I Need to Get Laid (Full Color)

These are short stories. Ranging from a Hit Man becoming infatuated with the person he is meant to kill to a person getting into a philosophical debate with their executioner to answering the fundamental nature of consciousness, these stories will entertain readers with its clever insights and biting commentary. Interlaced throughout are connected stories of two families whose lives are weaved together more than they could ever know. Some stories are much longer than others, but what they lack in brevity they make up for in levity. This rhymes, which means it is true.

How to Get Laid in Less Than Three Dates

This book is intended to help those who are contemplating performing or studying the Brahms Requiem. It provides historical information, performance considerations, musical analysis, and resource material for all who enjoy the musicology behind this magnificent work. It is especially directed toward conductors, but it is also useful for choristers and soloists as well. A wonderful instructional tool!

The Viking Age

Ray likes to think of himself as a global nomad, belonging everywhere in general and nowhere in particular. Now in his thirties, he jumps at the opportunity to take a six-month sabbatical offered by his company. But as he walks to the airport gate, Ray feels a bit of trepidation; he'll be giving up his normal life—friends, family, sports, hobbies, and his usual daily life—while he backpacks for the coming half-year. From Thailand to Cambodia and Vietnam, Ray explores cultures, sees breathtaking sights, and savours the cuisine of his many stops. He makes new friends and takes time to examine his life as a single man. It's a discovery of places and parts that Ray has forgotten existed while he toiled away in the corporate rat race. Although he begins his trip without any ambition of finding himself or the like; he is increasingly intrigued by the question of what he wants from the rest of his life. Look Up

Upon arriving in China, you soon realize that there are plenty of good choices available, much more than you could predict. There are plenty of beautiful women everywhere. Nonetheless, what you do and how, may lead you to nothing, to plenty within weeks or to marriage in less than three months, as I've seen many times. Everything depends exactly on what you're looking for and how willing are you in following the rules stated in this book. Not everyone can do it and, in fact, even though a very small portion makes it big time, and I did had the fortune to meet most of them, or at least the women they had sex with, a huge percentage of foreign men in that country simply hates men like me, while doing their best to take us out of the game, because they simply can't compete with. What makes an Alpha man is a very specific attribute in his personality, and the ones that aren't will never have it. The loser-type wants as much women as possible, without even selecting them - fat, ugly, old, etc, and fears any type of competition in any level. Many did approach me, to observe and learn, because they really want to know why they can't. And, without this book, they would never know, no matter how much time they spend with someone like me or any of the other men I'm referring here, because they can't see what we do, even when in front of their face, especially if we do it without talking a single word. This can really make a guy angry, to see a man with the ability to meet lots of hot women and have them crave for sex, without speaking a single word, without caring about them and without chasing them. That's right, If you apply the techniques described in this book, you'll not need to seek women, they will search for you, dream with you and send you messages. But also be the ones calling you, because no matter how many men they meet, you'll become irreplaceable with the techniques shown here. However, be aware that this book is intended for the Chinese culture, and even though many things can be transversal to women of other cultures, some may not always be.

The 1966 Green Bay Packers were one of the greatest teams in professional football history. Led by legendary head coach Vince Lombardi and 10 future Hall of Famers—including Bart Starr, Jim Taylor, Forrest Gregg, Willie Davis and Ray Nitschke—they were the decisive winners of Super Bowl I, defeating the Kansas City Chiefs and upholding the superiority of the National Football League over the upstart American Football League. This book tells the story of the hard-working '66 Packers on the gridiron and their legacy in Titletown, USA.

They're older. They're wiser. So why aren't they finding Mr. Right? The feisty heroines of The Perfect Date series are seasoned about life and romance, but not necessarily wiser about love. The stories in this collection are romantic comedies with attitude. Book 1 - NEVER IS A VERY LONG TIME Cupid she's not—but she's pretty darn close. Nothing in the world feels better to Dr. Mariah Bates than finding her clients the perfect date. Of course finding one for herself might be nice, but creative bill paying is for college students—not for accomplished doctors in their forties. Satisfied customers keep the electricity on. With her cop ex-husband doing everything he can to ruin her business, she's at her wit's end. Throw in another cop who makes her believe in love at first sight—or at least lust—and life is a mess. Book 2 - NEVER SAY NEVER Dating's one thing, but what's love got to do with it? Nothing. At least not for Ann Lynx. She's fifty-three for goodness sake. She's had love. All she's in the market for these days is some fun companionship—no strings attached. Right? Wrong. Thanks to her pain-in-the-rear-end best friend, Georgia, she's now back on the dating scene. Add Georgia's matchmaking daughter Mariah to the mix and Ann is officially in a world of trouble—or dates—to be more accurate. Book 3 - NEVER A DULL MOMENT What could she possibly have in common with a man whose watch costs more than her car? Georgia may be slowing down a bit at sixty, but she isn't stupid yet. The idea of her genuinely dating Dr. Brentwood Colombo, aka Hollywood... well, that's just totally insane. How did she let her snickering friends dare her into giving him a chance? A fair chance at what? Breaking her heart? No, thank you. Her dignity will not be trampled under Hollywood's expensive shoes. Now if he'd just stop talking about her perfect, perfect breasts, she might forget about him completely. ***** NOTE ABOUT THE SERIES HEAT LEVEL: Not being a fan of the word "clean" when applied to romance, I will instead say the heat level in this new series is in the 1-2 range, rather than 3-4 like some of my others. The focus is on sensuality and I've packed a lot into these stories.

The 1966 Green Bay Packers

To Sunday O'Neil, the white-picket-fence scenario, the American dream, was how she planned her life, until she opened the gate of that secure fence and walked through it. Growing up in the late 1960s watching the lovely weekly TV series of *Father Knows Best*, *The Adventures of Ozzie and Harriet*, and *The Donna Reed Show* all affirmed her expectations. Sunday O'Neil's parents and relatives also avowed her beliefs. They all had wonderful secure homes with children and a happy, healthy environment. The wives looked after the home and children while the husbands worked and provided a stable life and also handled all the major problems of the family. Sunday O'Neil discovers she is naive when she finds her dream boy and marries him. Her marriage fails and her white picket fence becomes unhinged, and so does she. Thrust into a world she never imagined, she embarks on a journey of sex, booze, and rock and roll. Take a peek into the unexpected life of the girl next door who puts her Susie Homemaker apron away and puts the X in sex. Will Sunday O'Neil find her white picket fence?
