Studyguide for Mastering Sociology by James M. Henslin, ISBN

A vibrant new learning program designed to engage students every step of the way with a modular approach and a dynamic digital experience. Mastering Sociology provides a friendly and accessible introduction to the discipline.

Mastering Sociology

Get Closer. Your Course. Your Way. A vibrant new learning program designed to engage students every step of the way with a modular approach and a dynamic digital experience. Mastering Sociology provides a friendly and accessible introduction to the discipline. MySocLab for Mastering Sociology features engaging student learning experiences including an interactive eText, the New Core Concepts Video Series, and the New Social Explorer. This text is available in a variety of formats -- digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. Teaching & Learning Experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning - MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking - The author encourages students throughout the program to pause and consider how their own life experiences are influenced by society. This personal approach helps students think critically and make sociological connections to the world around them. Understand the Concepts - Designed as a modular program, chapters are divided into short and easy to read modules that begin with learning objectives and conclude with self-assessment. Engage Students - Each chapter contains student perspectives videos featuring students sharing their experiences and thoughts on sociological topics and issues. Explore Research - Social Explorer activities connect with topics from the text , engaging students with data visualizations, comparisons of change over time, and data localized to their communities. Support Instructors - MySocLab, Instructor's eText, Instructor's Manual, Test Item File, Electronic "MyTest" Test Bank, PowerPoint Presentation Slides, and Pearson Custom course material are available. 1256606014 / 9781256606017 Mastering Sociology Plus NEW MySocLab with eText -- Access Card Package Package consists of: 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card 1256606006 / 9781256606000 Mastering Sociology

Sociology: a Down-To-Earth Approach Core Concepts

For courses in Introductory Sociology A down-to-earth approach to sociology Essentials of Sociology: A Down-to-Earth Approach highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, author James Henslin stimulates students' sociological imaginations so they can better perceive how the pieces of society fit together. Six central themes guide students through this concise overview of the discipline: a down-to-earth

approach, globalization, cultural diversity, critical thinking, the new technology, and the influence of the mass media on our lives. The Twelfth Edition has been extensively revised to include contemporary examples and fresh topics that bring sociology to life. Also available with MySocLab® MySocLab for the Introductory Sociology course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MySocLab does not include an eText. Essentials of Sociology: A Down-to-Earth Approach, Twelfth Edition is also available via REVEL™, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Note: You are purchasing a standalone product; MyLab™ & Mastering™ does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab & Mastering, search for: 0134495926 / 9780134495927 Essentials of Sociology: A Down-to-Earth Approach plus MySocLab® for Introductory Sociology — Access Card Package, 12/e Package consists of: 0134205588 / 9780134205588 Essentials of Sociology: A Down-to-Earth Approach, 12/e 0133878104 / 9780133878103 MySocLab for Introductory Sociology Access Card

Sociology Mysoclab Standalone Access

Adapted from Henslin's best-selling comprehensive text, Core Concepts provides in-depth coverage of ten high-priority topics that are the foundation of many introductory sociology courses. This unique paperback offers a concise and economical format without sacrificing depth of coverage. Unlike a "brief" or "essentials" text, the ten chapters that make up Core Concepts are not edited down from a longer book. Instead, they provide full coverage of those topics that instructors emphasize the most in a one-semester or one-term introductory sociology course. Like Henslin's other texts, it features the author's familiar "down-to-earth" approach and personal writing style that highlight the sociology of everyday life. With wit, personal reflection, and illuminating examples, Henslin shares with readers a passion for sociology unmatched by any other introductory text.

New Mylab Sociology with Pearson Etext -- Standalone Access Card -- For Mastering Sociology

This best selling comprehensive text shares the excitement of sociology with the acclaimed "down-to-earth" approach that highlights the sociology of everyday life. The 8th Edition of this highly regarded text retains all the features that have made previous editions so successful. The author has a unique ability to engage students without sacrificing content or talking down to them. With wit, personal reflection, and illuminating examples, Henslin shares his passion for sociology with his readers like no other author of an introductory text can.

Sociology

The twelfth edition's new readings include selections on the unspoken rules of social interaction, the shocking disparities between upper- and lower-class life, America's changing attitudes toward work and family and the roles they fulfill, and the "McDonaldization" of American society. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there." Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in Down to Earth Sociology highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, sports, and religion, to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

Sociology

The quintessential examination of women, gynecology is not simply the study of women's bodies, but also serves to define and constitute them. From J. Marion Sims's surgical experiments on unanesthetized slave women in the mid-19th century to the use of cadavers and prostitutes to teach medical students gynecological techniques, Kapsalis focuses on the ways in which women and their bodies have been treated by the medical establishment. 34 photos.

Down to Earth Sociology

A Down-to-Earth Approach James Henslin shares the excitement of sociology with his acclaimed down-to-earth approach and personal writing style. Sociology: A Down-to-Earth Approach, 12/e, highlights the sociology of everyday life and its relevance to students' lives. Six central themes help students stimulate their sociological imagination: down-to-earth sociology, globalization, cultural diversity, critical thinking, the new technology, and the influence of the mass media on our lives. MySocLab is an integral part of the Henslin program. Engaging activities and assessments provide a teaching and learning system that helps students discover sociology in their lives. With MySocLab, students can watch videos on sociological core concepts, explore real-world sociology through the new Social Explorer, and develop critical thinking skills through writing. This title is available in a variety of formats and prices - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalized their book by incorporating their own notes and taking the portion of the book they need to class - all at a fraction of the bound book price.

Sociology

Essentials of Sociology: A Down-to-Earth Approach is heralded by students and instructors alike as the most friendly and inviting introduction to sociology available. James Henslin guides students on an intellectual voyage through the sociological imagination, helping them better understanding both themselves and their world. With humor, personal reflection and illuminating examples, he shares with readers his passion for sociology. Six central themes run throughout the text: down-to-earth sociology, globalization, cultural diversity, critical thinking, the new technology and the influence of mass media on everyday life. Each of these themes is reflected in the central narrative, in boxed features throughout the text, and in MySocLab. Essentials of Sociology: A Down-to-Earth Approach 9th edition is the first edition of Henslin's to feature integration with MySocLab. MySocLab now features diagnostic quizzing, Social Explorer activities, The Way We Live video activities, links to The Social Lens blog, and over 100 primary source readings.

Sociology

This brief and economical reader, edited by James M. Henslin, is especially designed to be used as a companion to Essentials of Sociology: A Down-to-Earth Approach. There is one reading per text chapter, including a selection to accompany the online chapter, "The Sociology of Human Sexuality." Readings New to This Edition "Hooking Up on the Internet" by Helen M. Lawson and Kira Leck "Becoming a Hit Man" by Ken Levi "Job on the Line" by William M. Adler "Invisible Man" by Lawrence Otis Graham "Social Class and Childrearing" by Annette Lareau "Still Separate, Still Unequal" by Jonathan Kozol "Border Blues: The Dilemma of Illegal Immigration" by Farai Chideya Order separately or valuepack with Essentials of Sociology: A Down-to-Earth Approach, Eighth Edition for \$5 net. Valuepack ISBN: 0-205-

Essentials of Sociology

Presents a selection of forty-six readings that provide, an introduction to the sociological perspective, look at how sociologists conduct research, examine the cultural underpinnings of social life, and discuss social groups and social structure, gender and sexuality, deviance, and social stratification, institutions, and change.

Essentials of Sociology

Henslin's best-selling brief paperback text shares the excitement of sociology its acclaimed "down-to-earth" approach and personal writing style highlight the sociology of everyday life and its relevance to students' lives. This text is a brief version of the highly regarded hardcover introductory text, Sociology: A Down-to-Earth Approach, 6/e. The essential 15 chapters cover all of the topics in the 22-chapter text, and retain the dual emphases on micro and macro (individual and structural) sociology. James Henslin has a unique ability to engage students without talking down to them or sacrificing content. With wit, personal reflection, and illuminating examples, he shares with readers a passion for sociology unmatched by any other introductory text.

Essentials of Sociology

"Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface."--Website of text.

Exploring Social Life

This brief and economical reader, edited by Jim Henslin, is specifically designed to be used as a companion to his Sociology: A Down-to-Earth Approach texts.

An Introduction to Sociology

James Henslin has always been able to share the excitement of sociology, with his acclaimed "down-to-earth" approach and personal writing style that highlight the sociology of everyday life and its relevance to students' lives. Adapted for students studying within Australia, this text, now in a second edition, has been made even more relevant and engaging to students. With wit, personal reflection, and illuminating examples, the local author team share their passion for sociology, promote sociology to students and entice them to delve deeper into this exciting science. Six central themes run throughout this text: down-to-earth sociology, globalisation, cultural diversity, critical thinking, the new technology, and the growing influence of the mass media on our lives. These themes are especially useful for introducing the controversial topics that make studying sociology such a lively, exciting activity.

Plus Essential Sociology

How can postcolonial thought be most fruitfully translated and incorporated into sociology? This special volume brings together leading sociologists to offer some answers and examples. The chapters offer new postcolonial readings of canonical thinkers like Karl Marx, Max Weber, Emile Durkheim and Robert Park.

Down to Earth Sociology: 14th Edition

Introduction to Sociology

AMARANTHE I: RISE is packed with over 1,400 pages of Sci-Fi Adventure **Includes Aurora Rising, the 1st trilogy in the Amaranthe universe (Starshine, Vertigo, Transcendence) + 2 shorts + bonus content** Fans of The Expanse, Peter F. Hamilton and Adrian Tchaikovsky will love this epic science fiction tale of space adventure, political conspiracy, alien invasion, interstellar war, space exploration, intrigue and romance, all anchored by an incredible cast of memorable and compelling characters who fight, fail, persevere and refuse to fade away. When faced with its greatest challenge, will humanity rise to triumph or fall to ruin? Aurora Rising is an epic tale of galaxy-spanning adventure, of the thrill of discovery and the unquenchable desire to reach ever farther into the unknown. It's a tale of humanity at its best and worst, of love and loss, of fear and heroism. It's the story of a woman who sought the stars and found more than anyone imagined possible. * STARSHINE (Book One) SPACE IS VAST AND UNTAMED, AND IT HOLDS MANY SECRETS. Now two individuals from opposite ends of settled space are on a collision course with the darkest of those secrets, even as the world threatens to explode around them. The year is 2322. Humanity has expanded into the stars, inhabiting over 100 worlds. Though thriving as never before, Earth struggles to retain authority over far-flung planets & free-wheeling corporations while an uneasy armistice with a breakaway federation hangs by a thread as the former rebels rise in wealth and power. Alexis Solovy is Earth Alliance royalty, her father a fallen war hero & her mother an influential military leader. But she seeks only the freedom of space & has made a fortune by reading the patterns in the chaos to discover the hidden wonders of the stars. Nothing about her latest objective suggests the secret it conceals will turn her life-not to mention the entire galaxy-upside down. But a chance encounter with a mysterious spy leads to a discovery which will thrust Alex into the middle of a galactic power struggle & a sinister conspiracy, whether she likes it or not.

Immobilienblase 2024: So hoch ist das Risiko wirklich! - Immobilienblase 2024: So hoch ist das Risiko wirklich! by Dr. Klein Privatkunden AG 3,526 views 3 days ago 9 minutes, 21 seconds - Die Preise für Wohn-Immobilien fallen im Rekordtempo.“ „Die Preisblase ist geplatzt.“ Stimmt das wirklich oder handelt es sich ...

Begrüßung und Einleitung

Einige Branchenexperten sprechen davon, dass die Immobilienblase in 2023 geplatzt ist. Gehst du da mit?

Wie sieht es in diesem Jahr aus? Droht ein flächendeckender Wohnimmobilien-Crash?

Die bundesweite Gefahr eines Crashes ist also sehr gering. Wo erwartest du am ehesten einen Preisverfall: in den Großstädten oder in ländlichen Räumen, die besonders strukturschwach sind? Wenn man sich mit dem Thema beschäftigt, dann findet man sehr unterschiedliche Meinungen.

Warum ist die Prognose so schwierig?

Gehen wir ein paar Schritte zurück. Was ist eine Immobilienblase eigentlich?

Man spekuliert also auf steigende bzw. fallende Preise?

Was müsste passieren, damit eine Immobilienblase überhaupt platzt?

Was sind dann die Folgen?

Kann ich mich als Kaufinteressierter vor einer platzenden Immobilienblase schützen?

Angenommen in einer Region in Deutschland platzt die Blase. Passen dann die Banken die Konditionen für diese Region sehr schnell an?

Ist das erste Halbjahr 2024 ein guter Zeitpunkt, um jetzt eine Immobilie zu kaufen? Und gibt es aktuell

mehr „Schnäppchen“ auf dem Markt, die es vor 1 oder 2 Jahren noch nicht gab?

impact-social-inequality-society

Social Differentiation, Social Stratification, Social Inequality, Sociology, Social Hierarchy

Explore the multifaceted concept of social differentiation, examining how societies categorize and rank individuals based on factors like socioeconomic status, race, gender, and occupation. Delve into the consequences of social stratification, understanding its impact on access to resources, opportunities, and overall well-being within communities, and how sociological theories help us analyze and address these complex societal structures.
