Battle between the Israelites and the Philistines

And What You Have Here Are a Double Set of Walls That Surround the Entire Part of the City but You'll See this Gap Here in the Middle Well this Gap Could Be Used as an Extra Room or Storage Room However in the Event that They Were Attacked They Could Fill this with Even Personal Lives but Debris and Everything and that Would Give Me a Huge Thick Wall To Protect Them So What You're Saying Is Is this Type of Wall Built during David's Reign There Are So Many Things They Found Here That Are Dated to that Period in the Iron Age that this Is Evidence that David Was a Ruler of More than Just a Tribal Area that He Was Amon Early It Wasn't Just that He Was Ruling from Jerusalem Their Cities Walled Cities Fortified Cities outside of Where He Was Living that's Exactly like What We Read in the Bible

Take a Look at this Place this Is Very Similar to the Caves of the Dunham's in the Fact that It's Remote in Addition that He Had a Layer of Protection Here He Would Be Able To See When People Are Coming the Most Important Thing of Course Is the Water as You Walk around this Area You Can See for Miles this Is the Only Place Where Water Is and So Water Continually Funnels through the Wilderness of Judea into this Narrow Valley That Comes Through and Gets during the Rainy Times of the Year the Water Can Be Actually Much Higher than We Are Right Now in Fact You Can See some of the Markings and Stuff on the Wall Where the Water Has Been up that High during the Wet Season Again Barrie Has Taken Us to a Place That the Bible Describes David Going to during Saul's Pursuit of Him and It's Not some Random Place It Makes Sense that He Went There and It Makes Sense Why He Went There It's a Real Place and You Can Walk up that Canyon Yourself It Was at in Getty that Saul Heard David Was There He Brings His Troops Down and He Needs To Take Care of some Business Goes into a Cave

The Problem Was Was that the Jebusites Were Here and So He Needed a Way To Enter the City and Capture It He Issued a Challenge to His Men and He Challenged Them To Go Up the Water Shaft the Word in Hebrew Is Seen or Sometimes It's Translated as Pipe because He Knew that Would Be

an Entrance into the City and if They Couldn't Get Someone in There They Maybe I Have a Chance of Capturing the City Joab Volunteered for that and Was Able To Successfully Get in You for a Long Time We Didn't Understand Exactly What that Meant in the Bible but in 1867 a British Explorer by the Name of Charles Warren Came to this Land Looking for Different Biblical Archaeological Sites So It Still Fits the Story whether It Was this Shaft or another Shaft There Was Something Just like this That Joab Would Have Come Up To Help Capture the Jebusite City That's Right Why Would David Ask Joab Were One of His Men To Come Up a Water Shaft in Order To Help Capture a City Well the City of Jerusalem the Ancient Jebusite City Sat on a Little Peninsula of Land That Was Surrounded by the Kidron Hinnom and Central Valleys so It Was Very Defensible It Was Very Hard To Attack the City I Think that's One of the Reasons Why David Wanted the City There Was GonNa Have To Be Something Secret To Happen and as You Can See It Wouldn't Be Very Easy To Get Here Only One Man Could Come Up Here You Couldn't Pull a Whole Army and So Probably Joab Came Up a Shaft like this Then Was Able To Open the Door and Allow the Army in So It Was a Very Defensible It's this Wall That Led Us To Find the Place Here and We Can Get a Better Vantage One of the Palace Area if We Go to that Side When You See the Size of the Wall as You Can Imagine How Difficult that Must Have Been for People To Try To Come and Capture the City and You Understand Why David Would Have Sent Joab Up through the Water Shaft To Get Inside Correct if You Go Down this Even Go Down More to the Kidron Valley over There and that's Why the City Was So Difficult To Take the City of David Is Such a Great Location Strategically

It Says When the Time Comes When Kings Go Out and Fight the Man Has To Be out of the City They Have To Go and Fight and the Woman Come Outside Bathsheba Was Taking a Bath and Now We Can See Where He Was Standing and How this Whole Story Played Itself Out Talking about David and Bathsheba Is a Hard Thing To Do When You Contrast David with Saul He's Just So Starkly Different He's So Much Closer to God He's the One Described as a Man after God's Own Heart and Then You Get this Incident Where He Chooses To Take another Man's Wife to the Point That To Cover It Up He's Willing To Send that Man into Battle and Have Everyone Step Back so that He Dies
