The Road of Blessing

There is a God. We are created by God, the universe is created by God, and 'all things work together for those who love God'. If we follow the Maker's instructions, things tend to work better. Therefore, there is a 'with the flow' way to go, and an 'against the flow' way to go. How do we know which is which? What is the path of blessing? Using the markers of scripture, conscience, nature, observation, the faith community and the faith tradition, Pen show us how to discern the road of blessing in regard to money, relationships, the home, and the acceptance of responsibility. The outcome may not bring prosperity, but it will probably include joy.

The Real Narrow Path into the Hidden Kingdom of God

This book was birthed as a result of seeing many sincere Christians falling into heresy, myths, and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit. The contents of this book are not fictional. They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches. This book is dedicated to help those who want to move in the Spirit of God, to be truly led by him and not by man-made rules and teachings, which have no power to manifest the presence of God in their walk. The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living. The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit; these are Numbers 33:33, Job 33:33, and Ezekiel 33:33.

The Secret Code to Abundance

We all know the creation story in the book of Genesis. God made Adam and Eve and put them in the garden He had already prepared for them. They enjoyed full supply, prosperity and abundance with nothing missing, nothing broken. So what would have happened if Adam and Eve had not disobeyed God? How would they have continued living in dominion on earth? Answering these questions require an understanding of God's secret code to abundance that was established from the beginning. In this new book, I will show you how God intended for His children to live on the earth, although our citizenship is in heaven. What is the secret and unique methodology for abundance God instituted specially for those that serve Him? For a long time, the Church has taught about Seedtime and Harvest as the only pathway to prosperity and wealth. This is correct, but not complete. The Bible states that Joseph was a Prosperous man for the Lord was with him. But there is nowhere in the Joseph story where he ever sowed a seed or offer any material offering to the Lord. So how did he prosper? He used God's secret code. Seedtime and Harvest principle was not directed exclusively at believers. It is a law that is meant for ALL that live on the earth. Regardless of your faith or religion, if you plant a crop in the right soil, it will grow. So this principle, just like the law of gravity, works for everybody who work it. But what is the unique attraction and benefit we get as God's children? There is a secret code God has put in place to enable His children prosper far above those serving Satan. This book will change your paradigm forever and equip you to embrace your destiny of abundance as a child of the King for dominion in His kingdom. We are set apart for for this unique blessing, now it is your time to prosper and occupy till He comes. Get ready to enlarge and increase as we possess our inheritance in Christ Jesus.

God's Pathway to Eternal Prosperity

So, you will leave no stone unturned in your quest to become rich and famous. God has a plan for you that will give you hope and prosperity. He owns everything, and shares it with us based on our needs and our ability to manage it. His blessings include wisdom, talents, wealth, health, and long life. What is your investment strategy? How are you going to manage the resources that God has entrusted to your stewardship? Our treasures can be temporary or permanent. We should invest in permanent treasures that bring us peace and eternal treasures in the mansions of heaven that Jesus is preparing for his obedient children. Why not invest in this eternal inheritance? God has permanent interest in our total wellbeing, particularly the wellbeing of our souls. He died on the cross to redeem us back to himself and save us from eternal damnation. Jesus has returned to the glories of heaven, and soon, his children will join him. All God asks is that we put value on our souls, come to him by faith, and find grace and mercy. Our souls are worth everything that we own.

The Path of Prosperity

What Is Prosperity? Prosperity is not only money--in your pocket, in the bank, in your stock portfolio and CDs. True prosperity is the sense of abundance--the sense that you have the right to live an abundant life. That you are a child of a wealthy Father and Mother who love you and want to give you all their riches. Prosperity is your true inheritance. It is health, wealth, happiness, joy, peace, faith, hope, wisdom, being in tune with the flow of the universe and able to accept the abundance of God. And now, as the golden age of Aquarius dawns, it is time to claim your own prosperity. Secrets of Prosperity succeeds when so many similar books fail. It teaches us why learning to manifest prosperity is part of our divine plan and key to our spiritual progress. In Secrets of Prosperity the seemingly contradictory goals of material wealth and spiritual growth come together. Annice Booth has brought us an ancient teaching applied to a new millennium --Sidney Bennett, Bank Vice President

Secrets of Prosperity

This prosperity manual was written from the basis that thought is a substantial influence on the world such as electricity, steam, heat and light. That every person can control, direct, transform and dissipate their thoughts in the same way that manipulates the forces that are evident to their five senses. If the person who takes this book, has studied psychology and metaphysics from this point of view, has undoubtedly had evidence of this power of thought. If you have not done it, then approach this book with an impartial mind willing to investigate and not judge until you have all the evidence and have given a complete judgment to the recommended practices and applications. In many cases, the simple attentive reading of the book will be sufficient to produce a marked change for better in the affairs of one. But the most fervent desire of the author, is not that a person is simply prosperous in their worldly affairs for this volume, but that this little book is the door of a new life. And that you continue, studying other works, of the same nature, until you know all the joy and freedom that many other people have arrived, who have found their peace and happiness living the principles that are defended here. The author will always be happy to listen to those who have benefited from these teachings. Cal. A.R.M. Easter 1913 "Prosperity" by Annie Rix Militz is a book that addresses the theme of prosperity from a spiritual approach. The author argues that the divine mind (superconscious mind) is the only reality and that incorporating the ideas that form that mind into our rational mind and persevering in them, we can develop a powerful inner strength. The author also makes a distinction between worldly wealth and true spiritual wealth and suggests that we must first seek spiritual wealth and then be able to access material wealth. In addition, the book defends that prosperity and spirituality must be linked and that it is the person who must make this union through maintaining the right attitude in the mind and in the heart.

On Abundance And Right Livelihood Essentially, God tells us in Conversations with God that most of us do not understand what abundance really is. We confuse it with money. Yet when we take stock of that in which we truly are abundant, and choose to share it freely with everyone whose life we touch, we find that what we thought was abundance money comes to us freely. Even this chain of events, however, many of us cannot accept. For when we think of money, we imagine that it is an experience and an energy that stands outside of the reality of God. Yet there is nothing in the universe that stands outside of the reality of God, that is not a part of God. Once we understand that money is a part of what God is, our attitude about money changes. We see it as an extension of the glory of God, not the root of all evil. This can produce astonishing results.

The challenge then lies in figuring out how to use our talents to accomplish the things we want. In the next few chapters I will show you step by step how to systematically go about making your dreams happen. But we don't realize that we all have the ability to do those very same things. There are thousands of ways that people could think of to become successful. Everybody's idea is different than another. You could achieve financial independence, and become free of the fear that sometimes seems to have a stranglehold on your life. I say, and have always said that we are programmed and destined for success to achieve all of our life's ambitions. There is one thing you must do and do very well however, and that is to have your thoughts and your desires outlined and organized. You have to extinguish all of your negative thoughts, and think about what will come when you start to put your dreams and goals in the forefront of your life. This is not that difficult and I will show you step-by-step foolproof actions that you can take today and everyday to get you where you want to be.

Break Through to Wholly Living Workbook

God wants you to prosper and it is He who gives the power to get wealth. So, if God gives the power to get wealth as the scripture above shows then, he must have principles that we can seek to understand and engage to get wealth. Unlike the natural ways of acquiring wealth, God's principles are built on His integrity hence, they are unchanging and cannot fail. The people of this world practice only the natural principles but, these principles can work today and fail tomorrow depending on the economic situation. This explains why someone may be so rich today and become so poor and helpless tomorrow. The recent crash of Wall Street and the more recent devaluation of some global currencies are pure examples of how fickle and unstable the natural principles of wealth are. We therefore cannot rely on natural ways of getting wealth alone, we need to understand supernatural principles and how they work. Our primary focus in this book would be on how you can prosper by seeking the kingdom of God and his righteousness and how to prosper by the covenant of prosperity.

Every human being is unique, and we all have different paths and destiny. Though, one may practice natural and supernatural principles of prosperity, which are universal and will thus deliver results to anyone who applies them correctly, every individual still needs specific direction from God that would lead him or her into his or her own destiny in Christ. The failure of many can be traced to lack of direction, because though they apply the principles of prosperity, they apply it outside God's ordained location or place for them, hence they do not succeed. No matter how much you labour or how many principles you practice, if you are outside God's present will for your life, you may not succeed. You therefore need

divine direction to access the prosperity specific to your destiny. This is the focus of this book. Come along with me.

How I Gave My Way to Personal Wealth: A Spiritual Guide to Prosperity

Arthur W. Pink has become known as a masterful expositor of the Word of God. Both his expository works and some of his doctrinal works have long been in print. His deep concern for experimental Christianity and the practical Christian life, however, is not so well known. Yet he wrote many short series and single articles on what Scripture has to say about the inner man. And in writing these articles Pink expounded the Scriptures as penetratingly as he did in his expository and doctrinal writings. His practical Christianity, then, is not a collection of pious thoughts on the Christian life or a simple outline of Scripture, but a full treatment of the subject.

How many times have we heard people say that money does not fall from the sky. They told us and focused this phrase on us so much in our minds that we really ended up believing in that falsehood. Everything you want, if you believe it, then you create it. based on the knowledge acquired through reading the Bible, the teachings of Jesus and the prosperity that God himself gave to his patriarchs, starting with Abraham, Isaac, Jacob and all the other people that God gave an amazing and wonderful way gave them great blessings and prospered their way in everything and following the teachings of Jesus and that the same word says that God will open heaven in your favor and prosper you with everything you do, with all The work that you do with your hands and the Lord when he opens the sky of his great treasure, of that great deposit that God has in heaven, you are going to pour it into your hands to prosper your path, full of blessings. God wants you to be rich, prosperous, and successful. Not all people who are rich are successful, nor do they have prosperity; but if all the successful and prosperous people enjoy a lot of money. In heaven is the deposit, that greatest treasure that not even the human mind can imagine and God wants to share it with you from this very moment, loaded with blessings, those blessings that when they come from God are forever, because the things of this world they are temporary; but those that come from God are eternal, 2 Corinthians chapter 4 verse 18. Enjoy each line of this book and I assure you that in each of them you will find exciting stories, efficient proof that Money if it Falls from Heaven, may God bless you greatly and give you success and much prosperity. Everything belongs to you and this is the moment that you have to know that the harvest time has already arrived and you have to start collecting it Jeremiah chapter 33 verse 3, cry out to me I will answer you and I will show you great and hidden things that you do not know, here I will show you the correct way to start harvesting the harvest that comes from heaven. You will know the way so that you can choose your destination yourself.
