La crisi del sistema sanitario nazionale. Analisi e possibili soluzioni spiegate agli italiani

365.794

Crisi e dopo-crisi del Servizio Sanitario Nazionale. Quali soluzioni possibili a livello nazionale e regionale?

Origini e sviluppi dell'iniziativa privata e dell'intervento pubblico in sanità. Integrazione tra pubblico e privato. Regime giuridico delle prestazioni private di servizi sanitari pubblici.

Welfare e servizio sanitario. Quali strategie per superare la crisi

La sociologia come professione e la professionalizzazione del sociologo si presentano come due temi ancora problematici nella riflessione sociologica e nella vita della comunità scientifica; tuttavia, essi non mancano di essere affrontati e discussi al di fuori dei luoghi accademici della riproduzione della disciplina, da parte di un numero crescente di "sociologi" che hanno completato il loro curriculum formativo e si aspettano di mettere in pratica le conoscenze acquisite e la metodologia adottata. Certamente non si può dimenticare che la professionalizzazione del sociologo è un processo problematico; da ciò la particolare attenzione sulla rilevanza del rapporto tra il lavoro del sociologo e l'insieme complesso del sistema e dei processi dei servizi sanitari e dei servizi sociali e socio-sanitari.

Modelli di governance e processi di cambiamento nelle public utilities

366.88

Privato e pubblico nel servizio sanitario

Quella del Covid-19 è una crisi che non si era mai vista. Alcuni vanno a ricercare un'analogia con la Grande crisi del 1640, ritenuta la più grande dell'epoca moderna. Ma il confronto non regge. Soprattutto ci si interroga sulle conseguenze, seppur ignote e terrificanti. C'è un precedente storico da cui trarre qualche insegnamento, si tratta degli anni seguiti alla crisi finanziaria del 2007-2008. Per l'Italia sono stati anni durissimi. Non è più riuscita a ritrovare l'equilibrio e il tenore di vita che li precedeva. Addirittura, si è verificato un fenomeno tristissimo: decine d'imprenditori italiani – tanti veneti e di città di provincia – hanno iniziato a togliersi la vita con impressionante continuità e quotidianità all'inizio del 2012. In questi terribili gesti un intellettuale pubblico come Giulio Sapelli e un opinionista poco convenzionale come Lodovico Festa leggevano la risposta disperata a un trauma di abbandono e di mancata solidarietà del sistema sociale nei confronti del tessuto dell'impresa minore italiana. In quei "morti" italiani c'era soprattutto una sfida morale. Di fronte a una crisi di ampiezza ben superiore a quella del 2007-2008 vogliamo riproporre le riflessioni dell'epoca di Festa e di Sapelli perché una tale tragedia possa aiutarci a percorrere un cammino diverso. Questa seconda edizione del libro si amplia con l'inclusione delle pagine di Émile Durkheim sul suicidio anomico e sociale e con gli interventi pubblici, sulla stampa e in rete, di Sapelli durante la quarantena.

Il regime fiscale delle aziende sanitarie pubbliche

1042.52

L'Italia che si uccide. I suicidi degli imprenditori dopo la crisi del 2008. Con scritti di Sapelli sulla pandemia

Sul Covid decide la politica, non la scienza. Oppure ogni decisione è guidata dai dati, non dalla politica? La politica in questa fase di emergenza prolungata sta riacquistando centralità rispetto a scelte pubbliche di vitale importanza, o sta conoscendo un progressivo e forse definitivo svuotamento della propria capacità decisionale a favore di saperi esperti, di competenze tecniche e di interessi privati? Il volume, muovendo da differenti punti di vista e con riferimento a specifici casi di studio, offre delle prime risposte a queste domande.

Sociologia n. 2/2012

Infatti, alla radice di gran parte dei problemi aperti ci sono scelte di valore che riguardano chi siamo, come vogliamo vivere, che tipo di società vogliamo costruire. Di tali scelte non dovrebbe essere l'economia a farsi carico. Piuttosto, esse sono di pertinenza della politica cui spetta il compito di governare i processi sociali. (editore).

Disuguaglianze nella salute e professione infermieristica. Risorse e criticità per l'equità del sistema sanitario

Per ben quarantadue volte in 136 anni di storia unitaria il debito pubblico ha superato in Italia il prodotto interno lordo. Addentrandosi nei meandri dello Stato, Leonida Tedoldi riflette sulle ragioni politiche della crescita del debito italiano, ne sottolinea l'uso 'di governo' praticato tra gli anni Settanta e Novanta e ne analizza le ricadute sull'economia. Dalla sua ricostruzione emergono passaggi storici delicati e sorprendenti, uno su tutti: la fase di rottura del 1985-87 durante la quale l'indecisione politica del governo non condusse a una reale politica di rientro del debito, raggiungendo così un punto di non ritorno. L'autore spinge la sua analisi agli anni più recenti, fino all'alterazione della 'sovranità' del debito italiano dovuta all'ingresso consistente di soggetti stranieri nel novero dei detentori di titoli di credito.

Achille Ardigò e la sociologia

Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Salute ed efficienza economica

1360.30

Revue internationale de sociologie

“Quest’opera raccoglie alcuni scritti di dottorandi e neo-dottorati in Diritti e Istituzioni dell’Università degli Studi di Torino, seguendo il fil rouge dei concetti di “Limiti e Diritto”. La scelta di questo tema nasce dalla necessità di riunire contributi in materie giuridiche differenti, le quali hanno in comune la natura pubblicistica, ma ciascuna con declinazioni pratiche eterogenee. Si passa, infatti, dalla filosofia del diritto al diritto amministrativo, dalla prospettiva internazionalistica al diritto penale”. (Dal testo)

Qualità & salute

Il volume Dialoghi sulla Sostenibilità – Roma 2016 raccoglie gli Atti di quattro convegni progettati dagli Atenei del Lazio, coordinati dal CRUL (Comitato Regionale di Coordinamento delle Università del Lazio) – in occasione del Giubileo Straordinario 2015-2016 – per discutere di sostenibilità a partire dalle diverse esperienze e consapevolezze maturate dalle Università regionali. I 'Dialoghi' rappresentano studi, tratteggiano visioni, suscitano domande sul futuro della nostra società e del nostro ambiente. In occasione di questi confronti pubblici, il mondo della conoscenza e della ricerca, indipendentemente dalle istituzioni di provenienza, ha cercato di elaborare, in collaborazione e in modo coerente, un contributo sintetico ma esatto, da offrire alla società civile.

I canali della distribuzione assicurativa. L'evoluzione delle reti commerciali tradizionali e l'affermazione dei canali innovativi

35.16

La valutazione della dirigenza del servizio sanitario nazionale. Strumenti operativi

In tutte le società avanzate, la sanità si colloca più sul versante dello stato e delle scelte collettive che su quello del mercato e degli interessi particolari. Gli approcci di governance (contrapposti a quelli di government) suggeriscono ai soggetti pubblici di abbandonare l'idea che le scelte collettive possano essere realizzate attraverso il solo esercizio di poteri sovraordinati. Si tratta, invece, di guardare a sistemi complessi, siano essi tutta la sanità o una azienda sanitaria pubblica, nella prospettiva di un ordine che deve essere conquistato o fatto emergere e che non può più essere imposto. Con queste premesse il libro guarda alla sanità nel nostro Paese, collocando il SSN nel quadro del più complessivo settore sanitario, considerato come il vasto insieme di soggetti pubblici e privati coinvolti nei processi attraverso i quali individui e collettività fruiscono di servizi e prestazioni che attengono ai bisogni di salute. La governance all'interno del SSN viene, successivamente, interpretata alla luce del modello aziendale, quale ipotesi principale attorno alla quale si sono costruite le relazioni che legano i livelli regionali alle aziende sanitarie, modello che sembra ora essere messo in discussione e che necessita di essere difeso. Da ultimo sono considerate le strutture e gli assetti di governo a livello aziendale, rispetto ai quali emergono spinte crescenti volte ad assicurare una maggiore collegialità, preservando al contempo la necessaria efficienza e unitarietà dei processi decisionali al vertice della gestione.

Don't Smother Your Mother

Don't Smother Your Mother When Melissa Johnson's husband crosses the line, she pulls out her .45, fires a few warning shots, and boots his butt out the door. He disappears, leaving her to raise three little boys on her own. It is now twenty-three years later, Melissa is struggling to make ends meet, and her three grown sons are still living at home. Tired of supporting them, she finally puts her foot down and gives them three months to move out. However, before they pack up and leave, Melissa comes into a windfall, and they decide they aren't going anywhere. Disappearing steps, objects falling from trees, shots being fired and a missing toe makes Melissa start to think that someone just might be trying to kill her. For the first time in years, she cleans her gun, loads it, and puts it under her pillow.

The Chicano Generation

"This is the story of the historic Chicano Movement in Los Angeles during the late 1960s and 1970s. The Chicano Movement was the largest civil rights and empowerment movement in the history of Mexican Americans in the United States. The movement was led by a new generation of political activists calling themselves Chicanos, a countercultural barrio term. This book is the story of three key activists, Raul Ruiz, Gloria Arellanes, and Rosalio Muanoz, who through oral history related their experiences as movement activist to historian Mario T. Garcaia. As first-person autobiographical narratives, these stories put a human face to this profound social movement and provide a life-story perspective as to why these individuals became activists"--Provided by publisher.

Advice to a Mother on the Management of her Children

Reproduction of the original: Advice to a Mother on the Management of her Children by Pye Henry Chavasse

What Color Is Your Soul?

What Color Is Your Soul? is a collection of slice-of-life vignettes dealing with different relationships and situations that utilize five different colors: red, green, yellow, black and white. The stories begin with two friends and how each one handles pressure in different ways and how that, in turn, affects the other. The stories continue to include one of jealousy, even among best friends during a girls' day out; a wheelchair-bound man struggling to regain his independence and in the process becomes a teacher of the human spirit; and three senior high school friends whose one-upmanship game has turned harsh as they each deal with their own pain. Then, a mother and daughter stuck on a highway during a snowstorm find out how they perceive similar things. Each story demonstrates and asks the question, What Color Is Your Soul?

The Caversham Chronicles ~ the Beginning

THE CAVERSHAM CHRONICLES ~ The Beginning This is where it all started. One family defining honor, finding love, and building a family. Miss Amelia Lands a Duke, the prequel novella ~ Spinster Amelia is a companion to her aunt when she finds herself deflecting a potential scandal by accepting a marriage proposal from the widowed eighth duke of Caversham. The affection and love that blossoms between them creates the foundation for their family to thrive for generations. Caversham's Bride ~ Desperation brings together Ren and Lia, two strong-willed lovers who will both have to learn to compromise if there is to be any hope for a future for them. Once love conquers their stubbornness there is no limit to the depth of passion they share. Already His ~ Honor and trust are lessons that are not easily come by when they pertain to Elise and Michael, lovers who are both too proud to give quarter. But even the mighty fall when love finally brings them together. Once they realize they were both wrong about the other and they are free to love each other, they become the lovers they were meant to be all along. Loving Sarah ~ Impulsive and adventurous Sarah never intended to turn her handsome captain's life upside down by landing aboard his boat. Ian was running from his destiny while hiding aboard his ship and sailing the world. But when they are forced to marry to save their reputations, they both have to grow into their new roles as husband and wife, and becoming a family. Lucky's Lady ~ Lies, deception, forgiveness, and redemption. Encouraged by her dying husband to seek a sire for the child she desires, Mary-Michael decides who better to use for her purposes than Lucky, the handsome captain who will leave once his business with her husband's shipyard is through. But neither of them counted on their instant passion leading to love. Plus a special bonus transitional short story, What the Fates Decree, introducing the next generation. Look for the first book, Fated Love,

in the new sub-series, The Titans of the Revolution, where the children of The Caversham Chronicles navigate their way in the changing world of Victorian England.

Miriam's Crime, Etc

Shivram Sharma longed for success. Since childhood, his maverick dad thrust in him the urge to excel in everything. But Shivram turned out to be unsuccessful in every aspect of life. Having failed in education and career, Shivram followed the promptings of his true inner self. He wanted to live in accord with his inner longing. Where did his inner promptings lead him to? The book takes you through the arduous journey of a modern avatar and a must-read for every budding youth. "Reasoning along with Goodness and Truthfulness lead to an undisturbed, peaceful and productive state of mind with success and happy existence". But why is it difficult to follow this simple motto in life?

A Little History of John Allen

When a loved one dies, you don't get over it, but you can move forward. The bad news is that we never fully "get over" the loss of those we hold most dear; we bear those scars to the grave. The good news is that God is at work in us turning our loss and pain into something beautiful. God can take the scars and the mess and the heartache of our lives-- yours and mine--- and use it to give new life, new life to us and new life to others. God is not in the business of zapping our loved ones and stealing them away from us. But in a world where death waits for every person, God stands ready. God stands ready to receive our beloved dead as they cross over; and God stands ready to guide us through the saddest days, to walk with us through our grief, and to take us into places we never could have imagined places of hope and renewal. If God could take a cross and broken body and make of them redemption, God can take your pain and heartache and fashion them into new life. This book is composed of the reflections that point to broader lessons that will help those who find themselves passing through grief, as well as the pastors, counselors, and friends whose job is to accompany the traveler

Madame L'Archiduc. Opera Bouffe, in Three Acts, ... [The Prose Portion Only, Translated Into English] by H. B. Farnie

From Two Live Crew's controversial comedy to Ice Cube's gangsta styling and the battle rhymes of a streetcorner cypher, rap has always drawn on deep traditions of African American poetic word-play. In *Talking 'Bout Your Mama*, author Elijah Wald explores one of the most potent sources of rap: the viciously funny, outrageously inventive insult game known as "the dozens." So what is the dozens? At its simplest, it's a comic chain of "yo' mama" jokes. At its most complex, it's an intricate form of social interaction that reaches back to African ceremonial rituals. Wald traces the tradition of African American street rhyming and verbal combat that has ruled urban neighborhoods since the early 1900s. Whether considered vernacular poetry, aggressive dueling, a test of street cool, or just a mess of dirty insults, the dozens is a basic building block of African-American culture. A game which could inspire raucous laughter or escalate to violence, it provided a wellspring of rhymes, attitude, and raw humor that has influenced pop musicians from Jelly Roll Morton and Robert Johnson to Tupac Shakur and Jay Z. Wald goes back to the dozens' roots, looking at mother-insulting and verbal combat from Greenland to the sources of the Niger, and shows its breadth of influence in the seminal writings of Richard Wright, Langston Hughes, and Zora Neale Hurston; the comedy of Richard Pryor and George Carlin; the dark humor of the blues; the hip slang and competitive jamming of jazz; and in its ultimate evolution into the improvisatory battling of rap. From schoolyard games and rural work songs to urban novels and nightclub comedy, and pop hits from ragtime to rap, Wald uses the dozens as a lens to provide new insight into over a century of African American culture. A groundbreaking work, *Talking 'Bout Your Mama* is an essential book for anyone interested in African American cultural studies, history and linguistics, and the origins of rap music.

Shivu and His Ten Upon Ten

The *Sleeping Queen* is a timely message that offers a fresh perspective on the role of the woman entrepreneur as a powerful contributor to the prosperity level of families, communities, and economies worldwide. It unveils myths about feminine entrepreneurship that have been silently accepted for centuries and banished women to a place of little or no relevance in their society. It also sheds new light on the spirituality of entrepreneurship, money and wealth creation by women, and offers an eye-opening, biblical viewpoint of why women can and should fulfill their authentic role as feminine influencers. The reader of this book will discover the amazing contribution a woman was created

to make to society with her unique feminine gifts and the priceless enrichment her divine calling to the business world is meant to have. As you journey through these pages you'll experience how historical barriers that have deterred women for ages from engaging in successful feminine enterprises are exposed and broken. The sleeping queen inside of you will awaken! Your mindset about true womanhood and female entrepreneurship will be powerfully renewed. You will feel inspired and released to confidently step into the God-given position of empowered leadership and wealth creation you were always meant to have.

The Sunday Magazine

Youth Justice in America, Second Edition engages students in an exciting, informed discussion of the U.S. juvenile justice system and fills a pressing need to make legal issues personally meaningful to young people. Written in a straightforward style by Maryam Ahranjani, Andrew Ferguson and Jamie Raskin – all of whom actively work in the area of juvenile justice -- the book addresses tough, important issues that directly affect today's youth, including the rights of accused juveniles, search and seizure, self-incrimination and confession, right to appeal, and the death penalty for juveniles. Focusing on cases that relate to the Fourth, Fifth, Sixth, and Eighth Amendments to the U.S. Constitution, the subject matter comes alive through a wide variety of in-book learning aids.

The Sunday Magazine

Country music fandom is at an all-time high in Ireland; social dancing has never been as popular. New artists, bands and venues proliferate; it seems each week 'Ireland's latest country sensation' is brought to the public's attention through the ever-widening media outlets populated by the genre. This book provides a comprehensive history of the genre looking at the artists and their music and seeking to contextualise the genre within the wider context of Irish culture. It demonstrates the significant role Ireland has played in the history and development of American country music and how, as an old classic country song says, the circle has remained unbroken. It also analyses the associated media, dance and social cultures. Irish country music is now a significant industry on a continuous upward curve. It earns a lot of money for a lot of people. It deserves a work of record. This book is the first of its kind. It is written in an easy to understand language to appeal to the widest possible demographic. It is also written from a neutral point of view but in a way that appeals to the fans of country and Irish music. Artists covered include Big Tom, Daniel O'Donnell, Nathan Carter, Philomena Begley, Susan McCann and Robert Mizell. The author is an established writer with extensive media experience including RTÉ Radio 1, TV3, Irish Independent, The Irish Times, New York Times, The Irish Post and a plethora of local and regional radio stations.

The Glean of Sunshine

In the final series of The Hottest Summer, Summer Barnes is living la vida loca. After settling in with Shay, Summer adjusts to her new surroundings. She has a few issues to work out with her family, but that doesn't stop her from drinking, partying, and enjoying her new lifestyle. Everything seems to be going well until a call from Texas throws a monkey wrench in her plans of living happily ever after. Dealing with her old skeletons makes her exhausted, and she's back to being stressed and frustrated in no time. In the midst of all the madness, make-ups, break-ups, and complete craziness, Summer realizes that she may have chosen the wrong lover when the unthinkable happens. What does Miami have in store for Summer this time around? Will she regret moving and making some of the choices that she has made in the past? If you want to know, start reading today!

When the One You Love Is Gone

"It begins with a spark that ignites into an inferno, and while a spark is harmless, an inferno almost always burns. You are the spark, Rose." Allarose May is not like other girls. She has no friends, writes in a secret diary, and has always wanted a tattoo. But after she wakes up from a month-long coma with a long scar on her neck and a stranger at her door, Rose is forced to concede that her life is about to change forever. When she is thrust into the middle of a war between two very different species — vampire and werewolf — she thinks life can't get any worse. Then she meets Finn, a black-haired, silver-eyed hottie that brings forward the secrets of her rocky past and unlocks the key to her future. But when Allarose is pulled deeper and deeper into the world she thought only existed in books, can she survive the battle that rages between Fire and Ice?

Talking 'Bout Your Mama

After Reva Spiro Luxenberg retired as a psychiatric social worker she began a second career as a writer with three cozy mysteries starring her favorite protagonist, Sadie Weinstein. She's written a children's book that she illustrated, an anthology of short stories, two dramas, a non-fiction book, and seven screenplays. Playing Scrabble helps her relax as does her class in ceramics.

The Sleeping Queen

Oliver Hurst has always been abnormally normal. His grades are horrible, his best friend just left for Utah, and he's depressed. His overly religious parents don't help, especially since they control every facet of his life. One stupid sentence said in desperation gets Oliver tossed in an adolescent psych ward, where his depression and fears become even more of a reality. When Oliver meets snide, tough girl Lacey Waters he doesn't think his life could get any better, that is, until she becomes the ray of sunshine he has desperately needed on his cloudiest of days. young adult romance, teen romance, teen contemporary romance, young adult contemporary romance, sweet teen romance, sweet young adult romance, teen mental health, teen depression fiction, young adult free romance, young adult free contemporary romance, free young adult romance, free teen romance, free teen contemporary romance

The Queer Subject. A Farce, in One Act ... Prefaced by a Dedication to John Reeve ... and an Original Biographical Sketch of the Same Celebrated Comedian, Etc

In this, his most prophetic and personal book, Father Donald Cozzens calls attention to a vast 'underground' church whose heart is beating for change and renewal. This church is 'a pilgrim people who believe that the Holy Spirit is loose in the world and whose rumours of wisdom might be found in any of God's people as well as in their ordained leaders.'

Youth Justice in America

Growing up in Lowell Desire to improve the Lowell condition. Desire to end the Cold War Envisioned the beginning of the Environmental Movement Naval experience This book describes the author's experience in growing up in Lowell, Ma. and his experience during his enlistment in the U.S. Navy during the Cold War. The author had a desire to end the cold war and makes an argument toward that endeavor. Politics, religion, economics, science, and philosophy are used in a later chapter toward that end.

Jon Duan

Stephanie Calman moves on from bad motherhood, failed grown-upness to the ultimate in tricky relationships: that of mother and daughter. In typically candid Calman style she serves up a painfully acute examination of the human condition, softened by the bellylaugh of recognition that will seize all who read her. As a generation finds itself parenting its parents while still trying to haul up its children, she has – once again – hit the zeitgeist firmly over the head.

Arthur's Illustrated Home Magazine

For the past five years, FBI Special Agent Risa Jacobs has worked in the violent crimes against children division of the Houston FBI. She's never had reason to believe there's a target on her back . . . until now. When the long-awaited reunion between Risa and her brother, Trenton, ends in tragedy, Risa is riddled with guilt, unable to cope with the responsibility she feels over his death. On leave from the FBI, Risa returns to her former career as an English teacher at a local college, only to see her past and present collide when one of her students, Carson Mercury, turns in an assignment that reads like an eyewitness account of her brother's murder, with details never revealed publicly. Alarmed by Carson's inside knowledge of Trenton's death, Risa reaches out to her former partner at the FBI. Special Agent Gage Patterson has been working a string of baby kidnappings, but he agrees to help look into Carson's background. Risa and Gage soon discover their cases might be connected as a string of high-value thefts have occurred at properties where security systems were installed by Carson's stepfather and children have gone missing. There's a far more sinister plot at play than they ever imagined, and innocent lives are in danger. For fans of romantic suspense comes a heart-pounding thriller about loss, betrayal, and finding the strength to trust again. Full-length suspense novel Standalone novel Book length: approximately 96,000 words Includes discussion questions for book groups

Lounsbury James Fenimore Cooper by Mary E. Phillips James Fenimore Cooper (1789-1851) was a prolific and popular American writer of the early 19th century. His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy, which greatly influenced many of his novels. The novel that launched his career was The Spy, tale of espionage in Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the Leatherstocking Tales. Among his most famous works is the Romantic novel The Last of the Mohicans.

Worthy a Crown?

"Scenes from Canadian plays for two to six actors. Thirty-two excellent opportunities for young thespians ... these are texts which I would certainly use with my own senior students of dramatic arts."
-Reviewing Librarian

A Happy Type of Sadness:

The Hottest Summer 3: Miami's On Fire
