Never Alone (Red Cover)

From the time we're little girls, we long to be loved and accepted—from the playground to the lunchroom to the places where we live and work as grown women. We do our best to prove we're lovable and to avoid being left all alone. But the truth is that it's impossible to walk through life without experiencing the pain and loneliness of betrayal, shame, guilt, loss, judgment, or rejection. These wounds can shape our views of ourselves, others, and God and even make us question if we are worthy of love and acceptance. Whether old or new, our heartache can convince us there's no one who understands or cares. Yet Jesus tells us a different story. In *Never Alone*, author Tiffany Bluhm offers hope and encouragement that as our plans, hearts, and lives change, God does not miss a beat. What we may have mistaken for absence was only our mind questioning his goodness and grace. Tiffany reveals the depth and healing power of Jesus' unconditional love for us and how we will never escape his love. We do not possess that kind of power. If we are willing, we can discover the sacred truth that we indeed, are never alone. Accept your invitation to find healing for your deepest hurts as we experience the unfailing companionship of Jesus—the Rescuer and Redeemer of broken lives and wounded hearts. A companion six-week Bible study *Never Alone: Six Encounters with Jesus to Heal Your Deepest Hurts* is also available for those who would like to dig deeper into the book's topic. Study components, each available separately, include a Participant Workbook with five days of lessons per week, Leader Guide, DVD with six 20-25 minute sessions (with closed captioning), and boxed Leader Kit containing one of each component.

Never Alone

What is the message behind the miracles of Jesus? Max Lucado will take you and your study group on an investigation of the Gospel of John to answer this question and to show us that our miracle-working God is always nearer than we think. When Jesus healed the sick, walked on water, resurrected Lazarus, turned water into wine: what do these miraculous signs mean for us? What do they tell us about our God? John chose the stories and events from Jesus' life that he believed would make his readers understand this essential message about who Jesus is: that God is with us. Each part of this 6-session video study guide (DVD/video streaming sold separately) makes this message clear in a different aspect of our lives. Sessions include: God is With You in the Ordinary God is With You When You're Stuck God is With You in the Storm God is With You in the Dark God is With You in the Valley God is With You When You Need Grace As you work through this study guide, you'll come to understand God's nearness in new ways. You'll see with fresh perspective how God hears us, forgives us, heals us. You'll learn that you are stronger than you think because God is nearer than you know. Designed for use with the You Are Never Alone Video Study available on DVD or streaming video, sold separately.

The Unfailing Love Of Jesus

When life gets difficult, is God paying attention? If I'm facing challenge after challenge, will God help? When my days become dark and stormy, does God notice? The answer in the life-giving stories in the Gospel of John is a resounding yes. In *You Are Never Alone*, pastor and New York Times bestselling author Max Lucado reminds us that our miracle-working God sees us, cares about us, and will always come to our aid, no matter what we're up against. By tracing Jesus' miracles as told in the book of John, *You Are Never Alone* invites us to take a closer look at the good news John shares with each of us: God is never afraid to meet us in the middle of life's messes, extend a helping hand, and lift us out of our troubles. *You Are Never Alone* will equip you to: Get unstuck and take your first step into a better tomorrow Dwell in the grace of the cross and the miracle of the empty tomb Believe that God is your ever-present source of help and hope Take comfort that you are never without God's protection *You Are Never Alone* also includes thoughtful, comprehensive reflection questions designed to go along with each chapter, giving you a chance to dive even deeper into the ways that God walks with you every step of the way.

You Are Never Alone Bible Study Guide

Even in those times where we feel like He is silent, God is always speaking to us. Sometimes it's in ways we weren't really expecting, and other times we've been in eager anticipation for an answer or a word. Love Notes: Love Notes from the Father, is an expression of God's love through the use of prophetic art. It is putting a visual to the ways that God speaks to us, the way He loves us, the way He sees us, and different ways He uses to encourage and edify the body of Christ. There are people struggling every day with feelings of inadequacy, insecurity, and feeling like they're unlovable. The number of people feeling lost, alone, and without hope is countless. Love Notes was written for the purpose of building up the body of Christ; for the purpose of encouraging others, and showing you that not only are you not alone, you are greatly loved, valued, and cherished. There is a love note drawn and written in this book for everyone who turns its pages. Which ones are yours?

You Are Never Alone

The man who lives in God is never out of season. It is a disaster as a Christian to be alone and spiritual crime to claim you can do all things beside God. To be alone is not a good option to life. This day, things are falling apart, the centre could not hold. In the journey, we will encounter obstacles and challenges. At times, these challenges are the creations of the devil to slow down our success. We have common enemy who seeks to keep and hold us in bondage. He is Satan. He is against our freedom and growth. If we are to succeed, we must be aware of his antics and have courage for freedom. Without Christ we are in crisis. It is a plus to be in Christ, and majority to be in him. To be in Christ is non-negotiable. He is the gate way that leads to success. With Christ: Weakness Fear Hopelessness dies while Strength Power and courage are born. The Christian is strong or weak

depending upon how closely he has cultivated the knowledge of God. The nearer we come to God, the more graciously he reveals himself to us. You can't be alone. No physician like the Lord, no tonic like his promise, no wine like his love. Find out more in this book. I say good luck. A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Never Alone

"Time Alone With God: A Devotional Study for Discovering Renewed Hope in God," is a book of devotions that have been compiled into book form, so rather than reading a devotion every day, this book will become a personal Bible study between the reader and God and one of the greatest inspirational books you will read. This book is filled with inspirational words that will become words of encouragement to the reader as they take a personal journey with God...a journey that will lead them away from despair and bring them to a place of renewed hope. "Time Alone With God: A Devotional Study for Discovering Renewed Hope in God," has eight different sections, many chapters, and tidbits of hope throughout the book. The first section is dealing with an unsettled circumstance or the moment of adversity...the time when we feel the weakest. From there, we go into a section that helps us to understand, what can allow us to fall further into despair or what can lead us into other traps set up by Satan and then we do a study on Satan and the plan he has for keeping us in despair. As we come to the center of the book, we will study the things that will help us to view our trials in a different way, so we can see them through God's eyes, instead of our own. From there, we learn in section five, how we can weaken evil and as we enter section six, we begin to take a new turn away from our despair and study the things that will bring us to a healing. From there, we will enter section seven and learn how we can continue to press on with God's help, especially after overcoming a previous circumstance. As we enter the final section of the book...section eight, we will study a renewed hope that can usher us into the presence of God. In this section, we will study the peace of God...the peace that can calm any new storm that may arise. Then we will study different forms of love that can bring renewed hope back into our lives and finally, we will view eternity, as the final step of our journey. In this chapter, we will study how important it is to remain close to God, especially during times of adversity and we will come to see, that each choice we make in life, can keep us doomed within our despair or our choice can be a means of God eternally lifting us out of despair. We do not always understand the reasons for these moments of adversity but one thing we do know; is that with God in our lives, there is a way out... a means of walking beyond a powerful circumstance, to discover a greater connection with God! Time Alone with God: A Devotional Study for Discovering Renewed Hope in God will lead you to words of wisdom; that come from a powerful God and will become one of the best motivational books you've ever read!

Lonely, But Never Alone

Matthew's gospel focuses on the Kingship of Christ—that Jesus is Lord of Lords, the Messiah, the One promised by the prophets of old. But a king is not born in a manger, to a virgin peasant, and a king is definitely not executed on a Roman cross, is he? Actually, that's exactly the type of King God sent to the world. While the Jews were looking for a political king to save them from Roman oppression, God sent them and the rest of the world a different type of Savior—one that would reconcile God's people to himself, once for all. Pastor, author, and Bible teacher Warren Wiersbe highlights significant cultural and historical aspects that arise in Matthew's gospel to paint for readers a clearer picture of this glorious, unexpected, but all-satisfying King of Kings.

Time Alone with God: A Devotional Study for Discovering Renewed Hope in God

Have you ever wondered about Christ's opinions and comments on the affairs of the modern world? Together answers your questions as it contains commentaries by Jesus in our era. The purpose of the book is to reveal the loving character of Jesus as he comments on individual, church, and world conditions. McDermott does not hide his frailties either, as Christ directs and corrects him. The Lord's comments on the American scene are really a commentary of what he has already revealed to the apostles and disciples in truths we have overlooked or avoided. He is reaffirming His eternal truths. Absorbing the knowledge contained in the book will hopefully encourage your personal relationship with the Creator.

Together

Best-selling authors Shane Claiborne and Tony Campolo talk candidly about the life and teaching of Jesus and the wisdom he offers our fractured world. For all the Christians facing conflict between Jesus' words and their own lives; for all the non-Christians who feel they rarely see Jesus' commands reflected in the choices of his followers; Red Letter Revolution is a blueprint for a new kind of Christianity, one consciously centered on the words of Jesus, the Bible's "red letters." Framed as a captivating dialogue between Shane Claiborne, a progressive young evangelical, and Tony Campolo, a seasoned pastor and professor of sociology, Red Letter Revolution is a life-altering manifesto for any Christian. It is a call to a lifestyle that considers first and foremost Jesus' explicit, liberating message of sacrificial love. Shane and Tony candidly bring the words of Jesus to bear directly on contemporary issues of liturgy, community, Islam, hell, homosexuality, civil disobedience, and twenty other critical topics for modern believers. The resulting conversations reveal the striking truth that Christians guided unequivocally by the words of Jesus will frequently reach conclusions utterly contrary to those of mainstream evangelical Christianity. If the Jesus who speaks to you through the gospels is at odds with the Christian culture you know, if you have ever wanted to stand up and say "I love Jesus, but that's not me," Red Letter Revolution will prove that you are not alone—you may have been a Red Letter Christian all along.

Red Letter Revolution

From the time we're little girls, we long to be loved and accepted—from the playground to the lunchroom to the places where we live and work as grown women. We do our best to prove we're lovable and to avoid being left all alone. But the truth is that it's impossible to walk through life without experiencing the pain and loneliness of betrayal, shame, guilt, loss, judgment, or rejection. These wounds can shape our views of ourselves, others, and God and even make us question if we are worthy of love and acceptance. Whether old or new, our heartache can convince us there's no one who understands or cares. Yet Jesus tells us a different story, promising us that we are never alone. In this six-week study, Tiffany Bluhm reveals the depth and healing power of Jesus' unconditional love for us through a refreshing look at encounters He had with six shame-filled, hurting women in the Gospels: the woman caught in adultery, the hemorrhaging woman, the woman at the well, the woman who anointed Him, Mary Magdalene, and Mary, the mother of Jesus. Each life-changing encounter reveals a compassionate Redeemer who offers hope, second chances, and grace-giving love—helping us to recognize and embrace our own incredible value as well as our indispensable role in the Kingdom. With powerful teaching and authentic sharing from her own life and the lives of others, Tiffany invites us to find healing for our deepest hurts as we experience the unfailing companionship of Jesus—the Rescuer and Redeemer of broken lives and wounded hearts. The participant workbook includes 5 lessons for each week with space for recording reflections and answers. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 20-25 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components).

Never Alone - Women's Bible Study Participant Workbook

What does it mean to be a disciple? The call of discipleship is more than programs and Bible study. In King Jesus and the Beauty of Obedience-Based Discipleship, David Young presents a bold call

for obedience-based discipleship and argues that it alone is the proper response to the kingship of Jesus. Many have wrongly associated obedience with bad theology, believing that Jesus' demand for obedience is a form of works righteousness or legalism. Others simply don't like obedience and resist the demands Jesus makes in calling us to follow him. But if we surrender to the kingship of Jesus, we will find the life we were designed to live. We are accustomed to calling Jesus "Savior." And we should. But until recently, many in the Western church have not learned to call Jesus "King." The kingship of Jesus has implications for how we live. We can either rebel against him, raising puppet kings and constructing our own kingdoms, or we can submit to him in obedience-based discipleship. Could it be that you are still sitting on the throne of your life, treating King Jesus as a mere advisor? What would change in your life if you started treating Jesus as nothing short of your King? Young unpacks five principles for those who wish to follow Jesus as King. Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living, a life of power, peace, beauty, and love. This is eternal life, that we would know and follow Jesus as King of the Universe, and king over our lives. After all, you don't merely believe in kings. You obey them.

We spend countless hours filling the emptiness with our careers and outside activities; and yet at the end of the day we still feel like orphans; our hearts cry out for a sense of belonging. No Longer an Orphan reveals God's desire to give us that sense of belonging. The book shares twenty-seven distinct character traits of God that will bring clarity and understanding to the truth that we are never alone. Using real life examples, the reader has the opportunity to fully embrace and understand God's true capacity to love, nurture, and protect us.

Stories of the Good Shepherd

Worshipping the One True God Human nature has changed very little over the centuries. Overtime men have forsaken God's ways and created their own ways to worship God. Instead of creating idols made by hands they create idols with their imaginations. Jesus Christ, in his time, was at constant loggerheads with the religious leaders of his time. Most of them thought that they had all the right answers. Most of them believed that they did not need Jesus' ministry. He became a stumble stone and a rock of offense to them. Man's way is never God's way. God has desired a family who will listen to him, believe him and do his will. Each member of God's family is important and has a special purpose in the body of Christ. Each member is endued with power from on high and can perform signs, miracles and wonders.

While attending the University of Rhode Island in the middle 1970's the author encountered a group of Christian students the introduced him to God's Word. He took several biblical classes with this group. Over the following thirty-two years he has taken several more from various groups. He has run bible fellowships in his home over the years. He obtained his Bachelor of Science degree from the University of New York at Albany. He currently is a middle school teacher in Rhode Island. He and his wife, Diana, have nine-year old triplets and they run a family fellowship in their home. The author continues to study and is working on his second book, As for Me and My House, We Will Serve The Lord.

Be Comforted

When we go through challenges and face trials and tribulations in our lives, many times, we think that we are alone. It's so important for you to know that you are never alone. Keep in mind that someone else may be facing the same exact issue(s) as you or maybe going through worse. Just know that you can overcome any obstacle in your life, any challenge thrown at you because you have Christ as your foundation. He gives countless reminders in His Word of how we are to fight this great fight. May this book provide you with the encouragement needed to help you continue to stand, push through, and fight. As believers, we are only passing by on this earth, awaiting the return of our Lord and Savior, Jesus Christ. Until then, don't lose hope and know you have a greater reward to look forward to. With Jesus on your side, you can do all things through Christ who gives you strength. This is not intended to replace reading the Bible but to be used as a supplement. It is also not to say that you don't already know His Word, but it serves as a reminder of what God's Word says during those moments when we lose sight. Apostle Peter emphasizes this in 2 Peter 2:12, "For this reason, I will not be negligent to remind you always of these things, though you know and are established in the present truth. Yes, I think it is right, as long as I am in this tent, to stir you up by reminding you." May this book serve as a reminder to you of God's grace and His love for you. Blessings.

No Longer an Orphan

Moving, Personal Accounts of God's Love from 12 Noted Leaders The Church is known for many things. Love is not usually one of them. Is it possible to show a hungry world the kind of love the Bible promises? Here are candid stories from twelve respected leaders in the renewal today, promising us that the agape love of God is strongly at work--if we are willing to be vulnerable for his honor. Jesus challenges us to let him pour out his love through willing vessels. These remarkable stories inspire us to become outlets of the love through which Jesus will change the world. Contributors are Heidi Baker, Stacey Campbell, Mahesh Chavda, James W. Goll, Joan Hunter, Harry R. Jackson Jr., Patricia King, James Maloney, Jackie Pullinger, Mickey Robinson, Doug Stringer, and Barbara Yoder.

100 Stand-Alone Bible Studies

By reading your Bible and studying God's precious Word, you can know the presence of Jesus abiding with you every moment of everyday. Whether you are a new Christian, a long-time believer, or just someone in search of a savior, author Jackie Burrell has created The King: Drawing Closer to the Heart of God to help encourage and guide you through this process. This study is designed as a month-long, daily devotional, but can be taken at whatever pace you feel comfortable as you soak in God's truths and linger over his messages for your life. You'll be prompted to look at your heart through the eyes of Christ. Through this perspective, you will come to a new awareness of his great love for you and of his willingness to help you succeed. Through the study of his Word, you'll realize that God is not distant and out of reach, and you're not just a tiny dot on his radar. You'll discover an intimate God who desires your company, longs to share his heart with you, and wants to be The King of your life.

God Has Not Forgotten You

The National Institute of Mental Health estimates sixteen million adults in the United States suffer from some form of depression. The World Health Organization estimates 350 million people in the world suffer from depression. Over thirty thousand suicides take place in America each year above sixty percent suffered from depression. The suicide epidemic has become the fourth leading cause of death among adults ages eighteen to sixty-five. This sermon topic seems to be overlooked by our pulpits today. There are millions of Christians within the 350 million suffering from depression. These brothers and sisters in Christ are suffering from something they cannot control. They awake each day to another day of dread, crying out to God for relief with none in sight. Lost in a dark, never ending tunnel, looking for a way out. No light, no hope, and no direction. There is a stigma attached to being a Christian suffering

from depression because we believe this is not supposed to happen to real Christians. After all, aren't we to be content in all things? We are to put on the garment of praise for the spirit of heaviness. How do we share our condition with other Christians who are void of understanding? We are not alone in our fight to drive this beast out of our lives. There are millions fighting this battle each day. Searching for the light at the end of the tunnel. The time has come to talk about depression in Christianity.
