Basis Not Only in the Classroom but on Your Own Where I Feel that It Falls Is that if We'Re Talking  
about Removing or Maybe Not Putting as Strong of a Focus on the Classics Then Where Are We  
Putting the Focus Are We Then Putting that in More of the Contemporaries  
I Noticed that You'Re Talking More and More about Just Watching Movies and Learning about Them  
but in in a Sense I Think You'Re Learning How Other People Made Movies and Not How To Make One  
Yourself I Think if You Give a Lot of Cinema Studies Majors of Movie To Write a Paper on They Can  
Do that Just Fine but if You Give Them a Camera and Tell Them To Do a Rack Focus They'Re Not  
Going To Know What To Do So I Mean on Campus Here We'Ve Got Maybe Three Film Production
