Am I Yours?

It is time. It is time to free our voice. To speak is a revolution. For too long, through the most intimate acts of erasure, women have been silenced. Now, women everywhere are breaking through the limits placed on us by family, society, and tradition. To find our voices. To make space for ourselves in this world. Now is the moment to reclaim what was once lost, stolen, forsaken, or abandoned. I Am Yours is about my fight to protect and free my voice from those who have sought to silence me, for the sake of creating a world where all voices are welcome and respected. Because the voice, without intimacy, will atrophy. We're in this together. You are mine, and I am yours.

I Am Yours

Victor Tuchman - a power-hungry real estate developer and all-round bad man - is finally on his deathbed. His daughter Alex can finally unearth the secret of who he really was. She travels to New Orleans to be with her family, but mostly to interrogate her tightlipped mother, Barbra. As Barbra fends off Alex's unrelenting questions, she reflects on her tumultuous married life. Meanwhile Gary, Alex's brother, is incommunicado, trying to get his movie career off the ground in Los Angeles. And Gary's wife, Twyla, is having a nervous breakdown, bursting into crying fits in drug stores. Each family must figure out a way to move forward - with one another, for themselves and for the sake of their children.

All This Could Be Yours

The New York Times bestselling second-chance standalone romance. I spent twenty years waiting for Trent Hennington to open his eyes and see me. But it was all for nothing. He chose to keep himself guarded and let me walk away, proving that my time and efforts were wasted. I'm done being invisible. It's time to move on. A single dance sets my new reality into motion, and I welcome it. After all, Cooper Townsend is perfect. He's kind, sexy, and attentive—everything a girl could want. I thought I got it right this time. That my heart could mend, and I would be happy. Apparently, some things really are just too hard to walk away from.

Say I'm Yours

Prayers That Will Change Your Daughter's Life Bestselling author Wynter Pitts's life was a beautiful reflection of the power of prayer. Here, in her final words before her untimely passing, Wynter shows your tween girl all the wonderful things God has in store for her when she talks to Him. Your daughter will learn when and why and how to pray and what she can pray for to strengthen five of the most important relationships in her life—her relationship with God, herself, her family, her friends, and the world around her. Each short chapter includes a key Scripture verse, an impactful message from Wynter, and a heartfelt prayer written specially to help your daughter communicate with God. Page by page, she will discover her true identity in Christ and grow in her faith. Of all the "I am" statements your daughter will encounter in this book, it all starts with the fact that she belongs to God and can say with absolute confidence, "I am Yours."

I Am Yours

For Him book 2

Not So Sincerely, Yours

'One of Britain's outstanding poets' Sir Paul McCartney 'Riveting' Observer 'An exuberant account of a remarkable life' New Statesman This is a memoir as wry, funny, moving and vivid as its inimitable subject himself. This book will be a joy for both lifelong fans and for a whole new generation. John Cooper Clarke is a phenomenon: Poet Laureate of Punk, rock star, fashion icon, TV and radio presenter, social and cultural commentator. At 5 feet 11 inches (32in chest, 27in waist), in trademark dark suit, dark glasses, with dark messed-up hair and a mouth full of gold teeth, he is instantly recognizable. As a writer his voice is equally unmistakable and his own brand of slightly sick humour is never far from the surface. I Wanna Be Yours covers an extraordinary life, filled with remarkable personalities: from Nico to Chuck Berry, from Bernard Manning to Linton Kwesi Johnson, Elvis Costello to Gregory Corso, Gil Scott Heron, Mark E. Smith and Joe Strummer, and on to more recent fans and collaborators Alex Turner, Plan B and Guy Garvey. Interspersed with stories of his rock and roll and performing career, John also reveals his boggling encyclopaedic take on popular culture over the centuries: from Baudelaire and

Edgar Allan Poe to Pop Art, pop music, the movies, fashion, football and showbusiness – and much, much more, plus a few laughs along the way.

I Wanna Be Yours

"I am a fanatic about freedom. And I'm fanatical about coming at you hard in this book." Maybe you're not as free as you think you are. Even worse, you may have been duped into believing that a "balanced" life is the key to happiness (it isn't) or that a relationship with God is about layering on rules and restrictions (nope). Whether it's media-fueled fear, something a parent or teacher said that you just can't shake, or even the reality of dark spiritual forces bent on keeping you down, something is holding you back from the full-on freedom God intends for you. The Bible says, "Where the Spirit of the Lord is, there is freedom." Not fear. Not guilt. Not morality. Freedom. You can have the sort of joy you thought only kids could have. The day of freedom is here.

Free Book

The only relation that we get choose post birth is with whom are heart connects with. Many a times our heart overpowers our brain but that one time when it makes the best decision of our life is when we are ready to share our life with someone else. Everyone I can say I love you, but the best thing someone can ever say when they are in love with you is "I am yours forever". This anthology has and a combination of writers who poured their heart out and expressed their version of I am yours forever. Books that will make you fall in love with love. This phrase was our version of what love is and this book contains the versions of our extremely talented co-authors.

I Am Yours Forever

Nobody remembers how the Causality War started; that's sort of the point. We were time warriors, and we broke time. But I was the one who ended it: ended the fighting, tidied up the damage as much as I could. Then I came here, to the end of it all, and gave myself a mission: to never let it happen again.

One Day All This Will Be Yours

'Utterly magnificent . . . gripping, accomplished and dark' Marian Keyes WINNER: Newcomer of the Year at the IBAs WINNER: Bookseller YA Prize WINNER: CBI Eilis Dillon Award Buzzfeed's Best Books Written by Women in 2014 The bestselling novel about beauty, body image and betrayal eves are designed, not made. The School trains them to be pretty The School trains them to be good. The School trains them to Always be Willing. All their lives, the eves have been waiting. Now, they are ready for the outside world. companion . . . concubine . . . or chastity Only the best will be chosen. And only the Men decide.

Only Ever Yours

After a trip to the museum, Max writes a letter to his favourite dinosaur, the mighty T. Rex - and the T. Rex writes back! As Max and T. Rex learn about each other's lives, a very unusual friendship develops in this funny and touching story from an award-winning duo. Dinosaur fans will love this interactive picture book with letters and cards to open, and dinosaur facts to discover along the way.

Dear Dinosaur

Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface? I really want to hate Dylan Lancaster. He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?

Tell Me I'm Yours

"Every page bursts with humor, squee-inducing romance, and an abiding sense of the deep love and joy of its two writers . . . Always Never Yours is a necessary, feel-good addition to the YA canon."—Entertainment Weekly Megan Harper is the girl before. All her exes find their one true love right after dating her. It's not a curse or anything, it's just the way things are. and Megan refuses to waste time feeling sorry for herself. Instead, she focuses on pursuing her next fling, directing theater, and fulfilling her dream school's acting requirement in the smallest role possible. But her plans quickly crumble when she's cast as none other than Juliet--yes, that Juliet--in her high school's production. It's a nightmare. Megan's not an actress and she's certainly not a Juliet. Then she meets Owen Okita, an aspiring playwright who agrees to help Megan catch the eye of a sexy stagehand in exchange for help writing his new script. Between rehearsals and contending with her divided family, Megan begins to notice Owen--thoughtful, unconventional, and utterly unlike her exes, and wonders: shouldn't a girl get to star in her own love story?

Always Never Yours

A Ride On the Wild Side The last place Catherine MacPherson ever expected to find herself was sitting on a Greyhound bus, handcuffed to a surly bounty hunter, with only a suitcase of her twin sister's flashy, shrink-wrap clothing to wear! Just two hours ago, the respectable schoolteacher was sitting quietly at home when this bi macho hunk crashed through her door, mistook her for her errant Miami showgirl sister, and hauled her off in his strong arms. And no matter how sexy he is, she's furious! Twins-ha! Sam McKade's the last person to ever fall for that line. He's finally got the gorgeous, leggy redhead just where he wants her-and no matter what outrageous tricks she pulls, he's not letting her get away. The problem is, she's a lot smarter-and sweeter-than he'd expected. And he's got this deep-buried tenderness she hadn't expected. And their kisses are so hot, they just might burn up ... before they sort it all out.

Baby, I'm Yours

Staying away from Cade Renner is easier said than done-because he's my brother's best friend and my new roommate.I know he's trouble when I meet him-half naked, covered in tattoos, and kicking an anonymous girl out of his bed.I'm not supposed to become his friend, and I definitely shouldn't be thinking about him at night.Especially after I meet Adam-he is the perfect gentleman and he wants to be my boyfriend. To him, I am a sweet, innocent girl not to be defiled.But I'm done being innocent.

To Be Your Girl

A charming and heartwarming new romantic comedy by the acclaimed author of *Waiting for Tom Hanks*, Kerry Winfrey. Teddy Phillips never thought she would still be spending every day surrounded by toys at almost thirty years old. But working at a vintage toy store is pretty much all she has going on in her life after being unceremoniously dumped by her longtime boyfriend. The one joy that she has kept is her not-so-guilty pleasure: Everett's Place, a local children's show hosted by Everett St. James, a man whom Teddy finds very soothing . . . and, okay, cute. Teddy finds the courage to write to him, feeling slightly like one of the children who write to him on his show. He always gives sound advice and seems like he has everything figured out—and he pretty much does: Everett has a great support system, wonderful friends, and his dream job. But there is still that persistent feeling in the back of his mind that something is missing. When a woman named Theodora starts writing to Everett, he is drawn to her honesty and vulnerability. They continue writing to each other, all the while living their lives without meeting. When their worlds collide, however, they must both let go of their fears and figure out what they truly want—and if the future they want includes each other.

Very Sincerely Yours

"Lyrical and emotionally gutting." —O, THE OPRAH MAGAZINE "Intellectually satisfying [and] artistically profound." —KIRKUS REVIEWS (STARRED REVIEW) "Mesmeric."—THE PARIS REVIEW "Vividly awesome and truly great." —EILEEN MYLES "Gorgeous, gutting, unforgettable." —LENI ZUMAS "Brilliant." —MICHELLE TEA An arresting memoir equal parts refugee-coming-of-age story, feminist manifesto, and meditation on motherhood, displacement, gender politics, and art that follows award-winning writer Sophia Shalmiyev's flight from the Soviet Union, where she was forced to abandon her estranged mother, and her subsequent quest to find her. Russian sentences begin backward,

Sophia Shalimiyeve tells us on the first page of her striking lyrical memoir. To understand the end of her story, we must go back to the beginning. Born to a Russian mother and an Azerbaijani father, Shalimiyeve was raised in the stark oppressiveness of 1980s Leningrad (now St. Petersburg), where anti-Semitism and an imbalance of power were omnipresent in her home. At just eleven years old, Shalimiyeve's father stole her away to America, forever abandoning her estranged alcoholic mother, Elena. Motherless on a tumultuous voyage to the states, terrified in a strange new land, Shalimiyeve depicts in urgent, poetic vignettes her emotional journeys through an uncharted world as an immigrant, artist, and, eventually, as a mother of two. As an adult, Shalimiyeve voyages back to Russia to search endlessly for the mother she never knew—in her pursuit, we witness an arresting, impassioned meditation on art-making, gender politics, displacement, and most potently, motherhood.

Mother Winter

When two sworn enemies go head-to-head in this charming LGBTQIA romance, love isn't the only thing at stake. Charming, charismatic, and effortlessly popular, Conrad Stewart seems to have it all...but in reality, he's scrambling to keep his life from tumbling out of control. Brilliant, guarded, and endlessly driven, Alden Roth may as well be the poster boy for perfection...but even he can't help but feel a little broken inside. When these mortal enemies are stuck together on a cross-country road trip to the biggest fan convention of their lives, their infamous rivalry takes a back seat as an unexpected connection is forged. Yet each has a reason why they have to win the upcoming gaming tournament and neither is willing to let emotion get in the way—even if it means giving up their one chance at something truly magical. Praise for *Conventionally Yours*: "Sweet, emotional, and uniquely quirky." —Carrie Ryan, *New York Times* and *USA Today* bestselling author "You will ship this couple well before they figure out how much they need each other." —Sarina Bowen, *USA Today* bestselling author "Fast, funny, and fantastic. A quest for the new decade—gamers will love this." —Eoin Colfer, *New York Times* bestselling author

Conventionally Yours

From the author of the "jaunty, heartbreaking winner" (*People*) and international bestseller *Dear Mrs. Bird* comes a charming and uplifting novel set in London during World War II about a plucky young journalist and her adventures as wartime advice columnist. London, November 1941. Following the departure of the formidable Henrietta Bird from *Woman's Friend* magazine, things are looking up for Emmeline Lake as she takes on the new challenges as a wartime advice columnist. Her relationship with boyfriend Charles is blossoming, while Emmy's best friend Bunty, still reeling from the very worst of the Blitz, is bravely looking to the future. Together, the friends are determined to Make a Go of It. When the Ministry of Information calls on Britain's women's magazines to help recruit female workers to the war effort, Emmy is thrilled to step up and help. But when she and Bunty meet a young mother who shows them the very real challenges that women war workers face, Emmy must confront a dilemma between doing her duty and standing by her friends. As funny, heartwarming, and touching as *Dear Mrs. Bird*, *Yours Cheerfully* is an endearing portrait of female friendship and "a fruitful exploration of the solidarity among women in times of grief, love, and hardship" (*Publishers Weekly*).

Yours Cheerfully

'Compelling, unconventional. Genius' Michael J. Fox, *New York Times* 'Up-ends received wisdom about disability, testifies to an uncrushable spirit and an ordinary, extraordinary family... Revolutionary' David Mitchell, author of *Cloud Atlas* 'A profound, contemplative work' *New Statesman* 'A powerful examination... a wonderful memoir' *Independent* _____ Jan Grue was diagnosed with spinal muscular atrophy at the age of three, along with the assumption that his life would be narrow and limited. In *I Live a Life Like Yours*, he confronts this spectacular failure to anticipate the life that he lives now - as a husband, a father, a professor - and sets out to forge a radical new way to tell his story. _____ FURTHER PRAISE FOR *I LIVE A LIFE LIKE YOURS* 'Stunning... restrained, dazzlingly intelligent' *Observer* 'A quietly brilliant book that warms slowly in the hands. Artful' *New York Times* 'This is a voice that has found inventive ways to imagine and frame disability and difference' Raymond Antrobus, author of *All the Names Given* 'Sensitive and beautiful... Jan tells the story of how he came to his own understanding with exactness and poetry' Jarred McGinnis, author of *The Coward* 'Quietly but insistently radical, a book which demands space and leaves change behind' Jessie Greengrass, author of *Sight and The High House* 'A gift to read' Sunaura Taylor, author of *Beasts of Burden* 'All of us, whether we consider ourselves disabled or nondisabled, will understand more fully what it means to

be human if we accompany Jan Grue in his rich travels' Rosemarie Garland-Thomson, author of *Extraordinary Bodies* 'An elegant meditation... a tart and spare palate cleanser' *Vulture*

I Live a Life Like Yours

"A turbulent romance meets harrowing medical mystery: the true story of the author's twenty-year marriage defined by her husband's chronic illness-and a testament to the endurance of love. Eleanor met Aaron when she was just a teenager and he was working at a local record store-older, cool, experienced, and with an electric personality. Escaping the clichés of fleeting young love, their summer romance bloomed into a relationship that survived college and culminated in a marriage and two children. From the outside looking in, their life had all the trappings of what most would consider a success story. But, as in any marriage, things weren't always as they seemed. On top of the typical stresses of parenting, money, and work, there were Aaron's untended wounds of depression, addiction, and family trauma. Then, when burning lesions appeared on his body overnight, Eleanor was as baffled as his doctors. There seemed to be no obvious diagnosis, let alone a cure. And when the lesions gave way to Aaron's increasingly disturbed concerns about parasites living inside him, the husband she loved began to unravel before her eyes. A new fissure ruptured in their marriage, and new questions piled onto old ones: Where does physical illness end and mental illness begin? Where does one person end and another begin? And how do we exist alongside someone else's suffering? Emotional, propulsive, and at times heartbreaking, Eleanor Henderson's *Everything I Have Is Yours* tells the story of a marriage tested by powerful forces out of both partners' control. It's not only a memoir of a wife's tireless quest to heal her husband, but one that asks just what it means to accept someone as they are"--

Everything I Have Is Yours

From the New York Times bestselling illustrator of *I Am Enough*, this glowing, empowering picture book about a nighttime hide-and-seek game celebrates blackness and self-confidence. Little one, so calm and so happy, the darkness of the night is yours like the darkness of your skin. This lyrical text, narrated to a young girl named Amani by her father, follows her as she plays an evening game of hide-and-seek with friends at her apartment complex. The moon's glow helps Amani find the last hidden child, and seems almost like a partner to her in her game, as well as a spotlight pointing out her beauty and strength. This is a gorgeous bedtime read-aloud about joy and family love and community, and most of all about feeling great in your own skin.

The Night Is Yours

Our relationship was a sin, they said, but how can it be a sin to love so deeply? She shouldn't have listened to them. Shouldn't have left us behind. You can't help whom you love, and without Silvina, I didn't give a damn. A mafia prince without a cause becomes a rebel with nothing to lose. My brother owned an adult entertainment studio. He wanted me nowhere near it. Thankfully, his competition did. I auditioned. Landed a contract. It's how I took my sins to a new level, my up-yours to la famiglia. Until Silvina was kidnapped, and my world was thrown upside down.

Regretfully Yours

Pleasure, love, friendship, family and revenge take place in this book as Emma and Ethan's relationship begin to grow stronger. Ethan's attitude of bad boy and player makes him be one of the schools most wanted guys by all the ladies and in the other hand, Emma's conservative attitude and deepest secret make her dress like a boy, moving further attention from her. When both their paths are joined by their friends, they realize that they have more in common than they thought. The only problem between them is Stephanie, Ethan's stalker, that dedicates her life loving Ethan and whoever ruins her chance of being with him, will deal with the consequences. Fearless or not, Emma's and Ethan's love will fight to be on top.

I'm His Girl

The deepest imprinting for the personality of a human develops in the womb. It is a little-known fact that one out of eight single births began as twins. Saddled with the loss of this ultimate relationship even before birth, tens of millions of Americans have gone in search of that relationship. In their searches, they become lost in dysfunctional cycles of addiction, abuse, sickness, mental illness, or suicide, without even knowing why. In "My Twin Vanished," Dr. Brent Babcock shows that these painful and dysfunctional

patterns can be traced back to the phenomenon of the vanished twin. This life-altering book connects the dots to life's questions for those who have been seeking answers without relief. Doctors, nurses, clergy, and counselors will find new understanding and answers in "My Twin Vanished," as will all who unknowingly are surviving twins.

My Twin Vanished: Did Yours?

When Sarah was seventeen years old, she hid in a wardrobe while her mother was murdered in the bedroom. As the weeks and months passed, Sarah gradually moved on from the horror of that night and managed to settle into her changed family life. After the police confirm that her mother was one of three similar victims the case goes cold. Until Sarah receives a letter: "I didn't know you were there, or I would never have done that. Sincerely, Yours." And, so begins a terrifying game of cat and mouse as the killer collects more victims and continues to elude police, all the while, sending Sarah letters. As the killer gets closer, Sarah wonders if she comes face to face with him, will she opt for mercy or murder?

Sincerely, Yours

A BOOK OF THE YEAR FOR THE DAILY MAIL AND WOMAN AND HOME A New York Times 'Editor's Pick' One of the Observer's Ten Best Debut Novelists of 2020 Shortlisted for the Author's Club First Novel Award Longlisted for the Jhalak Prize Longlisted for the CWA John Creasy New Blood Dagger 'Enrapturing... This richly imagined novel considers the many permutations of love and what we are capable of doing in its name' New York Times 'A brilliant debut' Louise Doughty, author of Apple Tree Yard 'You'll have the heart rate of an Olympic hurdler' Sunday Express 'I read it with my heart in my throat' Sara Collins, author of The Confessions of Frannie Langton 'An exquisitely crafted masterpiece you'll be pressing into the hands of others' Woman & Home 'An intoxicatingly atmospheric mystery' Daily Mail 'Dark, addictive and eye-opening, this is a brilliant debut' Stylist A gripping debut set in modern-day Tokyo and inspired by a true crime, What's Left of Me Is Yours follows a young woman's search for the truth about her mother's life - and her murder. In Japan, a covert industry has grown up around the wakaresaseya (literally "breaker-upper"), a person hired by one spouse to seduce the other in order to gain the advantage in divorce proceedings. When Sato hires Kaitaro, a wakaresaseya agent, to have an affair with his wife, Rina, he assumes it will be an easy case. But Sato has never truly understood Rina or her desires and Kaitaro's job is to do exactly that - until he does it too well. While Rina remains ignorant of the circumstances that brought them together, she and Kaitaro fall in a desperate, singular love, setting in motion a series of violent acts that will forever haunt her daughter Sumiko's life. Told from alternating points of view and across the breathtaking landscapes of Japan, What's Left of Me Is Yours explores the thorny psychological and moral grounds of the actions we take in the name of love, asking where we draw the line between passion and possession.

What's Left of Me is Yours

The first in a dazzling, commercial, historical adventure series set in the extravagant and deadly world of the French Revolution. A whirlwind of action, science and magic reveals, with a diverse cast of fearless heroines, a band of rebels like no other. Camille, a revolutionary's daughter, leads a band of outcasts – a runaway girl, a deserter, an aristocrat in hiding. As the Battalion des Morts they cheat death, saving those about to meet a bloody end at the blade of Madame La Guillotine. But their latest rescue is not what she seems. The girl's no aristocrat, but her dark and disturbing powers means both the Royalists and the Revolutionaries want her. But who and what is she? In a fast and furious story full of the glamour and excesses, intrigue and deception of these dangerous days, no one can be trusted, everyone is to be feared. As Camille learns the truth, she's forced to choose between loyalty to those she loves and the future. Perfect for fans of Netflix's Shadow and Bone series.

Dangerous Remedy

A young man is fighting for his life. Into his room walks a bewitching woman who believes she can save him. Their journey will have you believing in the impossible. The nameless and beautiful narrator of *The Gargoyle* is driving along a dark road when he is distracted by what seems to be a flight of arrows. He crashes into a ravine and wakes up in a burns ward, undergoing the tortures of the damned. His life is over – he is now a monster. But in fact it is only just beginning. One day, Marianne Engel, a wild and compelling sculptress of gargoyles, enters his life and tells him that they were once lovers in medieval Germany. In her telling, he was a badly burned mercenary and she was a nun and a scribe who nursed him back to health in the famed monastery of Engelthal. As she spins her tale, Scheherazade fashion, and relates equally mesmerising stories of deathless love in Japan, Greenland, Italy and England, he finds himself drawn back to life – and, finally, to love.

The Gargoyle

"How do we become who we are in the world? We ask the world to teach us." On her 120-acre homestead high in the Colorado Rockies, beloved writer Pam Houston learns what it means to care for a piece of land and the creatures on it. Elk calves and bluebirds mark the changing seasons, winter temperatures drop to 35 below, and lightning sparks a 110,000-acre wildfire, threatening her century-old barn and all its inhabitants. Through her travels from the Gulf of Mexico to Alaska, she explores what ties her to the earth, the ranch most of all. Alongside her devoted Irish wolfhounds and a spirited troupe of horses, donkeys, and Icelandic sheep, the ranch becomes Houston's sanctuary, a place where she discovers how the natural world has mothered and healed her after a childhood of horrific parental abuse and neglect. In essays as lucid and invigorating as mountain air, *Deep Creek* delivers Houston's most profound meditations yet on how "to live simultaneously inside the wonder and the grief...to love the damaged world and do what I can to help it thrive."

Deep Creek: Finding Hope in the High Country

"Marry me." "What?" I stared back at him, unblinking. He moved closer, taking my face in his hands. "I love you, Evie. I look into the future, and the only thing I see clearly is you. Marry me." What's an eighteen-year-old girl who was madly in love with her nineteen-year-old boyfriend say? Of course, I said yes. Twenty-four hours later, I married Adam Gunner at a Vegas chapel to the sounds of "Livin' on a Prayer" by Bon Jovi. Not the best omen. I get that now. Then, exactly one week later, I left him. I walked out, leaving behind my wedding ring, annulment papers, and my heart, and he never knew why. I haven't seen him since. Not in ten long years. Now, he's here, standing before me. Looking at me with nothing but hurt and hatred in his eyes, he wants answers. Answers I can't give.

When I Was Yours

Charlie and Lola are going to the zoo and Lola is so extremely excited that she uses up all her photos, spends all her money and eats all her lunch! Lola says, 'Charlie, please may I have some of yours?' Find out how Lola learns to save in this ever so good picture book story.

Please May I Have Some of Yours?

'Spellbinding... a hypnotic experience' 'I was hooked - grabbed immediately' 'Beautiful, simple, evocative' 'Absolutely gripping' 'Don't plan to read just a few pages' 'A strange and stubborn book, visual and visceral, original and odd... will stay with you long after finishing its final pages' - For Books' Sake If you were somebody's past life... What echoes would you leave in their soul? Could they be the answers you need now? It's a question Carol never expected to face. She's a gifted musician who needs nothing more than her piano and certainly doesn't believe she's lived before. But forced by injury to stop playing, she fears her life may be over. Enter her soulmate Andrej: healer, liar, fraud and loyal friend. Is he her future incarnation or a psychological figment? And can his story help her discover how to live now? A novel in the tradition of *The Time Traveller's Wife*, *Vertigo* and *The Gargoyle*, *My Memories of a Future Life* is much more than a 'who was I' tale. It is a multi-layered story of souls on conjoined journeys – in real time and across the centuries. It's a provocative study of the shadows we don't know are driving our lives, from our own pasts and from the people with us right now. An examination of what we believe, what we create and how we scare and heal each other. Above all, it's the story of how one lost soul must search for where she now belongs. 'I was always fascinated by tales of regression to past lives,' says the author Roz Morris. 'I thought, what if instead of going to the past, someone went to a future life? Who would do that? Why? What would they find?' Another longtime interest was the world of the classical musician. Musical scores are exacting and dictatorial - you play a note for perhaps a sixth of

a second and not only that, there are instructions for how to feel - *expressivo, amoroso*. It's as if you don't play a piece of classical music; you channel the spirit of the composer. 'I became fascinated by a character who routinely opened her entire soul to the most emotional communications of classical composers. And I thought, what if she couldn't do it any more? And then, what if I threw her together with someone who could trap the part of her that responded so completely to music?'

My Memories of a Future Life

When an icy wind pushes an egg from its nest, five friendly dinosaurs must get it home before dark. But who does the lost egg belong to? And will they figure it out in time?

Am I Yours?

'I Am Yours' is a harrowing story about a group of characters on the brink of despair as each tries to escape what haunts them the most.

I Am Yours

I Am Yours
