Remember Me Like This

'I love this novel' John Irving 'Excellent' Sunday Times 'Enthralling' New York Times By internationally bestselling author Bret Anthony Johnston, WINNER of the Sunday Times EFG Short Story Award 2017. What happens to a family when a lost child returns? In the four years since Justin's abduction his family has become a group of separate units, each nursing their pain and guilt. Now, when they should be at their happiest, how can they forgive each other and become a family again? A gripping literary novel with the pace of a thriller, Remember Me Like This introduces Bret Anthony Johnston as a gifted storyteller.

Remember Me Like This

ONE OF THE OBSERVER'S BEST HOLIDAY READS 2014 - BBC RADIO 4 BOOK AT BEDTIME 'I love this novel' John Irving - 'Excellent' Sunday Times - 'enthraling' New York Times A powerful and affecting novel of a family which has moved readers everywhere What happens to a family when a lost child returns? In the four years since Justin's abduction his family has become a group of separate units, each nursing their pain and guilt. Now, when they should be at their happiest, how can they forgive each other and become a family again? A gripping literary novel with the pace of a thriller, Remember Me Like This introduces Bret Anthony Johnston as a gifted storyteller. With his sophisticated and emotionally taut plot Johnston reveals how only in caring for each other, can we save ourselves.

Remember Me?

The hilarious romantic comedy from NUMBER ONE BESTSELLING AUTHOR Sophie Kinsella Lexi wakes up in a hospital bed after a car accident, thinking she's twenty-five with crooked teeth and a disastrous love life. But, to her disbelief, she learns it's actually three years later - she's a super-toned twenty-eight-year-old, her teeth are straight, she's the boss of her department - and she's married to a good-looking millionaire! She can't believe her luck - especially when she sees her stunning new loft apartment. And she'll definitely have a fantastic marriage once she gets to know her husband again. He's drawn up a 'marriage manual', which should help. But soon she realises her perfect life isn't all it seems. All her old friends hate her. A rival is after her job. Then a dishevelled, sexy guy turns up... and lands a new bombshell. What the **** happened to her? Will she ever remember? And what will happen if she does? ***** EVERYBODY LOVES SOPHIE KINSELLA: ***** 'Funny, fast and farcical. I loved it' JOJO MOYES 'I couldn't put it down.' LOUISE PENTLAND (SprinkleofGlitter) 'I almost cried with laughter' DAILY MAIL 'Life doesn't get much better than a new Sophie Kinsella novel' RED 'Hilarious . . . you'll laugh and gasp on every page' JENNY COLGAN

Remember Me This Way

A gripping psychological thriller of secrets and obsession that will keep readers flipping pages to the stunning conclusion from the author whose suspenseful work has been described as "meticulous and detail-laden, with plenty of red herrings" (Kirkus Reviews). One year after her husband Zach's death, Lizzie Carter goes to lay flowers on the site of his fatal accident. Since the tragedy, she just hasn't been the same, wracked with grief and guilt and regret and...relief. Even though her friends tell her she's grieved enough for her "prince charming," her memories of a darker side of Zach that no one else knew are burned into her brain and won't let her forget him. But as she lays her flowers down at the roadside, she sees a bouquet of lilies at the foot of the tree. Addressed to her husband. She isn't the first to pay her respects...but who is Xenia? As Lizzie learns more about her husband's past, she begins to realize that maybe she didn't know Zach at all. But she's still tormented by her guilt and the memories that just won't fade...because Zach doesn't seem to be as gone as everyone thinks. And she just can't shake the feeling that he's still out there, watching her, waiting to claim her as his own once again. After all, just because we love someone doesn't mean we can trust them...

You Will Remember Me

"Riveting, smart, and utterly diabolical."—Lisa Unger, New York Times bestselling author of Confessions on the 7:45 An unputdownable amnesia thriller that begs the question: how can you trust anyone when you can't even trust yourself? Forget the truth. Remember the lies. He wakes up on a deserted beach in Maryland with a gash on his head and wearing only swim trunks. He can't remember who he is. Everything—his identity, his life, his loved ones—has been replaced by a dizzying fog of uncertainty. But returning to his Maine hometown in search of the truth uncovers more questions than answers. Lily Reid thinks she knows her boyfriend, Jack. Until he goes missing one night, and her frantic search reveals that he's been lying to her since they met, desperate to escape a dark past he'd purposely left behind. Maya Scott has been trying to find her estranged stepbrother, Asher, since he disappeared without a trace. Having him back, missing memory and all, feels like a miracle. But with a mutual history full of devastating secrets, how far will Maya go to ensure she alone takes them to the grave? Shared fates intertwine in a twisty, explosive novel of suspense, where unearthing the past might just mean being buried beneath it. "Skillfully plotted and paced, every twist deepens the story until it explodes with an ending that made me gasp."—Samantha Downing, USA Today bestselling author of My Lovely Wife and He Started It Don't miss Hannah Mary McKinnon's latest thriller, Never Coming Home, a terrifying tale of duplicity that will have you side-eyeing your spouse as you dash to the breathtaking end!

Say You'll Remember Me

When Drix was convicted of a crime—one he didn't commit—he thought his life was over. But opportunity came with the new Second Chance Program, the governor's newest pet project to get delinquents off the streets, rehabilitated and back into society.

Remember Me

After her untimely death, eighteen-year-old Shari tries to prove that she did not commit suicide and attempts to keep the person responsible from killing again.

Will You Remember Me?

How do you say goodbye to your family for the last time? Poppy Day is thirty-two and married to her childhood sweetheart. She's a full-time mum of two gorgeous children and loves her homely little cottage in the countryside. It's the life she always wanted. But Poppy is so busy caring for others she hasn't noticed how tired she is, or the menacing lump growing on her breast. It's unthinkable that cancer could defeat such a strong and amazing woman. But life doesn't always give you what you deserve...

Remember Me 2 (Reissue)

THEY CALLED HER A WANDERER. Shari Cooper is dead, the victim of a murderous attack. She is on the other side, in a place of spirits, an eternal realm of light and love. But she is given a rare offer. To return to Earth without having to be reborn. Into the body of a depressed teenage girl. A transfer of souls, they call it. Shari is given a chance to be a Wanderer, and to do a great service for humanity. It is an offer she gladly accepts. Then she is back, in a human body. Yet she does not remember being Shari Cooper. At first she recalls nothing of the afterlife. Perhaps it is just as well. Not everybody on Earth welcomes Wanderers. Of the few who know of their existence, some want them dead. And others, the truly evil ones, wish them much worse than that.

Remember Me

In Chelsea Bobulski's *Remember Me*, an eerie and suspenseful YA novel, a teen girl discovers what connects her to the hotel she calls home as horrifying visions lead her to the truth. Nell Martin is moving again, this time to the Winslow Grand Hotel, built in 1878. As Nell is settling in, strange things begin to happen. Doors lock of their own accord, writing appears on bathroom walls—and most horrifying of all—visions of a dead boy permeate her waking life. Thinking it was her mind playing tricks on her, she soon finds the past and the present colliding as she learns horrific details of a murder that happened at the hotel in 1907 involving a girl named Lea. Nell and a mysterious bellboy must relive that day in hopes of finally breaking a curse that imprisons them both. And Nell discovers what truly links her to the history of the Winslow Grand Hotel.

Remember Me to Harold Square

Kendra doesn't mind her parent's scavenger hunt in New York so much, mostly because her guest, Frank, turns out to be just as interesting as all of the sights. Copyright © Libri GmbH. All rights reserved.

Remember Me

Remember Me is an astonishingly bold young adult novel from Estelle Laure, the critically acclaimed author of *This Raging Light* and *Mayhem*. If you could erase all of your painful memories, would you? Blue Owens wakes up one day with the strangest feeling that something is very wrong. Everyone's acting weird and she's found a note in her closet telling her to get on the Little Blue Bus at 7:45, which she does, meeting up with the exact person she was supposed to avoid: Adam Mendoza. Even though she has no idea who he is, something about him is so familiar. When she confronts him, the truth is revealed—Blue has paid to have her memories removed, and Adam is one of those memories. As Blue struggles to piece together her history, she is torn between her desire to know why she would do something so drastic and her fear of what she will find. *Remember Me* is the bold and beautiful story of a girl who must find the courage to face the demons of her past and reclaim her loved ones—even if it ruins her.

Love, Remember Me

Lovely Nyssa Wyndham, as fair and proud as her mother Blaze, is lady-in-waiting to Henry VIII's fourth wife. Scandalizing all of England, Henry has his marriage annulled, for the queen cannot meet the bawdy desires of the insatiable king. Henry seeks a spirited, lusty new wife-and eyes the beautiful Nyssa. But in a land rife with conspiracy and rebellion, there are those in secret power determined to thwart Henry's intentions. A drugged Nyssa awakens in the arms of the notorious rake Varian de Winter. With her virtue destroyed, the outraged king orders them to wed. Handsome-and soon smitten-Varian de Winter dares to conquer his spitfire bride. But the intrigues and dark side of the court intrude upon their brief happiness as Nyssa is trapped in a devious plot and witness to the deadly wrath of Henry Tudor. Suddenly, jealousy and revenge grow bloodthirsty, and all that Nyssa holds dear is in dire jeopardy.

Remember Me, Cowboy

Corb Lambert is ready to marry Laurel Sheridan. She's pregnant with his baby--and Corb is the type of guy who will do the right thing. He just wishes that he could remember the passion they shared before a terrible accident wiped his memory clean. Laurel can't decide whether to go or stay. Corb is willing to take on his responsibility, but Laurel can't bear the thought that he doesn't remember her, especially since she fell for him, hard. She's got a life in New York--but her baby deserves a father. Could he love her all over again? Or is he just staying in Montana to give her child a name? Laurel has to know now, because one person can't do all the loving....

Remember Me

Lillian would say she's no trouble, content to let the days go by, minding her own business and bothering no one. She'd rather not recall the past and, at 72, doesn't see much point in thinking too much about the future. But when her closed existence is suddenly shattered by a random act of violence committed by a young girl, Lillian is catapulted abruptly out of her exile. Robbed of everything she owns, she embarks on a journey to find the thief -- but soon finds that what began as a search for stolen belongings has in fact become about the rediscovery of a stolen life.

Remember me like this

My name is Lisa. I am twenty seven years old. I was born in a small town, in a family with great love. My parents are my role models. Such personal qualities as diligence, nobility, generosity filled my genes. I don't like a boring life, but I also don't like clubs, gatherings in companies over a bottle of rum. I can wake up at 4.00 in the morning and run cross-country on the street, and in the evening I can jump with a parachute or chat with a successful person. I do not like to visit the same places, and if I travel, then to different parts of the planet, where adventures constantly happen to me. I love all kinds of sports and I don't even know what I haven't mastered yet.

Remember Me

Father William knew something was changing deep within him. He felt it-from his belly, from his from his heart, from his soul-the reality of what was streaming forth unchecked. There was no denying it. This was love. Yet Father William has more to worry about than simply upholding his vows to God, to the brothers of St. Alcuin, and to Abbot John. The brotherhood is running out of money and Father William must decide whether or not to take matters into his own hands. Seasoned author Penelope Wilcock unlocks the story of one man's struggles, mistakes, and heart's longings, and traces the possibility of what it means to get things wrong and to begin again.

I Remember Me

I Remember Me weaves an American tapestry of colorful tales, beginning with the timid musings of a young boy on the verge of becoming a man in the Jewish section of New York's Bronx neighborhood, and bringing us up to date with the mature insight of a man whose remarkable trajectory has sent him to the top of Hollywood's elite and sparked the careers of dozens of household-name entertainers. Along the way, Reiner treats his loyal readers to everything from the ordinary to the truly unforgettable: a family trip to a nude beach, French lessons with Mel Brooks, a chapter dedicated to Rinnie the dog who unfortunately mistakes a skunk for a cat, a surprise early-morning visit from the McCarthy era FBI, a heart wrenching story of loss describing the day of his wife's passing, and then in a revealing chapter of Reiner's character, he describes the most theatrically triumphant day of his young career. Through his

memoir, we meet the man behind the success in roles rarely seen before: son to Romanian immigrant Irving Reiner, husband to fellow Bronx native and renowned singer Estelle Reiner, father to the prolific filmmaker Rob Reiner, Dr. Annie Reiner psychoanalyst & gifted singer, and Lucas Reiner, a globally recognized fine artist. Written with the same combination of playful jest and modest humility that has garnered the love and respect of fans for generations, *I Remember Me* remembers the creative and inspiring journey of one of the most revered comedic icons of the past hundred years. Carl Reiner is at that wonderful point in life where he knows absolutely everything. Especially, how to tell a wonderful story. I just love being in his world and this book is the Grand Tour. Jerry Seinfeld Great stories from the great Carl Reiner. I liked Chapter 29 the best. Albert Brooks At a time when so much of comedy can be cruel and mean spirited... Carl Reiner is a perfect example of comedy and kindness mixed with just the right amount of biting wit to make for a really satisfying read. Jay Leno *Crime and Punishment* has always been my favorite book... Until Now! Mel Brooks

Remember Me?

Afterword by Alzheimer's Research UK. 'Shobna Gulati is the Northern heroine of a nation' - Lemn Sissay 'Lucid and probing' - Guardian 'Wonderful and emotional, a masterpiece of resilience.' - Emma Kennedy *Remember Me?* is a memoir about caring for a parent with dementia and the memories that resurface in the process. In her first book, Shobna Gulati sets out to reclaim her mother's past after her death, and in turn, discovers a huge amount about herself and their relationship. *Remember Me?* captures the powerful emotions that these memories hold to both Shobna and her mother; secrets they had collectively buried and also the concealment of her mother's condition. What ensues is a story of cultural assimilation, identity and familial shame.

Remember Me

Unable to forgive herself for the death of her two-year-old son Bobby in a car accident, Menley Nichols' marriage to Adam starts to fall apart- until the birth of their daughter Hannah. Determined to rebuild a life together around their precious baby, Menley and Adam decide to rent a house on Cape Cod for a month, confident that the tranquility of the place will be ideal for Menley and little Hannah. But the peace they crave is disturbed when strange things start to happen- incidents which make Menley relive the horror of the accident in which she lost Bobby. . . incidents which make her fear for Hannah. And step by step, Menley and Adam are drawn into a dark and sinister web of events which threatens their marriage, their child and ultimately Menley's sanity.

Remember Me This Way

The Sound of Us are supernovas in the sky and I've been following their light from the moment we met. It was easy to get wrapped in them, for me to feel like I wasn't a real person unless I was in their presence, helping them, loving them. Since Gentry's attack we haven't been the same, and I'm afraid that the magic we had been working so hard to build may be gone forever. Addiction, jealousy, and fear fill our nights, replacing the spaces that our love used to live. When an opportunity of a lifetime arises for me to chase my dreams, I leap at the chance to do something for myself. But it's harder than I thought to follow my own path, especially when it begins to divert from theirs. Growing up, I never thought a happy ending was in the cards for me...but a happily ever after with the boys from the Sound of Us has been my dream since I met them. But dreams change, and even though our love story is written across my soul, our path won't be easy. I know their hearts though, and what's there is the same as what you can find in mine. My name is Ariana Kent, and losing "us" is not an option. Book 3 of the Sound of Us series

Remember Me

Fifteen years ago Ellen Smith vanished from the woods near her small Welsh village. Never to be seen again.

Remember Me

"Teen hacker Wick Tate has to decide between right and wrong as she tries to solve another murder and discover the truth about her mother's suicide"--Provided by publisher.

Remember Me

She won't let them forget... Shari Cooper wakes up dead. The last thing she can remember is falling from a balcony during her friend's party. Her death has been ruled a suicide, but Shari knows she was murdered. All of her closest friends are now suspects. As she tries to find her killer from the other side, she discovers her friends may not have been so loyal to her after all. Now, Shari is not just out for justice, she's out for revenge....

Poppy Day

From the million-copy bestseller Amanda Prowse, the queen of heartbreak fiction. Amanda Prowse is the author of *The Coordinates Of Loss* and the no.1 bestsellers *Perfect Daughter*, *My Husband's Wife* and *What Have I Done?* Ever since hairdresser Poppy Day married her childhood sweetheart, Mart, she's been deliriously happy. Now Mart is fighting in Afghanistan, and Poppy is counting the days until he returns. It takes one knock at the door to rip Poppy's world apart. Mart has been taken hostage, and it's too dangerous for the army to rescue him. Poppy is determined to bring him home herself. But her journey will lead her to a heartbreaking dilemma. What price will she pay to save the man she loves? This is a gripping story of loss and courage from an author who knows what it is like to be the one left behind. Reviews for Amanda Prowse: 'Prowse handles her explosive subject with delicate skill... Deeply moving and inspiring' DAILY MAIL. 'Powerful and emotional family drama that packs a real punch' HEAT. 'A gut wrenching and absolutely brilliant read' IRISH SUN. 'Captivating, heartbreaking, superbly written' CLOSER. 'Very uplifting and positive, but you may still need a box (or two) of tissues' HELLO. 'An emotional, unputdownable read' RED. 'Prowse writes gritty, contemporary stories but always with an uplifting message of hope' SUNDAY INDEPENDENT.

Remember Me

'A sensitive, beautifully written exploration of a father/daughter relationship' - Adele Parks, *Platinum* magazine 'A beautifully written and gripping story with an emotional twist' - Claire McGowan 'Resonates with compassion and insight' - Caroline Bond They never found Leah Parata. Not a boot, not a backpack, not a turquoise beanie. After she left me that day, she vanished off the face of the earth. A close-knit community is ripped apart by disturbing revelations that cast new light on a young woman's disappearance twenty-five years ago. After years of living overseas, Emily returns to New Zealand to care for her father who has dementia. As his memory fades and his guard slips, she begins to understand him for the first time - and to glimpse shattering truths about his past. Are some secrets best left buried? Another page-turning, emotive suspense novel from the Richard & Judy bestselling author of *After the Fall* and *Radio 2 Book Club* pick, 2020's *The Secrets of Strangers* - ideal reading-group fiction, perfect for fans of Jodi Picoult and Clare Mackintosh. Pre-publication 5* reader reviews: 'Charity Norman's great talent as an author is the way she gets inside every single character in her books so that you feel you know everything about them; even the minor characters are brought to life' - Susan S 'This author never disappoints and yet again she has written a real corker of a novel' - Joan H 'Charity Norman is a master storyteller' - Joanne W

Don't Forget to Remember Me

Ryan Matthews has everything he ever wanted. Close to graduation from Harvard Medical School and on the verge of marrying his gorgeous and accomplished girlfriend, Julia Abbott, his dreams are about to come true and all of their sacrifice is finally at its end. When tragedy strikes, their relationship is hurled into turmoil that leaves Ryan devastated. His sorrow drives him to keep his distance yet leaves him aching; consumed with desire and love he refuses to let manifest. Julia is inexplicably drawn to Ryan and longs to build a future with him, but his agony over the loss of the heart-stopping memories she no longer shares with him, leaves him unable to trust that she could truly love him without the brilliant past he clings to. When love so unforgettable has been forgotten, can Ryan find enough faith to believe that Julia's heart will remember, even when her mind can't? The second book of *The Remembrance Trilogy* follows Ryan and Julia's quest to rebuild their stunning past. An incredibly beautiful and heart-breaking romance, full of passion, intensity and truly immeasurable love that will leave you spellbound, breathless and longing for more...

Remember Me

Obsession goes too far when a man falls in love with a prostitute.

I'll Make You Remember Me

"Alana Massey's prose is to brutal honesty what a mandolin is to a butter knife: she's sharper; she slices thinner; she shows the cross-section of a truth so deftly--so powerfully and cannily--it's hard to look away, and hard not to feel that something has shifted in you for having read her." -- Leslie Jamison, New York Times bestselling author of *The Empathy Exams* From columnist and critic Alana Massey, a collection of essays examining the intersection of the personal with pop culture through the lives of pivotal female figures--from Sylvia Plath to Britney Spears--in the spirit of Chuck Klosterman, with the heart of a true fan. Mixing Didion's affected cool with moments of giddy celebrity worship, Massey examines the lives of the women who reflect our greatest aspirations and darkest fears back onto us. These essays are personal without being confessional and clever in a way that invites readers into the joke. A cultural critique and a finely wrought fan letter, interwoven with stories that are achingly personal, *All the Lives I Want* is also an exploration of mental illness, the sex industry, and the dangers of loving too hard. But it is, above all, a paean to the celebrities who have shaped a generation of women--from Scarlett Johansson to Amber Rose, Lil' Kim, Anjelica Huston, Lana Del Rey, Anna Nicole Smith and many more. These reflections aim to reimagine these women's legacies, and in the process, teach us new ways of forgiving ourselves.

All the Lives I Want

Lucy Miller's family has the unique ability to remove people's painful memories—but Lucy isn't prepared for truths she will uncover in this twisty speculative thriller, perfect for fans of *Eternal Sunshine of the Spotless Mind* and Neal Shusterman. People come from everywhere to forget. At the Memory House, in Tumble Tree, Texas, Lucy's father can literally erase folks' heartache and tragic memories. Lucy can't wait to learn the family trade and help alleviate others' pain, and now, at sixteen, she finally can. But everything is not as it seems. When Lucy practices memory-taking on her dad, his memory won't come loose, and in the bit that Lucy sees, there's a flash of Mama on the day she died, tinged red with guilt. Then Lucy wakes up the next morning with a bruised knee, a pocketful of desert sand, and no memory of what happened. She has no choice but to listen to Marco Warman—a local boy she's always wondered about, who seems to know more than he should. As Lucy and Marco realize there are gaps in their own memories, they team up to fill in the missing pieces—to figure out what's really going on in their town, and to uncover their own stolen history along the way. But as the mysteries pile up one thing becomes certain: There are some secrets people will do anything to keep.

Remember Me Gone

From the award-winning author of *Call the Coroner* comes a story of secrets and obsession... A relationship built on one man's obsession... Theirs was a connection that began and ended in the shadows. A bullet stole it away, setting two men adrift. Bishop waits in the darkness for light to shine once more, while Eddie is left with no way to describe just what he needs when he has everything his heart should desire. In the span of time between that gunshot and now, they'll meet again and again. One oblivious, the other fighting his crooked nature to earn back the memories they made. And the life that should've been theirs. *Remember Me* is a standalone M/M romance with stalking, amnesia, mental illness, and found family themes.

Remember Me

Convenient size: 6" x 9\

Remember Me Like this

Annie had never met David Roswell, but she sensed she knew the ambitious pediatrician. By the time David insinuates himself into her life, Annie is hard-pressed to balance the duties of single parenthood. Maybe the stress of a new love explains Annie's chronic physical pain. Or perhaps it is David's opposition to decisions she's made that dramatically affect them both.

Remember Me

'A gorgeous, accomplished debut' David Mitchell By internationally bestselling author Bret Anthony Johnston, WINNER of the Sunday Times EFG Short Story Award 2017. In Corpus Christi, Texas - a town often hit by hurricanes - parents, children, and lovers come together and fall apart, bonded and battered by memories of loss that they feel as acutely as physical pain. A car accident joins strangers linked by an intimate knowledge of madness. A teenage boy remembers his father's act of sudden

and self-righteous violence. A 'hurricane party' reunites a couple whom tragedy parted. And, in an unforgettable three-story cycle, an illness heals a man's relationship with his mother and reveals the odd, shifting fidelity of truth to love. Writing with tough humor, deep humanity, and a keen eye for the natural environment, Bret Anthony Johnston creates a world where cataclysmic events cut people loose from their 'regular lives, floating and spiraling away from where we had been the day before.'

Corpus Christi

'Complex, intriguing, clever, twisty, beautifully put together' MARI HANNAH, author of WITHOUT A TRACE * * * * * How do you find a killer when you can't recognise a face? Last night my sister was murdered. The police think I killed her. I was there. I watched the knife go in. I saw the man who did it. He's someone I know. But he won't be caught. Because he knows I have prosopagnosia - I can't recognise faces. But if I don't find him, I'll be found guilty of murder. * * * * * Praise for REMEMBER ME: 'Had me hooked from the very beginning, a gripping premise and such a deliciously flawed cast of characters' JENNY BLACKHURST 'Beautifully written... Truly shocking, this is a book that will have everyone talking about it' MARY TORJUSSEN 'Loved the protagonist from the first chapter and was rooting for her until the end' SARAH WARD 'Hooks you from the start, with a twisty, page-turning pace that keeps you guessing' JAMES SWALLOW

Remember Me

A sonnet that offers help at a time when feelings of regret, guilt, and even bitterness can cloud the thoughts of someone who has lost a relative or a friend.

Remember Me When I Am Gone Away

A trio of short works by the Nobel laureate and "greatest writer of American prose of the twentieth century" (James Wood, *The New Republic*) A Penguin Classic While Saul Bellow is known best for his longer fiction in award-winning novels such as *The Adventures of Augie March* and *Herzog*, *Something to Remember Me By* will draw new readers to Bellow as it showcases his extraordinary gift for creating memorable characters within a smaller canvas. The loss of a ring in *A Theft* helps an oft-married woman understand her own wisdom and capacity for love. In *The Bellarosa Connection*, Harry Fonstein has escaped from Nazi brutality with the help of an underground organization masterminded by the legendary Broadway impresario Billy Rose, and his story continues in America. In the title story, seventeen-year-old Louie—whose mother is dying of cancer—strays far from home and finds not solace but humiliation and, ultimately, the blessing of his father's wrath. This Penguin Classics edition features an introduction by Nicole Krauss. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Something to Remember Me By

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Of Mice and Men

You already have the tools to become a gifted writer; what you need is the spark. Harvard creative writing professor and acclaimed author Bret Anthony Johnston brings you an irresistible interactive guide to the craft of narrative writing. From developing characters to building conflict, from mastering dialogue to setting the scene, *Naming the World* jump-starts your creativity with inspiring exercises that will have you scrambling for pen and paper. Every chapter is a master class with the country's most eminent authors, renowned editors, and dedicated teachers. • Infuse emotion into your fiction with three key strategies from Margot Livesey. • Christopher Castellani dumps the "write what you know" maxim and challenges you to really delve into the imagination. • A point-of-view drill from Susan Straight can be just the breakthrough you need to flesh out your story. • Jewell Parker Rhodes shares how good dialogue is not just about what is being said but about what is being left unsaid. Brimming

with imaginative springboards and hands-on exercises, Naming the World has everything you need to become a stronger, more inventive writer. “A delicious book. Imagine yourself at a cocktail party crammed with literary lions. You have the chance to spend a few moments with each of them. Wit and wisdom abound.” –Julia Cameron, author of *The Artist’s Way* “A highly useful and perceptive book. With charm and intelligence it touches on nearly every teachable aspect of the devilishly difficult art of writing.” –Ethan Canin, professor of creative writing at the Iowa Writers Workshop, and author of *Carry Me Across the Water* “These entertaining and useful exercises, intelligently organized, are a boon for both beginning and experienced writers.” –Andrea Barrett, National Book Award—winning author of *The Air We Breathe* “Forget about getting an MFA! For any writer struggling with his craft, here is the equivalent of a master class in writing by some of the best writer/teachers around.” –Betsy Lerner, author of *The Forest for the Trees: An Editor’s Advice to Writers*
