circle-opens-series-shatterglass

Shatterglass, The Circle Opens, Tamora Pierce, fantasy novel, book series

Shatterglass is the fourth book in Tamora Pierce's The Circle Opens quartet. The story continues the adventures of Briar, Rosethorn, Sandry, and Tris as they hone their unique magical abilities. This installment focuses on Briar's journey as he travels to a new land and grapples with moral dilemmas while using his plant magic to solve mysteries and help those in need. It's a compelling addition to the series, exploring themes of responsibility, justice, and the power of inner strength.

The Circle of Ceridwen

Now in Hard Cover - The Complete Saga! It is the year 871. Of seven Anglo-Saxon kingdoms, five have fallen to the invading Vikings. . Across this war-torn landscape travels fifteen year old Ceridwen, now thrust into the lives of the conquerors... Epic...immensely satisfying...an impressive achievement - Historical Novel Society

The Healer's Secret

In this series opener, history, secrets, and a second chance await a troubled English woman in her family's Italian villa. Jennifer's life isn't going as she planned. Fired from her job and on the brink of divorce, her only salvation lies at the bottom of a wine bottle. When her mother insists she get away

from everything, she reluctantly agrees to explore her Italian roots in Tuscany. Staying in her family's centuries-old cottage, she becomes embroiled in a mysterious tragedy involving her great-grandmother. As she delves further into her ancestors' history, she discovers there is more to her heritage than meets the eye. Ghosts from the past could give Jennifer something she thought she'd never have: a future. But that depends on whether she can resist temptation and avoid slipping back into her old ways. Will she be able to conquer her inner demons and discover the healer's secret? Helen Pryke is also the author of the Maggie Turner mysteries. *The Healer's Awakening* is a compelling saga with a touch of romance. It's the perfect read for fans of authors like Philippa Gregory, Lindsey Jayne Ashford, and Dinah Jefferies.

Sandra's Saga and Matthew's World

Sandra Seehaver, a young coed at Central Michigan University, falls head over heels for Matthew Morgan Stewart, a fighter pilot in the US Air Force in the mid-1960s. But this relationship isn't typical: Sandra is white, and Matthew is black. They fall in love and tie the knot as husband and wife. Sandra becomes pregnant with their first child. Then the Vietnam War comes into focus. Matthew is sent to Southeast Asia while Sandra is bearing their son. When it's believed he is killed, she holds on and gives birth to Matthew Morgan, Jr. She also confronts hates and division with her baby. When Matthew returns home, they have more children. By 1978, Matthew Junior is eleven and discovers a world of his own, especially with Marcia Kozlowski, a sixteen-year-old who's a product of a black mother and Polish father. Her world is fragile by hate of both sides of her family.

The Uninhabitable Earth (Adapted for Young Adults)

An exploration of the devastating effects of global warming—current and future—adapted for young adults from the #1 New York Times bestseller. This is not only an assessment on how the future will look to those living through it, but also a dire overview and an impassioned and hopeful call to action to change the trajectory while there is still time. The climate crisis that our nation currently faces, from rising temperatures, unfathomable drought, devastating floods, unprecedented fires, just to name a few, are alarming precursors to what awaits us if we continue on our current path. In this adaptation for young adults from the #1 New York Times bestseller, journalist David Wallace-Wells tells it like it is, and it is much worse than anyone might think. Global warming is effecting the world, if left unchecked, it promises to transform global politics, the meaning of technology and the trajectory of human progress. In sobering detail, Wallace-Wells lays out the mistakes and inaction of past and current generations that we see negatively affecting all lives today and more importantly how they will inevitably affect the future. But readers will also hear—loud and clear—his impassioned call to action, as he appeals to current and future generations, especially young people. As he states: “the solutions, when we dare to imagine them . . . are indeed motivating, if there is to be any chance of preserving even the hope for a happier future—relatively livable, relatively fulfilling, relatively prosperous, and perhaps more than only relatively just.”

Mathew's Tale

No better friend, no deadlier enemy... In *Mathew's Tale*, his landmark fortieth novel, Quintin Jardine tells the remarkable story of a man's quest for justice - at any cost. Perfect for fans of C.J. Sansom and Paul Doherty. 'Once I picked it up, I couldn't let it go' - Michael Jecks 1818, Carlisle, Lanarkshire. Mathew Fleming returns home to Scotland following heroic service at the Battle of Waterloo. After seven years away, he is a ghostly presence to those he left behind. But Mathew is ambitious and soon becomes a man of influence in his county and beyond. Yet through all his success, he still hides the loss of his one true love. When a terrible act of murder occurs, Mathew must choose between the rule of blood and the rule of law. And as a man of honour with a warrior's instincts, he embarks on a journey of

vengeance that will test every sinew of his faith in mankind... What readers are saying about Mathew's Tale: 'The quality of the prose, which feels authentically early 19th-century and has such a skilled lightness about it, sucks the reader in and [this book] becomes an addictive read' 'Mathew's Tale is full of colour, immersing the reader in a bygone age with deceptive ease. It is such a pleasure to read' 'This is a highly accomplished, sensitive novel, enriched by great storytelling, characterisation and historical setting and mood'

The Lost Years of Merlin

When Merlin, suffering from a case of severe amnesia, discovers his strange powers, he becomes determined to discover his identity and flees to Fincayra where he fulfills his destiny, saving Fincayra from certain destruction and claiming his birthright and true name. Reprint.

Rerolling Boardgames

Despite the advent and explosion of videogames, boardgames--from fast-paced party games to intensely strategic titles--have in recent years become more numerous and more diverse in terms of genre, ethos and content. The growth of gaming events and conventions such as Essen Spiel, Gen Con and the UK Games EXPO, as well as crowdfunding through sites like Kickstarter, has diversified the evolution of game development, which is increasingly driven by fans, and boardgames provide an important glue to geek culture. In academia, boardgames are used in a practical sense to teach elements of design and game mechanics. Game studies is also recognizing the importance of expanding its focus beyond the digital. As yet, however, no collected work has explored the many different approaches emerging around the critical challenges that boardgaming represents. In this collection, game theorists analyze boardgame play and player behavior, and explore the complex interactions between the sociality, conflict, competition and cooperation that boardgames foster. Game designers discuss the opportunities boardgame system designs offer for narrative and social play. Cultural theorists discuss boardgames' complex history as both beautiful physical artifacts and special places within cultural experiences of play.

Roma

'A compelling storyteller, with a striking talent for historical reconstruction' Mary Beard A epic novel of ancient Rome in the tradition of Edward Rutherford and James Michener. Roma is the story of the ancient city of Rome, from its mythic beginnings as a campsite along a trade route to its emergence as the centre of the most extensive, powerful empire in the ancient world. Beginning with the prehistory days when Roma was a way station among seven hills for traders and merchants and the founding of the city itself by Romulus and Remus, critically acclaimed historical novelist Steven Saylor tells the epic saga of a city and its people, its rise to prominence among the city-states of the area, and, ultimately, dominance over the entire ancient Western world. From the tragedy of Coriolanus, to the Punic Wars and the invasion by Hannibal, the triumph and murder of Julius Caesar, and the rise and decline of the Roman Republic and the beginnings of Imperial Rome, Saylor's breathtaking novel brings to vivid life the most famous city of the ancient world. Roma is Saylor's finest achievement, an epic in the truest sense of the word. Praise for Steven Saylor: 'Saylor expertly weaves the true history of Rome with the lives and loves of its fictional citizens.' Daily Express 'Saylor's scholarship is breathtaking and his writing enthrals' Ruth Rendell 'With the scalpel-like deftness of a Hollywood director, Saylor puts his finger on the very essence of Roman history.' Times Literary Supplement 'Readers will find his work wonderfully (and gracefully) researched... this is entertainment of the first order.' Washington Post 'Saylor's scholarship is breathtaking and his writing enthrals' Ruth Rendell 'The most reliably entertaining and well-researched novels about the ancient world [are] Steven Saylor's tales of the Roman proto-detective Gordianus the Finder. The Throne of Caesar brings the series to a satisfying conclusion [and offers] a new, compelling perspective on familiar historic events' Sunday Times

New Zealand Books in Print

Gossip Girl meets Mad Max in this breakneck thriller from an international bestselling author where the line between rich and poor is the line between life and death. 'The windows on all the skyscrapers are smashed . . . No power, no lights, no people . . .' When Skye Rodgers and her twin brother Red move to Manhattan, rumours of a coming global apocalypse are building. But this doesn't stop the young elite from partying without a care. Then Skye joins an exclusive gang known as the Secret Runners of New

Yok. But this is no ordinary clique. They have access to an underground portal that can transport them into the future. And what Skye discovers there is horrifying . . . What would you do to survive?

The Secret Runners of New York

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Imperial Leather

An uncontrolled passion. A heart-breaking decision. A battle that seals the Fate of all. Ninth-century Saxon England crumbles under the onslaught of a relentless foe - the Danish Vikings. The Fate of all at Kilton hangs in the balance in a single terrifying battle... Meticulously researched and thrillingly brought to life.

Ceridwen of Kilton

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Ask a Manager

It is said that every man is haunted by one mistake... The year is 881. Ceridwen and Sidroc build their new lives together on the Baltic island of Gotland, where they are free and unknown. They feel protected and safe -- until the shattering arrival of the one person they fear most in the world... Continue the Saga: The Hall of Tyr

The Hall of Tyr

Natives of tiny fishing hamlet Homer, Alaska, sons of a hard-bitten, highly successful fisherman, and born with brine in their blood, Johnathan and Andy Hillstrand couldn't imagine a life without a swaying deck underfoot and a harvest of mighty Alaskan king crabs waiting to be pulled from the ocean floor. In pursuit of their daily catch, the brothers brave ice floes and heaving waves 60 feet high, the perils of 1000 pound steel traps thrown about by the punishing wind, and the constant menace of the open, hungry water. If you've watched their exploits on TV's 'Deadliest Catch', you've only scratched the surface. To read TIME BANDIT is to step into their skins, smell the sea air, feel the frigid wind, and know with all your senses the exhilarating and terrifying life on the edge. Here is the Hillstand's own heartfelt hymn to the brutally hard, gloriously independent, and mysteriously soul-satisfying life that has earned them their daily bread and defined their existence. By turns raucous and reflective, enthralling and anguished, suspenseful, and wise, TIME BANDIT chronicles a larger-than-life love affair as old as civilisation itself - a love affair between striving, willful man and inscrutable, enduring nature.

Time Bandit

A sequel to Earthly Joy follows the life of John Tradescant the Younger, who works as a gardener to King Charles I before fleeing to the Royalist colony of Virginia in order to protect his family, a decision that tests his botanical talents and involves him in the plight of Native Americans whose lives are threatened by colonial settlers. Reprint. 85,000 first printing.

Current Law Index

It is the year 871, when England was Angle-Land, and largely fallen to the invading Vikings. Ceridwen, lost in the frozen woods, is discovered by warriors accompanying young Aelfwyn, daughter of a Saxon lord, sold into marriage to a Viking war chief as part of a peace treaty. Becoming fast friends with Aelfwyn, Ceridwen joins the group to their destination- the captured fortress of Four Stones. There, Ceridwen finds living with the enemy affords her unusual freedoms and she find contentment in helping Aelfwyn restore the Four Stones to glory, until a new arrival shatters their peace and sets Ceridwen on an extraordinary adventure to save a man she has never met.

Virgin Earth

Narnia meets traditional Indigenous stories of the sky and constellations in an epic middle grade fantasy series from award-winning author David Robertson. Morgan and Eli, two Indigenous children forced away from their families and communities, are brought together in a foster home in Winnipeg, Manitoba. They each feel disconnected, from their culture and each other, and struggle to fit in at school and at their new home -- until they find a secret place, walled off in an unfinished attic bedroom. A portal opens to another reality, Askí, bringing them onto frozen, barren grounds, where they meet Ochek (Fisher). The only hunter supporting his starving community, Misewa, Ochek welcomes the human children, teaching them traditional ways to survive. But as the need for food becomes desperate, they embark on a dangerous mission. Accompanied by Arik, a sassy Squirrel they catch stealing from the trapline, they try to save Misewa before the icy grip of winter freezes everything -- including them.

The Claiming

Based on true accounts of how Parisiennes resisted the Nazi occupation in World War II—from fashion houses to the city streets—comes a story of two courageous women who risked everything to fight an evil they could not abide. Paris, 1939. Maison Chanel has closed, thrusting haute couture dressmaker Lila de Laurent out of the world of high fashion as Nazi soldiers invade the streets and the City of Light slips into darkness. Lila's life is now a series of rations, brutal restrictions, and carefully controlled propaganda while Paris is cut off from the rest of the world. Yet in hidden corners of the city, the faithful pledge to resist. Lila is drawn to La Resistance and is soon using her skills as a dressmaker to infiltrate the Nazi elite. She takes their measurements and designs masterpieces, all while collecting secrets in the glamorous Hotel Ritz—the heart of the Nazis' Parisian headquarters. But when dashing René Touliard suddenly reenters her world, Lila finds her heart tangled between determination to help save his Jewish family and to bolster the fight for liberation. Paris, 1943. Sandrine Paquet's job is to catalog the priceless works of art bound for the Führer's Berlin, masterpieces stolen from prominent Jewish families. But behind closed doors, she secretly forages for information from the underground resistance. Beneath her compliant facade lies a woman bent on uncovering the fate of her missing husband . . . but at what cost? As Hitler's regime crumbles, Sandrine is drawn in deeper when she uncrates an exquisite blush Chanel gown concealing a cryptic message that may reveal the fate of a dressmaker who vanished from within the fashion elite. Told across the span of the Nazi occupation, *The Paris Dressmaker* highlights the brave women who used everything in their power to resist darkness and restore light to their world. Stand-alone World War II historical fiction Includes discussion questions for book clubs

The Barren Grounds

Number One New York Times bestselling author Sandra Brown returns with another suspenseful thriller 'Do you know what a smash cut is?' It's an abrupt edit. A sudden shift of scene. Used to shock the audience. Very effective. Lots of impact. It'll be like that. No one will see it coming. Especially her.' When Paul Wheeler is shot dead during an armed robbery, his lover Julie Rutledge is convinced that Paul's prodigal nephew, Creighton, is responsible for the murder. Creighton has a passion for movies and Paul's murder has all the elements of a blockbuster: family rivalries, incalculable wealth, and a prominent man dying in the arms of his beautiful mistress. Although Creighton has a rock-solid alibi, even his renowned defense attorney, Derek Mitchell, soon doubts the young man's innocence. The clock ticks down as Derek and Julie seek to learn if Creighton's fascination with movie murders is merely a bizarre hobby, or depravity. Has he begun re-enacting cinema's goriest scenes. . . and, if so, who will be his unwitting co-stars? Praise for Sandra Brown 'Suspense that has teeth' Stephen King 'Lust, jealousy, and murder suffuse Brown's crisp thriller' Publishers Weekly 'An edge-of-the-seat thriller that's full of twists . . . Top stuff!' Star

The Paris Dressmaker

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Art Reviews and Commentaries by Robert L. Pincus, Art Critic, Snipped from the San Diego Union: 1992-1996

This is the 2015 edition of the memoir of BBC/Masterpiece Theatre actor Robin Ellis, the original Captain Ross Poldark in the BBC classic television series. This expanded edition includes an all-new chapter with recent photos documenting Robin's return to television as part of the new series produced by Mammoth Screen on behalf of the BBC and Masterpiece/PBS, with Aiden Turner as the new Poldark. First broadcast in the 1970s, this saga of thwarted love, passion and swashbuckling adventure set against hard times in 18th century Cornwall became an international sensation, popular in over 40 countries around the world. The memoir also describes the behind-the-scenes story of the original BBC/Masterpiece Theater series, the ongoing effect of 'Poldark perks' on Robin's life, and his transformation into a cookbook author. Making Poldark is also available as an audiobook, read by the author. The memoir also describes the behind-the-scenes story of the original TV series, the ongoing effect of 'Poldark perks' on Robin's life and his transformation into a cookbook author. Making Poldark

The Jade Lily is a sweeping story of friendship, loyalty, love and identity from the popular author of *The Midsummer Garden*.

Burn My Heart

Mongol leader Genghis Khan was by far the greatest conqueror the world has ever known. His empire stretched from the Pacific Ocean to central Europe, including all of China, the Middle East, and Russia. So how did an illiterate nomad rise to such colossal power and subdue most of the known world, eclipsing Alexander the Great, Julius Caesar, and Napoleon? Credited by some with paving the way for the Renaissance, condemned by others for being the most heinous murderer in history, who was Genghis Khan? His actual name was Temujin, and the story of his success is that of the Mongol people: a loose collection of fractious tribes who tended livestock, considered bathing taboo, and possessed an unparalleled genius for horseback warfare. United under Genghis, a strategist of astonishing cunning and versatility, they could dominate any sedentary society they chose. Combining fast-paced accounts of battles with rich cultural background and the latest scholarship, Frank McLynn brings vividly to life the strange world of the Mongols, describes Temujin's rise from boyhood outcast to becoming Genghis Khan, and provides the most accurate and absorbing account yet of one of the most powerful men ever to have lived.

CMJ New Music Report

Paperback

The Jade Lily

Nora knows the secrets behind the horrifying things happening on Fear Street and reveals the dark legacy that marked the start of the terror three hundred years earlier, when a young girl was burned at the stake.

Canadian Books in Print. Author and Title Index

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Genghis Khan

NATIONAL BESTSELLER • From the New York Times and internationally bestselling author of *The Little Paris Bookshop*, an extraordinary novel about self-discovery and new beginnings. Marianne is stuck in a loveless, unhappy marriage. After forty-one years, she has reached her limit, and one evening in Paris she decides to take action. Following a dramatic moment on the banks of the Seine, Marianne leaves her life behind and sets out for the coast of Brittany, also known as "the end of the world." Here she meets a cast of colorful and unforgettable locals who surprise her with their warm welcome, and the natural ease they all seem to have, taking pleasure in life's small moments. And, as the parts of herself she had long forgotten return to her in this new world, Marianne learns it's never too late to begin the search for what life should have been all along. With all the buoyant charm that made *The Little Paris Bookshop* a beloved bestseller, *The Little French Bistro* is a tale of second chances and a delightful embrace of the joys of life in France.

City of Thorns

Helen Davenport, governess for a wealthy London household, spots an advertisement seeking young women to marry New Zealand's honorable bachelors and begins correspondence with a gentleman farmer. When her church offers to pay her travels under an unusual arrangement, she jumps at the opportunity. On the ship, she meets Gwyneira Silkham, traveling to meet a New Zealand baron who won her in a game of blackjack. When their new husbands turn out to be very different than expected, the women must help one another find the life they'd hoped for.

The Betrayal

'I love all of Sue Moorcroft's books!' Katie Fforde Countdown to Christmas with your new must-have author, as you step into the wonderful world of Ava Bliss. Perfect for fans of Trisha Ashley, Carole Matthews and Katie Fforde.
