## Big Sky Wedding

After being jilted at the alter, Brylee Parrish wonders if she will even be able to open her heart to A-list actor Zane Sutton, who is back from Hollywood--but for how long? Original.

## The Parable Series Volume 2

#1 New York Times bestselling author Linda Lael Miller cordially invites you to the small-town of Parable, Montana – where sometimes love shows up when you least expect it... Big Sky Summer With his father's rodeo legacy to continue and a prosperous spread to run, Walker Parrish has no time to dwell on failed relationships. But his country-western sweetheart Casey Elder is out of the spotlight and finally back in Parable, Montana...with two teenagers she's sworn to give normal, uncomplicated lives. Walker can't ignore how much they look like him, and the best way forward for this newfound family is a marriage of convenience. With sparks still there though, will some secrets—like Casey's desire to be the rancher's wife in every way—unravel, with unforeseen results? Previously published. Big Sky Wedding Wedding bells are ringing in Parable, Montana, but Brylee Parrish hasn't enjoyed the sound since being jilted at the altar by Hutch Carmody. She's over Hutch now, and running a multimillion-dollar business is challenging enough for this country gal. So she should avoid falling head over boot heels for A-list actor Zane Sutton. He's come home to his rodeo roots, but Hollywood lured him away once and just might again. Yet everything about him, from his easy charm to his concern for his young half-brother, seems too genuine to resist... Previously published. Big Sky Secrets Self-made millionaire Landry Sutton heads to Hangman Bend's Ranch to sell his land to his brother, Zane. Though he's got cowboy in his blood, Landry plans to return to city life before the dust even settles on his boots. Of course, he didn't count on falling for Big Sky Country...or Ria Manning, whose just now starting to settle into country life herself. Has this city-bound cowboy met the one woman who might make him stay? Previously published. Read the entire fan-favorite Parable series: Book 1: Big Sky Country Book

2: Big Sky Mountain Book 3: Big Sky River Book 4: Big Sky Summer Book 5: Big Sky Wedding Book 6: Big Sky Secrets

### The Parable Series Volume 1

#1 New York Times bestselling author Linda Lael Miller cordially invites you to Parable, Montana – where restless hearts get a second chance at love... **Big Sky Country** The illegitimate son of a wealthy rancher, Sheriff Slade Barlow was never acknowledged by his father...until now. Suddenly, Slade has inherited half of Whisper Creek Ranch, one of the most prosperous in Parable County. That doesn't sit well with his half-brother, Hutch, who grew up with all the rights of a Carmody, including the affections of Joslyn Kirk, homecoming queen, rodeo queen, beauty queen—and the girl Slade's never forgotten. Along with a town to protect, Slade already has his hands full but Joslyn is hard to ignore... Previously published. **Big Sky Mountain** With his rugged good looks, vast wealth and family name, hell-raiser Hutch Carmody is still the golden boy of Parable, Montana. But he's done some growing up—making peace with his illegitimate half-brother and inheriting half of Whisper Creek Ranch, which should have been all his. And these days, Hutch knows there are some things money can't buy: like the heart of loving divorcée Kendra Shepherd. ### The Twenty Days of Turin: A Novel

Named one of NPR's Best Books of 2017. Written during the height of the 1970s Italian domestic terror, a cult novel, with distinct echoes of Lovecraft and Borges, makes its English-language debut. In the spare wing of a church-run sanatorium, some zealous youths create "the Library," a space where lonely citizens can read one another's personal diaries and connect with like-minded souls in "dialogues across the ether." But when their scribbles devolve into the ugliest confessions of the macabre, the Library's users learn too late that a malicious force has consumed their privacy and their sanity. As the city of Turin suffers a twenty-day "phenomenon of collective psychosis" culminating in nightly massacres that hundreds of witnesses cannot explain, the Library is shut down and erased from history. That is, until a lonely salaryman decides to investigate these mysterious events, which the citizenry of Turin fear to mention. Inevitably drawn into the city's occult netherworld, he unearths the stuff of modern nightmares: what's shared can never be unshared. An allegory inspired by the grisly neo-fascist campaigns of its day, *The Twenty Days of Turin* has enjoyed a fervent cult following in Italy for forty years. Now, in a fretful new age of "lone-wolf" terrorism fueled by social media, we can find uncanny resonances in Giorgio De Maria's vision of mass fear: a mute, palpitating dread that seeps into every moment of daily existence. With its stunning anticipation of the Internet—and the apocalyptic repercussions of oversharing—this bleak, prescient story is more disturbingly pertinent than ever. Brilliantly translated into English for the first time by Ramon Glazov, *The Twenty Days of Turin* establishes De Maria's place among the literary ranks of Italo Calvino and beside classic horror masters such as Edgar Allan Poe and H. P. Lovecraft. Hauntingly imaginative, with visceral prose that chills to the marrow, the novel is an eerily clairvoyant magnum opus, long overdue but ever timely.

### Nineteen Eighty-Four

*Nineteen Eighty-Four* (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

### The Dream of the Celt

*The Dream of the Celt* explores the life of the Irish revolutionary Sir Roger Casement who was executed for treason after his involvement in the 1916 Easter Rising, travelling with its protagonist from Liverpool and Dublin to the Congo and Peru, where Casement worked as a British consul, and to London, where he ended his life in Pentonville jail. With its preoccupation with political issues and its international scope *The Dream of the Celt* sits firmly in the tradition of the greatest of Vargus Llosa's work.

He, and his family, are vampires - and he knows how dangerous it is for others to get too close.

### The Shining

One of the true classics of horror, now with a new stunning cover look. THE SHINING is regarded as one of Stephen King's masterpieces. Danny is only five years old, but in the words of old Mr Hallorann he is a 'shiner', aglow with psychic voltage. When his father becomes caretaker of the Overlook Hotel, Danny's visions grow out of control. As winter closes in and blizzards cut them off, the hotel seems to develop a life of its own. It is meant to be empty. So who is the lady in Room 217 and who are the masked guests going up and down in the elevator? And why do the hedges shaped like animals seem so alive? Somewhere, somehow, there is an evil force in the hotel - and that, too, is beginning to shine . . .

### Besos en la tercera fase

Edel ha vuelto a casa de su madre y se encuentra perdida. Por suerte, tiene a sus amigas. Y también tiene Murmullos en la noche, el podcast semanal sobre sucesos paranormales del investigador Rob Castillo... Edel se encuentra un poco fuera de lugar. En poco tiempo ha perdido a su padre y su relación con Germán, con quien se mudó a vivir a Barcelona, se ha ido a pique. Ahora está de vuelta en Valencia en casa de su madre (que sigue, como siempre, adicta a Se ha escrito un crimen), y siente como si los últimos cinco años no hubieran existido. Como si hubieran sido un sueño. Un recurso narrativo de película cutre. Por lo menos tiene a Patri, su mejor amiga, y a Leti, esa chica tan maja que trabaja en su mismo edificio, en la asesoría del séptimo. Y también tiene Murmullos en la noche, el podcast semanal sobre sucesos paranormales del investigador Rob Castillo, que es más o menos lo que más le gusta en el mundo. Aunque, a decir verdad, se siente un poco molesta con el programa: hace semanas escribió al correo de contacto para explicar que en el estudio de diseño gráfico donde trabaja están sucediendo cosas inexplicables (¡Una ventana se abre sola! ¡El secamanos del baño se enciende sin que nadie lo toque!) y Rob Castillo todavía no ha respondido, pese a que siempre promete leer y contestar a todos y cada uno de los mensajes de los oyentes. Frustrada, deja un comentario público en el último episodio del podcast para criticar la falta de palabra del investigador, sin imaginar el revuelo que está a punto de causar entre el fandom del programa. Pero eso solo es el comienzo, porque algo mucho más increíble, e inesperado, está a punto de suceder: el enigmático investigador valenciano, que nunca se deja ver y no tiene ni redes sociales, ha organizado un encuentro con los fans. El primero. Y tendrá lugar la Noche de Halloween.

### Hitchcock

Based on the famous series of dialogues between Francois Truffaut and Alfred Hitchcock from the 1960s, the book moves chronologically through Hitchcock's films to discuss his career, techniques, and effects he achieved. It changed the way Hitchcock was perceived, as a popular director of suspense films - such as Psycho and The Birds - and revealed to moviegoers and critics, the depth of Hitchcock's perception and his mastery of the art form. As a result of the changed perceptions about Hitchcock, his masterpiece, Vertigo, hit the No 1 slot in Sight & Sound's recent poll of film-makers and critics, displacing Citizen Kane as the Best Film of all time.

### Two White Rabbits

In this moving and timely story, a young child describes what it is like to be a migrant as she and her father travel north toward the US border. They travel mostly on the roof of a train known as The Beast, but the little girl doesn't know where they are going. She counts the animals by the road, the clouds in the sky, the stars. Sometimes she sees soldiers. She sleeps, dreaming that she is always on the move, although sometimes they are forced to stop and her father has to earn more money before they can continue their journey. As many thousands of people, especially children, in Mexico

and Central America continue to make the arduous journey to the US border in search of a better life, this is an important book that shows a young migrant's perspective. ### Paperbacks from Hell

In this illuminating and provocative survey, Stephen Barber examines the historical relationship between film and the urban landscape. *Projected Cities* looks with particular focus at the cinema of Europe and Japan, two closely linked cinematic cultures which have been foremost in the use of urban imagery, to reveal elements of culture, architecture and history. By examining this imagery, especially at moments of turmoil and experimentation, the author reveals how cinema has used images of cities to influence our perception of everything from history to the human body, and how cinematic images of cities have been fundamental to the ways in which the city has been imagined, formulated and remembered. The book goes on to assess the impact of media culture on the status of film and cinema spaces, and concludes by considering digital renderings of the modern city. *Projected Cities* will appeal to all readers engaged with the city, film and contemporary culture.

### Projected Cities

GyArgy LukAcs was a Hungarian Marxist philosopher, writer, and literary critic who shaped mainstream European Communist thought. "Soul and Form" was his first book, published in 1910, and it established his reputation, treating questions of linguistic expressivity and literary style in the works of Plato, Kierkegaard, Novalis, Sterne, and others. By isolating the formal techniques these thinkers developed, LukAcs laid the groundwork for his later work in Marxist aesthetics, a field that introduced the historical and political implications of text. For this centennial edition, John T. Sanders and Katie Terezakis add a dialogue entitled "On Poverty of Spirit," which LukAcs wrote at the time of "Soul and Form," and an introduction by Judith Butler, which compares LukAcs's key claims to his later work and subsequent movements in literary theory and criticism. In an afterword, Terezakis continues to trace the LukAcsian system within his writing and other fields. These essays explore problems of alienation and isolation and the curative quality of aesthetic form, which communicates both individuality and a shared human condition. They investigate the elements that give rise to form, the history that form implies, and the historicity that form embodies. Taken together, they showcase the breakdown, in modern times, of an objective aesthetics, and the rise of a new art born from lived experience.

*The Burrow* is an incomplete narrative by Franz Kafka, written 1923-1924, and published posthumously in the magazine *Witiko* in 1931 by Max Brod. It tells of an animal's futile struggle to perfect the defence of his giant burrow against enemies. The narrative deals with becoming entangled in obsessive observation of a self-created labyrinth-like construct that causes heightened paranoia.

**FILM AS FILM: THE COLLECTED WRITINGS OF GREGORY J. MARKOPOULOS** contains some ninety out-of-print or previously unavailable articles by the Greek-American filmmaker who, as a contemporary of Kenneth Anger, Stan Brakhage and Andy Warhol, was at the forefront of a movement that established a truly independent form of cinema. Beginning with his early writings on the American avant-garde and auteurs such as Dreyer, Bresson and Mizoguchi, it also features numerous essays on Markopoulos' own practice, and on films by Robert Beavers, that were circulated only in journals, self-published editions or programme notes. The texts become increasingly metaphysical and poetic as the filmmaker pursued his ideal of Temenos, an archive and screening space to be located at a remote site in the Peloponnese where his epic final work could be viewed in harmony with the Greek landscape. Gregory J. Markopoulos (born 1928, died 1992) is a unique figure in film history, whose life's work stands in testament to his strength of vision and commitment to the medium. "This collection of writings by a key figure of the New American Cinema complements, illuminates and extends an incomparable body of work. Equal parts theory, criticism and mythical prose, the texts reflect the charisma and originality of its author - and his enduring romanticism. Brandished by the same absolutes and passion that fuel his films, **FILM AS FILM** is a seminal addition to film scholarship and film history." (Andrea Picard, Toronto International Film Festival) **FILM AS FILM: THE COLLECTED WRITINGS OF GREGORY J. MARKOPOULOS** is edited by Mark Webber and has a foreword by P. Adams Sitney. The 2017 paperback edition contains a newly revised filmography.

## Chastelard

Lucien Febvre's magisterial study of sixteenth century religious and intellectual history, published in 1942, is at long last available in English, in a translation that does it full justice. The book is a modern classic. Febvre, founder with Marc Bloch of the journal *Annales*, was one of France's leading historians, a scholar whose field of expertise was the sixteenth century. This book, written late in his career, is regarded as his masterpiece. Despite the subtitle, it is not primarily a study of Rabelais; it is a study of the mental life, the mentalité, of a whole age. Febvre worked on the book for ten years. His purpose at first was polemical: he set out to demolish the notion that Rabelais was a covert atheist, a freethinker ahead of his time. To expose the anachronism of that view, he proceeded to a close examination of the ideas, information, beliefs, and values of Rabelais and his contemporaries. He combed archives and local records, compendia of popular lore, the work of writers from Luther and Erasmus to Ronsard, the verses of obscure neo-Latin poets. Everything was grist for his mill: books about comets, medical texts, philological treatises, even music and architecture. The result is a work of extraordinary richness of texture, enlivened by a wealth of concrete details--a compelling intellectual portrait of the period by a historian of rare insight, great intelligence, and vast learning. Febvre wrote with Gallic flair. His style is informal, often witty, at times combative, and colorful almost to a fault. His idiosyncrasies of syntax and vocabulary have defeated many who have tried to read, let alone translate, the French text. Beatrice Gottlieb has succeeded in rendering his prose accurately and readably, conveying a sense of Febvre's strong, often argumentative personality as well as his brilliantly intuitive feeling for Renaissance France.

## The Horror Handbook

Gabriel Francisco Miro Ferrer was born on July 28th 1879, in Alicante on the Costa Blanca. Brought up in the Castilian-speaking Alicante, Miro was sent away to school in nearby Orihuela, aged eight. The Jesuit Colegio de Santo Domingo would become the "Jesus" in *The Leper Bishop*. Miro studied Law, first at the University of Valencia, then at Granada, from which he graduated in 1900. He married in 1901, at the age of 22, and in that same year published his first novel, *La mujer de Ojeda*. *The Leper Bishop* was published in December 1926, when Miro was a grandfather, and he died not long afterwards, in May 1930, of peritonitis. *The Leper Bishop* (*El obispo leproso*) follows the story (begun in *Our Father San Daniel*) of a boy, Pablo, who is sent to a Jesuit school - a place where an extremist version of Catholicism is inflicted on its pupils. The novel portrays the struggle between innocence and evil, which, by the end of the book, is tempered by understanding. Miro has traditionally been seen as a writer difficult or impossible to translate, with very few of his works available in English. It is hoped that this edition will bring this lyrical writer's work to a wider audience.

### The Ghost Chronicles

Lively, original and highly readable, *An Introduction to Literature, Criticism and Theory* is the essential guide to literary studies. Starting at 'The Beginning' and concluding with 'The End', chapters range from the familiar, such as 'Character', 'Narrative' and 'The Author', to the more unusual, such as 'Secrets', 'Pleasure' and 'Ghosts'. Now in its fifth edition, Bennett and Royle's classic textbook successfully illuminates complex ideas by engaging directly with literary works, so that a reading of *Jane Eyre* opens up ways of thinking about racial difference, for example, while Chaucer, Raymond Chandler and Monty Python are all invoked in a discussion of literature and laughter. The fifth edition has been revised throughout and includes four new chapters – 'Feelings', 'Wounds', 'Body' and 'Love' – to incorporate exciting recent developments in literary studies. In addition to further reading sections at the end of each chapter, the book contains a comprehensive bibliography and a glossary of key literary terms. A breath of fresh air in a field that can often seem dry and dauntingly theoretical, this book will open the reader's eyes to the exhilarating possibilities of reading and studying literature.

### Honor Under Siege

Alberto Breccia's *Dracula* is composed of a series of brutally funny satirical misadventures starring the hapless eponymous antihero. Literally defanged (a humiliating trip to the dentist doesn't help), the protagonist's glory days are long behind him and other, more sinister villains (a corrupt government, overtly backed by American imperialism) are sickening and draining the life out of the villagers far more than one creature of the night ever could. This is the first painted, full-color entry in Fantagraphics' artist-focused Alberto Breccia Library, and the atmospheric palette adds mood and dimension. It also includes a sketchbook showing the artist's process.

### An Introduction to Literature, Criticism and Theory

The brilliant thinker who taught us about the banality of evil explores another brilliant thinker and his concept of love. Hannah Arendt, the author of *The Origins of Totalitarianism* and *The Human Condition*, began her scholarly career with an exploration of Saint Augustine's concept of *caritas*, or neighborly love, written under the direction of Karl Jaspers and the influence of Martin Heidegger. After her German academic life came to a halt in 1933, Arendt carried her dissertation into exile in France, and years later took the same battered and stained copy to New York. During the late 1950s and early 1960s, as she was completing or reworking her most influential studies of political life, Arendt was simultaneously annotating and revising her dissertation on Augustine, amplifying its argument with terms and concepts she was using in her political works of the same period. The dissertation became a bridge over which Arendt traveled back and forth between 1929 Heidelberg and 1960s New York, carrying with her Augustine's question about the possibility of social life in an age of rapid political and moral change. In *Love and Saint Augustine*, political science professor Joanna Vecchiarelli Scott and philosophy professor Judith Chelius Stark make this important early work accessible for the first time. Here is a completely corrected and revised English translation that incorporates Arendt's own substantial revisions and provides additional notes based on letters, contracts, and other documents as well as the recollections of Arendt's friends and colleagues during her later years. "Both the dissertation and the accompanying essay are accessible to informed lay readers. Scott and Stark's conclusions about the cohesive evolution of Arendt's thought are compelling but leave room for continuing discussion."—Library Journal "A revelation."—Kirkus Reviews

### The World's Most Famous Ghosts

Presents accounts of well-known ghosts that haunt the White House, the Tower of London, and several other places.

### 50 Real Ghost Stories

A real ghost story should never end perfectly. That is my rule of thumb. After investigating ghost experiences for nearly thirty years, I realised that the finely polished stories told by storytellers and "ghost walkers" were exactly that - polished. In polishing stories we lose the personality of the haunted and indeed the haunter itself, that is why in my books, research papers and articles, I always maintain the original testaments and facts. The stories that I have collected for you now are rough diamonds, totally unpolished and any additions by myself are kept to a minimum and noted clearly." P. [4] of cover.

Here, recorded for the first time, is an account for all to read—but preferably not at night—when you only think you are alone! Ghosts of the Tower of London is part of The Paranormal, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. ## Haunted London

This was the first book on London's ghosts, when Peter Underwood was President of the Ghost Club. He is uniquely qualified to write Haunted London, presenting a parade and gazetteer of the psychic phenomena of Britain's capital city - a city with nearly ten million living inhabitants and the ghosts of many dead ones. As well as all the famous hauntings - the Cock Lane ghost, the Grey Man at Drury Lane, the Tower ghosts, the haunted house at Berkeley Square etc. - the book contains many new and hitherto unpublished findings. Not all ghosts date back to earlier centuries: there are ghost motorcyclists, for instance, and new buildings on the sites of older ones are as likely to have ghosts as those which still stand. For easy reference, Haunted London has divided up London geographically. Ghostly associations are uncovered in churches, theatres, hotels, inns and scenes of murders. Poltergeist infestation is another phenomenon included in this work which is sure to fascinate anyone wanting to get to know London better - whether they be visitors, psychic researchers, students of history, of legend or folklore, or simply lovers of one of the world's finest cities.

Regarded by many as one of the world's most famous ghost stories, the story of The Turn of the Screw is narrated through the journal of a governess and describes her struggle to save her two young charges from the demonic influence of the uncanny apparitions of two former servants in the household. The novella has been adapted numerous times. The plot of this novella centered on an unnamed narrator and some of their friends who gather around a fire on the Christmas Eve. Douglas, one of them, reads a manuscript that tells the story of governess being hired by a man who has become responsible for his young niece Flora and nephew Miles following the deaths of their parents. Flora, is living in Bly, where she is cared for by Mrs. Grose, the housekeeper. Her uncle, the governess's new employer, is uninterested in raising the children and gives her full charge. This is a difficult job at the best of times for a twelve-year-old ghost, but it is World War II and each night enemy bombers hammer London. Even the dead are unsettled. When Flossie encounters the ghost of a German soldier carrying a mysterious object, she becomes suspicious. What is he up to? Before long, Flossie uncovers a sinister plot that could result in the destruction of not only her cemetery, but also her beloved country. Can Flossie stop him before it is too late?

### The Turnkey

Seventeen all-new stories illuminate the steampunk world of fog and fear! Modern masters of the supernatural weave their magic to revitalize the chilling Victorian and Edwardian ghostly tale: here are haunted houses, arcane inventions, spirits reaching across the centuries, ghosts in the machine, fateful revelations, gaslit streets scarcely keeping the dark at bay, and other twisted variations on the immortal classics that frighten us still.

### Ghosts by Gaslight

There has been an upsurge in books, television programmes, films and websites exploring the reality or otherwise of the spirit world. Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular. Television and the internet, in particular, have fueled this new level of interest, creating a modern media phenomenon that spans the globe. But while the demand for information is high, good information remains scarce. *A Brief Guide to Ghost Hunting* leads us through the process of ghost hunting, from initially weighing the first report, to choosing equipment, and investigating and identifying the phenomena, with an analysis of the best places to go looking, methods of contacting the spirit world, how to explain paranormal activity and, crucially, how to survive the encounter. However, it is also a book about ghost hunting itself, drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories. *A Ghost Hunting Survey* makes use of interviews with those billing themselves as ghost hunters to find out their views, motivations and experiences. New and original research makes use of statistics to map the nebulous world of apparitions while a *Preliminary Survey of Hauntings* offers an analysis of 923 reported phenomena from 263 locations across the UK. This is, as far as possible, an objective presentation of ghosts and ghost hunting. It is no wonder that

mainstream science largely refuses to deal with the subject: it is too complicated. Without trying to convince you of any viewpoint, this book is intended to help you understand more.

### A Brief Guide to Ghost Hunting

The chilling title of this hair-raising volume refers to the real-life Hell House of New Orleans--a mansion haunted by the ghosts of tortured and murdered slaves. But that's only one of the 43 forbidding locations documented within these pages. Bold readers are invited to go on a world-spanning tour of haunted places, to meet ghosts, apparitions, and spirits such as the Windigo of the remote Canadian forests, which possesses unwary travelers and compels them to eat human flesh. Here also are such horrors as the moving coffins of Barbados, the Hungry Ghosts of China, and other bizarre manifestations of the spirit world. Truly a feast of shudders and thrills for all fans of the supernatural.

Situated on the border of Kent and London, the borough of Bromley has long been considered extremely haunted and now, for the first time ever, a majority of its ghost stories can be revealed. Folklorist Neil Arnold peeks into the darkest corners of the district in search of phantom highwaymen, troublesome poltergeists, creepy creatures and haunted houses, as well as investigating Bromley's most ghost-infested areas such as Biggin Hill, with its wartime spirits, and the eerie tunnels of Chislehurst Caves. So if you're interested in things that go bump in Bromley, then take a deep breath, grab a torch, and prepare for *Haunted Bromley*.

### Real Ghost Stories

### The Haunting of Aveline Jones

SHORTLISTED FOR THE ROGERS WRITERS' TRUST FICTION PRIZE: An infectious and heart-breaking novel from "one of this country's great kinetic writers" (*Globe and Mail*)--Craig Davidson's first new literary fiction since his bestselling, Giller-shortlisted *Cataract City* When neurosurgeon Jake Baker operates, he knows he's handling more than a patient's delicate brain tissue--he's altering their seat of consciousness, their golden vault of memory. And memory, Jake knows well, can be a tricky thing. When growing up in 1980s Niagara Falls, a.k.a. *Cataract City*--a seedy but magical, slightly haunted place--one of Jake's closest confidantes was his uncle Calvin, a sweet but eccentric misfit enamored of occult artefacts and outlandish conspiracy theories. The summer Jake turned twelve, Calvin invited him to join the "Saturday Night Ghost Club"--a seemingly light-hearted project to investigate some of *Cataract City*'s more macabre urban myths. Over the course of that life-altering summer, Jake not only fell in love and began to imagine his future, he slowly, painfully came to realize that his uncle's preoccupation with chilling legends sprang from something buried so deep in his past that Calvin himself was unaware of it. By turns heartwarming and devastating, written with the skill and cinematic immediacy that has made Craig Davidson a star, *The Saturday Night Ghost Club* is a bravura performance from one of our most remarkable literary talents: a note-perfect novel that poignantly examines the fragility and resilience of mind, body and human spirit, as well as the haunting mutability of memory and story.

### The Ghost in the Cupboard Room

An apocalyptic cult member, a jazz buff in Tokyo, a woman on a holy mountain, a burnt-out lawyer, a Mongolian gangster, a redundant spy, a despondent 'zookeeper', a nuclear scientist, a ghostwriter, a ghost, and a New York DJ are all tenuously connected. All of them have tales to tell, and all must play their part as they are caught up in the inescapable forces of cause and effect.

### The Saturday Night Ghost Club

A collection of chilling ghost stories covering each county in England including the Haunting of the Theatre Royal in Bath, a time-slip in Yorkshire, a vampire in Cumbria and poltergeists in Lincolnshire. Illustrated.

### The Collected Ghost Stories of E.F. Benson

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three

well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

### Ghostwritten

How does it feel to live in a 'haunted home'? How do people negotiate their everyday lives with the experience of uncanny, anomalous or strange events within the domestic interior? What do such experiences reveal of the intersection between the material, immaterial and temporal within the home? How do people interpret, share and narrate experiences which are uncertain and unpredictable? What does this reveal about contested beliefs and different forms of knowledge? And about how people 'co-habit' with ghosts, a distinctive self - other relationship within such close quarters? This book sets out to explore these questions. It applies a non-reductive middle-ground approach which steers beyond an uncritical exploration of supernatural experiences without explaining them away by recourse only to wider social and cultural contexts. The book attends to the ways in which households in England and Wales understand their experience of haunting in relation to ideas of subjectivity, gender, materiality, memory, knowledge and belief. It explores home as a place both dynamic and differentiated, illuminating the complexity of 'everyday' experience - the familiarity of the strange as well as the strangeness of the familiar - and the ways in which home continues to be configured as a distinctive space.

### Supernatural England

19th- and early 20th-c. stories of ghosts, monsters, and hauntings from around the US.

### Haunting Experiences

Ghostly footsteps, mysteriously locked doors, and apparitions from centuries past. The rolling hills and hollers of the Yadkin Valley have been home to many historic events, from Stoneman's raid to the hanging of Tom Dooley. These events have left their imprint on the county's architecture and landscape, and some of them have even left a ghostly legacy. Ghosts of the Yadkin Valley is a collection of spine-tingling tales, including ghost stories from many of the area's National Historic Register sites. Join local storyteller R.G. Absher as he relates the history behind the haunts.

### Co-habiting with Ghosts

' Haunted is a wonderful book: part history, part rumination on life, and, of course a haunting book about ghosts .... beautifully written, fascinating, deeply moving and thought-provoking.' - James Holland  
'A proper page-turner .... A fascinating tangle of witches and mermaids, drowned fishers and dead warriors, ghostly planes and spectral horses .' - Christopher Somerville, author of Ships of Heaven  
'One of the most enjoyable books on the paranormal I've read. Neil Oliver creates a bucket list of places to visit, perfect for both paranormal investigators and history buffs alike.' - Nick Tyler, author of Haunted Yorkshire

.....  
For longer than recorded history there have been tales of spirits and of places where our hackles rise and our skin turns cold. Bestselling historian Neil Oliver travels the British Isles on a deliciously spine-chilling tour that spans several centuries and explores more than 20 sites - castles, vicarages and towers, lonely shorelines and forgotten battlefields - to unpick their stories.. Oliver invokes his family's history alongside that of kings and queens past as he probes why our emotions and senses are heightened in certain locations where the separation between dimensions seems gossamer thin. Our landscape is riven with these places, creaking from the weight of the secrets they hold, the echoes of tragedy and dark deeds . From Inverness to Devon, Co Dublin to Norfolk, Hauntings casts an enjoyably eerie glow with stories that, told generation after generation, are inextricable from place - and considers why they matter.

.....  
'Oliver is an evocative storyteller, vividly bringing his tales to life' BBC History Magazine
