In national bestselling author Vicki Delany's delightful Tea by the Sea mystery series, Lily Roberts—Cape Cod tearoom proprietress and part-time sleuth—stirs up trouble when she unwittingly serves one of her grandmother's B&B guests a deadly cup of tea . . . Lily has her work cut out for her when a visit from her grandmother Rose's dear friend, Sandra McHenry, turns into an unexpected—and unpleasant—McHenry family reunion. The squabbling boils over and soon Tea by the Sea's serene afternoon service resembles the proverbial tempest in a teapot. Somehow, Lily and her tearoom survive the storm, and Sandra's bickering brethren finally retreat to Rose's B & B. But later that evening, a member of their party—harmless Ed French—dies from an apparent poisoning and suddenly Tea by the Sea is both scene and suspect in a murder investigation! Mercifully, none of the other guests fall ill. They all ate the same food, but Ed insisted on bringing his own special blend of herbal teas. So it seems, amid the whining and dining, someone snuck up to one of Lily's cherished teapots and fatally spiked Ed's bespoke brew, but who? Was it Ed's long-estranged sister-in-law? Did teenage troublemaker Tyler take a prank too far? Or perhaps the family's feuds have been steeping for longer than anyone realizes? It's up to Lily, Rose, and their friends to get to the bottom of the poisoned pot and bag the real culprit behind the kettle murder plot.

Murder Spills the Tea

Lily Roberts pores over the clues in a piping hot new case when a confrontational celebrity chef is murdered at her Cape Cod tearoom during the filming of a popular baking show in the latest Tea by the Sea mystery from national bestselling author Vicki Delany . . . The country's hottest TV cooking show is coming to Cape Cod. And against her better judgment, Lily Roberts is entering America Bakes! with her charming tearoom, Tea by the Sea! Filming is already proving disruptive, closing the tearoom during Lily's busiest season. But tensions really bubble over when infamous bad-boy chef and celebrity judge, Tommy Greene, loses his temper with Lily's staff, resulting in an on-camera blowout with Cheryl Wainwright. Just as Lily thinks the competition can't get more bitter, Tommy is found dead in Tea by the Sea's kitchen . . . murdered with Cheryl's rolling pin. Suspicion immediately falls on Cheryl, but the temperamental star has racked up plenty of culinary clashes in the past, both on- and off-screen. And nearly anyone associated with Tommy or the show could be the killer: be it one of Lily's fierce competitors, a member of the beleaguered film crew, or even one of Tommy's fellow judges—struggling cookbook maven, Claudia D'Angelo or beauty contest winner, Scarlet McIntosh. Now, while she's baking up a storm for the show, Lily must also whip up an impromptu investigation . . . before the murderer rolls someone else away.

Tea & Treachery

In this charming new cozy mystery series from national bestselling author Vicki Delany, a New York City expat-turned-Cape Cod tea shop owner must solve the murder of a local real estate developer to help her feisty grandmother out of a jam . . . As the proud proprietor and head pastry chef of Tea by the Sea, a traditional English tearoom on the picturesque bluffs of Cape Cod, Lily Roberts has her hands full, often literally. But nothing keeps her busier than steering her sassy grandmother, Rose, away from trouble. Rose operates the grand old Victorian B & B adjacent to Lily's tea shop. But an aggressive real estate developer, Jack Ford, is pushing hard to rezone nearby land, with an eye toward building a sprawling golf resort, which would drive Rose and Lily out of business. Tempers are already steaming, but things really get sticky when Ford is found dead at the foot of Rose's property and the police think she had something to do with his dramatic demise. So Lily starts her own investigation and discovers Ford's been brewing bad blood all over town. Now, it's down to Lily to stir up some clues, sift through the suspects, and uncover the real killer before Rose is left holding the tea bag. "A satisfying cozy with a beautifully described setting and a cast of charming, small-town characters. Share this new series with fans of Laura Childs' Tea Shop mysteries." —Booklist

But when the well-to-do groom is found floating facedown in the surf, the locals of Charm, North Carolina, turn their suspicions to his new bride. Could she have been so desperate to lay her hands on his fortune that she arranged for his murder before they even set off on their honeymoon? Everly knows her love-struck friend couldn't be behind the murder, but with clues pointing in several directions, she can't decide which wedding guest is the most likely culprit. Meanwhile, the frustratingly handsome Detective Hays has made it clear that Everly should stay out of the investigation altogether. But with a killer on the loose and a feeling that someone is watching her café very closely, Everly knows that if she can't solve this murder soon, her cake might be iced for good. The second book in Bree Baker's popular Seaside Café Mystery series, *No Good Tea Goes Unpunished* is a delightfully deadly cozy mystery perfect for fans of Joanne Fluke and Kate Carlisle.
