Holy-days and holidays; or, Memories of the calendar for young folks

This collection of essays, sermons, and poetry explores the history and meaning of various holidays and holy days from around the world, including Christmas, Easter, Ramadan, and Yom Kippur. Perfect for anyone interested in learning more about the cultural and religious traditions that shape our lives. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Holy-days and Holidays

Excerpt from Holy-Days and Holidays: A Treasury of Historical Material, Sermons in Full and in Brief, Suggestive Thoughts and Poetry Relating to Holy Days and Holidays HE object of this book is to help busy people in our busy age to find and enjoy the very best that has been written on the vital events and great men whose memory society is trying to perpetuate. The attempt has not been made to treat all the saints' days and special days Of the ecclesiastical calendar. Only the most important days, such as are com memorative of the most significant facts and principles of the Christian faith, have been dealt with. On the other hand, days and anniversaries not in the Church calendars are included, such as Thanksgiving Day, New Year's Day and Old Year Day - occasions which are rich in suggestion to thoughtful minds. This work includes, besides the most important secular legal holidays, the anniversaries most widely observed in America, Great Britain, Ireland, and Canada. As moral and educational in uences, holy days and holidays are of inestimable value. For an example, the stimulus to Christian gratitude and patriotism that comes from the annual observance of Thanksgiving Day throughout the nation cannot easily be exaggerated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Holy-Days and Holidays

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Holy-Days and Holidays

Many people are shocked to discover the origins of our most popular religious holidays. They are also surprised to find that the days God commands us to observe in the Bible—the same days Jesus Christ and the apostles kept—are almost universally ignored. Why? Also, why are today's supposedly Christian holidays observed with so many rituals and customs that are not sanctioned anywhere in the Bible? Here are some questions to think about... Does Christmas really honor Jesus and His birth? Where did the Christmas holiday come from? How did it begin, and why? Did you realize that historians (and the Bible) agree that Jesus Christ wasn't born anywhere near December 25? Or that this particular date was well known for its pagan religious celebrations long before Jesus Christ was born? Would Jesus Keep Easter? Can we find any historical or biblical record of Jesus or His disciples keeping Easter or teaching parents and children to dye eggs and display bunnies on this holiday? Did Jesus or His apostles instruct any of His followers to worship His resurrection at sunrise on Easter Sunday—or at any other time, for that matter? If Easter were not sanctioned by Jesus or instituted by His apostles, then where did Easter come from? In other words, if Jesus were living among us today, would He keep Easter or encourage others to do so? Should you, as a Christian, celebrate Easter? Few people know why they believe or do the things they do—especially when it comes to their religious beliefs and practices. Inside the Bible study aid ebook, *Holidays or Holy Days: Does It Matter Which Days We Observe?*, discover the shocking truths about several of the world's most popular holidays. Perhaps even more surprising is how they came to be connected with Jesus Christ and the Christian religion. Chapters in this ebook: -- Crucial Questions -- Christmas: The Untold Story -- How Christmas Grew -- Christmas vs. the Bible -- Biblical Evidence Shows Jesus Wasn't Born on December 25 -- Easter: Masking a Biblical Truth -- The Resurrection Connection -- Fertility Symbols: Beneath the Dignity of God -- The Chronology of Christ's Crucifixion and Resurrection -- Halloween: A Celebration of Evil -- What About Thanksgiving, Hanukkah and Purim? -- God's Days of Worship -- God's Festivals in the New Testament -- Does It Matter to God? -- An Ancient Cultural Clash -- The Delights of Obedience Inside this Bible Study Aid ebook: "Did the writers of the four Gospels (Matthew, Mark, Luke and John) consider Jesus' birth to be one of the most significant events for Christians to acknowledge or celebrate?... Did Jesus Christ tell us to celebrate His birth? No." "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons..." "The word Easter appears once in the King James Version of the Bible, in Acts 12:4, where it is a mistranslation." "The New Testament does not mention an Easter celebration. Early Christians had nothing to do with Easter. Instead, they kept the Passover, instituted by God centuries earlier at the time of the Exodus (Exodus 12:13-14; Leviticus 23:5)." "The popular belief is that Christ was crucified on a Friday and rose on a Sunday. But neither of these suppositions is supported by the biblical record."

Holy-Days and Holidays

Preaching Through Holy Days and Holidays is the eleventh in a series of books devoted to presenting examples of preaching excellence from parishes in the Episcopal Church. These sermons, collected from clergy around the country, focus on preaching the Holy Days and Holidays of the church and secular calendar. Contents include sermons for: *the High Holy Days (Christmas Eve, Ash Wednesday, Maundy Thursday, Easter Evening, and Pentecost) *major festivals (The Presentation of Our Lord, Ascension Day, The Transfiguration of Our Lord, All Saints' Day) *Feasts of various saints *celebrations of ministerial vocation (The Baptism of Our Lord, The Nativity of John the Baptist, the ordination of a bishop, the renewal of ordination vows) *civil holidays (Mother's Day, Memorial Day, Fourth of July, Thanksgiving) and more.

Holidays or Holy Days: Does It Matter Which Days We Observe?

From the secular to the sacred, this book answers your questions about our holiday traditions. If you want to know where we got the Easter Bunny or Santa Claus or the stations of the cross or manger scenes, you'll find the information here, including interesting information about the major holidays that

is otherwise not available from one source. Written with a Christian orientation, the book does not promote a particular point of view about specific holidays; it allows the reader to draw his or her own conclusions about how to celebrate special days.

Preaching Through Holy Days and Holidays

Pastors face a perennial challenge in deciding how to treat special days in the calendar. For days marked in the church year, the challenge is how to speak a fresh word about a familiar theme or story. For days marked in the civil calendar, the challenge is to discern within secular celebrations appropriate connections with the Christian gospel. In *Preaching the Calendar*, masterful preacher J. Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings. His words of wisdom demonstrate how this type of preaching can be done well and serve as valuable sources of stories and sermon illustrations for pastors eager to help people find new and renewed relationships with God.

Holidays & Holy Days

An invitation to see Advent and Christmas through the eyes of a Benedictine monk to find the holy and peace in the hustle and bustle of the season. Take a Benedictine walk through the season of Advent with Benedictine monk Albert Holtz. Join him on his daily outings as he heads out of his abbey and through the colorful, noisy streets of Downtown Newark, New Jersey. In these once-a-day meditations, Father Albert points out the often-unnoticed connections between our secular celebration of the holidays and the deeper, spiritual meaning of the holy seasons of Advent and Christmas. In a string of colored lights, a crowd of shoppers, or the window of a toy store, readers will uncover the traditional advent themes of watchful waiting, repentance, and selfless love. In the bustling sidewalks and busy malls, readers will learn to see Isaiah, John the Baptist, and even Jesus himself, all speaking their ancient messages of peace, hope and good will.

HOLY-DAYS & HOLIDAYS

This book explores the origins and significance of various religious and secular holidays. It covers holidays from a range of cultures and traditions, including Christianity, Judaism, Islam, and ancient cultures. The book provides a fascinating look into the history and meaning of holiday traditions from around the world. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Preaching the Calendar

This book features 24 ecumenical celebrations and rituals to prayerfully mark special holy days and holidays with school-aged children.

From Holidays to Holy Days

Holidays and Holy Days gives you fascinating facts and background about all of the major and minor American holidays, including Jewish feast days. It is a valuable resource for any Christian -- and fun to read besides! Book jacket.

Holy-Days and Holidays

The Healer is a series of stories from 21 different authors, primarily Episcopalians, often well-known, that makes clear God's presence to heal and inspire in our lives.

Holy-Days and Holidays: A Treasury of Historical Material, Sermons in Full and in Brief, Suggestive Thoughts, and Poetry, Relating to Holy Day

Almost every month in the year has a secular holiday -- and on those special Sundays, preachers are often faced with the task of honoring the occasion while maintaining the focus on the proclamation of God's Word. But this also presents a great opportunity to uncover the religious significance of our civic celebrations -- and in this extensive volume of inspiring messages, Alex Gondola combines the rich variety of American culture with scriptural insight to remind us that holidays truly are holy days. Great for personal reading, adult study groups, or fresh sermon ideas, Holidays Are Holy Days is a versatile resource that you'll draw on throughout the year.

The Best of Holy Days & Holidays

Reprint of the original, first published in 1857.

Holidays and Holy Days

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Holy Days & Holidays

Are God's feast days listed in the Bible? Which days did Jesus keep? Which days did the Apostles keep? Which days did the early followers of Christ keep? Are the Holy Days alluded to in the Book of Genesis? Do you observe any holidays? Do you know the history of where they came from? Do you know why you and others may observe them? Do any have religious connotations? Might you be observing demonic holidays? Does it matter to God what days you may keep? If you believe that you are Christian, are you possibly celebrating demonic or pagan ones that Jesus would condemn? If so, does the truth matter enough to you that you would follow Jesus on this? This book contains multiple scriptures, as well as over 130 historical and other citations, to show the history of the Holy Days that Jesus and His early followers kept as well as warnings and other information about those that they would not. If you are interested in the biblical and historical truth about holy days and holidays, this book is one you will want to read and refer to.

Holy Days and Holidays

For two thousand years, the Church Universal has celebrated the life of our Lord. At Christmas, we remember and celebrate his birth in a stable in Bethlehem. We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand. We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel. After his three years of ministry, we prepare for his suffering and death, and grieve at the foolishness of the people who could not believe. We stand at his cross and watch as his disciples who followed him fled in fear for their lives, but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord. To their wonder, and ours, we rejoice in his resurrection and celebrate the life he has given us through his suffering, death and resurrection. We celebrate his ascension to Heaven, with his promise that he would be with his disciples in the Presence of the Spirit, to teach and prepare them for his return. Ten days after his Ascension, we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church. We hear the words of Peter and sit in wonder of all the Spirit promised. Then, suddenly, the Church stops its celebration.

There is silence for six months, until in December we return to the stable in Bethlehem and start our celebration again. What have we forgotten; what do we neglect? What are we missing? Why has the celebration stopped at Pentecost? Where is the mature Church, the victorious Church. Where is the promised Return of our Lord in His Fathers Glory? Where is the Bridegroom? How much longer must the Bride wait? Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost. God calls us to celebrate the entire story, from beginning to end. He promised his faithful remnant that he would return to them and they would dwell with him in His Presence. He promised the rejoicing would have no end. Come with us as we learn and celebrate the Rest of the Story! ----- A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days. The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten. Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar, but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia. What she brings to the reader is tremendous, and exciting, insight into how the NT writers applied Israel's feast days to the work of Christ. If you have never considered Israels New Moons, feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book. Whatever you do, read the Appendices! These special studies are more than worth the price of the book all by themselves. Don K. Preston D. Div. President Preterist Research Institute www.eschatology.org

Celebrating Holidays and Holy Days

What are the origins of some of our holidays? Why are eggs decorated on Easter? Why are there wreaths on doors during Christmas? What is the real reason for decorated trees in living rooms around the world? Through a Christian prospective this book will examine popular holidays that have a significant religious meaning. Digging through layers of history, this book will uncover the pagan origins that make up many of our holiday traditions.

Holidays Are Holy Days

Discusses 16 familiar holidays including Easter, Labor Day, and birthdays. Suggested activities and Bible verses for each of these days are included.

Holidays Or Holy Days

Take a journey through the calendar year with this delightful book of seasonal musings and memories. Young readers will delight in the stories and traditions that have been passed down through generations. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Gaeties and Gravities for Holy Days and Holidays

Describes the origins of more than 300 holidays observed in the United States and around the world. Explains where, when, and how each event is celebrated, with detailed information on the symbols and customs associated with the holiday. Includes contact information and web sites for related organizations.

Holy-Days and Holidays

Does it make any difference which days we observe-or whether we keep them? Does the Bible establish whether we are to keep certain days holy to God? Were these days given to ancient Israel only? Are they binding today only on the Jewish people, while Christians are commanded to keep holidays such as Christmas? In this booklet: • Which Days Should We Keep? • What You Should Know About Pentecost • Feast of Trumpets and Day of Atonement • Feast of Tabernacles and Last Great Day This ebook is offered completely free of charge by the Philadelphia Church of God. However, please not that Google Play will need a verified Google Wallet account which requires your credit card information. In

a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.

Should You Keep God's Holidays Or Demonic Holidays?

Origin and history of holidays celebrated by Icelanders over the centuries.

All the Holy Days and Holidays

The mass protests that greeted attempts to open the 1893 Chicago World's Fair on a Sunday seem almost comical today in an era of seven-day convenience and twenty-four-hour shopping. But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social, religious, and class interests against one another. Whether observed as a day for rest, or time-and-a-half, Sunday has always been a day apart in the American week. Supplementing wide-ranging historical research with the reflections and experiences of ordinary individuals, Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800. She investigates cultural phenomena such as blue laws and the Sunday newspaper, alongside representations of Sunday in the popular arts. Holy Day, Holiday attends to the history of religion, as well as the histories of labor, leisure, and domesticity.

Holidays Or Holy Days

This joyous, sparkling book opens the treasure chest of liturgical year to bring the creative power of the Divine into our ordinary lives here and now.

Holy Days and Holidays

This prayerbook contains two weeks' Christian readings and reflections in 14 double-spreads to take on holiday. The theme is reflecting on the Creator through the creation. Bible passages are printed in full. Two special double spreads are for use as an act of worship on Sundays. Also included are two special articles: How to Meditate - A Practical Approach and The Practice of the Presence of God - How to Be Aware of God Whatever We Are Doing and Wherever We Are.

Das deutsche Datum

How do individuals, societies, and nations deal with their difficult pasts? "Getting History Right" examines this question in a comparative context by looking at an authoritarian East Germany and a pluralistic, democratic West Germany. Eschewing a narrow focus on elites, this work draws extensively on societal level discussions of the past in popular culture, such as film, television, radio, and newspapers. It examines how societal level discussions of the past shaped individual perceptions and interpretations of the past; and how individual perceptions and struggles over the meaning of the past shaped societal level discussions. These struggles over meaning and "getting history right" are not only shaped by political power, but are also a source of symbolic power. To understand political life, scholars must embrace not only material political power, but also the symbolic and cultural roots of power. The research presented here makes extensive use of public opinion data, cinema attendance, and television viewer data, as well as other sources, to look at the multiple meanings that East and West Germans assigned to the Holocaust and World War II across time. Rather than culture merely being an extension of political power, this work argues that culture and the boundaries of the cultural matrix shape the use of political power by different social actors. Getting history right is not only a reflection of political power; it is a source of power itself.

Getting History Right

History analyst and author Mario Arndt writes about topics you won't find in traditional history books. His analyses of official history reveal how the Middle Ages, the ancient world, and the associated chronologies were fabricated and forged. This is a book like no other! Hack #0: History Hacking - Anything goes Hack #1: The made-up lists of kings in the Middle Ages Hack #2: The made-up chronology of antiquity Hack #3: The numerical code of the Bible in history Hack #4: The 800-year cycle in history Hack #5: Charlemagne - the made-up Emperor Hack #6: Augustus - the made-up first Roman Emperor Hack #7: The new dating of the astronomical reports of antiquity Hack #8: Jesus Christ on the imperial throne Hack #9: The made-up list of popes Hack #10: An new chronology of the history of mankind This book is so intelligent and entertaining at the same time that it is a must read.

Der 9. November

Investigates the field of German life writing, from Rahel Levin Varnhagen around 1800 to Carmen Sylva a century later, from Döblin, Becher, women's WWII diaries, German-Jewish memoirs, and East German women's interview literature to the autofiction of Lena Gorelik.

History Hacking

Die Revolution von 1918/19, der Hitlerputsch, die Reichspogromnacht, das Attentat von Georg Elser auf Adolf Hitler und die friedliche Revolution von 1989 – alle diese Ereignisse sind mit dem 9. November verknüpft. Er ist der deutsche Schicksalstag. Der Historiker und Journalist Wolfgang Niess erzählt, was jeweils geschah, und beschreibt den Kampf um die Erinnerung. So entsteht ein Panorama des deutschen 20. Jahrhunderts mit all seinen Widersprüchen. «Der 9. November ist der deutsche

Schicksalstag.» So begann Bundestagspräsident Wolfgang Schäuble am 9. November 2018 seine Ansprache zur Gedenkveranstaltung des deutschen Bundestages. «An diesem Datum verdichtet sich unsere jüngere Geschichte in ihrer Ambivalenz, mit ihren Widersprüchen, ihren Gegensätzen. Das Tragische und das Glück, der vergebliche Versuch und das Gelingen, Freude und Schuld: All das gehört zusammen. Untrennbar.» Seit 1918 ist der 9. November ein besonderer Tag der deutschen Geschichte, der eine eigene historische Bedeutung besitzt. Die Ereignisse stehen nicht bloß in einem anekdotischen, sondern in einem realen Zusammenhang. Im Spiegel dieses Datums lässt sich daher eine deutsche Geschichte des 20. Jahrhunderts schreiben. Der 9. November macht den langen, von furchtbaren Rückfällen in die Barbarei unterbrochenen, schließlich aber erfolgreichen Kampf um die Demokratie in Deutschland anschaulich wie kein anderer Tag des Jahres. Es ist an der Zeit, ihn zu einem nationalen Gedenktag zu erklären.

Contested Selves

Wollen Sie über Themen lesen, die Sie in traditionellen Geschichtsbüchern garantiert nicht finden? In diesem Band werden die wesentlichen Erkenntnisse der Forschungen des Geschichtsanalytikers und Sachbuchautors Mario Arndt präsentiert. Es geht um den 800-Jahres-Zyklus in der Geschichte, die erfundenen Kaiser Augustus und Karl der Große, die konstruierten Königslisten des Mittelalters, 9/11 und den Bibelcode in der Geschichte sowie die erfundene Chronologie der Antike. Weitere Themen sind Jesus Christus, die Päpste und eine neue Chronologie der Geschichte der Menschheit auf der Grundlage der Neudatierung der astronomischen Berichte der Antike. Dies ist ein Buch wie kein anderes! Es ist so intelligent und zugleich unterhaltsam, dass man es unbedingt gelesen haben muss. Website: www.HistoryHacking.de

Der 9. November

Angeichts des 20. Jahrestages des Mauerfalls am 9. November 1989 beleuchten renommierte Persönlichkeiten in ca. 20 Beiträgen die damaligen Ereignisse und die Entwicklung aus einer gesellschaftlichen, politischen und ökonomischen Perspektive. Sie zeigen auf, worin die besonderen Herausforderungen für die Entscheidungsträger lagen, in welchem Gesamtkontext diese bewältigt werden mussten und welche Lehren aus dem deutschen Einigungsprozess für Europa und die Welt gezogen werden können und müssen.

Das Herz der Blechtrommel und andere Aufsätze zum Werk von Günter Grass

Heribert Prantl legt eine Autobiografie vor, mit der er seinen Ruf als großer Journalist und Zeitzeuge eindrucksvoll bestätigt. In seinem »autobiografischen Kalendarium« greift er zwölf Themen auf, die ihm wichtig sind, von Frieden und Demokratie über Gleichberechtigung und Pressefreiheit bis zu Heimat und Religion. Prantl plaudert aus dem Nähkästchen des politischen Journalismus und beschreibt mit leichter Hand sein ereignisreiches Leben als Oberpfälzer, Jurist im Staatsdienst und vor allem als engagierter, streitbarer Journalist. Ein Buch voller interessanter Anekdoten über die »Großen« und »Kleinen« der Gesellschaft, aber auch voll ganz privater Dinge und nicht zuletzt Prantls ureigenstes Bekenntnis zu seiner Profession und seinen Werten.

Die größten Mythen der Geschichte entlarvt

Die deutschen Nationalsymbole Peter Reichel erzählt die Geschichte der nationalen Symbole der beiden deutschen Staaten nach 1945. Am Beispiel u.a. des Deutschlandliedes und der DDR-Hymne, der Farben Schwarz-Rot-Gold, des 8. Mai und 9. November, des Brandenburger Tors, des Reichstags und der Paulskirche, bis hin zur Neuen Wache und zum Holocaust-Mahnmal schildert der Autor die Schwierigkeiten, eine neue politisch-kulturelle Identität nach dem Zusammenbruch des "Dritten Reiches" auszubilden

Neues Archiv Der Gesellschaft Für Ältere Deutsche Geschichtskunde Zur Beförderung Einer Gesamtausgabe Der Quellschriften Deutscher Geschichten Des Mittelalters

Heide Hanxleden wurde an einem 9. November (1939) geboren - einem Datum, das zum "Schicksalstag der Deutschen" erklärt wurde. Das regte sie an, von ihrem bewegten Leben zu erzählen und sich zu fragen, ob der 9. November auch für sie ein "Schicksalstag" war.

Ästhetik und Kommunikation

Wo verläuft der Aldi-Äquator? Wer sind die Herz-Jesu-Marxisten? Warum konnte das Endspiel 1974 in München nicht rechtzeitig angepfeifen werden? Waren wirklich Rosinen in den Rosinenbomben? Solchen Fragen aus der deutschen Alltagskultur geht dieses Buch nach, unter Stichworten von A (wie Aachener Gruß) bis Z (wie Zecke Neuendorf). Der Leser wird einige Überraschungen erleben und Deutschland am Ende etwas besser kennen.

Deutschland 20 Jahre nach dem Mauerfall

Sören Torrau analysiert in seiner Studie einen Wandel der Unterrichtskultur im Fach Gesellschaft, wobei die Schülerpräsentation als digitales Format eine tragende Rolle spielt. Dazu zentriert der Autor die didaktische Operation des Zeigens, die Schüler*innen phasenweise übertragen wird. Historische Fallbeispiele und drei empirische Fallstudien zu den Themen Novemberpogrome, Rassismus und Sozialismus verdeutlichen, wie Schüler*innen in Präsentationen Wissen herstellen. Es gelingt nachzuweisen, dass Schüler*innen durch Präsentationen lernen können, wie sich Wissen öffentlich in sozialer Aufeinander-Bezogenheit konstituiert, da sie selbst in anderer Rolle – als Zeigende – handeln. Im Ergebnis können Lernerdidaktiken rekonstruiert, curriculare Entwicklungsprozesse zur Autorisierung offiziellen Wissens nachgezeichnet und Grundrisse einer Soziologiedidaktik entwickelt werden.

Der neunte November

Dass Räumlichkeit nicht nur als neutraler Rahmen interpretiert werden kann, zeigen deutsch-jüdische Selbstzeugnisse während des Nationalsozialismus und insbesondere die Geschichte der Stadt Breslau. Diese beherbergte damals die drittgrößte jüdische Gemeinschaft Deutschlands. Die Beziehung zwischen ‚Arier‘ und ‚Jude‘ im ‚Dritten Reich‘ war tatsächlich im und durch den Raum strukturiert. Die raumpolitischen Eingriffe – von der Schrumpfung bis hin zur Zerstörung der jüdischen Gemeinschaft Breslaus – regten zum Schreiben an. Diese bisher relativ wenig beachteten Breslauer Tagebücher und Autobiographien bieten wichtige Einblicke in den Zusammenhang zwischen nationalsozialistischer Raumnutzung und Ausgrenzung von ‚Gemeinschaftsfremden‘. Zentral für diese Arbeit ist die Erfahrung des sich verändernden Raumes und dessen Wiedergabe im autobiographischen Narrativ. Ziel ist, einen Beitrag zum Verständnis der Darstellung der deutsch-jüdischen Stadterfahrung in Breslauer Selbstzeugnissen während des ‚Dritten Reiches‘ zu leisten.

Mensch Prantl

The author uses a comparative methodology to observe how two different German societies and political systems, East and West Germany, managed the reconstruction of German nationalism after Hitler and World War II. Working with the theoretical concept of collective memory, the author shows not only how the representations of the Nazi era have changed over time, but also offers explanations of why they changed in the manner that they did. The author draws links between these changing representations of the past, or collective memory, and political consequences for both German societies in terms of democratization, the formation of an ethically based civil society, and the possibilities for reconciliation and forgiveness.

Eiserne Wege

Die Weltöffentlichkeit horchte auf, als in den letzten Wochen und Monaten Nachrichten bekannt wurden, dass die Terroristen des so selbst genannten "Islamischen Staates" systematisch antike Kulturstätten in ihrem Einflussbereich zerstören. Worum geht es den Kulturbaren des IS? Auf der einen Seite darum, durch den Verkauf von Raubgütern die Fortführung des Krieges zu finanzieren, auf der anderen Seite aber auch darum, durch die Zerstörung dessen, was nicht verkauft werden kann, die Erinnerung an die vielfältige altorientalische Vor- und Frühgeschichte mit ihren zahlreichen Gottheiten, die nicht in das Weltbild der Terroristen passen, gewaltsam auszulöschen und damit der Vergessenheit anheimzugeben. Neu sind solche gezielten Zerstörungen indes nicht, die Vergangenheit ist voll mit Beispielen von Fällen, in denen Erinnerungen an vorangegangene Kulturen zerstört wurden. Unter dem Terminus *damnatio memoriae* sind solche Versuche, die Erinnerung an den Gegner aus dem kollektiven Gedächtnis auszulöschen, bekannt, die Bücherverbrennungen im Mai 1933 wären ein Beispiel aus der deutschen Geschichte dafür. Aleida Assmann prägte die Bezeichnung des strafenden Vergessens dafür. Die Beiträge dieser Ausgabe von Geschichte für heute nehmen verschiedene Beispiele in den Blick, unter welchen Bedingungen Erinnerungen erhalten, überformt oder ausgelöscht werden, und dringen damit nicht nur zu einem zentralen Thema der Geschichte vor, sondern hinterfragen auch

kritisch die Funktionen des Unterrichtsfaches Geschichte bei der Herausbildung und Tradierung von Mythen selbst. Das aktuelle Zerstörungswerk des "IS" mag ein – wenn auch trauriger – Anlass sein, diese Frage wieder stärker ins Bewusstsein zu rücken.

Schwarz-Rot-Gold

In "Commemorative times," Diner gathers important contributions on the subjects of history and recollection, society and memory, as well as the methodical process that brought about the transformation of the hybrid cultural experience to the secularized. Diner's reconstructions of the historical discourses which struggle for supremacy in the collective memory are stones of a commemorative history of the 20th century.

9. November - Schicksalstag der Deutschen

This book is essential reading for electronic consumer-product manufacturers doing business in the European marketplace. Compliance with directives and procedures can be a complex and confusing process, resulting in wasted money and effort. With the help of the CE Marking Handbook, engineers and managers can more easily identify which rules apply to them and pinpoint what they need to do to comply. Dave Lohbeck was formerly the Manager for Seminars and Training at TUV Rhineland, the largest German testing and certification agency. He has worked for many years as an engineer, including nine years in the field of European safety and EMC compliance. A once complicated topic is made clear as the author addresses the confusion surrounding CE Marking. Lohbeck offers guidance on both legal and design issues. This book includes a step-by-step design guide aimed at both novice and experienced exporters. With its help, engineers and managers can easily identify which rules apply to their products and pinpoint what they need to do to comply. The information presented here is backed up with facts and examples. Many have been misled, unfortunately, but this book presents the real meaning of CE Marking. Shows design engineers how to comply with CE requirements for product conformity Explains legal and technical issues concisely and logically Presents and illuminates US and EU differences

Der 9. November

This open-access book is the first to investigate the roots of Logical Empiricism in the context of the Life Reform and the German Youth Movements. Rudolf Carnap and Hans Reichenbach are the key protagonists; they both belonged to the German Youth Movement and developed their early philosophical views in this setting. By combining scholarly essays with unpublished and hard to access manuscripts, letters, and articles, this volume recasts our understanding of the early years of Logical Empiricism.

Von Aachener Gruß bis Zecke Neuendorf

Pour réussir un concours d'entrée dans l'une des Écoles de commerce françaises, il est nécessaire de disposer de certaines connaissances linguistiques et culturelles concernant la langue allemande et l'Allemagne. Cet ouvrage bilingue propose aux candidats un large éventail d'informations et d'outils qui leur permettront de se préparer au mieux aux épreuves écrites et orales des concours. Le présent ouvrage contient : • des informations sur les différentes épreuves ; • un rappel des phénomènes grammaticaux essentiels et élémentaires ; • un large éventail de notions langagières et de lexèmes, ainsi que plusieurs listes permettant aux étudiants d'éviter les erreurs les plus fréquentes ; • un large panel d'informations concrètes, de stratégies et de conseils pour réussir les épreuves écrites et orales ; • un corpus de connaissances culturelles et civilisationnelles dans les domaines suivants : politique, société, histoire, actualité et économie allemandes. Cette partie met à la disposition des candidats un inventaire d'informations précises, actuelles, et indispensables pour se présenter sereinement au concours d'entrée ; • travailler avec cet ouvrage permettra aux candidats de se préparer au mieux aux concours et de les réussir. Au-delà de cela, toute personne souhaitant avoir accès à un aperçu de connaissances précises concernant la civilisation allemande trouvera dans ce volume un grand nombre d'informations et de ressources intéressantes. Les auteurs de cet ouvrage disposent d'une longue expérience dans différents jurys de concours d'entrée aux Écoles de commerce et c'est de cette expérience qu'ils font profiter les candidats par le biais de ce livre.

.....	267	10 A Gesellschaften am Ende Übergang zum
Untergang Skizze eines makrosoziologischen Prozeßmodells 1 der Katastrophe 1. Die Katastrophe als gesellschaftlicher Prozeß Will der Jurist als Beamter oder Richter entscheiden, so hält er sich an seine Rechtsnormen und sucht die Tatbestände darunter zu bringen. Die Normen sind ihm das Gegebene, und wollen sich die Geschehnisse dem nicht so leicht einordnen, desto schlimmer für sie. Entschieden wird doch-und daß er nicht so gerecht dabei sein kann, wie er vielleicht möchte, schreibt er weder in den Bescheid noch in das Urteil. Vieles Verwaltungs-oder Justizbrauchtum verrät allerdings, daß den Juristen diese ihre Grenzen nicht unbewußt sind. Und gerade bei einer "Katastrophe" kann hier leicht fehlentschieden werden. Wenn die beamtischen und juristischen Sitten - die Instanzenzüge etwa, oder die Standesmoral - hier nicht aushelfen, hört man sich vielleicht sogar beim Soziologen um. Wie geht nun dieser vor? Als Soziologe ist er mit einer Definition von "Katastrophe" nicht so schnell bei der Hand, das liegt an einem Alarmzeichen und an der Materie insgesamt. Das Warnzeichen ist der heimlichen Forderung an diesen Beitrag zu entnehmen: Erkläre mir das Entsetzliche an der Katastrophe! Die Materie ist: die Gesellschaft. Bei ihr hat er es nie mit abgeschlossenen Tathandlungen (punktuellen Ereignissen) zu tun, sondern mit einer andauern den Verzwirnung von Ursachen und Folgen, welche letztere z. T.

Visualizing the Imagined Community

Der Terroranschlag vom 11. September 2001 hat die Welt verändert und auch die deutsch-amerikanischen Beziehungen nachhaltig beeinflusst. Aus dem Blickwinkel der Politikwissenschaft, der Kommunikationswissenschaft und der Sozialpsychologie untersucht Barbara Schnieders die Umwälzungen in der traditionsreichen deutsch-amerikanischen Freundschaft. Dabei wird jede einzelne der klassischen Waltz'schen Untersuchungsebenen System – Staat – Individuum gleichermaßen berücksichtigt. Durch diesen interdisziplinären Ansatz entsteht innerhalb eines konstruktivistischen Theoriegebäudes eine ganz neue Perspektive auf das inzwischen recht ambivalente deutsch-amerikanische Verhältnis.

Erinnern und Gedenken.

Historische Jubiläen prägen den öffentlichen Umgang mit Geschichte wie kaum eine andere geschichtskulturelle Erscheinung. Für das historische Lernen sind sie deshalb in vielfacher Hinsicht interessant: Sie sind Teil der Lebenswelt der Lernenden, geben Einblick in Kontroversität und Pluralität von Geschichte und verweisen auf die Emotionalität, die längst vergangene historische Ereignisse bei Menschen hervorrufen. Der Band erschließt das Phänomen historischer Jubiläen in der Theorie und bietet zahlreiche praktische Anwendungsbeispiele für den Geschichtsunterricht.

Simon Srebnik kehrt nach CheBmno zurück

Anhand der politischen Rhetorik untersucht Anne-Kerstin Tschammer die symbolisch-repräsentative Arbeit an der deutschen Einheit in der Zeit der friedlichen Revolution, des Mauerfalls und der Wiedervereinigung. Es ist die erste wissenschaftliche Studie, die sich diesem Aspekt widmet und die Rhetorik dieses für die politische Gegenwart so bedeutsamen Zeitraumes umfassend behandelt. Damit geht die Autorin an den Ursprung noch heute bestehender ost- und westdeutscher Identitäten sowie der gesamtdeutschen Integration und ergänzt die Literatur zu den formalen Aspekten der Wiedervereinigung um die Analyse der politischen Ansprache der Menschen. Es zeigt sich, dass die Wiedervereinigung ein großer rhetorischer Erfolg war. Doch offenbarten sich in der Rhetorik auch ihre Mängel. So war die Sprache der Einheit nicht zuletzt auch eine Sprache der Differenz.

Gedächtniszeiten

Brauchen wir die Erinnerung an Auschwitz? Und wenn ja, welche Formen des Gedenkens wären angemessen? Verfügen moderne Gesellschaften überhaupt über ein kollektives Gedächtnis? Das National- und Geschichtsbewußtsein der Deutschen hängt maßgeblich von ihrem Umgang mit der

nationalsozialistischen Vergangenheit ab. Die Frage nach einem angemessenen Umgang mit dieser Vergangenheit ist deshalb so alt wie die Bundesrepublik und das öffentliche Gedenken an den Holocaust ist der tragende Pfeiler deutscher Gedächtnispolitik. Oft genug hat das öffentliche Gedenken und Erinnern an den Holocaust Debatten, Skandale, Mißverständnisse und Peinlichkeiten produziert, die sich vermeintlichen "Sprachregelungen"
