Introduction

What is bullet journaling?

What's the difference between a bullet journal, a regular journal, a planner, and a diary?

What's the terminology I should know?

How do I start?

What should I include, and in what order?

What do I need to start started?

What kind of materials are suitable for people on a budget?

Can you recommend XYZ?

How do you make sure your journal doesn't get too bulky?

How has bullet journaling been effective for you over regular journals?

Which spreads were things you thought you needed, but have never used consistently?

Which sections of your bullet journal do you consider essential now?

Where did you start, can we see your first bullet journal?

What are some of your favourite layouts and the ones that you really didn't like?

How do you fix mistakes in your journal?

What advice did you get when you first started journaling that has stuck with you?
