La biblia de la salud intestinal

El programa científicamente probado que equilibra tu flora intestinal para encender tu metabolismo y conservar tu peso ideal de por vida. Un libro sin precedentes en la literatura de salud. La gran biblia de la salud intestinal. El reconocido doctor Gerard E. Mullin, con más de 20 años de experiencia clínica, director de Nutrición y Medicina Gastrointestinal en el Hospital Johns Hopkins, nos ofrece en estas páginas el libro definitivo sobre la salud digestiva. La biblia de la salud intestinal es un programa de tres fases diseñado para equilibrar y repoblar tu microbioma intestinal con flora benéfica y fertilizar tu jardín interior para que esté sano por el resto de tu vida. No se trata de una dieta de moda: es un plan científicamente probado que gracias a las tres R restablecerá un metabolismo saludable y vigorizará nuestro ecosistema interno: Reinicia tu jardín interno. Es hora de renovarte y "arar la tierra" para sentar las bases de un jardín intestinal saludable, al tiempo que fortaleces la capacidad quemagrasa de tu metabolismo. Reequilibra tu flora. Después de desyerbar tu jardín interior, es momento de reequilibrar tu microbioma intestinal al sembrar bacterias benéficas y fertilizarlas con los alimentos adecuados. Renueva tu salud para siempre. Ésta es la parte duradera del cambio de vida, en donde integras los hábitos saludables que has aprendido de forma manejable y que se ajuste a tus necesidades personales. La crítica ha opinado: "Una obra maestra del bienestar" -Vani Hari, autora del bestseller The Food Babe Way-

La crítica ha opinado: "Una obra maestra del bienestar" -Vani Hari, autora del bestseller *The Food Babe Way* ENGLISH DESCRIPTION Recent cutting-edge research shows that human intestinal microbiota influences metabolism, appetite, energy, hormones, inflammation, and insulin resistance. Because gut microflora plays a central role in weight management, losing weight is much more than cutting calories, fat, or carbs. A leading authority on digestive health and the gut microbiome, Dr. Gerard E. Mullin shares the first proven, science-based program to restore and retain weight loss by achieving a balanced gut flora. -Research The latest, up-to-date frontline science behind how balancing your gut flora can burn fat and restore health -Reboot, Rebalance, Renew Step-by-step meals plans, food charts, plus 50 delicious, easy recipes -Rev Up An exercise routine for each phase of the process -Real Life Bona fide success stories of people who seamlessly lost up to 40 pounds-and kept it off!

La biblia de la salud intestinal / The Gut Balance Revolution: Boost Your Metabolism, Restore Your Inner Ecology, and Lose the Weight for Good!

La promesa de la salud es declarada por el pastor Jose Gomez con las sagradas escrituras; informacion medica y de nutricion, para que los enfermos recuperen la salud y la de sus seres amados en corto tiempo. El cuerpo humano es una obra maravillosa de Dios, formado por estructuras entrelazadas para desarrollar funciones necesarias en la familia, en la sociedad y en las asambleas. Conozca el consejo biblico, cientifico y nutricional para recuperar y conservar la salud de su cuerpo.

La promesa de la salud para nuestro cuerpo

El libro definitivo sobre el cannabis medicinal. Cómo transformar tu cuerpo y mejorar tu salud con el CBD. Estamos en medio de una revolución médica respecto al cannabis y sus posibles usos. En la actualidad hay innumerables estudios sobre los beneficios medicinales del cannabis y cómo permite tratar enfermedades graves cuando la medicación convencional falla. El aceite de CBD se ha vuelto increíblemente popular dentro de las terapias de bienestar y wellness. Sin embargo, todavía hay cierta desconfianza y confusión en torno a esta milagrosa planta; qué es lo que puede hacer y cómo usarla para el bienestar propio, el autocuidado y el tratamiento de afecciones médicas. ¿Qué sucede también con su uso recreativo? ¿Qué pasa con los posibles impactos sociales y culturales de una planta en un momento en que el consumo de alcohol está disminuyendo? ¿Qué pasa con la psicosis que puede generar y su posible adicción? ¿Cuál es la diferencia entre CBD y THC? ¿Cuál es la diferencia entre "cáñamo" y "cannabis"? ¿Cuál es la diferencia entre los aceites de CBD de venta libre y los aceites de cannabis medicinal? ¿Funciona realmente? ¿Y para qué? Un libro absolutamente necesario, escrito por la doctora Dani Gordon, médica y experta internacionalmente reconocida en los usos medicinales del CBD, el cannabis y la medicina natural. Un libro que lleva a los lectores a un entretenido y esclarecedor viaje sobre esta intrigante planta y sus funcionamientos, disipando los mitos que hay a su alrededor y descubriéndonos como cada uno de nosotros tenemos un sistema endocannabinoide con el que podemos regir y transformar nuestro cuerpo y nuestra salud. Reseñas: «Lejos de las afirmaciones categóricas para defender su uso, Gordon se posiciona en la evidencia científica para explicar las propiedades curativas o paliativas de las que habla.» Integral «La doctora Dani Gordon explica todas sus propiedades [del CBD] y cómo consumirlo para sacarle el máximo provecho.» Revista Cuerpomente

La biblia del CBD

UNA BUENA DIGESTIÓN NOS PERMITE CONTROLAR EL PESO, MEJORAR NUESTRO ESTADO DE ÁNIMO Y DISFRUTAR DE UNA SALUD ÓPTIMA A LARGO PLAZO En la actualidad la medicina ha vuelto a destacar la importancia de una buena digestión para prevenir numerosas enfermedades y disfrutar de una salud excelente. Restaurar la salud digestiva implica un plan de acción para

conseguir una digestión sana que abarca pautas como una correcta masticación, una dieta suave, la limpieza de los intestinos, mantener a raya la acidez, conocer la importancia de las enzimas y la flora intestinal así como mejorar la absorción de los alimentos para prevenir gases, hinchazón, estreñimiento y hemorroides. Los efectos más destacados de una digestión óptima son: · Sensación de bienestar y de ligereza · Control del peso · Estimulación de las facultades intelectuales · Mejora ante las enfermedades inflamatorias · Rejuvenecimiento físico y mental · Eliminación de toxinas Este libro, eminentemente práctico, te guiará hacia una excelente digestión, un medio sencillo y eficaz para combatir numerosas enfermedades, mantenerte esbelto y garantizarte una buena salud.

Mejora tu salud intestinal

¿Sabía que ni la manzana del Paraíso ni la ballena de Jonás aparecen en la Biblia? ¿Cómo se explica que Matusalén muriera a los 969 años? ¿Por qué aparece en el relato del Paraíso una serpiente como encarnación del Diablo y no cualquier otro animal? ¿Se transformó la mujer de Lot realmente en una estatua de sal? Moisés, ¿era hebreo o egipcio? El faraón del éxodo, ¿fue un hombre o una mujer? ¿Habló la burra de Balaán? ¿Qué ocurrió en el llamado milagro del sol? ¿Cómo entender los pasajes que hablan de «guerra de Dios» o que presentan a Dios como un guerrero? Dios ¿es monárquico o republicano? David y Jonatán, ¿fueron más que amigos? ¿Sabías que Salomón tuvo mil mujeres: setecientas con rango de princesa y trescientas concubinas? ¿Subió Elías al cielo en un carro de fuego? ¿Sabías que en el Antiguo Testamento encontramos el primer manifiesto ecologista y la primera reivindicación feminista? El Antiguo Testamento es posiblemente la obra más célebre de todos los tiempos; pero ¿cuánto sabemos sobre este singular libro? Y lo que sabemos ¿está escrito en sus páginas?, o es producto de leyendas, mitos o superproducciones de cine. Pedro Cabello, que ya nos sorprendió con su fascinante Arqueología bíblica, nos ayuda a descubrir de una forma rigurosa y muy divulgativa, los pasajes más desconocidos de la primera parte del libro más vendido de la historia. «Aún nos dejamos llevar de numerosos tópicos que nos impiden acercarnos sin prejuicios a un libro que es realmente apasionante, al mismo tiempo antiguo y moderno, porque sus historias forman parte de la vida real y cotidiana de ayer, de hoy y de siempre con sus miedos, preguntas, sueños, experiencias y pasiones». La arqueóloga Cayetana Johnson escribió de su anterior obra: «Un gran acierto la publicación de este libro. Abre las mentes y nos presenta un campo de investigación apasionante».

Eso no estaba en mi libro del Antiguo Testamento

Descubra los secretos sobre la salud natural en la Biblia Descubra los secretos de salud que Dios nos ha dado y que están disponibles para nosotros en la naturaleza. Bien sea que tengamos preguntas sobre vitaminas, o estemos luchando contra una enfermedad cardiovascular, diabetes, problemas visuales, o menopausia, el Dr. Reginald Cherry aclara nuestras dudas y responde a preguntas comunes relacionadas con nuestra salud. El plan de Dios para nuestra salud y bienestar es sencillo. Él incluso ha dado instrucciones en la Biblia para que disfrutemos de una vida larga y productiva. Aprovechemos estos secretos de salud de forma sabia y efectiva para experimentar nuevas fuerzas, vigor y energías.

Secretos de la salud escondidos en la Biblia / Hidden Bible Health Secrets

Una buena digestión permite controlar el peso, mejorar el estado de ánimo y disfrutar de una salud óptima a largo plazo. En la actualidad volvemos a comprender la importancia de una buena digestión, proceso vital para prevenir numerosas enfermedades y disfrutar de una salud excelente. Restaurar la salud digestiva implica un plan de acción para conseguir una digestión sana que abarca pautas sobre una correcta masticación, una dieta suave, la limpieza de los intestinos, cómo aprobar el examen de la acidez, conocer la importancia de las enzimas y la flora intestinal así como mejorar la absorción de los alimentos para prevenir gases, hinchazón, estreñimiento y hemorroides. Los efectos más destacados de una Digestión óptima son: sensación de bienestar y de ligereza, control del peso, estimulación de las facultades intelectuales, mejoría ante las enfermedades inflamatorias, rejuvenecimiento físico y mental y eliminación de toxinas. Este libro, eminentemente práctico, te guiará hacia una excelente digestión, un medio sencillo y eficaz para combatir numerosas enfermedades, mantenerte esbelto y garantizarte una buena salud.

Digestión óptima

La salud intestinal, la limpieza de los intestinos como regla básica de la salud, fue practicada desde tiempos remotos por las más diversas culturas hasta que, por distintos motivos, cayó en desuso. En la actualidad volvemos a comprender la importancia y

La salud intestinal

¿Alguna vez se ha preguntado cómo convertir las joyas ocultas de la naturaleza en delicias culinarias? ¿Está preparado para descubrir el mundo de los alimentos silvestres con total seguridad? Presentamos el compañero definitivo para el explorador moderno y el entusiasta culinario. Sumérjase en el cautivador viaje de descubrir, identificar, recolectar y cocinar plantas silvestres comestibles, dando prioridad a la seguridad y la sostenibilidad. Esta excepcional guía no es sólo un libro; es un pasaporte al mundo virgen de los sabores y los alimentos naturales. Qué contiene: - Amplía tus horizontes culinarios: Adquiere experiencia en reconocer y aprovechar los diversos sabores de las plantas silvestres para elevar tus platos a nuevas alturas. - Identifique con confianza: Aprenda técnicas infalibles para la identificación de plantas, asegurándose de que sólo cosecha lo mejor que la naturaleza tiene para ofrecer. - Recoge y cosecha con seguridad: Navega por el mundo de los comestibles silvestres sin comprometer tu seguridad, armado con conocimientos sobre plantas venenosas y forrajeo ético. - Delicias culinarias y medicinales: Descubre no solo los sabores, sino también el potencial curativo de las plantas creando tus propias tinturas, té y mucho más. - Misterios de las setas al descubierto: Desvela los secretos de las setas y los hongos, transformándolos de enigmáticos habitantes de los bosques en deliciosos ingredientes. Imagina la emoción de preparar una comida gourmet con ingredientes que tú mismo has recolectado, sabiendo que cada bocado es un testimonio de tu dominio de las ofrendas de la naturaleza. ¿Listo para embarcarte en un viaje que promete sabores inolvidables y una conexión más profunda con el mundo que te rodea? Su próxima aventura comienza aquí.

Biblia de la Cosecha

Jordan Rubin, junto con el D.M. Joseph Brasco, muestran a los lectores cómo aplicar las 7 claves para la salud y el bienestar y combatir en forma natural el síndrome de irritabilidad intestinal, una enfermedad dolorosa y debilitante.

La receta del Gran Médico para el síndrome de irritabilidad intestinal

Si el lector tiene preguntas sobre vitaminas, o si está luchando contra la enfermedad del corazón, la diabetes, los problemas de la visión, o la menopausia, el Dr. Reginald Cherry le ayudará, con sus respuestas a las preguntas más frecuentes, llevándolo hacia una mejor salud. En Secretos de la salud escondidos en la Biblia, el Dr. Cherry revela cómo usar los secretos de salud de Dios con sabiduría y eficacia, para experimentar fuerza, vigor y poder en la vida.

Secretos de la Salud Escondidos En La Biblia / Hidden Bible Health Secrets: Alcance Una Salud Óptima Y Mejore Su Calidad de Vida de Forma Natural

¿Un plan holístico para mantener salud de por vida! ¿Sufres de dolores de cabeza, menstruaciones irregulares o fatiga? No estás sola. Cuatro de cada cinco mujeres enfrentan desequilibrios hormonales que alteran su vida, condiciones debilitantes que causan estragos en su salud física y mental. Por desgracia, la mayoría de estos problemas no se reconocen ni se diagnostican ni se tratan. La biblia del balance hormonal es la culminación de décadas de investigación y trabajo clínico con miles de pacientes del doctor Shawn Tassone, primer médico en los Estados Unidos certificado por la Junta estadounidense de Obstetricia y Ginecología y la Junta estadounidense de Medicina Integrativa. Este libro guiará a las mujeres para que comprendan su perfil hormonal y controlen ese desequilibrio.

Limpia tu intestino de mierda

Hugo Galindo Salom, médico colombiano - no, epidemiólogo e investigador con publicaciones sobre la calidad de vida en el cáncer. Conferencista internacional en temas de salud holística, gracias a su formación en Sagradas Escrituras en Israel en 1982. Tiene Posgrado en Medicina Ortomolecular en el Australian College of Medical Nutrition, y un Diplomado en Medicinas Alternativas de la Universidad del Rosario en Bogotá. Epheta Misión Salud

La Biblia. Libro del Pueblo de Dios es una nueva edición de la Biblia con la traducción de Armando J. Levoratti y Alfredo B. Trusso, con nuevas notas ampliadas y actualizadas del Padre Levoratti.

Sin trigo, gracias

El mejor libro electrónico de actualidad para médicos generales, pasantes y estudiantes de las diferentes áreas de la salud. El diagnóstico y el tratamiento al instante, ¡con un solo clic! Más de 600 páginas de contenido de alto valor médico. Su valor real es de 45 dólares, pero lo estamos poniendo al alcance de todo mundo a un precio verdaderamente accesible: ¡\$28 USD!

Biblia vegetariana

En este libro la Dra. Georgina Chan Perdomo explora las recomendaciones del mundo científico para prevenir las causas principales de muerte en el nacimiento de este milenio: Infartos Cardíacos, Infartos Cerebrales, SIDA/HIV, Cáncer y Enfermedades Infecciosas. Hace 3,500 años, se le dieron cinco libros de leyes, La Torá, a un grupo de esclavos perseguidos para que aprendieran cómo sobrevivir, entre otras cosas. En estas primitivas escrituras, podemos encontrar consejos que si los seguimos, previenen o retrasan las cinco causas de muerte más comunes en el presente. Estos escogidos debían compartir esa información con el resto de la humanidad. Las similitudes entre las guías de las Organizaciones Mundiales de la Salud del siglo XXI y las antiguas leyes de La Torá son impresionantes. Ellas fueron dadas como leyes, pero en realidad son un reflejo del amor del Creador por su creación, la humanidad, para que pudiéramos vivir largas vidas llenas de felicidad y salud. Sesenta y un libros siguieron a estos primeros cinco de La Ley. ¿Qué otra información vital para la humanidad tienen Las Escrituras Sagradas que nos puedan ayudar hoy en día? ¿Y qué tal de la muerte espiritual?

La Biblia. Libro del Pueblo de Dios

Sea por una cuestión ética, por conciencia ecológica o por solidaridad con el mundo animal, ser vegano es una manera de vivir más saludable y respetuosa. Huir de los alimentos de origen animal no significa renunciar a comidas sabrosas. Bien al contrario, quienes optan por los vegetales, las frutas y las legumbres como fuente principal de su alimentación están enriqueciendo su universo con una muy amplia gama de nutrientes saludables. Las páginas de este libro reúnen textos y recetas muy actuales sobre por qué ser veganos, con explicaciones dietéticas muy claras, sencillas y fáciles de llevar a la práctica. Un manual de supervivencia imprescindible que invita a la reflexión en sus primeras páginas y que luego nos traslada a un variado y colorista universo de platos pensados y probados por tres especialistas nutricionales a partir de una serie de menús para toda ocasión y cualquier momento del día. - Cómo preparar licuados, horchatas o leches vegetales. - Charcutería vegana: Del jamón de york a la morcilla de Burgos. - Quesos veganos: Cheddar, requesón, parmesano o queso de cabra. - Desayunos saludables: gachas, tostadas con hortalizas, etc. "El más actual y variado recetario de platos veganos, una obra completa y rigurosa."

La Biblia del médico general

¿Le interesa la búsqueda de rocas, pero no sabe nada ni por dónde empezar? ¿Le gustaría conocer los mejores lugares para encontrar y recoger rocas preciosas cerca de usted? ¿Quiere aprender a identificar cada una de las rocas que ha encontrado y comprender inmediatamente su origen y valor? Si has respondido SÍ al menos a una de estas preguntas y eres un apasionado de la búsqueda de rocas, ¡esta Guía es PARA TI! Encontrar e identificar rocas puede ser muy complicado si no eres un buscador de rocas avanzado con años de experiencia a tus espaldas. Hay muchos factores que pueden confundirte si no sabes lo que estás buscando (variaciones de color, pequeños detalles, etc.). El riesgo de confundir una gema con una piedra común está a la vuelta de la esquina. Pero no se preocupe. En esta completa Guía encontrará toda la información que necesita saber para preparar su primer viaje de búsqueda de rocas. He aquí una parte de lo que contiene: - 101 lugares donde puede practicar la búsqueda de rocas y qué tipos de piedras, gemas, rocas y fósiles puede encontrar en esos sitios específicos. - IMÁGENES EN COLOR de alta definición para descubrir y reconocer minerales, fósiles, cristales y gemas de un vistazo. - Las mejores herramientas imprescindibles y los tipos de equipo necesarios para buscar y excavar piedras correctamente. - 10 consejos y trucos para facilitar el proceso de búsqueda. - FICHAS de identificación específicas para cada roca para saber: dónde podría encontrarse, valor, tamaño máximo y mínimo, color, dificultad para encontrarla, transparencia, brillo y uso. Hay mucho que aprender cuando se inicia una afición a la búsqueda de rocas, pero no tiene por qué ser intimidante. Puede empezar con un equipo mínimo y un poco de investigación. Aproveche todos los recursos de esta guía.

UN MUNDO DE SALUD Y FE

El presente manual contiene el material adecuado para la preparación eficaz de las pruebas de acceso a las plazas vacantes a Auxiliar de Enfermería del Servicio Extremeño de Salud. El presente volumen desarrolla los temas 1 a 14 específicos del temario para la categoría de Auxiliar de Enfermería del Servicio Extremeño de Salud, según la convocatoria publicada en el D.O.E nº 187, de 28 de septiembre de 2017. En el presente volumen encontrará: - Referencias legislativas y bibliográficas al inicio de cada tema que proporcionarán al opositor las normas legales aplicables a cada materia. - Desarrollo completo de todos los epígrafes exigidos. - Esquemas-resúmenes, que ayudan a recordar los conceptos más importantes. - Contenidos totalmente actualizados a la fecha de publicación. - Objetivos a conseguir con el estudio de cada uno de los temas.

La Biblia, Un Acto de Amor

Tu guía para una alimentación sana sin gluten, sin lácteos y sin azúcares refinados. Hoy en día nuestros cuerpos trabajan más que nunca para estar sanos y librarse de las toxinas y el estrés. La polución, un estilo de vida frenético y una dieta alta en alimentos procesados nos causan una tensión innecesaria que con el tiempo se traduce en falta de nutrientes, cansancio y conductas negativas hacia la comida. La chef Lily Simpson y el nutricionista Rob Hobson te proponen frenar estos efectos negativos, tomar conciencia de lo que comes y dar un descanso a todos los alimentos que no te sientan bien. En este libro se recogen más de 150 recetas saludables, deliciosas y llenas de sabor gracias a sus inteligentes combinaciones de hierbas, especias y aceites y todas ellas se elaboran con ingredientes sin gluten, sin lactosa y sin azúcar refinado. Además, cada receta específica qué principales nutrientes tiene y qué problemas de salud puede ayudarte a mejorar. Pero Alimentación sana para vivir mejor no es solo un libro de recetas. El nutricionista Rob Hobson nos ofrece pautas de cómo mejorar nuestra salud a través de la alimentación, en función de nuestras necesidades; tanto si se trata de perder peso o ganar energía, recuperar el buen aspecto de nuestra piel o simplemente para depurar nuestro cuerpo después de algunos excesos. Cuida tu alimentación y consigue una salud resplandeciente con esta completa guía para el bienestar diario.

La biblia vegana

Este no pretende ser un libro más de cocina, sino una guía en forma de diccionario para facilitar la búsqueda y reconocer los términos que habitualmente solemos encontrar en las muchas recetas que se publican, así como para conocer más a fondo las propiedades de los alimentos e incluso la historia de muchos de ellos. Con estas palabras el autor define las características de un libro que une conocimientos, sentido práctico y una completísima recopilación de términos culinarios, conduciendo a quien lee por el delicioso sendero de los sabores, aromas y colores, para que los amantes de la buena cocina y la alimentación correcta puedan gustar de todos ellos al recorrer

sus páginas. También se pueden encontrar recetas, que son o han sido la base de la evolución de otros platos, otras procedentes de diversos países y cocina de autor, así como pistas para conseguir lo que se busca mediante enlaces que conducen, de manera entretenida y lúdica, a otras tantas definiciones. Avalado por una extensa trayectoria en hostelería y por su propio afán de investigación en el campo, Miguel J. Jord logra una obra innovadora, fácil de comprender y a la vez profunda, donde la salud y el placer se relacionan con la gastronomía mediante un nivel documental que sorprende por su riqueza de conceptos. Las palabras más utilizadas en hostelería, un vocabulario medicinal y comentarios que sirven tanto a aficionados como a profesionales, completan este diccionario que pretende mostrar cómo la cocina es también, amor, arte, y fantasía y savoir faire. INDICE RESUMIDO: Prólogo. Presentación. Diccionario. Recetario abreviado de la cocina regional española. Mis recetas caseras preferidas. Refranes sobre alimentación y salud. Citas sobre la alimentación y la vida misma. Vocabulario internacional de restauración (Español, Inglés, Francés, Alemán, Italiano). Bibliografía

La Biblia del Rockhounding

¿Es el ayuno peligroso para la salud? ¿Qué significa para la vida de un cristiano? ¿Quién debe ayunar? ¿Cuándo debe ayunar? ¿Por qué debemos ayunar y cómo? Respondiendo a estas preguntas, este libro da un curso bíblico sobre el ayuno. Por otro lado, presenta la investigación médica de ayuno de 1880 a 2012 sobre la quimioterapia y le da los experimentos realizados y las conclusiones de famosos franceses, suizos, ingleses, Médicos alemanes y estadounidenses e institutos serios como el Instituto Rockefeller, el Instituto Carnegie en los Estados Unidos y la Academia Médica Militar Rusa. ¿Cómo se comportan el cerebro, el hígado, el corazón, los riñones y la sangre durante el ayuno? ¿Cómo cura el ayuno la hipertensión, la diabetes tardía, las úlceras estomacales y muchas otras enfermedades? ¿Cómo ayuda en la lucha contra el cáncer? ¿Cómo ayuda el ayuno a la curación? ¿Cómo ayunar para recibir bendiciones divinas? ¿Cómo ayunar sin pasar hambre? ¿Qué tipo de ayuno es el adecuado para usted? ¿Y cómo prepararlo?

Nueva Concordancia Temática de la Biblia

Se analizan las cuestiones suscitadas por la integración de los inmigrantes musulmanes, sus reacciones y mentalidad ante el Occidente en el que viven y trabajan, su práctica religiosa, y algunos desarrollos previsibles para un futuro cercano.

Auxiliar de Enfermería. Servicio Extremeño de Salud. Temario Vol. I

When a forgotten, time-honored traditional food is rediscovered for its health and beauty benefits, we all pay attention. In this one-of-a-kind culinary adventure, internationally renowned self-help pioneer Louise Hay and "21st-century medicine woman" Heather Dane join together to explore a fresh and fun take on the art of cooking with bone broth, as well as the science behind its impressive curative applications. Chock-full of research, how-tos, and tips, this inventive cookbook offers a practical, playful, and delicious approach to improving your digestion, energy, and moods. With over 100 gut-healing recipes for broths, elixirs, main dishes, breads, desserts—and even beauty remedies and cocktails—Louise and Heather will show you how to add a dose of nourishment into every aspect of your diet. You'll also get entertaining stories along the way that remind you to add joy back onto your plate and into your life. Plus, you'll find out how Louise not only starts her day with bone broth, but uses it as an ingredient in many of her meals as well—discovering why it is one of her secrets to vibrant wellness and longevity. "Wherever I go, I'm asked, 'How do you stay so healthy and young?' Or I'm complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, 'I'm a big, strong, healthy girl!' Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality."— Louise Hay

Alimentación sana para vivir mejor

Los licuados verdes no sólo están de moda: gracias a ellos puedes maximizar tu salud y bienestar ¿Sabías que tomar un licuado verde al día, hecho a base de frutas y vegetales, puede incrementar dramáticamente la cantidad de nutrientes que necesita tu cuerpo para protegerte? Todas las autoridades en el área de la salud recomiendan de seis a ocho porciones de frutas y vegetales al día, pero muy pocos seguimos ese consejo. La prestigiosa fisioterapeuta y chef Kristine Miles pone a tu alcance más de 300 deliciosas y sencillas recetas que además de activar y mejorar tu digestión, te ayudarán a:

*Perder peso. *Desintoxicar tu cuerpo. *Incrementar tu energía. *Combatir las enfermedades cardíacas. *Prevenir la diabetes, la depresión y ciertos tipos de cáncer. *Estimular tu sistema inmunológico. *Mejorar tu cabello y piel. La biblia de los licuados verdes es ideal para aquellas personas que pretenden hacer un cambio radical en su alimentación y buscan soluciones inmediatas que les ayuden a mantener una buena salud y apariencia, además de tener una experiencia inolvidable en el paladar. Cada una de estas recetas te muestra cómo combinar vegetales verdes y frutas exquisitas para obtener los licuados más nutritivos que jamás hayas tomado: desempolva tu licuadora, abraza la salud y siéntete increíble.

Diccionario práctico de gastronomía y salud

Hoy presentamos "Abriendo Viejos y Olvidados Baúles..... ¿Sabía Usted?\

AYUNO : SECRETOS Y PODER en MEDICINA y BIBLIA

En su décima edición, este libro sigue siendo un homenaje a las teóricas de la enfermería y es un clásico en la literatura sobre teorías enfermeras. Presenta a las principales pensadoras teóricas de la enfermería y revisa las ideas más importantes que han dado lugar a la creación de conocimientos.. Los trabajos de las teóricas presentados han estimulado un crecimiento extraordinario de la literatura de enfermería y han enriquecido la vida profesional de las enfermeras de todo el mundo al guiar la investigación, la formación, la administración y la práctica de la enfermería. De interés para enfermeras y estudiantes de todas las etapas de formación y de la carrera profesional. La bibliografía y las lecturas recomendadas son especialmente útiles para los estudiantes de posgrado, ya que les indican las fuentes primarias y secundarias que amplían el conocimiento específico de cada teórica.

Los musulmanes en Europa

La Biblia encarnada es una colección de veinticinco cuentos con la que Danush Montaña Beckmann obtuvo el Premio Nacional de Cuento Breve Julio Torri 2020. El libro parte de una apuesta conceptual bastante peculiar: a partir de fragmentos de la Biblia, Montaña Beckmann toma prestado algún elemento, ya sea argumental o incidental, a partir del cual realiza cada uno de los cuentos. Para el beneficio de los lectores metaliterarios, bajo los títulos de los cuentos se hayan los versículos de referencia. Este debut literario muestra un narrador sumamente versátil, capaz de trabajar atmósferas tan distintas como una oficina de casting, un ovni o el metro de la Ciudad de México, y con una habilidad extraordinaria para servirse de narradores y personajes entrañables.

Bone Broth Secret

Todos asumimos como evidente la relación entre estados emocionales alterados y el malestar intestinal –mariposas en la tripa, nudo en el estómago...–, lo que no es tan evidente es la misma relación pero en sentido opuesto. Hoy diversos estudios científicos documentan cómo el equilibrio bacteriano de nuestras entrañas modula en gran parte el comportamiento, los estados de ánimo y las capacidades cognitivas. Nunca antes se había visto con tanta claridad la enorme verdad que encierra el aforismo “somos lo que comemos”. Porque nunca antes se había visto tan meridianamente que el miedo, la ira, el amor, la felicidad, la serenidad (en definitiva, lo que somos, lo que vivimos) son asunto de las vísceras, y que, quizás, en ellas habite y se exprese el esquivo subconsciente. Lo que se expone en este libro es una mera introducción. Una invitación, más bien. Mucho de lo que se cuenta parece ciencia-ficción, pero no lo es en absoluto. Camila Rowlands nos ofrece, con su habitual estilo ameno y accesible, unas cuantas evidencias sorprendentes y nos invita a cruzar el umbral de la fascinante puerta que algunos visionarios han entreabierto: la increíble conexión intestino-cerebro y el alentador avance que el descubrimiento de dicha conexión puede suponer en la batalla contra las enfermedades psiquiátricas y neurológicas más complejas. Prepárate para el asombro.

La biblia de los licuados verdes

Esta obra presenta una lúcida introducción a los principios básicos del Tao y ofrece un programa práctico a través del cual todo el mundo puede aplicar estos principios y beneficiarse del poder del Tao para mejorar la calidad de su vida y prolongar su duración. La moderna ciencia occidental también se ha acercado al Tao, pero desde la dirección opuesta, y está llegando exactamente a las mismas conclusiones. Esto resulta especialmente evidente en los campos de la física y la medicina, donde la mudable relación entre materia y energía, entre cuerpo y mente, se aprecia cada día con mayor

claridad. Este libro se centra en tres aspectos esenciales del Tao que siempre han sido de vital interés para hombres y mujeres: la salud, la larga vida y una disciplina sexual. Ejercicios, alimentación y artes de alcoba en una estrecha relación que el autor ha extraído directamente de fuentes chinas. Ilustrado con numerosos dibujos.

Salud vital

An ever-growing body of scientific research demonstrates the importance of holistic treatments that focus on the mind-body connection for good health. In this regard, the folk remedies of the ancient peoples often prove astonishingly effective. This practical guide helps readers apply the remarkable healing power of many of the foods and herbs described in the Old and New Testaments to common ailments. From the use of red wine to cure bacteria and viruses, to the arthritis-easing and wrinkle-removing properties of olive oil, this treasury of practical and inspirational healing secrets includes: The sacred medicinal drink that prevents blood clots, relieves pain, and melts fat off artery walls Real-life examples that demonstrate the curative power of plant oils, figs, grapes, red wine The amazing health-giving power of a blessed grain Information on how doctors and patients have treated canker sores, high blood pressure, tuberculosis, cancer, and heart disease

Focus on World History

Travel the world without leaving the classroom! Provides a current overview of world boundaries Helps students readily visualize other parts of the world with easy-to-read, detailed maps Explains how boundaries change as new nations are formed Gives students an appreciation for other cultures with in-depth country profiles Power Basics Singles: World Geography includes one each of the following: Student Text Student Text Teacher's Guide Student Workbook with Answer Key Test Pack

World Geography

Designed to supplement the study of United States history.

Catalog of Copyright Entries. Third Series

Covers all significant eras of global history. Encourages students to analyze evidence, documents, and other data to make informed decisions. Develops essential writing skills.

U.S. History Map Activities

The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

Short Lessons in World History

Examine the role of geography in global history! Stimulates visual learning with 35 reinforcement activities Contains easy-to-use background reading sheets, teaching suggestions, and scoring rubrics

Document-Based Assessment Activities for Global History Classes

Yes, you're familiar with Harriet Tubman and Frederick Douglass. But what about William Carney, Charlotte Forten, Francis Dumas, and 15 other African-Americans who played key roles during the War Between the States? African-American Heroes of the Civil War brings to light the stories and contributions of 20 individuals who made a difference during America's bloodiest conflict. Six in-depth biographies cover: Andre Cailloux William Carney Robert Smalls Frederick Douglass Harriet Tubman

Charlotte Forten Fourteen additional mini-biographies capture the stories of other African-Americans who fought or worked for victory during the war. Extensive teacher materials include worksheets for building comprehension skills, suggestions for a culminating assessment project, and more. Photos, puzzles, and graphics throughout the text make African-American Heroes of the Civil War a complete compendium of this often overlooked facet of American history. A perfect supplement to history, ELA, and even life skills classes. See other Heroes of the Civil War titles

Books and Pamphlets, Including Serials and Contributions to Periodicals

This unit, designed for use with intermediate and junior high school students, centers on the colonial period in U.S. history and contains literature selections, poetry, writing ideas, curriculum connections to other subjects, group projects and more. The literary works included are: *World War I* / by Peter Bosco -- *After the Dancing Days* / by Margaret I. Rostkowski.

Catalog of Copyright Entries, Third Series

This book chronicles the discovery and analysis of animal fossils found in one of the most important paleontological sites in the world—Porcupine Cave, located at an elevation of 9,500 feet in the Colorado Rocky Mountains. With tens of thousands of identified specimens, this site has become the key source of information on the fauna of North America's higher elevations between approximately 1 million and 600,000 years ago, a period that saw the advance and retreat of glaciers numerous times. Until now, little has been understood about how this dramatic climate change affected life during the middle Pleistocene. In addition to presenting state-of-the-art data from Porcupine Cave, this study also presents groundbreaking analysis on what the data from the site show about the evolutionary and ecological adjustments that occurred in this period, shedding light on how one of the world's most pressing environmental concerns—global climate change—can influence life on earth.

World History Map Activities

Involves students in history study by putting them into the action. Builds decision-making skills through individual and group activities. Features questions, activity ideas, and 20 lively narratives.

African-American Heroes of the Civil War

Reinforce students' knowledge with engaging lessons! Presents high-interest lessons and activities for U.S. history classes Supplements any U.S. history curriculum Engages students with mini-biographies of key figures Includes map activities, puzzles, and more Teacher's guide includes reproducible lesson on using maps to study U.S. history

Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office

Covers significant eras in U.S. history. Encourages students to analyze evidence, documents, and other data to make informed decisions. Includes guidelines for students, answer prompts, and a scoring rubric. Develops essential writing skills.

World War I

Mapping Applied Linguistics: A Guide for Students and Practitioners provides an innovative and wide-ranging introduction to the full scope of applied linguistics. Incorporating both socio-cultural and cognitive perspectives, the book maps the diverse and constantly expanding range of theories, methods and issues faced by students and practitioners alike. Practically oriented and ideally suited to students new to the subject area, the book provides in-depth coverage of: language teaching and education, literacy and language disorders language variation and world Englishes language policy and planning lexicography and forensic linguistics multilingualism and translation. Including real data and international examples, the book features further reading and exercises in each chapter, fieldwork suggestions and a full glossary of key terms. An interactive Companion Website also provides a wealth of additional resources. This book will be essential reading for students studying applied linguistics, TESOL, general linguistics, and education at the advanced undergraduate or master's degree level. It is also the ideal gateway for practitioners to better understand the wider scope of their work.

Resources in Education

Enhances the world history curriculum through analysis of primary and secondary sources. Features 23 new and revised document-based questions covering significant eras. Teacher support includes scoring rubric and tips for implementation.

Biodiversity Response to Climate Change in the Middle Pleistocene

Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

Choosing Your Way Through the World's Ancient Past

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The Magazine of American History
