God's Mighty Acts in Salvation

Forty interactive readings for children ages 8–12 unpack Paul's teachings in Galatians about God's saving work and the gospel. Great for children to read alone or with parents or teachers.

The Mighty Acts of God

This new edition of Arnold Rhodes's The Mighty Acts of God is an essential tool for learning more about the Bible. The original volume, which has been well-loved as a guide for Bible study, has been carefully revised by W. Eugene March to incorporate the most up-to-date historical and theological research. From the beginnings of creation to final consummation and hope, readers will find the same easily readable quality as in the first edition along with helpful questions for either group or individual study.

The Unassumed Is the Unhealed

"This work addresses a pivotal and controversial area lying at the heart of T. F. Torrance's Christology. Namely, that Jesus Christ assumed fallen and sinful humanity and, living out a sinless life from within our alienated state, healed our human nature. This is a claim that is conceptually basic to Torrance's integration of incarnation and atonement, and thus to his soteriology as a whole. It's pervasive nature and its significance within the overall structure of Torrance's thought is thoroughly and sympathetically set forth. Christ's assumption of sinful flesh is seen to lie underneath a number of disputed areas in Torrance's thought such as the role, or lack thereof, of human responsibility, and the question of universalism. This work not only illuminates, but rigorously examines the claim that ""the unassumed is the unhealed."""

Luke-Acts

This book demonstrates that Luke-Acts provides its audience with a basic foundation for all of the various dimensions of Christian worship. With the arrival of Jesus, and especially his being raised from the dead by God, the preeminent locations, leadership, and times for worship move beyond the Jerusalem temple, Jewish synagogues, Sabbath, and the Jewish feasts of Passover and Pentecost to worship in and by the Christian community. As Son of God and Lord, Jesus becomes an object of true worship along with God the Father. Jesus serves as a subject for laudatory worship. Jesus teaches about prayer, engages in it, and serves as an object for supplicatory worship. Jesus not only took part in the ritual worship of being baptized by John, but as the risen and exalted Lord baptizes believers with the Holy Spirit in the sacrament of baptism. In addition, the many meal scenes throughout Luke-Acts provide numerous insights foundational for proper celebrations of the Eucharist.

Show Me Your Glory

What does Scripture mean when it speaks of the glory of God? The answer to this question is not as straightforward as we might think! In Show Me Your Glory, Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God's glory. While exploring this biblical theme, she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book. She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory. This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God. Although it is impossible to fully capture what the Bible says about God's majestic glory, Show Me Your Glory yields many wonderful insights into its depiction, meaning, and significance, resulting in a deep and rich biblical theology of divine glory.

Modern Trinitarian Perspectives

Thompson provides a survey of the wide variety of modern thought on the trinity, examining the work of figures like Karl Barth and Karl Rahner and their views on such issues as the relationship of the trinitarian doctrine to Scripture, the Church, philosophy, politics, and society.

The mighty acts of God

Nature reveals majestic truths about God—truths that help us know him better. God’s Mighty Acts in Creation helps children recognize those wonders, and what they tell us about their Creator. As Starr Meade, author of Mighty Acts of God, guides young readers through the six days of creation, she points to how creation displays the wisdom and power of God. She also helps readers explore and apply other references to nature in the Bible by answering questions such as: What did Jesus mean when he claimed to be the true vine? How is all flesh like grass, and how should that affect the way we live? What was God revealing about himself when he made the sun stand still for Joshua? Each reading includes a key verse, stimulating questions, and engaging activities, all geared toward elementary-aged children. Whether parents use this book for family devotions or children read it for themselves, all will learn how God’s glory, wisdom, sovereignty, and power are revealed in all of creation. This is a companion volume to God’s Mighty Acts in Salvation.

God's Mighty Acts in Creation

Michael Udoekpo’s work brilliantly and pastorally discusses the issues of conflict, friction, and disunity in the world—and in Nigeria in particular—from biblical, historical, and sociocultural perspectives. These issues, he stresses, are endemic in various fabrics of the Nigerian society, traceable to the family as the foundation of any given society. They are also found in religious, political, and media groups. Contributing factors, Udoekpo argues, are materialism, infidelity, relativism, and fundamentalism. Others are ethnocentrism, anthropocentricism, ignorance, bribery, and corruption with other forms of injustices. Drawing from the Bible, Udoekpo proposes prayer, proper education, truth-telling, restoration of family values, interreligious and cultural dialogue, ecumenism, enforcement of rule of law, faith, and absolute trust in God as antidotes to conflict, violence, friction, and disunity in our contemporary society.

The Limits of a Divided Nation with Perspectives from the Bible

The Gospel of Luke was written, says its author, as an historical account of the ministry of Jesus. Not only would it serve as the basis for a sound faith on the part of professing Christians, but it would also claim a place for Christianity in history. Christ's ministry, as Luke shows, is realized prophecy; it

is that time during which God's promise of salvation was fulfilled. His teachings, healing, and acts of compassion are all part of the good news. In Luke's Gospel, Christ's message of salvation is directed to the weak, poor, and needy, with an emphasis on the importance of self-denial and of whole-hearted discipleship. Thus, while Luke is the most conscious historian of the Gospel writers, his history is a vehicle of theological interpretation in which the significance of Jesus is expressed. In this commentary I. Howard Marshall calls attention to the theological message of Luke the Evangelist. His primary purpose is to exegete the text as it was written by Luke, so that the distinctiveness of Luke's Gospel may be seen. Basing his commentary on the third edition of The Greek New Testament, Dr. Marshall also refers to many variant readings which are significant in this study. He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style. It is by this meticulous analysis of the Greek that Luke's theological intentions can be objectively determined.

Matthew Henry's Commentary on the Whole Bible: Volume III-II - Psalm XCI to Song of Solomon

Eckhard J. Schnabel, author of the monumental scholarly study Early Christian Mission (2 volumes), gives us an overview of Paul's missionary practices, strategies and methods, and then weighs contemporary evangelical missiology and practice in light of Paul.

The Gospel of Luke

Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels. Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels' central, often enigmatic, figure. And yet, despite the bewildering variety of scholarly approaches, few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers. That is the aim of this important new book -- to help today's readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality. Written in a clear, non-technical style, the fresh perspectives this work presents will open new vistas on the familiar stories about the life, teaching, and ultimate significance of Jesus.

Paul the Missionary

Peter stands at the beginning of Christian theology. Christianity’s central confessions regarding the person of Jesus, the cross, salvation, the inclusive nature of the people of God, and the end of all things come to us through the apostle who was not only the church’s leader but also its first theologian. Peter is the apostle for the whole church and the whole church resonates with his theology. We sing his song, though we may not have glanced at the bottom of the page in the hymnbook to see who wrote the words and composed the tune. Peter is the “lost boy” of Christian theology, a person overlooked as a theological innovator and pillar, but his rightful place is at the head of the table. If we look closely, however, we may recognize that he has been seated there all along.

The Spirituality of the Gospels

"Portions of this book were previously published as downloadable studies on the Presbyterian Leader, www.ThePresbyterianLeader.com."

Vox Petri

"Biblical Apocalyptics Handbook: A Study of the Most Important Revelations that God and Christ Disclosed in the Bible" offers a comprehensive and scholarly analysis of the apocalyptic literature in the Bible, tracing the threads of prophecy, judgment, and revelation from Genesis to the Pauline Epistles. Authoritative yet accessible, this book delves deep into the heart of apocalyptic writings, considering their historical context, theological implications, and prophetic significance. Readers will gain an understanding of the concept of apocalypticism, its symbolism, and its forms of composition. The book casts light on the apocalyptic elements in the Hebrew songs, such as the Psalms and Song of Solomon, emphasizing their significance in understanding God's righteous judgment, the new creation, and the end times. The deep study of the Edenic apocalypse of sin and judgment along with an in-depth examination of each book of the Bible reveals God's plan for humanity, His covenant promises, and prophetic insights into the fate of the nations. From the prophecy about Abraham's descendants to Jacob's prophecies over his sons, from the Passover in Exodus to the apocalyptic symbolism in

Leviticus, from the Book of Daniel's prophetic visions to the apocalyptic messages in the Gospels and Acts, readers will find themselves on an enlightening journey through the Scriptures. The author's thorough exploration of the fourteen Pauline Epistles concludes this book, shedding light on the topics of resurrection, the day of the Lord, and the return of Christ. "Biblical Apocalyptics Handbook" is more than just a scholarly exploration; it is a spiritual guidebook that inspires readers to delve deeper into God's word, promoting a more profound understanding of God's divine revelations and the eternal destiny of humanity. It is an indispensable tool for anyone seeking to grasp the intricacies of biblical apocalyptic literature and its significance in today's world.

The mighty acts of God

Straightforward answers about Roman Catholicism for a Protestant audience The Roman Catholic faith is one of the world's most widespread religious traditions, yet the unique aspects of Roman Catholicism elicit perennial questions from adherents and outsiders alike. Such questions tend to fall into three major categories: historical backgrounds, theological matters, and personal relationships. Using Catholic Church documents and the writings of Catholic scholars, Baptist systematic theologian Gregg R. Allison distills the teachings of Catholicism around forty common questions about Catholic foundations, beliefs, and practices. The accessible question-and-answer format guides readers to the areas of interest, including: Where do Roman Catholic and Protestant beliefs differ? What happens during a Roman Catholic Mass? How does Roman Catholicism understand the biblical teaching about Mary? Who are the saints and what is their role? How can my Roman Catholic loved ones and I talk about the gospel? 40 Questions About Roman Catholicism explores theology and practice, doctrine and liturgy, sacraments and Mariology, contributions and scandals, and many other things, clarifying both real and perceived differences and similarities with other Christian traditions.

The Preacher's Analyst

Authoritative chapters chart new developments of gospels interpretation in four main areas: background, content, interpretation and impact.

Introducing Glory to God

The eschatology at the core of the New Testament has been one of the scholarly interests of Robert Gundry, of Westmont College in Santa Barbara, California. In this Festschrift for Gundry, twelve contributors, (representing scholarship from several countries, several traditions, and several generations), examine eschatological themes in Matthew (Birger Gerhardsson and Donald Hagner), the Synoptic Gospels I (vol 1.) Howard Marshall) 2 Corinthians (Jan Lambrecht), Galatians (Moises Silva), 1 Corinthians (Judith Gundry-Volf), Colossians (James D. G. Dunn), 2 Thessalonians (Gordon D. Fee), 1 John (D. A. Carson), Revelation (Thomas E. Schmidt), and the New Testament in general (Michael Goulder and J. Ramsey Michaels).

BIBLICAL APOCALYPTICS HANDBOOK

An Old Testament commentary written by women with theological training for women with an emphasis on passages of importance to women.

40 Questions About Roman Catholicism

The Epistle to the Romans remains the centerpiece of all serious Pauline theological research. Each of the major sections of Romans has received significant attention in recent scholarship, yet no consensus has emerged about how to read the opening chapters of Paul's most important letter, Romans 1-4. This collection of essays returns to the beginning of Paul's theological masterpiece to probe longstanding puzzles and to offer new readings and fresh insights on some of the most cherished chapters in the entire Pauline corpus.

The Cambridge Companion to the Gospels

A classic commentary in modern language ... this volume contains the wealth of exposition, metaphors, analogies, and illustrations that have set Matthew Henry’s Commentary apart as one of the enduring legacies of faith—and presents them in the language of today. Passage by passage, its prayerful, penetrating reflections and rich insights into the very heart of God’s Word are sure to challenge and inspire you.Ideal for personal devotions, Bible studies, and lesson and sermon preparations, The New

Matthew Henry Commentary will enable you to rediscover this classic work—or discover it for the first time. Forever fresh and never failing to render new pearls of wisdom, this beloved text is one that you will reach for often to obtain deeper understanding of and appreciation for the Scriptures.

The Living Church

In keeping with the Pillar New Testament Commentary's distinctive character, this volume by James R. Edwards on Luke gives special attention to the Third Gospel's vocabulary and historical setting, its narrative purpose and unique themes, and its theological significance for the church and believers today. Though Luke is often thought to have a primarily Gentile focus, Edwards counterbalances that perspective by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of God's providential work in the history of Israel, and he even considers the possibility that Luke himself was a Jew. In several excursuses Edwards discusses particular topics, including Luke's infancy narratives, the mission of Jesus as the way of salvation, and Luke's depiction of the universal scope of the gospel. While fully conversant with all the latest scholarship, Edwards writes in a lively, fluent style that will commend this commentary to ministers, students, scholars, and many other serious Bible readers.

To Tell the Mystery

For a few decades, jet packs seemed to be everywhere: on Gilligan's Island, Lost in Space, Thunderball, and even the opening ceremony of the 1984 Olympics. Inventors promised we'd all be flying with them now, enabling us to zoom around effortlessly in the sky and getting us to work without traffic jams and trains. What happened to the jet pack? In The Great American Jet Pack, Steve Lehto gives us the definitive history of this and related devices, explaining how the technology arose, how it works, and why we don't have them in our garages today. These individual lift devices, as they were blandly labeled by the government men who financed much of their development, answered man's desire to simply step outside and take flight. No runways, no wings, no pilot's license were required. Soaring through the air with the wind in your face and landing anyplace there was room to stand—could this be done? Yes, it could be, and it was. But the jet pack was perhaps the most overpromised technology of all time. From the rocket belt to the jet belt to the flying platform and all the way to Yves Rossy's 21st-century free flights using a jet-powered wing, this book profiles the inventors and pilots, the hucksters and cheats, the businessmen and soldiers who were involved with these machines. And it finally tells a great American story of a technology whose promise may, one day, yet come to fruition.

Women's Evangelical Commentary: Old Testament

"This NIV Zondervan Study Bible is a tremendous tool for informed Bible reading and study. I highly recommend this publication." Tim Keller, Redeemer Presbyterian Church, New York City "Let the NIV Zondervan Study Bible equip you for more faithful theological thinking and doctrinal integrity." R. Albert Mohler, Jr., President of the Southern Baptist Theological Seminary The NIV Zondervan Study Bible, featuring Dr. D. A. Carson as general editor, is built on the truth of Scripture and centered on the gospel message. An ambitious and comprehensive undertaking, Dr. Carson, with committee members Dr. T. Desmond Alexander, Dr. Richard S. Hess, Dr. Douglas J. Moo, and Dr. Andrew David Naselli, along with a team of over 60 contributors from a wide range of evangelical denominations and perspectives, crafted all-new study notes and other study tools to present a biblical theology of God's special revelation in the Scriptures. To further aid the readers' understanding of the Bible, also included are full-color maps, charts, photos and diagrams. In addition, a single-column setting of the Bible text provides maximum readability. 8.9-point type size

Concordance to the Metrical Psalms and Paraphrases [of the Church of Scotland].

How did the Apostle Paul view the Church? And where does Israel fit in? How are the promises to Israel fulfilled? In Heirs of Promise, P. Chase Sears discusses this relationship between the Church and Israel, and he explains how that affects our understanding of the Old Testament. Using a biblical-theological approach to the book of Romans, Sears argues that Paul understood the church not as a replacement of Israel, but as the new Israel—the continuation of Israel reconstituted in Christ. And Jesus, as the Son of God, is the true Israel who fulfills all of God's purposes for Israel and creation. Sears shows how the Old Testament promises to Israel are being fulfilled in the Church.

The Beginning of Paul's Gospel

In this volume, highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book, The Drama of Doctrine, to its next level. Vanhoozer argues that theology is not merely a set of cognitive beliefs, but is also something we do that involves speech and action alike. He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples. The church, Vanhoozer posits, is the preeminent theater where the gospel is "performed," with doctrine directing this performance. Doctrines are not simply truths to be stored, shelved, and stacked, but indications and directions to be followed, practiced, and enacted. In "performing" doctrine, Christians are shaped into active disciples of Jesus Christ. He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine. Written in an accessible and engaging style, Faith Speaking Understanding sets forth a compelling vision of what the church is and what it should be doing, and demonstrates the importance of Christian doctrine for this mission. Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world. The Christian faith is about acknowledging, and participating in, the great thing God is doing in our world: making all things new in Christ through the Holy Spirit. Doctrine ministers understanding: of God, of the drama of redemption, of the church as a company of faithful players, and of individual actors, all of whom have important roles to play. In an age where things fall apart and centers fail to hold, doctrine centers us in Jesus Christ, in whom all things hold together.

The New Matthew Henry Commentary

Should our proclamation of the gospel be in words or deeds or both? What do the Scriptures say? New Testament scholar and missionary Dean Flemming takes a look at this disputed question. Rooted in the Old Testament and covering the Gospels, Paul, Acts, Peter and Revelation, Flemming provides a biblically sound basis for holistic evangelism.

The Gospel according to Luke

The Second Coming of Christ

A Study Guide and a Teacher’s Manual Gospel Principles was written both as a personal study guide and as a teacher’s manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christand His Atonement, and the Restoration of the gospel. You can find answers to life’s questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Gospel Principles

"Signs of the Coming Christ" is a consolidation of all biblical prophecy that is relevant to the current age. This scientific, analytical approach sheds new light on ancient scriptures. (Biblical Studies)

Signs of the Coming Christ

I am sending forth a new and enlarged edition of this volume, I have nothing to add or withdraw. I see nothing in the state of the Church or the world to make me alter the opinions on prophecy which I expressed tweleve years ago. I can only say, I am more and more convinced, as I grow older, that to keep our eyes steadily fixed on the second coming of Christ is one great secret of Christian Peace. If this volume helps any one reader to cultivate the habit of looking at Christ's coming again, as well as Christ crucified, and Christ interceding, I shall be satisfied -J.C Ryle

The Coming Events and Present Duties

"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me." (Rev. 3:20) Wouldn't it be great if you could open the door, invite Jesus into your home, and ask Him when He's coming back? All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you. You would have your own "Emmaus Road journey." Like the apostles and first-century disciples, you could say that He opened the eyes of your understanding. That's exactly what this series does by unfolding in an easy-to-follow manner what God's Word shows us and what Jesus taught. Each of the three books focuses on three critical end-time revelations that open the door of our understanding surrounding the events of Christ's return. The New Testament apostles received these keys from Jesus Himself. Over the centuries, these revelations were lost or watered down, leaving us clustered and even fearful. That's not God's will. It's time to let the Word speak for itself with a message of comfort, hope, and victory. The Coming of the Son of Man brings you to your final destination- literally. It shows you what Jesus taught His disciples about the end of this age, the rapture, and the sign when all "these things will be fulfilled." The journey will expose the misidentifcation of key terms that distorted the Church's understanding of Christ's return. Along the way, Jesus's teaching, known as the Olivet Discourse, as well as the book of Revelation will become clear. No more confusion. No more questioning how to prepare. Simply the truth of God's plans and purposes.

The Coming of the Son of Man

Includes the following: The Christian Hope and the Sure Word of Prophecy. The Jews in relation to the Coming of the Lord. The Gentiles in relation to the Coming of the Lord. The Church of God in Relation to the Coming of the Lord. The Rapture of the Saints Raised or Changed at Christ's Coming. The Tribulation, and those who are to pass through it. The Appearing and Kingdom of the Lord Jesus. The Judgment and the Eternal State. On the Lord's Announcement of Gentile Judgments.

The Second Coming and Kingdom of the Lord and Saviour Jesus Christ

This book was written as a devotional resource leading up to Christmas. It aligns not only with the season of Advent, but with Advent's great expectation of hope in a coming Messiah. Such hope is grounded in the Psalms and in the Law and the Prophets. It is from there that the Old Testament saints looked forward to the coming of Christ the King. And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem, and ultimately at the cross on Calvary. This is a marvellous little book. Phillip and Daniel write clearly, helpfully, warmly and above all faithfully as they set out the beauty, power and significance of the Lord Jesus. If you want to know what Christmas is all about - or simply to keep Christ at the heart of Christmas then this book is for you. Reverend Dr Gary Millar Principal, Queensland Theological College, Brisbane Christians are followers of the Lord Jesus Christ. They have also long been known as people of the Book. This delightful little Study guide illuminates the solid connections between various parts of the Bible otherwise separated

by thousands of years. It focuses on Jesus and how his life and ministry, death and resurrection, and promised return make sense of everything. Read and savour this book as it directs you to Jesus Christ. Reverend Dr Wei-Han Kuan State Director CMS Victoria Phillip Brown is the current vicar of All Saints Anglican Church in Moree. He is married and has three boys and enjoys spending time with them. Phillip has a deep passion and love of God's words revealed in the Bible and is committed to sharing that with people. Daniel Avenell worked with Phillip for a brief period. In that time they compiled this collection of devotions amongst pastoral ministry. Daniel now resides in Brisbane with his wife. Daniel has five adult children and loves nothing more than teaching God's word to people.

The One Coming

What are some of the reasons why one should read this book? Please let me mention a few. 1) The information between these pages will reveal where YOU came from. 2) You will be shown the Dilemma that YOU were born into. 3) YOU will be given opportunity to change where YOU will spend Eternity. 4) Heaven IS a Choice; it is a free gift called GRACE, YOU are Responsible to choose. 5) YOU and Jesus have The Same FATHER. A) You used to walk on streets of Gold, but You were removed from that place. B) YOUR Earthly spiritual father came from Heaven, but he has another name. C) Jesus want to reveal to YOU Who His Father is. D) The Father want to Reveal to YOU, How YOU can be Certain of His Return.

The Second Coming of Jesus Christ As Revealed by the Father

‘The second coming of Jesus Christ is the core of the biblical worldview, the climax of the biblical message, the cornerstone of biblical theology, and the centrepiece of authentic biblical faith for the twenty-first century.’ At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the ‘centre’ of the Scriptures, even though he only appears at the end. For the New Testament writers, Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world – and the climax of that work is the ‘second coming’ of that same Jesus Christ. Jesus himself used the language of the Scriptures to promise his ‘coming again’, the ‘coming of the Son of Man’. Hence we need the whole of Scripture to understand what the second coming means for us today. The fact that the Bible ends with the prayer ‘Come, Lord Jesus!’ (Revelation 22:20) is deeply appropriate. The second coming is the ‘end’ of the biblical message, its ‘omega point’, its grand finale, the denouement when all the players in the drama of earth history, both human and angelic, are gathered in the drawing room to hear the Master unpack the plot and give the verdict. Motyer’s comprehensive, stimulating study is divided into two parts. Part One, ‘The biblical frame’, examines three Old Testament passages and lays the foundation for Part Two, ‘New Testament hopes and visions’, which explores a series of key texts. He focuses on the second coming, rather than on millennialism or the ‘end times’, in order to provide the fundamental biblical theology that must underlie our whole sense of God’s future for his world.

Come, Lord Jesus!

This book was written as a devotional resource leading up to Christmas. It aligns not only with the season of Advent, but with Advent's great expectation of hope in a coming Messiah. Such hope is grounded in the Psalms and in the Law and the Prophets. It is from there that the Old Testament saints looked forward to the coming of Christ the King. And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem, and ultimately at the cross on Calvary.

The One Coming

The proposed roadmap to peace between Israel and the Arabs is stalemated. Islamic terrorism is spreading around the world. In response the American President initiates a global plan to defeat this enemy of democracy. His invasion of three Muslim nations is an aggressive attempt to force the Arabs to sign for peace with Israel. Only the Father knows when His Son will deliver His elect from the wrath to come. Christians don't know the day or the hour but we are exhorted to watch so we won't be deceived. Jesus warned, '...When you see all these things, know that it's near-at the doors.' (Mat 24:33) What things? The invasion of Jerusalem by the Antichrist is a sign Christ's coming is near. For those who refuse to watch, Jesus promises to come like a thief. If this is true, then why are most apostles, prophets, evangelists, pastors, and teachers proclaiming the rapture must come before the Antichrist? Tragically, the falling away of Christians is going to be far greater than we ever imagined. Those who overcome

the Antichrist and his evil world system will never be blotted out of the Book of Life. This is the message of the hour for the strengthening of the body of Christ Why? Because Jesus said it (Mat 24:25).

The Coming of the Son of Man

God Chooses Renee Bankson Kennedy in her weakness and foolishness, and for being despised and base to say... vIt is time for the end of the evil age. vWe must recognize Omnipotent God and know Him. vThe truth of the Gospel can save all who believe. vJesus Christ is the Truth, the Life and the way. vThe Carpenter Jesus built the Church soon. vLook up for the Coming of Christ Jesus today. The Bible is God's inspired Word to instruct all in righteous living. Seeking after such a life in Scripture will introduce you to a Great God in three persons: it is not impossible to see the father, the Son, and the Holy Teacher in three persons as one Great God who calls His name: "I AM". You see, what you may need today, "I AM" can supply that. You are not alone. That crystal sea before His throne can supply Almighty God All He needs to know about you- not the mortal with a crystal ball, but the immortal and all powerful One who reigns over this Universe will tell you your future and what you can do today to prepare yourself for the things which are yet to come in your life. God bless you with His wisdom, righteousness, sanctification, and redemption. When Renee Bankson Kennedy took her own scriptural Journey through the Bible she became deeply involved in the most fascinating and thrilling answer to everything she did not know. The result she shares in this extraordinary and reassuring book that underscores for all today that in this most critical time there is a future and a hope in Christ Jesus.

The Coming of Christ Jesus

The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself. Devoted people continue to wait for his return. In the new book, The Time of His Coming,author Michael Vilardi explains to readers how and when Christ will return. The book explains the biblical timeframes for all these events then explains why God will allow them to happen. The book starts off by explaining the biblical plan for salvation. The book then explains all the biblical events that must occur before Christ can return. Events such as the Rapture, The Tribulation period ,and Daniels 70th week. The book explains why the events happen in the order that they do and what the purpose of each event is. Each timeframe is interpreted with the sharpest details to enable readers to fully understand them. The book also details who the false prophet,Anichrist and two witnesses will be. The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers,especially Christians, non-Christians, and enthusiasts of the End-of-Time phenomenon. For non-believers,the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers. Furthermore, readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind.The Time of His Coming is easily one of the most compelling books to read today. Order your copy today!!!

The Time of His Coming

Father Brown reflects here not only on those annunciations of Jesus' forthcoming birth in the Gospels of Matthew and Luke, but also on the beautiful canticles, the Magnificat and the Benedictus, and on the origins of Jesus as given in the first words of the New Testament.

A Coming Christ in Advent

The time is coming when the world will be radically changed for the better. It will last for a thousand years, bookended by resurrections, first of the just and then of the unjust. Satan will be chained in the abyss, no longer free to influence the nations. The saints will reign alongside the King of kings, Jesus Christ. This is a time that will begin after the return of the Messiah and end with Satan's total defeat and the judgment of sinners. It is the very culmination of history, a transition away from the fallen world into the perfection of the eternal state. This is a time known as the Millennium and the Messianic Kingdom. An understanding of this critical age makes the Bible come together as one metanarrative. It helps tell the story of the Scriptures.

One Thousand Years with Jesus

The book of Daniel, specifically Daniel 7:13-14 serves as a critical text for understanding Biblical eschatology. In this, his second book, Dan Dery provides the reader with an outstanding analysis of

the NT application of Daniel, and other Old Testament Messianic prophecies. With clarity of logic, solid exegesis and great insights, Dery guides the reader on a marvelous journey of discovery regarding the end times. This book will bring tremendous understanding of the historically troubling predictions of Jesus and his apostles that the "end\

Sentiments concerning the Coming and Kingdom of Christ ... In nine lectures; with an appendix

Many people's lives are a search for the God who has visited His people throughout time, who came in the flesh to bring us light and hope at Christmas. We can look for the ways in which He comes to each of us now - in events, in people, in prayer - as we wait for Him to come again in glory.

The Case for the Second Coming of Christ

The Coming Messiah: Hope for a Hurting World provides a glimpse of history and how the world arrived at this point in time by maintaining a focus on the nation of Israel. God's redemptive story is woven throughout its pages, providing encouragement and hope for those who may feel they have no hope. We see war and strife on every side, distress among nations, famine and disease, and a time when evil is called good and good is called evil. Yet even in the midst of extreme difficulty and persecution, you can find peace, you can have hope-hope that can only be found in the person of Jesus Christ. The Coming Messiah: Hope for a Hurting World tells how you can have that hope, hope that surpasses all understanding. Difficult times are sure to come, yet God has provided a way of escape through his dear Son, Jesus Christ.

The Coming King

Over the centuries, God has revealed to His prophets clues to the upcoming events of the end times. Such prophetic language often differs from other parts of Scripture, employing highly figurative details. God in His wisdom has imparted these clued to various prophets spanning centuries of time, civilizations and social levels, thus providing the modern-day reader a highly complex, yet complete prophetic puzzle pointing us forward to final days in earth's history. Therefore, a complete study is necessary to understanding Bible prophecy as the act of overlooking one prophet or vision will render an incomplete understanding. William miller was a simple New York farmer when God called him to become one of the cornerstones of the great revival movement that eventually formed the foundation of the Seventh-day Adventist church. A self-proclaimed agnostic, Miller had little to do with God or the bible for much of his adult life. However, as the Holy Spirit worked on his heart, Miller began an extensive study of the Scriptures where he found Christ as his personal friend and Saviour. Evidence From Scripture and History explores into the heart of many Bible prophecies both known and ambiguous. Backing up all claims wich Scripture and references, Miller takes the reader on an exhaustive study of Bible prophecy in this modern-day repring of an early advent study. - INTRODUCTION. LECTURE I. The Coming of Christ

"Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

The Coming of God

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Coming Messiah

WHAT EVENTS WILL TAKE PLACE DURING THE SECOND COMING OF CHRIST? "Discovering the events Jesus will fulfill during His Second Coming is the key to understanding The Revelation of Jesus Christ." Paul Bortolazzo As we edge toward the Coming of our Lord, the Holy Spirit is sending forth Watchmen teaching The Revelation of Jesus Christ. Believers keeping the things written in this book are being blessed. There is also a warning not to take away from the words of this prophecy. For those who do, God will take away their part in the Book of Life and the Holy Jerusalem. 'If anyone takes away from the words of the book of this prophecy, God shall take away his part from the Book of Life, from the holy city, and from the things which are written in this book.' Revelation 22:19 Today, many believe the Second Coming is a single event. Sadly, when you begin with a false premise, you always end with a false conclusion. His Coming having a beginning and an ending is a profound revelation. John wrote down the events Jesus will fulfill during His Second Coming. * The coming of The Son of Man * The return of The Holy One * The appearing of The Word of God * The descent of The Lamb of God Why is this so important? Discovering the events taking place before, during and after the Second Coming will prepare you to overcome during the future Great Tribulation of the saints!

Evidence from Scripture and History of the Second Coming of Christ about the Year 1843, Exhibited in a Course of Lectures

This attractive two-volume, slip-cased edition of The Second Coming of Christ, presents Paramahansa Yogananda's unique perspective on the real meaning of Jesus' teachings, and takes the reader on a revelatory journey, verse by verse, through the four Gospels. Dispelling centuries old misconceptions and dogma, this monumental work is destined to leave an indelible mark on the way the world views the teachings of Jesus Christ. In titling this work The Second Coming of Christ, I am not referring to a literal return of Jesus to earth. He came two thousand years ago and, after imparting a universal path to God's kingdom, was crucified and resurrected; his reappearance to the masses now is not necessary for the fulfillment of his teachings. What is necessary is for the cosmic wisdom and divine perception of Jesus to speak again through each one's own experience and understanding of the infinite Christ Consciousness that was incarnate in Jesus. That will be his true Second Coming.

The Yoga of Jesus

The purpose of doing this study is to focus on the coming of Christ, and to better prepare us for His coming. The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return. If that was so for centuries ago, how much more should we be anticipating His coming in the days in which we live? Now more than ever, it is important that we remember often to lift up our heads and say, "Come Lord Jesus!"

Revelation

(Foreword by Charles C. Ryrie) This work presents a biblically based, reasoned examination of the second coming.

Discovering the Events of the Second Coming

The Coming of the Lord Jesus expresses the people living on the earth since the beginning of time until the coming of Jesus Christ. These characters express their dedication to the Word of the Lord and their expectation to the coming of the Lord.

Boxed/Second Coming of Christ

"The Second Coming of Christ" takes the reader on a revelatory journey through the four Gospels, verse by verse, into the real meaning of Jesus' long misunderstood teachings.

Sentiments Concerning the Coming and Kingdom of Christ

COMING BIBLE PROPHESIED EVENTS Their order of events Proceeding Christ’s second coming WE SHOULD KNOW • Prophetically: Where are we right now? • A sure knowledge of Christ’s coming and the 7th trumpet. • Eight Bible prophesied events before Christ comes. EIGHT COMING EVENTS BEFORE CHRIST RETURNS • Israel destroys attacking enemy nations, taking land. • Israel dwelling at rest, without needing defenses. • The coming battle of Armageddon. • Joel’s prophesied latter rain outpouring, and army. • Supernatural signs in the heavens, the sea waves roaring with a darkened sun and moon. Stars falling. • Israel massively accepting Christ as their Messiah. • The prophesied great falling away of the church. • Antichrist and his coming reign.

The Second Coming of Christ: Study Guide

The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillenialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

Christ's Second Coming

The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked. This book is designed to prepare you, to warn you, and to answer your questions about the coming of Christ. Ultimately, the most important thing you can do is to prepare yourself to enter the presence of the Lord. Signs is a scriptural guidebook on that journey. Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times, but put them in a useful chronological order. Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context. This is the first book in a two-part series, and deals with the events of the sixth seal, or the time period ""before the great and dreadful day of the Lord.""

The Return

Triumphant Return is an upbeat, positive proclamation of the tremendous prophecies about the Second Coming and the awesome transformation of humanity that will unfold when Christ ushers in the Kingdom of God. Key Features Include: · Christ’s Triumphant Return- your role in the coming Kingdom of God. · Why are the Rapture and the Second Coming under attack today? · How should we understand the Bible’s prophecies: Literal or symbolic? Past or future? · The coming Millennial Kingdom of God- the key to understanding prophecy · Historical evidence disproves the false theory that Revelation’s prophecies were fulfilled in A.D. 70 · What did the Early Church believe about the Second Coming? The early Christians taught Christ’s return will be literal, imminent, and premillennial. · Fascinating new research about the remarkable prophecies pointing to the nearness of Christ’s premillennial return · Astonishing evidence the Muslim Koran acknowledges Israel’s right to the Promised Land · How should the promise of Christ’s return transform your faith and daily walk with God?

The Coming of the Lord Jesus Christ

This final volume of Moltmann's systematics centers on hope, thus completing a trajectory begun some three decades ago in his Theology of Hope. Eshatology, Moltmann contends, is often thought to deal with the End, the last day, the last act--God has the final word. But Christian eschatology has nothing to do with the apocalypse, but is about new creation.

The Second Coming of Christ

At the time when Jack the Ripper terrorized London, Sir Robert Anderson worked as Chief of the Criminal Investigation Department of Scotland Yard. He was knighted upon retirement in 1901, but his greatest accomplishment was writing perhaps the most influential book on messianic prophecy in history. Anderson expounds upon the famous "70 weeks" prophecy of Daniel 9, conclusively demonstrating the supernatural source of the Bible by it's fulfilled prediction of the exact time in history when the Messiah was to appear.

Christ is Coming

One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ. God has not left us in the dark concerning the details of Christ's future coming, but has given us several clear prophetic signs to watch for. Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age. If you ever wondered why the world is the way it is, and where it is headed, then you need to read this book! Whether youare a Christian or not, this revealing work will give you the vital information you need to prepare for what may come in the near future, and for eternity itself. (this book gives much historical information, compares worldviews, and provides several charts for a better understanding of historical developments).

Il mio cuore si apre alla tua voce
come si aprono i fiori
ai baci dell'aurora!
Ma, mio amato
per meglio asciugare il mio pianto
fa' che la tua voce parli ancora!
Dimmi che torni
per sempre a Dalila!
Ripeti alla mia tenerezza
i giuramenti che amavo!
Io ti amo!
Come vedi ondeggiare
le spighe del grano
alla brezza leggera
così freme il mio cuore
pronto a consolarsi
alla tua cara voce!
La freccia è meno rapida
a portare la morte
di quanto sia l'amante
che ti vola fra le braccia!
Ah! Rispondi alla mia tenerezza...
Con i baci
voglio asciugarti le lacrime
e dal tuo cuore
