Holy-days and holidays; or, Memories of the calendar for young folks

This collection of essays, sermons, and poetry explores the history and meaning of various holidays and holy days from around the world, including Christmas, Easter, Ramadan, and Yom Kippur. Perfect for anyone interested in learning more about the cultural and religious traditions that shape our lives. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Holy-days and Holidays

Excerpt from Holy-Days and Holidays: A Treasury of Historical Material, Sermons in Full and in Brief, Suggestive Thoughts and Poetry Relating to Holy Days and Holidays HE object of this book is to help busy people in our busy age to find and enjoy the very best that has been written on the vital events and great men whose memory society is trying to perpetuate. The attempt has not been made to treat all the saints' days and special days Of the ecclesiastical calendar. Only the most important days, such as are com memorative of the most significant facts and principles of the Christian faith, have been dealt with. On the other hand, days and anniversaries not in the Church calendars are included, such as Thanksgiving Day, New Year's Day and Old Year Day - occasions which are rich in suggestion to thoughtful minds. This work includes, besides the most important secular legal holidays, the anniversaries most widely observed in America, Great Britain, Ireland, and Canada. As moral and educational in uences, holy days and holidays are of inestimable value. For an example, the stimulus to Christian gratitude and patriotism that comes from the annual observance of Thanksgiving Day

throughout the nation cannot easily be exaggerated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Holy-Days and Holidays

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Holy-Days and Holidays

Many people are shocked to discover the origins of our most popular religious holidays. They are also surprised to find that the days God commands us to observe in the Bible—the same days Jesus Christ and the apostles kept—are almost universally ignored. Why? Also, why are today's supposedly Christian holidays observed with so many rituals and customs that are not sanctioned anywhere in the Bible? Here are some questions to think about... Does Christmas really honor Jesus and His birth? Where did the Christmas holiday come from? How did it begin, and why? Did you realize that historians (and the Bible) agree that Jesus Christ wasn't born anywhere near December 25? Or that this particular date was well known for its pagan religious celebrations long before Jesus Christ was born? Would Jesus Keep Easter? Can we find any historical or biblical record of Jesus or His disciples keeping Easter or teaching parents and children to dye eggs and display bunnies on this holiday? Did Jesus or His apostles instruct any of His followers to worship His resurrection at sunrise on Easter Sunday—or at any other time, for that matter? If Easter were not sanctioned by Jesus or instituted by His apostles, then where did Easter come from? In other words, if Jesus were living among us today, would He keep Easter or encourage others to do so? Should you, as a Christian, celebrate Easter? Few people know why they believe or do the things they do—especially when it comes to their religious beliefs and practices. Inside the Bible study aid ebook, *Holidays or Holy Days: Does It Matter Which Days We Observe?*, discover the shocking truths about several of the world's most popular holidays. Perhaps even more surprising is how they came to be connected with Jesus Christ and the Christian religion. Chapters in this ebook: -- Crucial Questions -- Christmas: The Untold Story -- How Christmas Grew -- Christmas vs. the Bible -- Biblical Evidence Shows Jesus Wasn't Born on December 25 -- Easter: Masking a Biblical Truth -- The Resurrection Connection -- Fertility Symbols: Beneath the Dignity of God -- The Chronology of Christ's Crucifixion and Resurrection -- Halloween: A Celebration of Evil -- What About Thanksgiving, Hanukkah and Purim? -- God's Days of Worship -- God's Festivals in the New Testament -- Does It Matter to God? -- An Ancient Cultural Clash -- The Delights of Obedience Inside this Bible Study Aid ebook: "Did the writers of the four Gospels (Matthew, Mark, Luke and John) consider Jesus' birth to be one of the most significant events for Christians to acknowledge or celebrate?... Did Jesus Christ tell us to celebrate His birth? No." "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons..." "The word Easter appears once in the King James Version of the Bible, in Acts 12:4, where it is a mistranslation." "The New Testament does not mention an Easter celebration. Early Christians had nothing to do with Easter. Instead, they kept the Passover, instituted by God centuries earlier at the time of the Exodus (Exodus 12:13-14; Leviticus 23:5)." "The popular belief is that Christ was crucified on a Friday and rose on a Sunday. But neither of these suppositions is supported by the biblical record."

Holy-Days and Holidays

Preaching Through Holy Days and Holidays is the eleventh in a series of books devoted to presenting examples of preaching excellence from parishes in the Episcopal Church. These sermons, collected from clergy around the country, focus on preaching the Holy Days and Holidays of the church and secular calendar. Contents include sermons for: *the High Holy Days (Christmas Eve, Ash Wednesday, Maundy Thursday, Easter Evening, and Pentecost) *major festivals (The Presentation of Our Lord,

Ascension Day, The Transfiguration of Our Lord, All Saints' Day) *Feasts of various saints *celebrations of ministerial vocation (The Baptism of Our Lord, The Nativity of John the Baptist, the ordination of a bishop, the renewal of ordination vows) *civil holidays (Mother's Day, Memorial Day, Fourth of July, Thanksgiving) and more.

Holidays or Holy Days: Does It Matter Which Days We Observe?

From the secular to the sacred, this book answers your questions about our holiday traditions. If you want to know where we got the Easter Bunny or Santa Claus or the stations of the cross or manger scenes, you'll find the information here, including interesting information about the major holidays that is otherwise not available from one source. Written with a Christian orientation, the book does not promote a particular point of view about specific holidays; it allows the reader to draw his or her own conclusions about how to celebrate special days.

Preaching Through Holy Days and Holidays

Pastors face a perennial challenge in deciding how to treat special days in the calendar. For days marked in the church year, the challenge is how to speak a fresh word about a familiar theme or story. For days marked in the civil calendar, the challenge is to discern within secular celebrations appropriate connections with the Christian gospel. In *Preaching the Calendar*, masterful preacher J. Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings. His words of wisdom demonstrate how this type of preaching can be done well and serve as valuable sources of stories and sermon illustrations for pastors eager to help people find new and renewed relationships with God.

Holidays & Holy Days

An invitation to see Advent and Christmas through the eyes of a Benedictine monk to find the holy and peace in the hustle and bustle of the season. Take a Benedictine walk through the season of Advent with Benedictine monk Albert Holtz. Join him on his daily outings as he heads out of his abbey and through the colorful, noisy streets of Downtown Newark, New Jersey. In these once-a-day meditations, Father Albert points out the often-unnoticed connections between our secular celebration of the holidays and the deeper, spiritual meaning of the holy seasons of Advent and Christmas. In a string of colored lights, a crowd of shoppers, or the window of a toy store, readers will uncover the traditional advent themes of watchful waiting, repentance, and selfless love. In the bustling sidewalks and busy malls, readers will learn to see Isaiah, John the Baptist, and even Jesus himself, all speaking their ancient messages of peace, hope and good will.

HOLY-DAYS & HOLIDAYS

This book explores the origins and significance of various religious and secular holidays. It covers holidays from a range of cultures and traditions, including Christianity, Judaism, Islam, and ancient cultures. The book provides a fascinating look into the history and meaning of holiday traditions from around the world. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Preaching the Calendar

This book features 24 ecumenical celebrations and rituals to prayerfully mark special holy days and holidays with school-aged children.

From Holidays to Holy Days

Holidays and Holy Days gives you fascinating facts and background about all of the major and minor American holidays, including Jewish feast days. It is a valuable resource for any Christian -- and fun to read besides! Book jacket.

Holy-Days and Holidays

The Healer is a series of stories from 21 different authors, primarily Episcopalians, often well-known, that makes clear God's presence to heal and inspire in our lives.

Holy-Days and Holidays: A Treasury of Historical Material, Sermons in Full and in Brief, Suggestive Thoughts, and Poetry, Relating to Holy Day

Almost every month in the year has a secular holiday -- and on those special Sundays, preachers are often faced with the task of honoring the occasion while maintaining the focus on the proclamation of God's Word. But this also presents a great opportunity to uncover the religious significance of our civic celebrations -- and in this extensive volume of inspiring messages, Alex Gondola combines the rich variety of American culture with scriptural insight to remind us that holidays truly are holy days. Great for personal reading, adult study groups, or fresh sermon ideas, Holidays Are Holy Days is a versatile resource that you'll draw on throughout the year.

The Best of Holy Days & Holidays

Reprint of the original, first published in 1857.

Holidays and Holy Days

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Holy Days & Holidays

Are God's feast days listed in the Bible? Which days did Jesus keep? Which days did the Apostles keep? Which days did the early followers of Christ keep? Are the Holy Days alluded to in the Book of Genesis? Do you observe any holidays? Do you know the history of where they came from? Do you know why you and others may observe them? Do any have religious connotations? Might you be observing demonic holidays? Does it matter to God what days you may keep? If you believe that you are Christian, are you possibly celebrating demonic or pagan ones that Jesus would condemn? If so, does the truth matter enough to you that you would follow Jesus on this? This book contains multiple scriptures, as well as over 130 historical and other citations, to show the history of the Holy Days that Jesus and His early followers kept as well as warnings and other information about those that they would not. If you are interested in the biblical and historical truth about holy days and holidays, this book is one you will want to read and refer to.

Holy Days and Holidays

For two thousand years, the Church Universal has celebrated the life of our Lord. At Christmas, we remember and celebrate his birth in a stable in Bethlehem. We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand. We continue to watch him as he started his ministry and preached to his people of the promises of God to the people

of Israel. After his three years of ministry, we prepare for his suffering and death, and grieve at the foolishness of the people who could not believe. We stand at his cross and watch as his disciples who followed him fled in fear for their lives, but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord. To their wonder, and ours, we rejoice in his resurrection and celebrate the life he has given us through his suffering, death and resurrection. We celebrate his ascension to Heaven, with his promise that he would be with his disciples in the Presence of the Spirit, to teach and prepare them for his return. Ten days after his Ascension, we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church. We hear the words of Peter and sit in wonder of all the Spirit promised. Then, suddenly, the Church stops its celebration. There is silence for six months, until in December we return to the stable in Bethlehem and start our celebration again. What have we forgotten; what do we neglect? What are we missing? Why has the celebration stopped at Pentecost? Where is the mature Church, the victorious Church. Where is the promised Return of our Lord in His Fathers Glory? Where is the Bridegroom? How much longer must the Bride wait? Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost. God calls us to celebrate the entire story, from beginning to end. He promised his faithful remnant that he would return to them and they would dwell with him in His Presence. He promised the rejoicing would have no end. Come with us as we learn and celebrate the Rest of the Story! ----- A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days. The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten. Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar, but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia. What she brings to the reader is tremendous, and exciting, insight into how the NT writers applied Israel's feast days to the work of Christ. If you have never considered Israels New Moons, feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book. Whatever you do, read the Appendices! These special studies are more than worth the price of the book all by themselves. Don K. Preston D. Div. President Preterist Research Institute www.eschatology.org

Celebrating Holidays and Holy Days

What are the origins of some of our holidays? Why are eggs decorated on Easter? Why are there wreaths on doors during Christmas? What is the real reason for decorated trees in living rooms around the world? Through a Christian prospective this book will examine popular holidays that have a significant religious meaning. Digging through layers of history, this book will uncover the pagan origins that make up many of our holiday traditions.

Holidays Are Holy Days

Discusses 16 familiar holidays including Easter, Labor Day, and birthdays. Suggested activities and Bible verses for each of these days are included.

Holidays Or Holy Days

Take a journey through the calendar year with this delightful book of seasonal musings and memories. Young readers will delight in the stories and traditions that have been passed down through generations. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Gaeties and Gravities for Holy Days and Holidays

Describes the origins of more than 300 holidays observed in the United States and around the world. Explains where, when, and how each event is celebrated, with detailed information on the symbols and customs associated with the holiday. Includes contact information and web sites for related organizations.

Holy-Days and Holidays

Does it make any difference which days we observe-or whether we keep them? Does the Bible establish whether we are to keep certain days holy to God? Were these days given to ancient Israel only? Are they binding today only on the Jewish people, while Christians are commanded to keep holidays such as Christmas? In this booklet: • Which Days Should We Keep? • What You Should Know About Pentecost • Feast of Trumpets and Day of Atonement • Feast of Tabernacles and Last Great Day This ebook is offered completely free of charge by the Philadelphia Church of God. However, please not that Google Play will need a verified Google Wallet account which requires your credit card information. In a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.

Should You Keep God's Holidays Or Demonic Holidays?

Origin and history of holidays celebrated by Icelanders over the centuries.

All the Holy Days and Holidays

The mass protests that greeted attempts to open the 1893 Chicago World's Fair on a Sunday seem almost comical today in an era of seven-day convenience and twenty-four-hour shopping. But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social, religious, and class interests against one another. Whether observed as a day for rest, or time-and-a-half, Sunday has always been a day apart in the American week. Supplementing wide-ranging historical research with the reflections and experiences of ordinary individuals, Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800. She investigates cultural phenomena such as blue laws and the Sunday newspaper, alongside representations of Sunday in the popular arts. Holy Day, Holiday attends to the history of religion, as well as the histories of labor, leisure, and domesticity.

Holidays Or Holy Days

This joyous, sparkling book opens the treasure chest of liturgical year to bring the creative power of the Divine into our ordinary lives here and now.

Holy Days and Holidays

This prayerbook contains two weeks' Christian readings and reflections in 14 double-spreads to take on holiday. The theme is reflecting on the Creator through the creation. Bible passages are printed in full. Two special double spreads are for use as an act of worship on Sundays. Also included are two special articles: How to Meditate - A Practical Approach and The Practice of the Presence of God - How to Be Aware of God Whatever We Are Doing and Wherever We Are.
