In The Collected Short Stories of Louis L'Amour, Volume 6, Part 1, L'Amour takes us beyond the frontier with gripping stories of crime, sports, and the murky world where the two often meet. These electrifying stories roam from the naked glare of boxing arenas rife with corruption, and freight docks where laborers toil to earn just enough to get by, to the penthouses of the rich and arrogant who calculate the odds of how to get even more. From suspenseful whodunits to rueful tales of fortunes gained and lost, this remarkable collection will enthrall and entertain L'Amour fans old and new.

The Collected Short Stories of Louis L'Amour

The Collected Short Stories of Louis L'Amour, Volume 6

One of America's most beloved storytellers, Louis L'Amour's vibrant tales of adventure bring the American West to life. Now, in this sixth volume of collected short stories, L'Amour takes us beyond the frontier with thirty-three gripping stories of crime, sports, and the murky world where the two often meet. From suspenseful whodunits to rueful tales of fortunes gained and lost, this remarkable collection will enthrall and entertain L'Amour fans old and new. Traversing a vivid landscape, from sunblasted hills and canyons to the nighttime streets of America's greatest cities, some of Louis L'Amour's most compelling fiction was set in his own time—whether in the naked electric glare of boxing rings where men go head-to-head with their dreams and demons in an underworld rife with corruption, or along freight

docks where laborers toil to earn just enough to get by, or in the penthouses of the rich and arrogant who calculate the odds of how to get even more. Here are tales of innocents caught in the schemes of criminals, detectives hunting down truths that hide more lies, gamblers and beauties, wiseguys and cops. Here is a world populated by the kinds of people who risk their lives to right a wrong, make a buck, or save a friend. A war veteran makes a journey to visit the man who saved his life in Korea. Instead he uncovers a killing and finds his own heroic cause.... Confronted with an easy chance to steal, an honest man gives in to temptation—and finds himself ensnared in a web of blackmail and violence.... An elderly Hawaiian seafarer is found dead with a hand-carved figure beside his body. Unraveling his murder will mean solving the mystery of a shipwreck—and of the forces that drive some to take fatal chances and others to kill. Brimming with thought-provoking characters and situations—from a man who awakens from unconsciousness to find a fortune in a burning house to a man who meets a killer who is supposed to be dead in a seedy diner—these thrilling, atmospheric stories course with authenticity and bear the mark of a timeless master.

The Collected Short Stories of Louis L'Amour, Volume 6

One of America's most beloved storytellers, Louis L'Amour's vibrant tales of adventure bring the American West to life. Now, in this sixth volume of collected short stories, L'Amour takes us beyond the frontier with thirty-three gripping stories of crime, sports, and the murky world where the two often meet. From suspenseful whodunits to rueful tales of fortunes gained and lost, this remarkable collection will enthrall and entertain L'Amour fans old and new. Traversing a vivid landscape, from sunblasted hills and canyons to the nighttime streets of America's greatest cities, some of Louis L'Amour's most compelling fiction was set in his own time—whether in the naked electric glare of boxing rings where men go head-to-head with their dreams and demons in an underworld rife with corruption, or along freight docks where laborers toil to earn just enough to get by, or in the penthouses of the rich and arrogant who calculate the odds of how to get even more. Here are tales of innocents caught in the schemes of criminals, detectives hunting down truths that hide more lies, gamblers and beauties, wiseguys and cops. Here is a world populated by the kinds of people who risk their lives to right a wrong, make a buck, or save a friend. A war veteran makes a journey to visit the man who saved his life in Korea. Instead he uncovers a killing and finds his own heroic cause.... Confronted with an easy chance to steal, an honest man gives in to temptation—and finds himself ensnared in a web of blackmail and violence.... An elderly Hawaiian seafarer is found dead with a hand-carved figure beside his body. Unraveling his murder will mean solving the mystery of a shipwreck—and of the forces that drive some to take fatal chances and others to kill. Brimming with thought-provoking characters and situations—from a man who awakens from unconsciousness to find a fortune in a burning house to a man who meets a killer who is supposed to be dead in a seedy diner—these thrilling, atmospheric stories course with authenticity and bear the mark of a timeless master.

The Hills of Homicide

FROM AMERICA'S STORYTELLER: A TREASURY OF HIS GREAT DETECTIVE STORIES Here is a collection of Louis L'Amour detective stories—vivid tales as memorable and exciting as his beloved frontier fiction. Each story is personally selected and introduced by the author. In the dark alleys of the pulsing cities and the savage criminal wildernesses, Louis L'Amour introduces a new brand of

characters: men like Kip Morgan, the ex-fighter turned detective who is tough enough to bounce a bouncer yet has more up his sleeve than sheer muscle; Joe Ragan, the dedicated career cop who fears nothing in the pursuit of justice; and women whose soft laughter covers their underlying cruelty. These are fast-moving stories of brawls where if a man goes down and doesn't get up fast enough he's through, of flashing knives that whisper death, of guns that blaze their fatal fire through the blackest nights.

Hills of Homicide

"An intriguing take on crime/noir writing, this collection of 40 very short stories by leading and emerging literary voices . . . investigates crimes both real and imagined. Despite their diminutive size, these tales promise to pack a punch." —Chicago Tribune Forty very short stories that reimagine the genre of crime writing from some of today's most imaginative and thrilling writers, *Tiny Crimes* offers tales of villainy and intrigue in only a few hundred words. From the most hard-boiled of noirs to the coziest of mysteries, with diminutive double crosses, miniature murders, and crimes both real and imagined, *Tiny Crimes* rounds up all the usual suspects, and some unusual suspects, too. With illustrations by Wesley Allsbrook and flash fiction by Carmen Maria Machado, Benjamin Percy, Amelia Gray, Adam Sternbergh, Yuri Herrera, Julia Elliott, Elizabeth Hand, Brian Evenson, Charles Yu, Laura van den Berg, and more, *Tiny Crimes* scours the underbelly of modern life to expose the criminal, the illegal, and the depraved.

Digital Talking Books Plus

LaSTANZA: NEW ORLEANS POLICE STORIES Seventeen short stories chronicle the life of a police officer from his days as a patrolman to a homicide detective back to his childhood when he caught his first killer at age eight. The characters from the *LaStanza* novels are all here: Bob Mason, Mark Land, Jodie Kintyre, Paul Snowood, Felicity Jones and Stan the Man Smith (the world's greatest patrolman ever - just ask him). There are also women *LaStanza* will never forget from Xanthe to Cora, Regina, Guinnevere, Gabrielle and of course, Lizette. Beyond stories of crime and murder are tales of lunatics, an airplane crash, a man with moon hands, a very nimble burglar, a wild horse and an icy Sicilian murderer whose body count ends in a sleazy New Orleans motel when Det. *LaStanza* is assigned the case. Previous novels in the *LaStanza* series include: *Grim Reaper #1* - Lauded for its hyper-realistic description of homicide work, this novel begins the adventures of New Orleans Police Homicide Detective Dino *LaStanza*. *The Big Kiss #2* - Detective *LaStanza* is drawn into a deadly confrontation with an out-of-control *La Cosa Nostra* hit man. *Blue Orleans #3* - Throws *LaStanza* into the midst of a Latin American killing circle and the alluring, young daughter of a murder victim. This book received critical praise for its strong setting, compared favorably to the *Bond* novels of Ian Fleming. *Crescent City Kills #4* - Murder victims, dumped along a barren stretch of river batture in Algiers, have one ally left, an unrelenting Det. *LaStanza* who refuses to quit in his dogged pursuit of justice. This novel received critical praise for its gritty portrayal of police investigations. *The Big Show #5* - While pursuing a cunning rapist-murder terrorizing New Orleans, *LaStanza* and his partners are drawn into a racially-charged murder investigation. In *Homicide*, where few detectives work one case at a time, detectives push themselves to their limits to bring murderers to justice. *New Orleans Homicide #6* - The Easter Weekend of 1986 is particularly violent. Three murders are deliberate acts of violence. *LaStanza* and his partners begin a meticulous, relentless pursuit of the killers and will use whatever deliberate acts necessary to bring justice to the victims and their families.

The Crime of the French Cafe And Other Stories

A crime mystery set in 1960s rural France, featuring "a noir hero in the best tradition, solitary, hard-bitten and haunted by the horrors of his past" (Historical Novels Review). Danger and intrigue follow him wherever he goes. France, 1963. It's a time of great change, not least for Inspector Lucas Rocco. As part of a nationwide initiative to broaden police operations, he finds himself moved from the Paris metropolis to a small village. His new patch might be rural, but it's certainly not uneventful: on his first day, he finds a murdered woman wearing a Gestapo uniform, lying in a British military cemetery. When the body is removed by order of a magistrate from the police mortuary before Rocco can finish his investigation, he realizes he's up against a formidable enemy. An enemy who will go to any lengths—even murder—to stop his investigation. A pulse-pounding historical crime thriller, perfect for fans of Martin Walker, Maigret and Mark Billingham. "Adrian Magson is a classic crime star in the making." —Daily Mail

He's soon convinced that a common denominator must be at play . . . Rocco uncovers top-level fraud, theft, and deception. And when he narrowly survives an attempt on his life, he realizes that he has nothing to lose by bringing the truth out in to the open, whatever the risks.
