The Lamb's Book of Life

The book of Revelation describes Jesus as a "Lamb" who receives a book sealed with seven seals. The seals have begun to be broken and questions remain about the seals and the Book of Life. This book argues that the book sealed with seven seals is the Book of Life. Jesus is breaking each seal to ultimately reveal who He really is.

Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Spirit of Life

I've always been a self-taught person I believe in self knowledge and never stop discovering who you really are. Your spirituality is your connecting with the Divine father of the Universe. I truly believe your words are your power. Always speak words of encouragement of yourself and others. I live in this great nation America. I believe in this country, and I would like each and every one of us to understand that freedom is something most don't have in the world. I am a patriot through and through. I am a spirit living in a human body. I love everyone, and myself, and the father. He is the reason why I wrote this book is because, I want to be able to Enlighten people to understand who they really are. For centuries the evil one has confused society, and not letting them know who their Divine father created them to be. We are individuals with powers Beyond our belief we have always sold ourselves short, and thinking that we are here for materialistic things, but we are put here to be caring loving and sharing with one another. The way it is supposed to be. We must find common ground with each other, and stop letting religion, color, and politics separate us when we are able to find common ground this will unite us. We are here to beautify the world and not tear it down. I believe this book will help you, and give you some

guidance to understand your spirituality it would make you discover who God created you to be. My name is Willie Seals and I am the Head Shepherd of People of God Loving Ministry. I have two boys and a girl, and I am on my second marriage who ironically has 2 boys and a girl. We consider ourselves as The Brady Bunch LOL. We reside in Addison Illinois. One of my hobbies is helping people. As a young kid I was inspired by Martin Luther king to seek peace, and love in society. We are really dedicated to helping families who are at risk. Reflection How does this book impact your life? What lessons did you learn about your walk with Christ? How would you say your faith has help you? What are some of the things you are doing to increase your faith? During the uncertainty of life how are you keeping your peace?

The Book of Seals

This text provides a glimpse of the hidden and secret world of grey seals around the coasts of Cornwall and the Isles of Scilly.

Seal Secrets

The current volume covers scholarly discussions on different topics such as the arrangement and the layout of the Holy Quran, Divine revelation, reality of miracles, polygamy, Jihad with sword, capitation tax, the wives of the Holy Prophet(sa), the Islamic laws regarding marriage and divorce, the electoral system of Khilafat, the just and democratic form of Islamic government etc.

The Life & Character of the Seal of Prophets - Volume II

I've always been a self-taught person I believe in self knowledge and never stop discovering who you really are. Your spirituality is your connecting with the Divine father of the Universe. I truly believe your words are your power. Always speak words of encouragement of yourself and others. I live in this great nation America. I believe in this country, and I would like each and every one of us to understand that freedom is something most don't have in the world. I am a patriot through and through. I am a spirit living in a human body. I love everyone, and myself, and the father. He is the reason why I wrote this book is because, I want to be able to Enlighten people to understand who they really are. For centuries the evil one has confused society, and not letting them know who their Divine father created them to be. We are individuals with powers Beyond our belief we have always sold ourselves short, and thinking that we are here for materialistic things, but we are put here to be caring loving and sharing with one another. We are here to beautify the world and not tear it down. I believe this book will help you, and give you some guidance to understand your spirituality it would make you discover who God created you to be.

Spirit of Life

God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Jonny Enlow. He describes seven culture-shaping areas of influence over each society—media, government, education, economy, family, religion, and celebration (arts and entertainment)—that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this “spiritual tsunami,” as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each “mountain” of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain.

The Seven Mountain Prophecy

The fascinating book not only highlights the various aspects of the life of Holy Prophet but also presents the prominent events and episodes in the history of Islam with solid historical testimonies.

The Life & Character of the Seal of Prophets - Volume I

A highly decorated Navy SEAL shares stories of his years of combat experience in Afghanistan, providing leadership insights that will shift your view of yourself and provoke life-altering change. Before leaving for combat in Afghanistan, Navy SEAL Thom Shea promised his wife that he would write to his children in case he didn't make it back. What was initially intended to be a private memoir for his family turned into a powerful set of lessons for anyone striving to perform beyond what they believe possible. Shea's stories, while action-packed and entertaining, provide incredible insights on leadership, family, and excellence. In *Unbreakable*, Shea teaches readers how to achieve and maintain a strong internal dialogue through no matter what the task. Read this book and transform your life.

Unbreakable

Entrepreneur Jesse Itzler chronicles his month of living and extreme fitness training with a Navy SEAL in the New York Times and #1 LA Times bestseller *LIVING WITH A SEAL*, now with two bonus chapters. Entrepreneur Jesse Itzler will try almost anything. His life is about being bold and risky. So when Jesse felt himself drifting on autopilot, he hired a rather unconventional trainer to live with him for a month—an accomplished Navy SEAL widely considered to be "the toughest man on the planet"! *LIVING WITH A SEAL* is like a buddy movie if it starred the Fresh Prince of Bel-Air...and Rambo. Jesse is about as easy-going as you can get. SEAL is...not. Jesse and SEAL's escapades soon produce a great friendship, and Jesse gains much more than muscle. At turns hilarious and inspiring, *LIVING WITH A SEAL* ultimately shows you the benefits of stepping out of your comfort zone.

Living with a SEAL

Chronicles the life of Chad Williams, a Navy SEAL who committed himself to the grueling training in order to avenge his friend and mentor, who died on the streets of Fallujah.

SEAL of God

Shortlisted for the PEN Ackerley Prize 2018. This is a memoir of intense physical and personal experience, exploring how swimming with seals, gulls and orcas in the cold waters off Orkney provided Victoria Whitworth with an escape from a series of life crises and helped her to deal with intolerable loss. It is also a treasure chest of history and myth, local folklore and archaeological clues, giving us tantalising glimpses of Pictish and Viking men and women, those people lost to history, whose long-hidden secrets are sometimes yielded up by the land and sea.

Swimming with Seals

The Inside Story of America's Ultimate Warriors When Osama bin Laden was assassinated, the entire world was fascinated by the men who had completed the seemingly impossible mission that had dogged the U.S. government for over a decade. SEAL Team 6 became synonymous with heroism, duty, and justice. Only a handful of the elite men who make up the SEALs, the US Navy's best and bravest, survive the legendary and grueling selection process that leads to becoming a member of Team 6, a group so classified it technically does not even exist. There are no better warriors on Earth. Don Mann knows what it takes to be a brother in this ultra-selective fraternity. As a member of Seal Team Six for over eight years and a SEAL for over seventeen years, he worked in countless covert operations, operating from land, sea, and air, and facing shootings, decapitations, and stabbings. He was captured by the enemy and lived to tell the tale, and he participated in highly classified missions all over the globe, including Somalia, Panama, El Salvador, Colombia, Afghanistan, and Iraq. As a coordinator for several civilian SEAL training programs, and as a former Training Officer of SEAL Team Six, he was directly responsible for shaping the bodies and minds of SEALs who carried out the assassination of Osama bin Laden. But to become a SEAL, Mann had to overcome his own troubled childhood and push his body to its breaking point -- and beyond. *Inside Seal Team 6* is a high octane narrative of physical and mental toughness, giving unprecedented insight to the inner workings of the training and secret missions of the world's most respected and feared combat unit.

The Kingdom of the Seal

Three volumes of *Seals Plus* provide life management skills for your middle and high school students. Each volume contains reproducible activity-based handouts which address the areas of concern presented on the chart.

Inside SEAL Team Six

A verse by verse study on the apocalyptic prophecies of Daniel and Revelation.

Seals + Plus

The lyrical story of a tender relationship between a young boy and wild baby seal, set on Scotland's Orkney Islands. Jamie has been watching the wee seal that lives on the beach. At night the wee seal cuddles up to its mother. In the morning she goes out to sea and leaves it alone like a strange white stone on the sand. One day tourists come and crowd the wee seal but Jamie knows just what to do to protect it until its mother comes back...

Jesus' Final Victory

Lt. Michael Patrick Murphy, a Navy SEAL, earned the Medal of Honor on 28 June 2005 for his bravery during a fierce fight with the Taliban in the remote mountains of eastern Afghanistan. The first to receive the nation's highest military honor for service in Afghanistan, Lt. Murphy was also the first naval officer to earn the medal since the Vietnam War, and the first SEAL to be honored posthumously. A young man of great character, he is the subject of Naval Special Warfare courses on character and leadership, and an Arleigh Burke-class guided missile destroyer, naval base, school, post office, ball park, and hospital emergency room have been named in his honor. A bestselling book by the sole survivor of Operation Red Wings, Marcus Luttrell, has helped make Lt. Murphy's SEAL team's fateful encounter with the Taliban one of the Afghan war's best known engagements. Published on the 5th anniversary of the engagement, SEAL of Honor also tells the story of that fateful battle, but it does so from a very different perspective being focused on the life of Lt. Murphy. This biography uses his heroic action during this deadly firefight in Afghanistan, as a window on his character and attempts to answer why Lt. Murphy readily sacrificed his life for his comrades. SEAL of Honor is the story of a young man, who was noted by his peers for his compassion and for his leadership being guided by an extraordinary sense of duty, responsibility, and moral clarity. In tracing Lt. Murphy's journey from a seemingly ordinary life on New York's Long Island, to that remote mountainside a half a world away, SEAL of Honor will help readers understand how he came to demonstrate the extraordinary heroism and selfless leadership that earned him the nation's highest military honor. Moreover, the book brings the Afghan war back to the home front, focusing on Lt. Murphy's tight knit family and the devastating effect of his death upon them as they watched the story of Operation Red Wings unfold in the news. The book attempts to answer why Lt. Murphy's service to his country and his comrades was a calling faithfully answered, a duty justly upheld, and a life, while all too short, well-lived.

The Wee Seal

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a period of forty years. "The Book of Seals & Amulets" comprises a comprehensive investigation into the meaning and relevance of Celestial Alphabets, Magical Seals, Magic Squares, Divine and Angelic Names, etc., as well as their employment in Hebrew Amulets in order to benefit personal wellbeing in a most significant manner. Continuing the standards set in "The Book of Self Creation" and "The Book of Sacred Names," Jacobus Swart offers detailed instruction on the contents and construction of Hebrew Amulets. He again consulted the enormous array of relevant primary Hebrew literature, large sections of which are available to an English readership for the first time.

SEAL of Honor

Mike Hayes has lived a lifetime of once-in-a-lifetime experiences. He has been held at gunpoint and threatened with execution. He's jumped out of a building rigged to explode, helped amputate a teammate's leg, and made countless split-second life and death decisions. He's written countless emails to his family, telling them how much he loves them, just in case those were the last words of his they'd ever read. Outside of the SEALs, he's run meetings in the White House Situation Room, negotiated international arms treaties, and developed high-impact corporate strategies. Over his many years of leadership, he has always strived to be better, to contribute more, and to put others first. That's what makes him an effective leader, and it's the quality that he's identified in all of the great leaders he's encountered. That continual striving to lift those around him has filled Mike's life with meaning and

purpose, has made him secure in the knowledge that he brings his best to everything he does, and has made him someone others can rely on. In *Never Enough*, Mike Hayes recounts dramatic stories and offers battle- and boardroom-tested advice that will motivate readers to do work of value, live lives of purpose, and stretch themselves to reach their highest potential.

The Book of Seals & Amulets

Explosive, revealing, and intelligent, *The Red Circle* provides a uniquely personal glimpse into one of the most challenging and secretive military training courses in the world. Now including an excerpt from *The Killing School: Inside the World's Deadliest Sniper Program BEFORE HE COULD FORGE A BAND OF ELITE WARRIORS... HE HAD TO BECOME ONE HIMSELF*, Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in the Persian Gulf and Afghanistan, *The Red Circle* provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors—including Marcus Luttrell and Chris Kyle—that makes his story so compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military.

Never Enough

My Love Is Alive is a love story of Consciousness to Itself. It portrays the Idea of Consciousness for the sole purpose of illuminating Consciousness to its Self. Imagine your shadow on the ground in front of you. Who you really are, Infinite Consciousness, is the One watching the shadow. *My Love Is Alive* is the process of accepting, embracing, and living this reality in and as your life. The result is an outpouring of love for yourself and your experience. The ideas circle in a repetitive dance of discovery as the concepts sink deeper and deeper into the readers understanding. There is a powerful and undeniable message of life that has never been so fully unveiled. Using Biblical references, the author repeatedly demonstrates the true nature of our essence. The text is thought provoking at the least, and utterly transformative in its fullest meaning. *My Love Is Alive* is a doorway only you can walk through. You will transition from the experience of believing that you are one of many individuals that make up the whole, to embracing the experience that you truly are The One. Allow yourself to go through this process of *My Love Is Alive* with expectancy!

The Red Circle

David Thomson visited the remote sea coasts of the Scottish Isles and the West of Ireland on journeys in search of the legends of the selchies - mythological creatures who transform from seals into humans. A magical world emerged, in which men are rescued by seals in stormy seas, take seal-women for their wives and have their children suckled by seal-mothers. Mysterious and fascinating, these stories retain their spellbinding charm through Thomson's beautiful prose. *The People of the Sea* is a timeless and haunting book, rich in rewards and surprises.

My Love Is Alive

Less than 100 years ago, the northern elephant seal was thought to be extinct. Today more than 250,000 elephant seals swim in the Pacific Ocean from Alaska to Mexico. In *Return from Extinction: The Triumph of the Elephant Seal* Linda L. Richards tells the story of their dramatic recovery. Elephant seals were hunted to near extinction for their precious oil before the Mexican government stepped in to protect them. Many people thought it was too late. Even though the life of the elephant seal is difficult and only 20 percent of pups born will make it to adulthood, the species adapted and came back from the brink. They are a true conservation success story.

Grey Seal, Common Seal

Have you ever seen an animal in nature? Maybe it was a deer, or an owl, or a bunny, or a seal. Did you have a magical moment where you were looking at them and they were looking at you? Did you wonder what they saw? Did you wish you could follow your new friend? Explore a world of wonder through the pages of this engaging story and you, too, can see What The Seal Saw.

The People of the Sea

My book is a book for people that are seeking the TRUTH concerning their Salvation which comes to man through redemption, BASED on a LIVING relationship with the Lord Jesus founded in a LIFE giving process which comes forth out of death to SELF, and a Life that comes forth from a SEED of Life sown in the Natural Life of the Natural Man born in Adam, which produces a Man in the Image of the Lord Jesus, free from INIQUITY and full of the fullness of Christ. A SEED from the TREE of Life, sown in Man, which TRANSFORMS Man into the Image of His creator through redemption, which is a God CREATION process from the Alter of sacrifice and the Cross Jesus died upon applied to the heart of Man redeeming man out of sin called INIQUITY

Return from Extinction

The fact of the Lost Ark of the Covenant is one of the grant historical mysteries of all time. To believers, the Ark is the legendary vesel holding the stone tablets of the Ten Commandments. The Bible contains hundreds of references to the Ark's power to level mountains, destroy armies, and lay waste to cities. The Ark itself, however, mysteriously disappears from recorded history sometime after the building of the Temple of Solomon. After ten years of searching through the dusty archives of Europe and the Middle East, as well as braving the real-life dangers of a bloody civil war in Ethiopia, Graham Hancock has succeeded where scores of others have failed. This intrepid journalist has tracked down the true story behind the myths and legends -- revealing where the Ark is today, how it got there, and why it remains hidden. Part fascinating scholarship and part entertaining adventure yarn, tying together some of the most intriguing tales of all time -- from the Knights Templar and Prester John to Parsival and the Holy Grail -- this book will appeal to anyone fascinated by the revelation of hidden truths, the discovery of secret mysteries.

Smuggler's End

In June 2005 four US Navy SEALs left their base in Afghanistan for the Pakistani border. Their mission was to capture or kill a notorious al-Qaeda leader known to be ensconced in a Taliban stronghold surrounded by a small but heavily armed force. Less than twenty-four hours later, only one of those Navy SEALs was alive. This is the story of team leader Marcus Luttrell, the sole survivor of Operation Redwing. Blasted unconscious by a rocket grenade, blown over a cliff, but still armed and still breathing, Luttrell endured four desperate days fighting the al-Qaeda assassins sent to kill him, before finding unlikely sanctuary with a Pashtun tribe who risked everything to protect him from the circling Taliban killers.

What The Seal Saw

A Breaking of Seals is the story of a quest - the quest to discover one of the most extraordinary and least remembered events of the Second World War. This was the participation in the Slovak Uprising of 1944 of the French soldiers who escaped from prisoner-of-war camps in Germany, Hungary and Slovakia. Under the leadership of Captain Georges de Lannurien, they formed a Detachement francais de combatants de la Tschecoslovaquie which fought beside the Slovak Army during the Uprising and which later stood side by side with Slovak partisans as part of the Stefanik Brigade.

The Second Tree of Life

Little Seal lives with his mother on an island with all the other seals. One day, during a big storm, he is swept away from the beach and carried by the tide far away from home. Confused and anxious, Little Seal begins the long journey home, listening out all the time for the call of the other seals.

Sign and the Seal

The book of Revelation pulls back the curtain to reveal the secrets of the past, present, and future, but nearly two thousand years after it was written it still seems to be shrouded in mystery. A Revelation of Jesus takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the

Apocalypse, the mark of the beast, the battle of Armageddon, the Millennium, and many others, using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects. The last book of the Bible is not just a collection of enigmatic symbols and metaphors. Using symbolic language, it documents the cosmic struggle between good and evil that began with Satan's rebellion in heaven before the creation of the world. Author David Lackey seeks to unmask Satan's subtle deceptions and point readers to our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love, joy, and peace. The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return.

Lone Survivor

Discusses the foundational beliefs of the Mormon Church by focusing on early Mormon conceptions of death.

A Breaking of Seals

A story about a white seal named Kotick who learns how to get along in his Arctic environment during his herd's first migration. For elementary grades.

Looking Unto Jesus

The Book of Revelation DECODED will challenge the most popular end-time prophecy doctrines of the day with a fresh look at what the Bible and Spirit of YHWH teaches. What makes The Book of Revelation DECODED uniquely different from all other commentaries and studies of the Revelation of Jesus Christ are three of the most important interpretive points of the Revelation: five distinctive subject divisions in its outline, five views of the resurrection focusing on the five aspects of resurrection (rapture), and four subject divisions of the scroll with seven seals clearly eliminating five of the seals as the Tribulation period of Daniel's seventy-sevens of years. Paying close attention to context and Biblical purpose, author, Mary Lewis, integrates over 450 Scripture quotes from 47 books of the Bible into her insightful narration providing definitive Bible answers. For added visual understanding, Ms. Lewis uses twenty-three tables and images graphically depicting many prophetic symbols and word imagery, such as God's Hebrew personal name, YHWH, and the entirety of Daniel's prophecy of seventy-sevens of weeks. The Book of Revelation DECODED reveals fresh and understandable Biblical answers to the most difficult prophecy questions: Who are the 144,000? Will the church go through the tribulation period? What nation will produce the antichrist of the tribulation period? What do the seven seals of Revelation's seven sealed scroll mean? Do the seven seals represent the last seven years of Daniel's prophecy of seventy-sevens of weeks? Is the "rapture" teaching true or false? What are the seven heads and ten horns on the dragon? Is there a literal 1000 years between Armageddon and Judgment? When is the war of Gog/Magog?

Little Seal

I offer you a fresh and inspired non-fiction book and Bible study guide to the "Book of Revelation / Apocalypse". This book will take you on a spiritual journey of understanding based on Jesus' words in the Bible that is different from traditional interpretations of this end-time prophecy. It provides an excellent way to engage with God's word to seek the truth. This book is based on the idea that Jesus has provided the information in the Gospels that would unlock the mysteries of Revelation. Mat 24:33-34 so, you too, when you see all these things, recognize that He is near, right at the door. 34 "Truly I say to you, this generation will not pass away until all these things take place. God gave us Revelation to show his followers "the things which must shortly take place". Why shortly? Revelation is addressed to the end-times generation and it is only then that the revelation is to become fully revealed. Now is the time. As I guide you on this journey, I will show you the keys that will transform Revelation into an easily understood message from God. Amazingly, one key is that Revelation was written out of chronological order at God's direction to seal it up until the end-times. This Revelation guide is filled with ideas and concepts that will keep your Bible study group engaged in "Spirited" discussion. In Chapter 9, "Are We the End-Time Generation?" I describe where we might be in biblical prophecy based on the reordered Revelation. I believe that the end-times have begun and that the baby boomer generation will see the end of it all. This makes understanding Revelation all the more important.

Revelation of Jesus, A

This book is a book on Christian maturity. It is what the author has learned during his 22 years of being a born again follower of Jesus. It deals with four areas of spiritual life. And hopefully it will assist the reader in his or her spiritual development.

In Heaven as It Is on Earth

The White Seal

Ancient Roots Translinear Bible

What is *The Intertestamental Period: A Climate of Change* all about? Also known as the Silent Years of the Bible, the four-hundred-year period between the Old and New Testament was all but silent. The actions of Alexander the Great, Antiochus Epiphanes, Justin Maccabees, Herod the Great, Cleopatra, Marc Antony Julius Caesar, and many others set the stage for the New Testament events to take place and to be written down for future study and life application. Many shadows of the things to come prophetically spoken about in the Old Testament were found fulfilled at the onset of the New Testament. This book overflows with history, religion, politics, literature, but it also has intrigue, murder, rebellion, with a little bit of insanity mixed in. The events that took place during this era were not considered *in simpler times* or boring by any means. You will discover that The Intertestamental Period was An Optimum Environment for God's Ultimate Plan.

Ancient Roots Translinear Bible

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

Ancient Roots Translinear Bible

This handsome new edition of the authoritative English translation of the Aramaic (Syriac) Old and New Testaments--the language of Jesus--clarifies difficult passages and offers fresh insight on the Bible's message.

The Intertestamental Period: A Climate of Change

Comprehensive, up-to-date collection of primary source documents (creation accounts, epic literature, etc.) gives insight into the Ancient Near East and the Old Testament.

Biblical Studies on the Internet

The Old Testament in Byzantium contains papers from a Dumbarton Oaks symposium based on an exhibition of early Bible manuscripts titled "In the Beginning: Bibles before the Year 1000." Topics include manifestations of the holy books in Byzantine manuscript illustration, architecture, and government, as well as in Jewish Bible translations.

Holy Bible

Nigosian explores the diverse literary antecedents of the Old Testament as well as the Apocrypha -- books excluded from the canonical Hebrew text but included in the Septuagint.

Readings from the Ancient Near East

Library has v. 1-4 only.

The Origin and Permanent Value of the Old Testament

This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text. 620 pages. B&W Hardback 6x9". Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. His web site is aramaicnt.com

The Old Testament in Byzantium

Excerpt from The Origin and Permanent Value of the Old Testament During the past generation the Old Testament has commanded equally with the New the enthusiastic and devoted study of the great body of biblical scholars throughout the world. Two out of every three graduate students in our universities who specialize in the general field of biblical literature choose the Old as the special centre of their work. At the same time the tendency of the rank and file of the Christian church within the past decade has undoubtedly been to neglect the older Testament. Preachers as a rule select less than a fourth of their texts from it; the prevailing courses of Bible study devote proportionately less time to it; and teachers and scholars in the great majority of cases turn to the Old Testament with much less enthusiasm than they do to the New. Why are these two great currents setting in opposite directions, and what are the causes of the present popular neglect of the Old Testament? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

From Ancient Writings to Sacred Texts

This book examines the literature, history, and social context of the Old Testament and their relevance for making sense of this ancient collection. Particular attention is paid to differences between ancient Mediterranean and modern Western culture.

The Old Testament in the Light of the Ancient East

*Includes pictures *Includes ancient accounts *Includes a bibliography and online resources for further reading The Bible is the most famous book in the world, read by a countless number of Christians and others over the centuries. Even those who aren't Christian or remotely religious can rattle off Matthew, Mark, Luke, and John as the first four gospels of the New Testament, and books like Genesis and Exodus include some of the most famous stories in human history. The study of the apocryphal gospels, documents about the life or sayings of Jesus that did not become part of the New Testament, is a popular discipline among scholars that now fills several shelves of any respectable library. Despite the growing secularization of society, there seems to be an appetite for the historical figure of Jesus. However, fewer readers consider the question of whether the Old Testament, also known as the Hebrew Bible, is "complete," and whether in antiquity there were other books besides Genesis, the Exodus or Judges, with different histories and unknown characters, that were excluded from the canon and got lost in the sands of time. Most readers assume that the great saga of Israel, beginning with the pastoral stories of the patriarchs, the epic of the Exodus, and the conquest of the Promised Land, until the court of King David, is a compact, complete and unique story. In its current form, it seems to start from the beginning, and as such it was accepted by all in antiquity, but did someone in ancient Israel write other renditions? Recent archaeological and textual discoveries have revealed that literary production among the people of Israel before the life of Jesus was much more extensive and varied than previously supposed. The earliest Christian and Jewish exegetes were aware of some texts whose status was

imprecise. Did the books of Tobit, Maccabees and Judith belong to Israel's sacred scriptures or not? What happened to certain books that are mentioned in the Bible but have not been found, such as stories about the court of King David, the Annals of Solomon, a Book of Jasher, and prominently the Book of Wars of the Lord? There is another group of books that arouses special interest, including an extensive collection of Jewish and Jewish-Hellenistic writings that are available (some in fragmentary state) but for some reason were excluded from the Old Testament. Some have been recovered or unearthed over the last 2,000 years, while others remained under the custody of secret or heretical libraries. Among them are the Book of Enoch, the Book of Jubilees the Apocalypse of Moses, and many others. In spite of not having been admitted into the canon, many of their doctrines permeated in the popular culture even in antiquity, including among the first Christians. The rebellion of the evil angels led by Satan, the punishment for sinners in the valley of the dead, the concept of a Messiah who would die for his people, and the belief in the resurrection of the martyrs with the literal restitution of their mutilated bodies are ideas that arose in apocryphal books of the Old Testament. These beliefs are not found in the Hebrew Bible. That the Old Testament was not a finished product at the time of the Second Temple (500 BCE-70 CE) and that there were more books in circulation can be established considering that Jewish apocryphal literature is quoted in the New Testament. The Epistle of Jude mentions a fight between the devil and an archangel for the soul of Moses, an episode not found in the Pentateuch. The author of that epistle is quoting from Enoch, an apocryphal Book of the Old Testament, or possibly from the Ascension of Moses, which the author of Judas considered as authoritative. The apostle Paul quotes twice from the apocryphal book known as the Life of Adam and Eve in his second letter to the Corinthians, and the Gospel of Matthew quotes a written prophecy that is undiscovered to this day.

An Index to English Periodical Literature on the Old Testament and Ancient Near Eastern Studies

Slight revision of the author's thesis (doctoral)--University, Fribourg, 1995.

The Aramaic-English Interlinear New Testament

With side-by-side comparison of Hebrew and English, this Old Testament study also contains textual notes. (Christian)

Interlinear Hebrew-English Old Testament

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Truth in Translation

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Origin and Permanent Value of the Old Testament (Classic Reprint)

Originally published: Leiden; Boston: Brill, 2005.

The Old Testament

The standard style guide of the Christian publishing industry, The Christian Writer's Manual of Style, 4th Edition, compiled by veteran Zondervan editor Robert Hudson, contains clear guidance on style questions related to religious writing, including many topics not addressed in other references or online. Nearly half of this fourth revision is made up of new material, including information about turning blogs into books, the effects of digital media on writing, "adverbial doubles," "vanishing accents," word-choice strategies, endorser guidelines, and much more. It also contains an all-new "Word List" which makes up more than a third of the book. The most needful information remains—entries on capitalization,

abbreviation, citations, fictional dialogue, and more—but it has all been updated to keep pace with changes in English language usage. This fourth edition also corresponds with The Chicago Manual of Style, 16th Edition (2010), though it isn't afraid to chart new territory where that reference is unhelpful on issues of religious writing. Comprehensive yet easy-to-use, The Christian Writer's Manual of Style, 4th Edition, is a go-to resource for Christian authors, pastors, teachers, copy writers, editors, proofreaders, publishing and ministry professionals, executive assistants, and students—anyone who writes or edits as a part of their work or study—and for grammar aficionados everywhere.

The Root Sôb h in the Old Testament

This is a Latin-English-Greek-Hebrew interlinear edition of the books of I & II Chronicles, Ezra and Nehemiah. The text contains the Latin of the Clementine Vulgate, the English of the Douay-Rheims Translation, the Greek of the Septuagint, and the Hebrew of the Westminster Leningrad Codex.

The Lost Books of the Old Testament

Aramaic Peshitta New Testament Translation is a translation of the New Testament into English that is based on the Gwilliam text. This translation includes explanatory footnotes marking variant readings from the Old Syriac, Eastern text, and other Peshitta manuscripts. Other footnotes provide cultural understanding and a system of abbreviations that mark idioms and figures of speech so that they are easily recognizable. The translation is as literal as possible, but with readable English, giving the flavor and rhythm of Eastern language. Aramaic is the language of the first century and the Peshitta is the earliest complete manuscript of the New Testament.

From Most Ancient Sources

This is a Latin-English-Greek-Hebrew interlinear edition of the books of Numbers and Deuteronomy. The text contains the Latin of the Clementine Vulgate, the English of the Douay-Rheims Translation, the Greek of the Septuagint, and the Hebrew of the Westminster Leningrad Codex.

Ancient Near East in Pictures

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Interlinear Hebrew-English Old Testament (Genesis - Exodus)

Outlines the historical development of biblical translation, including analyses of over fifty versions of the Bible.
