## A Textual Concordance of the Holy Scriptures

Dalam hidup keseharian kita, malaikat senantiasa hadir secara kasat mata. Kehadiran malaikat ini diteguhkan oleh pandangan Gereja sendiri sebagaimana terdapat dalam Katekismus Gereja Katolik bahwa “ada makhluk rohani tanpa badan, yang oleh Kitab Suci biasanya dinamakan malaikat adalah suatu kebenaran iman. Kesaksian Kitab Suci dan kesepakatan tradisi tentang itu bersifat jelas. Menurut seluruh keadaanya, malaikat adalah pelayan dan pesuruh Allah. Karena “mereka selalu memandang wajah Bapa-Ku yang ada di surga”. (Mat 18:10), mereka melaksanakan firman-Nya dengan menden-garkan suara firman-Nya. (Mzm 103:20) Keberadaan malaikat kita temukan dalam Kitab Suci kita. Kitab Suci Perjanjian Lama maupun Kitab Suci Perjanjian Baru mengungkapkan kisah-kisah mereka. Dalam Kitab Suci Perjanjian Lama Malaikat diutus Allah untuk meneguhkan Abraham dan keturunannya untuk setia pada Allah dan merawat perjanjian dengan Allah. Dalam Kitab Suci Perjanjian Baru kita memperhatikan bahwa para malaikat hadir dan menyertai peziarahan hidup Yesus di dunia. Dan, Gereja mengajak kita menyadari dan menghormati keberadaan malaikat agar kita semakin mengimani Tuhan Yesus karena Tuhan Yesus lebih dari pada malaikat (Lih. Ibr 1:4). Malaikat-malaikat diutus untuk menyertai kita agar teguh beriman kepada Tuhan Yesus. Dia mengirimkan malaikat untuk melindungi kita. St. Basilius pernah mengajarkan bahwa “Seorang malaikat mendampingi setiap orang beriman sebagai pelindung dan gembala, supaya mengantarnya kepada kehidupan”.

Find freedom from legalism's should's and discover the deep spirituality of being loved by the God who meets and transforms you in the midst of a messy and unpredictable life. Do you ever feel like you don't pray enough, read your Bible enough, share your faith enough, love God enough . . . and ultimately that you're not a very good Christian? Welcome to the club. Messy Spirituality was written for the silent majority of us who are convinced we just don't do Christianity right. Mike Yaconelli dares to suggest that imperfection, unfinishedness, and messiness are, in fact, the earmarks of true Christianity; that real Christianity is messy, erratic, lopsided . . . and gloriously liberating. In these pages, he challenges you to let go of the legalism that holds you back and embrace the grace freedom that God offers. He opens your eyes to the one-size-fits-all spirituality churches often want us to embrace and shares what it truly means to walk with God in a deep, intimate, life-changing way. Full of innovative ideas and concepts, Messy Spirituality is a classic that offers timeless wisdom for anyone ready to be free from the bonds of perfectionism. Spanish edition also available.

## A Textual Concordance of the Holy Scriptures

Pada umumnya kita akan berpikir bahwa gereja adalah sekelompok orang dengan memegang Alkitab yang menuju pada suatu tempat dengan berpakaian rapi. Namun gereja harus dipikirkan lebih dari itu. Gereja didirikan oleh Yesus sendiri sejak hari Pentakosta (pencurahan Roh Kudus). Perhimpunan mereka itulah yang disebut gereja mula-mula. Mereka disebut gereja rasuli, dengan dua aspek, yaitu: kesaksian lahiriah sebagai satu badan para pengaku pengikut Yesus Kristus; gereja spiritual yang terdiri dari orang-orang yang sungguh-sungguh percaya. Ada banyak topik yang dibahas dalam buku ini, seperti: pengertian gereja, lahirnya gereja, sifat gereja, lukisan gereja, seruan gereja, tugas gereja, jabatan dalam gereja, pemerintahan gereja, sakramen dalam gereja, liturgi gereja, ibadah gereja, doa dalam gereja, katekisasi dalam gereja, pengajaran dalam gereja, hukum gereja, lima jawatan dalam gereja, senjata yang membawa kemenangan bagi gereja dan teologi kemakmuran dalam gereja.

## Akulah Malaikat yang Melayani Allah

In this widely praised exposition of Revelation, George Eldon Ladd treats the Apocalypse as a true prophecy--one that reflects the situation of the church when the book was written as well as the situation the church will face at the time of the consummation of God's redemptive plan.

## Daftar buku

"Nave's Topical Bible, " the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because "Nave's "groups verses by "idea" (or "topic"), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in "Nave's "whenever a particular verse is included. That way, it is possible for the reader to study either all the verses related to a particular topic "or" all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, "Nave's Topical Bible" is the passport that will allow immediate and successful entry to the many points of interest.

## Inkulturasi tari Jawa

The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith. However, many churches tend to neglect this crucial part of Scripture. This timely book details a number of ways the Old Testament is showing signs of decay, demise, and imminent death in the church. Brent Strawn reminds us of the Old Testament's important role in Christian faith and practice, criticizes current misunderstandings that contribute to its neglect, and offers ways to revitalize its use in the church.

### A Commentary on the Revelation of John

Already hailed as a landmark in contemporary Catholic theology, *Jesus Symbol of God* surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation -- or, in other words, the symbol of God.

### Commentary on the Epistle to the Romans

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999. Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

### My First Communion Journal

Mark Allen found no suitable published book to prepare his son for First Holy Communion. First Holy Communion in the Roman Catholic Church is something of the greatest significance equivalent to confirmation in the Church of England or Bar Mitzvah for Jewish children. A lot of the material published is trite and worst of all tends to patronise the children for whom it is intended. To help parents and teachers answer questions about the ceremony Mark Allen offers readings and background from scripture and catechism. Children can be hard-headed tend to like stories and facts. The narrative of the Bible provides facts, events which happened, and along with them the objective truths of revelation. The Mass is our sacramental encounter with the person of Jesus. Preparation therefore should be based on him and on the Gospel story of His life. The preparation should reflect the unity of the mass, its liturgy of the Word and the Eucharistic Rite, the mystery of Christ in our community as Church. Routine is the key aid to progress. The course provided in this book is based on a series of half hour sessions for parent and teacher with the child. It is thus both practical and down to earth.

### Communion with the Saints

Mother Margaret Bolton began her career in 1892 as a public school teacher in New York City before entering the Convent of the Cenacle of St. Regis in 1913, where she soon became Director of Religion. There she developed a method of teaching the novices that she adapted for use with children. This system eventually became the four books of "The Spiritual Way" series, intended for grades 3 through 7. To prepare younger children for the series, while also readying them for reception of the sacraments, she developed this series of six booklets called "A Little Child's First Communion." Book One: God is Love Book Two: God Loves Truth Book Three: God Sent His Own Beloved Son Book Four: The Holy Way, The Straight Way Book Five: Temples of the Living God Book Six: Come, Lord Jesus All six booklets are included in this volume. Intended to be used either in parochial schools or in parish catechesis programs, this series involves the parents in their child's formation through stories and activities. When paired with its manual, called "Foundational Principles for Catholic Doctrinal Action," the parent or teacher is supplied with an overview of the didactic methods as well as the basis for each

of the concepts taught in the series, including quotes from Scripture, the Catechism and the Church Fathers.

### First Communion Bible

### We Share in the Eucharist

Around the year 1890, a rather extraordinary nun began writing a very extraordinary book: one that would help children prepare for the Sacrament of Holy Eucharist. It would revolutionize children's catechesis by making the teachings of the Catholic Church both accessible and appealing, and in just over 10 years, its popularity would make her one of the best-known and best-loved Catholic authors of her time, with over two dozen works for both children and adults to her name. Mother Mary Loyola's work has been reintroduced to a new generation through her book *The King of the Golden City*, and now modern readers can access the brilliant and engaging works upon which she drew to write that book, especially the one that started it all: *First Communion*. This brand new, newly typeset version is dedicated to Mother Loyola in gratitude for her tireless efforts and the fruit they have borne in the lives of countless Catholics the world over. In a contemporary review of this book, "The Rosary Magazine" said, "This book is intended to prepare children for First Communion by giving them an insight into our Lord's life and mission on earth. Its aim is to fill the heart of the child with a true and earnest love for our Lord in the Blessed Sacrament, a strong love which the struggles of later life will not weaken, a love which cannot be inspired by the dry, dogmatic facts of the catechism...Although written for children, it is not childish, and persons of any age will find it interesting and profitable reading, and especially suited as a preparation for Holy Communion."

### The Bread of Life

First Communion is generally understood as a rite of passage in which seven- and eight-year-old Catholic children transform from baptized participants in the Church to members of the body of Christ, the universal Catholic Church. This official Church account, however, ignores what the rite actually may mean to its participants. In *When I Was a Child*, Susan Ridgely Bales demonstrates that the accepted understanding of a religious ritual can shift dramatically when one considers the often neglected perspective of child participants. Bales followed Faith Formation classes and interviewed communicants, parents, and priests in an African American parish and in a parish containing both white and Latino congregations. By letting the children speak for themselves through their words, drawings, and actions, *When I Was a Child* stresses the importance of rehearsal, the centrality of sensory experiences, and the impact of expectations in the communicants' interpretations of the Eucharist. In the first sustained ethnographic study of how children interpret and help shape their own faith, Bales

finds that children's perspectives give new contours to the traditional understanding of a common religious ritual. Ultimately, she argues that scholars of religion should consider age as distinct a factor as race, class, and gender in their analyses.
