A Texas Destiny, the Saga Begins

A Texas Destiny, The Saga Begins is the prequel to Joe Bax's award winning reconstruction-era epic, The General and Monaville, Texas. The intoxicating notion of free land draws characters to Texas during the early period of Stephen F. Austin's colony, including the family of young Leander Wilhite. When a yellow fever epidemic takes his family, Leander finds himself the owner of over six thousand acres of cotton-growing land. The responsibility matures him beyond his years. The community of Monaville looks to Leander for leadership. He becomes a ranger, chasing Comanches and attempting to protect his neighbors. With the fall of the Alamo, his company joins Sam Houston at San Jacinto. Later, Leander and his community become embroiled in the National debate over slavery issues. The birth of his mulatto son intensifies long-strained friendships and the American Civil War heats to a boiling point. A Texas Destiny, The Saga Begins dusts off old tales that have long since been dropped from the history books. It follows the beloved characters the General, the Colonel, Momma Mae and Blue, and reveals what made them the individuals that they had become. Fictional and historical figures are imaginatively intertwined as Austin, Houston, Bowie, Rose, Zuber, the notorious Pamela Mann, and the entire cast play out their parts on a giant stage called Texas.

A Texas Destiny, the Saga Begins

While observing the childhood of his grandsons, Joe G. Bax realized that his own childhood stood in stark contrast to theirs, and his childhood could never be repeated. Contemporary children, completely supervised and engulfed in technology, could never imagine a childhood of complete freedom, limited only by the boundaries of your imagination. Bax grew up in Meadowbrook, a subdivision in Houston, Texas. Meadowbrook would best be described as a neighborhood designed for the free and unimpeded flow of kids and dogs. On balance, it was an ordinary neighborhood of average families. Yet, those people would make a lasting impression on the children who were fortunate to grow up there. Collectively, Meadowbrook rose to the top as the most influential force in the development of its children. Bax walks you back in time. Using his adolescent voice, he takes you through the pains and joys of his adolescence, ages 5 to 12, during a much simpler time, 1953 to 1961. Let the author guide you through a different era, when respect and tolerance were a given. Discover first hand, how a young boy actually learned of war, college, sex and race. A chronic eavesdropper who relished adult conversations, Bax will show the reader the true educational process at work. Contemporary parents will be amazed at the geographic freedom of an entire generation. As you join this stroll down the streets and alleys of Meadowbrook, be prepared for a lot of humor, some interesting characters and more than a few touching moments.

Meadowbrook

He's fallen for a woman... Anxious to meet her soon-to-be-husband, Dallas Leigh for the first time, mail-order bride Amelia Carson is en route to Fort Worth, Texas. When she steps off the train and locks eyes with her betrothed, she immediately feels drawn to him. But the cowboy standing before her isn't Dallas. Instead, Dallas' brother Houston has been sent to accompany her on the three-week journey to the ranch where she'll begin her new life. Who belongs to another... The war Houston Leigh fought has left him with visible scars, a daily reminder of his cowardice on the battlefield. Denying his intense attraction to Amelia, he is determined to deliver her untouched, as promised. But during their long dangerous trip, he can't help but admire her inner strength and fearlessness. And when she looks at him—as if she can see beyond his scarred face and read his innermost thoughts—he loses his heart to her. Now as they near the ranch, Houston must choose to remain loyal to his brother—or find the courage to fight for the woman he's convinced is his destiny...

Texas Destiny

For as long as he can remember, Rawley Cooper has loved Faith Leigh. But the cruelty of his childhood haunts him and he knows he's undeserving of Faith. When she comes to him on the night of her nineteenth birthday, they both give into temptation. But the searing kiss reaffirms what he's always known: he can't have a lifetime of her in his arms. To protect his heart, he packs his things and heads west. Faith has always adored the boy her parents took in and raised. But she's not certain she can ever forgive him for riding out of her life just when she needed him the most. When an urgent telegram forces him to return six years later, Rawley discovers Faith is now a woman to be reckoned with. As old feelings are stirred back to life and new passions take hold, they both must confront secrets from their past or risk losing a legacy of love.

Texas Legacy

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

Subject Guide to Books in Print

A man on a mission . . . After five grueling years in a Texas prison, Austin Leigh is finally a free man. He can't wait to go home and be reunited with his sweetheart. But when he discovers she didn't wait for him and is now married, he becomes more determined to clear his name of the crime he never committed. Meets the one woman who could offer him salvation—and love . . . En route to the state capital, he meets a young woman, Loree Grant, and her dog. When he learns that they have survived a mysterious tragedy, he is moved—and curious. And as he spends more time with the lovely, intriguing woman, he sees glimpses of a future he had thought was no longer possible as they both find a new lease on life—and a love that can overcome any obstacle . . .

In the Deep Heart's Core

Given in memory of Jameson Garrett Brown by the Rotary Club of Aggieland with matching support from the Sara and John H. Lindsey '44 Fund, Texas A & M University Press, 2003.

People: Almanac 2002

NATIONAL BESTSELLER Written to commemorate the Bicentennial in 1976, James A. Michener's magnificent saga of the West is an enthralling celebration of the frontier. Brimming with the glory of America's past, the story of Colorado—the Centennial State—is manifested through its people: Lame Beaver, the Arapaho chieftain and warrior, and his Comanche and Pawnee enemies; Levi Zendt, fleeing with his child bride from the Amish country; the cowboy, Jim Lloyd, who falls in love with a wealthy and cultured Englishwoman, Charlotte Seccombe. In Centennial, trappers, traders, homesteaders, gold seekers, ranchers, and hunters are brought together in the dramatic conflicts that shape the destiny of the legendary West—and the entire country. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for Centennial "A hell of a book . . . While he fascinates and engrosses, Michener also educates."—Los Angeles Times "An engrossing book . . . imaginative and intricate . . . teeming with people and giving a marvelous sense of the land."—The Plain Dealer "Michener is America's best writer, and he proves it once again in Centennial. . . . If you're a Michener fan, this book is a must. And if you're not a Michener fan, Centennial will make you one."—The Pittsburgh Press "An absorbing work . . . Michener is a superb storyteller."—BusinessWeek

Aristotle and Dante Discover the Secrets of the Universe

View our feature on Barb and J.C. Hendee's *In Shade and Shadow*. The national bestselling Noble Dead saga is "one of those [series] for which the term dark fantasy was definitely intended" (Chronicle) Wynn Hygeorht arrives at the Guild of Sagecraft, bearing texts supposedly penned by vampires. Seized by the Guild's scholars without Wynn's consent, several pages disappear-and two sages are found murdered. Convinced the Noble Dead are responsible for the killings, Wynn embarks on a quest to uncover the secrets of the texts...

"A Long Petal of the Sea meets Luis Alberto Urrea's *The House of Broken Angels* in this epic historical romance about a Mexican woman and an Irish-American soldier who fall in love in the thick of the Mexican-American War"--

13 Days to Glory

A young man only at peace when he is at war Young Halfdan is a slave. He is crafty with a bow and arrow and wise in the ways of the animals, but he can only dream of a warrior's life. That is, until the dark day a Saxon's blows lay his father on his deathbed, and his mother makes a tragic bargain for Halfdan's freedom. A boy's destiny can come at the most terrible price. Halfdan must suffer a grave loss in order to grasp what he most desires: to train by, to live by, and, if the fates decree it, to die by the force of his sword and the swiftness of his arrow. He is to be a warrior -- a great warrior. Bloody, furiously paced, heart-wrenching, and unflinching, this is a story of a land where the destinies of boys and men are forged in the heat of battle. Young Halfdan shall come to know the glories of true brotherhood and the unspeakable horrors of true evil. In this first book in a saga teeming with thrilling details of the Viking world, young Halfdan emerges as a new hero . . . a new myth . . . a new legend.

Centennial

Magiere, half-human child of a vampire, and Leesil her half-elf partner are investigating the sinister murder of a Councilman's daughter in a nearby town. Only her damaged town's desperate need for money could have pressured Magiere to return to the twilight world of crime that she used to inhabit. But this murder is not all it seems, and has all the hallmarks of something much darker, more complicated, more calculating. It seems that someone was trying to send a message, but was it a vampire or an even more dread force? Only Leesil can persuade Magiere to follow her destiny and the call of her blood, before more are claimed by darkness ...

The Publishers Weekly

In the first book of the *Frontiers Saga*, the crew members of the "UES Aurora" discover that what destiny has in store for them is far greater than anyone could have ever imagined.

In Shade and Shadow

He's the son of a chieftain and a princess--yet Halfdan was born a slave. Now he is becoming a man and it is time for him to meet his destiny. Though raised a slave who could only dream of freedom, young Halfdan's fate may be about to change. If freed, he may train as a Viking warrior, and come to know the glories of true brotherhood and the horrors of unspeakable evil. In the world of Vikings, a warrior's destiny is forged in the heat of battle. If the fates decree it, Halfdan may emerge as a new hero . . . a new myth . . . and perhaps a new legend.
