opening new possibilities of computational mathematical modeling in mathematics, science and engineering. It consists of a synthesis of Mathematical Analysis (Soul), Numerical Computation (Body) and Application. Volumes I-III present a modern version of Calculus and Linear Algebra, including constructive/numerical techniques and applications intended for undergraduate programs in engineering and science. Further volumes present topics such as Dynamical Systems, Fluid Dynamics, Solid Mechanics and Electro-Magnetics on an advanced undergraduate/graduate level. The authors are leading researchers in Computational Mathematics who have written various successful books.

c rya GuFabhadra's tm nu[sana – Precept on the Soul

tm nu[sana (commonly spelled as Atmanushasan) by c rya GuFabhadra presents profound concepts of the Jaina Doctrine in a form that is easily understood. Remarkable for its poetry and meaning, it expounds that right faith (samyagdar[ana) is the cause of merit, and wrong faith of demerit. To have belief in the true nature of substances is right faith. Dharma is the man's most excellent possession. The conduct that leads to merit is dharma and it results in happiness after destroying misery. Whether happy or miserable, dharma should be the only pursuit of man. True happiness is not the momentary sprinkling of the pleasures of the senses. Long-life, wealth and sound body are obtained from the previously earned merit (puFya). Under the spell of sinful karmas, the man experiences misery. Excellent men with discrimination work hard, incessantly and cheerfully, for the sake of their future lives. The happiness attained through austerity (tapa) can never be attained by craving for wealth. No dust of disgrace ever touches the feet of the man fortified by austerity. The ascetic goes on to perform austerity while protecting his body, for a very long time. Through the power of austerity he vanquishes his natural enemies, like the passions of anger, etc. In the after-life, he automatically and speedily attains liberation as the culmination of his human effort.

Journey of Souls

When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

Soul Searching : The Religious and Spiritual Lives of American Teenagers

In innumerable discussions and activities dedicated to better understanding and helping teenagers, one aspect of teenage life is curiously overlooked. Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents. But many teenagers are very involved in religion. Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly. 60% say that religious faith is important in their lives. 40% report that they pray daily. 25% say that they have been "born again." Teenagers feel good about the congregations they belong to. Some say that faith provides them with guidance and resources for knowing how to live well. What is going on in the religious and spiritual lives of American teenagers? What do they actually believe? What religious practices do they engage in? Do they expect to remain loyal to the faith of their parents? Or are they abandoning traditional religious institutions in search of a new, more authentic "spirituality"? This book attempts to answer these and related questions as definitively as possible. It reports the findings of The National Study of Youth and Religion, the largest and most detailed such study ever undertaken. The NYSR conducted a nationwide telephone survey of teens and significant caregivers, as well as nearly 300 in-depth face-to-face interviews with a sample of the population that was surveyed. The

results show that religion and spirituality are indeed very significant in the lives of many American teenagers. Among many other discoveries, they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought. They refute the conventional wisdom that teens are "spiritual but not religious." And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes. This eagerly-awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but, because teenagers serve as bellwethers for possible future trends, it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole.

The Persistence of the Soul in Literature, Art and Politics

This book analyses the evolution of literary and artistic representations of the soul, exploring its development through different time periods. The volume combines literary, aesthetic, ethical, and political considerations of the soul in texts and works of art from the seventeenth to the twenty-first centuries, spanning cultures and schools of thought. Drawing on philosophical, religious and psychological theories of the soul, it emphasizes the far-reaching and enduring epistemological function of the concept in literature, art and politics. The authors argue that the concept of the soul has shaped the understanding of human life and persistently irrigated cultural productions. They show how the concept of soul was explored and redefined by writers and artists, remaining relevant even as it became removed from its ancient or Christian origins.

The child's book on the soul

Keedar Giorin still remembers the night soldiers killed his mother. The Night of Blades. He was three, but the memories are written in his mind in blood, flames, scales, and his mother's mad cackles. Assigned by his father to save two young noblemen or risk a repeat of the massacre on his home in the Smear, Kasandar's most lawless district, Keedar dives headlong into the mission. He uses his most secret skill, a magic that could bring the King's Blades hunting him, a magic that could be a death sentence if reported to the wrong ears. But even that risk is part of his father's calculated plan. A plot to determine who was behind his mother's death, while securing a new ally for their guild, and seeing their people rise from squalor and oppression to strive for the identity and power they have all but forgotten. Plans, however, do not always follow the path drawn out. What will Keedar do when a count takes interest in his magic? Where will he run to when the hunt begins? Can a young man now growing into his power find a way to defeat the most ruthless of assassins?

Game Of Souls

Distributed by the University of Nebraska Press for Caxton Press Gene Harris, the "Blues Man From Boise," as the Wall Street Journal once called him, died at the start of a new millennium, but he left a legacy of music that will outlive us all. He played on more than 80 recordings and shared the stage or recording studio with many legends and luminaries. Gene's wife, Janie, and veteran writer Bob Evancho detail the career of this gifted entertainer.

Elegant Soul

This fascinating book gives you the tools to help tap into one of the most powerful forces in the Universe -YOUR SOUL. This is a step by step guide to help you reconnect with your natural spiritual abilities. You'll develop a conscious awareness of the spiritual laws that exists in each and every person. "Power of the Soul" will help you to dismantle some of the barriers created by your outer-self, to unveil your true inner-self and enable you to break free from some of the psychological restrictions that have prevented you from identifying and realizing your full potential. Within these pages you'll learn how to:

- Discover and access your spiritual faculties · Open yourself to a guiding higher consciousness · Tap in to your own intuitive abilities · Remove psychological and spiritual blocks · Find your true self as you understand the nature, function, and purpose of the soul · Create and control your own path · Use spiritual energy to heal yourself and others · Enhance your body, mind, and soul to live a life of harmony

This transformational book is more than just a guide. It is also a way back to a life lived from the inside out. No matter what your walk of life, this book will help you to follow your own spiritual journey. "When you tap into the incredible force and power of your soul, and once your spiritual gifts are recognized, opened and used," says John, "you'll see yourself and the world in a way you never thought possible."

Power of the Soul

Soul Chasing: Thoughts and Prayers for the Rest of Us is a collection of poems and stories about what's real in life; it is a book about life, about love, and about Spirit. It is stories and poetry written for "the rest of us"

Soul Chasing

Where is your solace when you have lived a life without religion or faith, only to find out nearing the hour of your death you have nothing to trust. Even a life of constant faith can end with fear of the damnation threatened by your minister. What if you are gay, or lesbian, locked away in prison, or hopelessly addicted to drugs or alcohol? When the fear of death occupies your mind, what can you turn to? Where is the truth? What happens when I die? Which church is the right one? Will there be rapture? Is God on our side? Can I really get into heaven for an adequate donation? Thousands are in prison, thousands are gay, and thousands have no religious affiliations at all. Yet in every heart lies the fear of damnation and the uncertainty of what may await us on the other side. Gays are called abominations by churches and good Christians; sentenced to exclusion and damned forever. Prisoners are for the most part condemned to hell for their crimes. The everyday average person does not go to church at all. I offer these untold thousands a new answer, a plausible alternative to sackcloth and ashes. I offer a faith in the absolute "understanding" that awaits us after death. I ask readers to look past the ranting and threats of all religions. You need to see that they are selling heaven. There is no Bible thumping or condemnation in chapter and verse. This is a religious, anti-religious book. I offer piece of mind, even hope for your personal end times. It is not deep nor psychologically steeped in conjecture. Free yourself from bondage and fear. Share the story. The End Times may be here! This book can help you prepare.

Apocalypse of the Soul

From "No Use Denying It" to "Keeping the Spirit Renewed," Dick Morgan here offers six themes right on target for older adults. The sixty-two meditations in *No Wrinkles on the Soul* are ideal for individual or small-group devotions. Each meditation presents a suggested Scripture reading, a printed Bible verse, and a reading for reflection. These meditations relate honestly to the variety of situations in which older adults may find themselves living--in their own home, in a retirement center, in a nursing home, or in the home of a relative.

No Wrinkles on the Soul

Do you want to find your Soul's purpose and connect with your life's mission? Are you stuck and feeling as if there should be more to life? Do you long for greatness, fulfillment, and a life that lifts your spirit? In *Your Soul's Quest*, author Rod C Ezekiel integrates metaphysics with powerful success principles, taking you on an internal journey to discover your heart's deep love and the answers within the depths of your soul. Using exercises, stories, and Rod's gentle guidance, you will unlock the secrets hidden within you to find your authentic self and create a miraculous, new life. *Your Soul's Quest* offers answers to questions such as: How do you uncover the inborn soul strengths and genius that are linked to your purpose? How do you find alignment with your love to create authentic, meaningful goals? Through identifying what internal values you carry, you will come to understand why you make the decisions you do, and you'll learn how to rewire your belief system to replace limiting thoughts with boundlessly successful ones. By the end of the journey, you will comprehend your mission and purpose and be poised to embark on a life of significance with greater joy and wondrous creativity. Let's begin!

Your Soul's Quest

Get into the holiday spirit with these magical stories of family and friends... giving and sharing... joy and blessings! You'll be inspired by these tales of kindness, gratitude and giving. You'll also pick up some creative ways to make your own holidays even more special, with new plans for family fun, gift ideas and recipes. These 101 real-life personal stories from the very best of *Chicken Soup for the Soul's* library are filled with the cheer of the season. They'll leave you smiling and eager to share the holidays, from Thanksgiving to Hanukkah to Christmas and New Year's. We didn't forget the kids either. The stories in this collection are "Santa safe," meaning that they keep the magic alive even for precocious readers. Your purchase will support Toys for Tots as well, creating miracles and blessings for children all over the U.S. *Chicken Soup for the Soul* books are 100% made in the USA and each book includes stories

from as diverse a group of writers as possible. Chicken Soup for the Soul solicits and publishes stories from the LGBTQ community and from people of all ethnicities, nationalities, and religions.

Chicken Soup for the Soul: Time for Christmas

This updated edition provides practical structures, planning tools, and specific classroom examples of effective teaching strategies. The author focuses on the need for curriculum and instruction that allows students to move beyond factual learning to a level of understanding where knowledge transfers readily to new situations and thinking becomes integrated. --From publisher's description.

Soul of the Qur'an-Volume 1

Historical novel set in the mountains of western North Carolina in 1830. Isaiah is an enslaved person torn from his family on Monticello after Thomas Jefferson's death. Jim Locust is a Cherokee Indian caught in the clash of cultures. Tom Love is a troubled farmer on the North Carolina frontier in charge of the 1830 Macon County federal census. Together, these men face life and death in the beauty of the Smoky Mountains, and grapple with the true meaning of freedom.

Stirring the Head, Heart, and Soul

* How can educators and parents of diverse backgrounds come together to find ways to invite soul into schools? * How do educators address "soul" in education without violating the separation of church and state or the deeply held beliefs of families and students? In this book, Rachael Kessler shows how. Based on the deeply moving stories and profound questions of students themselves, each chapter responds to the yearnings young people express: Deep Connection, Meaning and Purpose, Silence, Joy, Creativity, Transcendence, and Initiation--each evokes a gateway to inviting soul into the clas.

Counting Souls

Chicken Soup for the Soul: My Resolution is uplifting in its messages of self-acceptance, self-confidence, and self-awareness. It is a fun and inspirational book for the classic New Year's resolution season and all year. Everyone makes resolutions -- for New Year's, for big birthdays, for new school years. In fact, most of us are so good at resolutions that we make the same ones year after year. This collection of great true stories covers topics such as losing weight, getting organized, stopping bad habits, restoring relationships, dealing with substance abuse, changing jobs, going green, and even today's hot topic -- dealing with the economic crisis.

The Soul of Education

Macon County, North Carolina - 1829 Storm clouds are gathering over the Blue Ridge Mountains. Andrew Jackson has signed legislation sealing the fate of the Cherokee, and tempers flare as land-hungry pioneers push the tribe to the breaking point. The settlers have also brought slavery to the frontier. Tensions burn between yeoman farmers and wealthy slaveholders, as fears of a slave insurrection drive draconian measures. Tom Love is the son of a powerful mountain family, but life on his small farm has been difficult, and the death of his oldest daughter has driven him to the brink of despair. He's offered a lifeline by his influential uncle: the job of census taker for Macon County for the 1830 federal census. But it's a Faustian bargain. He will accept two enslaved people to work the farm while he collects the census. Isaiah was born on Monticello, Thomas Jefferson's Virginia plantation. After the former president dies, his assets, including his enslaved servants, are sold to pay his sizable debts. Isaiah, brutalized and separated from his wife and child, now finds himself on the Love farm in the mountain wilderness. This is a story about family: what you would do to be reunited with them, what you would do to protect them, and how you live when you lose them. It's a story about cultural conflict, what divides us and what unites us. And it's a paeon to the glory of the southern Appalachians and a way of life, intertwined with nature, which is slipping from our memory.

Chicken Soup for the Soul: My Resolution

Reprint of the original, first published in 1874.

Counting Souls

This book provides a nuanced picture of the notions of body and soul held by the peoples of Europe through the soul concepts associated with the Judeo-Christian tradition and other religions and denominations; and the alternative traditions preserved alongside Christianity in folklore collections, linguistic and literary records. The studies also emphasize the connections between these notions and beliefs related to death and the dead, as well as questions of communication between the human world and the spirit world. The essays here focus on the roles notions of the soul and the spirit world play in the everyday life, religion and mentality of various communities; their folklore and literary representations, as well as the narrative metaphors, motifs, topoi and genres of ideas about the soul and about supernatural communication, along with questions of the relationship between narratives and religious notions. This book will appeal to researchers and students of religion, mythology, folklore and the anthropology of religion, as well as general readers interested in the humanities.

Songs of the Soul

Why is the name of this composite book “Mystifying Russian soul”? Let’s apply to Wikipedia: “The concept arose in the second part of the 19th century due to a philosophy of the leading Russian writers such as Dostoevsky and Tolstoy. In their popular in Europe books not ethic, but aesthetic principles as well as not entertaining, but moral needs are playing the dominant role. “Spirit” of such writings turned into “Soul” and lead to a concept “Mystifying Russian soul” popular abroad. Except Dostoyevsky and Tolstoy almost all the writers who became classics of Russian and world literature took part in this process. The composite book “Mystifying Russian soul” contains more than twenty their novels, tales, plays and poems.

Free Thoughts Concerning Souls

Tracy Fletcher's parents are mortified when her boyfriend Adam proposes marriage and she accepts. In an attempt to get Tracy to reconsider, her parents make a deal with her: Have her take a trip to coastal Maine where Victoria, an old friend of Tracy's mother, and her son own a hotel. However, the deal is for Tracy to go without Adam so that she can think this proposal through without any distractions. She takes the deal and her and her two best friends venture off to Maine unaware that the state's tourism is suffering due to a series of murders taking place in the area. The monster known as the Frightening Finger Fiend is running around murdering married and engaged couples. Upon arrival, Tracy meets Victoria's son Hunter and his best friend Zachary who marvel at the uncanny resemblance Tracy bears to a woman they both loved and lost tragically. The haunting tale of this lost love begins to unfold and Tracy learns it is filled with jealousy, betrayal and murder. Tracy gets closer to Hunter and Zachary just as Adam makes an appearance having followed her in an obsessive attempt to keep watch on her. His jealousy becomes apparent as he is horrified to learn that Tracy has decided to leave him. Meanwhile, the murders have increased as many more victims are found just beyond the woods. Theories of the murderer being a ghost of a woman seeking vengeance continue to arise. As Tracy and her friends get closer to uncovering the truth behind these brutal slayings; the murderer has selected the next target and they soon learn they are too late.

Yoganidra: Body Mind Soul Tool

There are pivotal moments in the lives of all seekers when we realize that we’ve been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn’t enough or even acceptable anymore. We know we’re being called to something more significant and expanded—we can feel it. At these times what’s needed is not simply more change or an adjustment in our outer life, but profound transformation. We don’t just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life’s work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you’ve felt stuck

or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis's trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Reading it will leave you truly and authentically uplifted and transformed.

Mystifying Russian soul

Miss Lillie made a conscious choice at a young age to not only survive her father's abusive alcoholism but to excel. Spending her formative years as a ward of the state, she graduated valedictorian from TIS/TPS in Nashville, Tennessee and was awarded a full scholarship to George Peabody College, now a division of Vanderbilt University. She chose, however, to raise a family and make sure her family had what she didn't growing up - stability and love. She never met a stranger and never stopped learning. These memories and her teachings are full of joy, imagination and humor.

Lost Soul

For anyone who enjoys spending time in the great outdoors: hikers, mountain climbers, snowboarders, kayakers, campers, beach-lovers, tree-huggers and more.

Soul Shifts

Secret Traces of the Soul of Mileva Maric Einstein by Svetlana Alter For much of the world, Albert Einstein might just be the patron saint of science. Why not, when virtually all works, scientific or other, pay tribute to the achievements of this man? Given that he had done so much for humanity who then would venture to question his own mortal being? The entire endeavor, then must seem unorthodox. We seek to learn of this man's contributions and cringe at the slightest mention of a possible shortcoming. Such traces, perhaps would breach the very fabric of space-time itself, where perhaps now rests the soul of the man. Most of us might be inclined to say to ourselves, if Einstein himself had any issue about his own past, it must have been, at a small price in comparison to his achievements. In Secret Traces of the Soul of Mileva Maric Einstein, Svetlana Alter documents the influence of Mileva on Albert as partner, pillar, and physicist, in her own right; continually supporting her beloved husband in the shadows. Alter provides an insightful understanding of the life untold of the woman behind the man, accepting, but all the while playing a Madam Curie to her husband, unknown and unrecognized. About the Author Svetlana Alter, a native of Sremska Mitrovica, attended the same highschool as Albert Einstein's wife, Mileva Maric. Svetlana was born, only days after Mileva passed away. Recognizing the significance of this woman's contributions to the success of her husband, Svetlana began documenting the details of Maric-Einstein's life from interviews conducted with relatives. Svetlana Alter is author of twelve books published in English and Serbian language.

The Human Intellect, with an Introduction Upon Psychology and the Soul

There is something truly magical about the bond between mothers and daughters... and grandmothers, too! Mothers, daughters, grandmothers... these special relationships are explored and celebrated in this new collection of stories from Chicken Soup for the Soul's library. Teenagers feel good about the congregations they belong to. Some say that faith provides them with guidance and resources for knowing how to live well. What is going on in the religious and spiritual lives of American teenagers? What do they actually believe? What religious practices do they engage in? Do they expect to remain loyal to the faith of their parents? Or are they abandoning traditional religious institutions in search of a new, more authentic "spirituality"? This book attempts to answer these and related questions as definitively as possible. It reports the findings of The National Study of Youth and Religion, the largest and most detailed such study ever undertaken. The NYSR conducted a nationwide telephone survey of teens and significant caregivers, as well as nearly 300 in-depth face-to-face interviews with a sample of the population that was surveyed. The results show that religion and spirituality are indeed very significant in the lives of many American teenagers. Among many other discoveries, they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought. They refute the conventional wisdom that teens are "spiritual but not religious." And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes. This eagerly-awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but, because teenagers serve as bellwethers for possible future trends, it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole.

The Persistence of the Soul in Literature, Art and Politics

This book analyses the evolution of literary and artistic representations of the soul, exploring its development through different time periods. The volume combines literary, aesthetic, ethical, and political considerations of the soul in texts and works of art from the seventeenth to the twenty-first centuries, spanning cultures and schools of thought. Drawing on philosophical, religious and psycho-

logical theories of the soul, it emphasizes the far-reaching and enduring epistemological function of the concept in literature, art and politics. The authors argue that the concept of the soul has shaped the understanding of human life and persistently irrigated cultural productions. They show how the concept of soul was explored and redefined by writers and artists, remaining relevant even as it became removed from its ancient or Christian origins.

The child's book on the soul

Keedar Giorin still remembers the night soldiers killed his mother. The Night of Blades. He was three, but the memories are written in his mind in blood, flames, scales, and his mother's mad cackles. Assigned by his father to save two young noblemen or risk a repeat of the massacre on his home in the Smear, Kasandar's most lawless district, Keedar dives headlong into the mission. He uses his most secret skill, a magic that could bring the King's Blades hunting him, a magic that could be a death sentence if reported to the wrong ears. But even that risk is part of his father's calculated plan. A plot to determine who was behind his mother's death, while securing a new ally for their guild, and seeing their people rise from squalor and oppression to strive for the identity and power they have all but forgotten. Plans, however, do not always follow the path drawn out. What will Keedar do when a count takes interest in his magic? Where will he run to when the hunt begins? Can a young man now growing into his power find a way to defeat the most ruthless of assassins?

Game Of Souls

Distributed by the University of Nebraska Press for Caxton Press Gene Harris, the "Blues Man From Boise," as the Wall Street Journal once called him, died at the start of a new millennium, but he left a legacy of music that will outlive us all. He played on more than 80 recordings and shared the stage or recording studio with many legends and luminaries. Gene's wife, Janie, and veteran writer Bob Evancho detail the career of this gifted entertainer.

Elegant Soul

This fascinating book gives you the tools to help tap into one of the most powerful forces in the Universe -YOUR SOUL. This is a step by step guide to help you reconnect with your natural spiritual abilities. You'll develop a conscious awareness of the spiritual laws that exists in each and every person. "Power of the Soul" will help you to dismantle some of the barriers created by your outer-self, to unveil your true inner-self and enable you to break free from some of the psychological restrictions that have prevented you from identifying and realizing your full potential. Within these pages you'll learn how to:

- Discover and access your spiritual faculties
- Open yourself to a guiding higher consciousness
- Tap in to your own intuitive abilities
- Remove psychological and spiritual blocks
- Find your true self as you understand the nature, function, and purpose of the soul
- Create and control your own path
- Use spiritual energy to heal yourself and others
- Enhance your body, mind, and soul to live a life of harmony

This transformational book is more than just a guide. It is also a way back to a life lived from the inside out. No matter what your walk of life, this book will help you to follow your own spiritual journey. "When you tap into the incredible force and power of your soul, and once your spiritual gifts are recognized, opened and used," says John, "you'll see yourself and the world in a way you never thought possible."

Power of the Soul

Soul Chasing: Thoughts and Prayers for the Rest of Us is a collection of poems and stories about what's real in life; it is a book about life, about love, and about Spirit. It is stories and poetry written for "the rest of us"

Soul Chasing

Where is your solace when you have lived a life without religion or faith, only to find out nearing the hour of your death you have nothing to trust. Even a life of constant faith can end with fear of the damnation threatened by your minister. What if you are gay, or lesbian, locked away in prison, or hopelessly addicted to drugs or alcohol? When the fear of death occupies your mind, what can you turn to? Where is the truth? What happens when I die? Which church is the right one? Will there be rapture? Is God on our side? Can I really get into heaven for an adequate donation? Thousands are in prison, thousands are gay, and thousands have no religious affiliations at all. Yet in every heart lies the fear of damnation and the uncertainty of what may await us on the other side. Gays are called abominations

by churches and good Christians; sentenced to exclusion and damned forever. Prisoners are for the most part condemned to hell for their crimes. The everyday average person does not go to church at all. I offer these untold thousands a new answer, a plausible alternative to sackcloth and ashes. I offer a faith in the absolute "understanding" that awaits us after death. I ask readers to look past the ranting and threats of all religions. You need to see that they are selling heaven. There is no Bible thumping or condemnation in chapter and verse. This is a religious, anti-religious book. I offer piece of mind, even hope for your personal end times. It is not deep nor psychologically steeped in conjecture. Free yourself from bondage and fear. Share the story. The End Times may be here! This book can help you prepare.

Apocalypse of the Soul

From "No Use Denying It" to "Keeping the Spirit Renewed," Dick Morgan here offers six themes right on target for older adults. The sixty-two meditations in *No Wrinkles on the Soul* are ideal for individual or small-group devotions. Each meditation presents a suggested Scripture reading, a printed Bible verse, and a reading for reflection. These meditations relate honestly to the variety of situations in which older adults may find themselves living--in their own home, in a retirement center, in a nursing home, or in the home of a relative.

No Wrinkles on the Soul

Do you want to find your Soul's purpose and connect with your life's mission? Are you stuck and feeling as if there should be more to life? Do you long for greatness, fulfillment, and a life that lifts your spirit? In *Your Soul's Quest*, author Rod C Ezekiel integrates metaphysics with powerful success principles, taking you on an internal journey to discover your heart's deep love and the answers within the depths of your soul. Using exercises, stories, and Rod's gentle guidance, you will unlock the secrets hidden within you to find your authentic self and create a miraculous, new life. *Your Soul's Quest* offers answers to questions such as: How do you uncover the inborn soul strengths and genius that are linked to your purpose? How do you find alignment with your love to create authentic, meaningful goals? Through identifying what internal values you carry, you will come to understand why you make the decisions you do, and you'll learn how to rewire your belief system to replace limiting thoughts with boundlessly successful ones. By the end of the journey, you will comprehend your mission and purpose and be poised to embark on a life of significance with greater joy and wondrous creativity. Let's begin!

Your Soul's Quest

Get into the holiday spirit with these magical stories of family and friends... giving and sharing... joy and blessings! You'll be inspired by these tales of kindness, gratitude and giving. These 101 real-life personal stories from the very best of *Chicken Soup for the Soul's* library are filled with the cheer of the season. They'll leave you smiling and eager to share the holidays, from Thanksgiving to Hanukkah to Christmas and New Year's. We didn't forget the kids either. The stories in this collection are "Santa safe," meaning that they keep the magic alive even for precocious readers. Your purchase will support Toys for Tots as well, creating miracles and blessings for children all over the U.S. *Chicken Soup for the Soul* books are 100% made in the USA and each book includes stories from as diverse a group of writers as possible. *Chicken Soup for the Soul* solicits and publishes stories from the LGBTQ community and from people of all ethnicities, nationalities, and religions.

Chicken Soup for the Soul: Time for Christmas

This updated edition provides practical structures, planning tools, and specific classroom examples of effective teaching strategies. The author focuses on the need for curriculum and instruction that allows students to move beyond factual learning to a level of understanding where knowledge transfers readily to new situations and thinking becomes integrated. --From publisher's description.

Soul of the Qur'an-Volume 1

Historical novel set in the mountains of western North Carolina in 1830. Isaiah is an enslaved person torn from his family on Monticello after Thomas Jefferson's death. Jim Locust is a Cherokee Indian caught in the clash of cultures. Tom Love is a troubled farmer on the North Carolina frontier in charge of the 1830 Macon County federal census. Together, these men face life and death in the beauty of the Smoky Mountains, and grapple with the true meaning of freedom.

Stirring the Head, Heart, and Soul

* How can educators and parents of diverse backgrounds come together to find ways to invite soul into schools? * How do educators address "soul" in education without violating the separation of church and state or the deeply held beliefs of families and students? In this book, Rachael Kessler shows how. Based on the deeply moving stories and profound questions of students themselves, each chapter responds to the yearnings young people express: Deep Connection, Meaning and Purpose, Silence, Joy, Creativity, Transcendence, and Initiation--each evokes a gateway to inviting soul into the clas.

Counting Souls

Chicken Soup for the Soul: My Resolution is uplifting in its messages of self-acceptance, self-confidence, and self-awareness. It is a fun and inspirational book for the classic New Year's resolution season and all year. Everyone makes resolutions -- for New Year's, for big birthdays, for new school years. In fact, most of us are so good at resolutions that we make the same ones year after year. This collection of great true stories covers topics such as losing weight, getting organized, stopping bad habits, restoring relationships, dealing with substance abuse, changing jobs, going green, and even today's hot topic -- dealing with the economic crisis.

The Soul of Education

Macon County, North Carolina - 1829 Storm clouds are gathering over the Blue Ridge Mountains. Andrew Jackson has signed legislation sealing the fate of the Cherokee, and tempers flare as land-hungry pioneers push the tribe to the breaking point. The settlers have also brought slavery to the frontier. Tensions burn between yeoman farmers and wealthy slaveholders, as fears of a slave insurrection drive draconian measures. Tom Love is the son of a powerful mountain family, but life on his small farm has been difficult, and the death of his oldest daughter has driven him to the brink of despair. He's offered a lifeline by his influential uncle: the job of census taker for Macon County for the 1830 federal census. But it's a Faustian bargain. He will accept two enslaved people to work the farm while he collects the census. Isaiah was born on Monticello, Thomas Jefferson's Virginia plantation. After the former president dies, his assets, including his enslaved servants, are sold to pay his sizable debts. Isaiah, brutalized and separated from his wife and child, now finds himself on the Love farm in the mountain wilderness. This is a story about family: what you would do to be reunited with them, what you would do to protect them, and how you live when you lose them. It's a story about cultural conflict, what divides us and what unites us. And it's a paeon to the glory of the southern Appalachians and a way of life, intertwined with nature, which is slipping from our memory.

Chicken Soup for the Soul: My Resolution

Reprint of the original, first published in 1874.

Counting Souls

This book provides a nuanced picture of the notions of body and soul held by the peoples of Europe through the soul concepts associated with the Judeo-Christian tradition and other religions and denominations; and the alternative traditions preserved alongside Christianity in folklore collections, linguistic and literary records. The studies also emphasize the connections between these notions and beliefs related to death and the dead, as well as questions of communication between the human world and the spirit world. The essays here focus on the roles notions of the soul and the spirit world play in the everyday life, religion and mentality of various communities; their folklore and literary representations, as well as the narrative metaphors, motifs, topoi and genres of ideas about the soul and about supernatural communication, along with questions of the relationship between narratives and religious notions. This book will appeal to researchers and students of religion, mythology, folklore and the anthropology of religion, as well as general readers interested in the humanities.

Songs of the Soul

Why is the name of this composite book "Mystifying Russian soul"? Let's apply to Wikipedia: "The concept arose in the second part of the 19th century due to a philosophy of the leading Russian writers such as Dostoevsky and Tolstoy. In their popular in Europe books not ethic, but aesthetic principles as well as not entertaining, but moral needs are playing the dominant role. "Spirit" of such writings turned into "Soul" and lead to a concept "Mystifying Russian soul" popular abroad. Except Dostoyevsky and Tolstoy almost all the writers who became classics of Russian and world literature took part in this

process. The composite book “Mystifying Russian soul” contains more than twenty their novels, tales, plays and poems.

Free Thoughts Concerning Souls

Tracy Fletcher's parents are mortified when her boyfriend Adam proposes marriage and she accepts. In an attempt to get Tracy to reconsider, her parents make a deal with her: Have her take a trip to coastal Maine where Victoria, an old friend of Tracy's mother, and her son own a hotel. However, the deal is for Tracy to go without Adam so that she can think this proposal through without any distractions. She takes the deal and her and her two best friends venture off to Maine unaware that the state's tourism is suffering due to a series of murders taking place in the area. The monster known as the Frightening Finger Fiend is running around murdering married and engaged couples. Upon arrival, Tracy meets Victoria's son Hunter and his best friend Zachary who marvel at the uncanny resemblance Tracy bears to a woman they both loved and lost tragically. The haunting tale of this lost love begins to unfold and Tracy learns it is filled with jealousy, betrayal and murder. Tracy gets closer to Hunter and Zachary just as Adam makes an appearance having followed her in an obsessive attempt to keep watch on her. His jealousy becomes apparent as he is horrified to learn that Tracy has decided to leave him. Meanwhile, the murders have increased as many more victims are found just beyond the woods. Theories of the murderer being a ghost of a woman seeking vengeance continue to arise. As Tracy and her friends get closer to uncovering the truth behind these brutal slayings; the murderer has selected the next target and they soon learn they are too late.

Yoganidra: Body Mind Soul Tool

There are pivotal moments in the lives of all seekers when we realize that we've been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn't enough or even acceptable anymore. We know we're being called to something more significant and expanded—we can feel it. At these times what's needed is not simply more change or an adjustment in our outer life, but profound transformation. We don't just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life's work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you've felt stuck or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis's trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Reading it will leave you truly and authentically uplifted and transformed.

Mystifying Russian soul

Miss Lillie made a conscious choice at a young age to not only survive her father's abusive alcoholism but to excel. Spending her formative years as a ward of the state, she graduated valedictorian from TIS/TPS in Nashville, Tennessee and was awarded a full scholarship to George Peabody College, now a division of Vanderbilt University. She chose, however, to raise a family and make sure her family had what she didn't growing up - stability and love. She never met a stranger and never stopped learning. These memories and her teachings are full of joy, imagination and humor.

Lost Soul

For anyone who enjoys spending time in the great outdoors: hikers, mountain climbers, snowboarders, kayakers, campers, beach-lovers, tree-huggers and more.

Soul Shifts

Secret Traces of the Soul of Mileva Maric Einstein by Svetlana Alter For much of the world, Albert Einstein might just be the patron saint of science. Why not, when virtually all works, scientific or other, pay tribute to the achievements of this man? Given that he had done so much for humanity who then would venture to question his own mortal being? The entire endeavor, then must seem unorthodox. We seek to learn of this man's contributions and cringe at the slightest mention of a possible shortcoming. Such traces, perhaps would breach the very fabric of space-time itself, where perhaps now rests the soul of the man. Most of us might be inclined to say to ourselves, if Einstein himself had any issue about his own past, it must have been, at a small price in comparison to his achievements. In Secret Traces of the Soul of Mileva Maric Einstein, Svetlana Alter documents the influence of Mileva on Albert as partner, pillar, and physicist, in her own right; continually supporting her beloved husband in the shadows. Alter provides an insightful understanding of the life untold of the woman behind the man, accepting, but all the while playing a Madam Curie to her husband, unknown and unrecognized. About the Author Svetlana Alter, a native of Sremska Mitrovica, attended the same highschool as Albert Einstein's wife, Mileva Maric. Svetlana was born, only days after Mileva passed away. Recognizing the significance of this woman's contributions to the success of her husband, Svetlana began documenting the details of Maric-Einstein's life from interviews conducted with relatives. Svetlana Alter is author of twelve books published in English and Serbian language.

The Human Intellect, with an Introduction Upon Psychology and the Soul

There is something truly magical about the bond between mothers and daughters... and grandmothers, too!
