The God Chasers

A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: "I chase after that I may catch that which apprehended me" (Phil. 3:12). Job was a God chaser. He said, "Oh that I knew where I might find Him!" David was one; he said, "My soul followeth hard after Thee." Paul was one too: "That I may know Him..." The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer, David the singer, and Paul the itinerant preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord. These are people whose relentless, passionate pursuit of Christ often made them appear foolish in the eyes of others. Yet, having tasted His goodness and glimpsed the invisible, they could be satisfied with nothing less. Add your name to the list...become a God chaser. Who know? You might be one whom He catches.

God Chasers

Does your heart yearn to have an intimate relationship with your Lord? Perhaps you long to draw closer to your heavenly Father, but you don't know how or where to start. The God Chasers Expanded Edition will help you begin a journey that will change your life.

Finding Your Way

In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations. In Tenney's new book, the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney's message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles. We desperately need to downsize, reprioritize, and sometimes even sacrifice less important things in order to simplify our lives. In doing so, we become unfettered enough to see more clearly where our priorities should lie. We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system. We settle on whatever gives us permission to do what we want and to acquire what we desire. Ruth possessed the virtues of wisdom, faith, and trust; and employing these while enduring personal crisis, she realized that the very things she needed for inner strength and support were her family traditions. What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment, to the Things that Really Matter.

The God Chasers Expanded Ed.

This expanded edition of the original best-seller includes a daily devotional for personal reflection and a study guide. A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: I chase after that I may catch that which has apprehended me (Phil. 3:12). The passionate paths of God chasers can be traced across the pages history from Moses the stutterer, David the singer, and Paul the itinerant preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord.

The Road Home

For Las Vegas widow Naomi, memories of a Pennsylvania Dutch childhood are an ache from the distant past, a painful memory of abandoned roots and lost connections. She has long since reconciled herself to the shattered dreams that had enticed her from her heritage and now simply lives in a tiny apartment, thick with loneliness and regret. Her sole consolation is her daughter-in-law Ruth. But when hard living claims both of her boys, the two women turn Naomi's creaky Impala eastward in a desperate, last-chance bid for hope and meaning. Thus begins a cross-country odyssey that brings her home to her old farm in Lancaster County--and to the values and rhythms of a life once spurned. Although the East is foreign territory, Ruth also finds a home here among the slow and authentic cadences of Pennsylvania farm country. And she finds love...

The God Catchers

Why do some believers experience genuine, life-changing, personal revival while others don't? In *The God Catchers*, the sequel to the phenomenal *The God Chasers*, Tommy explains the difference: "God in a sense plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look." Simply put, those who earnestly seek God rather than wait for something to happen find Him. Full of biblical and contemporary accounts of believers who chased God and caught Him, *The God Catchers* will motivate readers to discover the joy of finding God and having a loving relationship with Him.

Finding Your Way Through the Fog

Under-qualified and overly-ambitious, Holly left her family and friends behind in Nebraska to search for that radical life, that all-for-Jesus-or-nothing-at-all life. Escaping the depression that chased her following her father's untimely and agonizing death, this young accountant-turned-adventurer trekked to remote mountain villages and through city streets smelling of human excrement: all in search of a Father's love. Thousands of miles from the only home she'd ever known, Holly discovered a deeper passion for her God while sharing the gospel in India and soothing abandoned babies in South Africa. God made sure that Holly also encountered Oscar. This handsome South African rugby player seemed to have everything Holly had been praying for in a husband—except for the small detail that he didn't look like any of the other guys she'd dated before. Oscar, as the son of parents who had lived through racial segregation and apartheid, was not supposed to bring home a woman whose skin matched the color of the people his parents had served. And this small town, Midwestern girl wasn't supposed to fall in love with a black man, either. *Hot Chocolate in June* is the true story of God's undeniable ability to mend emotional wounds, overcome racial and cultural differences, and write amazing adventure stories. Join Holly as she navigates her way through deep grief and loss, only to discover the sweetness of love and restoration.

ABOUT THE BOOK : This book is an exposition of an important theme in Deeper Christian Life. All mature and developing Christians can read this book (or must read this book) with great benefit. To be a God Chaser is to live life at the most vital epicenter. The thesis of the book is located in or identified clearly with a divinely given artifact. A divine royal insignia! Twelve transformative truths resonate from this artifact. If you love God more than life itself, then you are already a God Chaser. The book will help you explore ways to maintain and increase your love for God at a boiling point. Something so salient, as the love for God, will wax cold sadly and tragically, in these last days.

Each devotion is designed to help readers turn their focus away from themselves and toward God. God's promise of communion and power becomes real as readers mature in their daily pursuit of a more meaningful and intimate relationship with God.

Chasing Vines Group Experience

This book contains the rather odd, if not quizzical title, "The God Chasers." St. Augustine, once articulated, that the act of pursuing God (and finding Him) is the greatest adventure in this life. He further said that the ardor behind this pursuit, is the greatest romance possible to human beings. It would indeed be profligate of us, not to investigate such a supreme possibility and to experience the blessedness for ourselves! This book will show with examples, what and how to be a great God-Chaser, for God seeks such to worship Him. The word "seek" has the idea of someone craning his neck in search for his beloved object. The Bible tells us that a man in mid-life, decided one day to be a God Chaser; he turned from his ordinary life and started walking with God. His name was Enoch and God took him back to heaven, out of an unwillingness to separate from him one day. On that day, daylight was thinning, darkness thickening. And it was just the proper thing friends would do for one another. Is there a greater rapture or achievement?

The God Chasers

Discover how to discern God's will for life and make wise choices which will line up with the will of God.

Chasing Vines

More than 1,500 people worked together to express God's Word in the speech of today's God chasers. This fresh translation of the New Testament was written as if English had been the original language.

God Chasers Extreme New Testament Bible

When married Wade Jones returns to Colorado for a summer of kayaking with old friends he doesn't expect an old girlfriend, his bitter old coach and a mysterious teenager to be there. Each wants something from Wade that he can't provide. And then there is the river – a giant, snarling whitewater snake. It wants something from Wade, too. Maybe his life. Set against a mythic Western landscape checkered with history, *Chasing God's River* abducts the reader with engaging characters set in motion in a fast-paced plot that keeps you guessing.

Chasing God's River

The compelling reality of the dwindling horizon line before me only serves to remind me of the blessed road traveled from behind. When I think of those seemingly unrelated, though reoccurring, reminders of God's providential movement in my life, I'm deeply broken by God's long-suffering and His steadfast love toward me. From the worn linoleum floor coverings beneath that dimly-lit kitchen table in the front room to the marvelously clad halls of Pasvar Pavilion at the University of Pittsburgh, I can look back and see the footprints of the Nazarene as He's carried me now for more than seventy-two years. He has secured me in the midst of life's challenges, cradling me in the stability of a loving, Christ-centered family, establishing me in the communal confines of a time when the whole village was, in fact, raising children, and calling me as a neophyte in ordained ministry while having stabilized my marriage and family to survive its rigors.

A Life Untold

A boldly written, fact-based story about relationships and struggle; successes, failures and overcoming. This provocatively sensual 4-volume work exposes themes of relational intimacies never before chronicled from the pen of a female storyteller. Prepare for the ride of your life on an emotional roller coaster that goes higher and faster with every suspenseful chapter.

Chasing the Moon - the Preparation, Volume One

Chasing God is Roger Huang's gritty, heartfelt story of obedience to God's call to follow Him into the heart of the city. That mission can inspire you! Leaving behind his abusive home in Taiwan, Roger discovered both the American Dream and his French bride, Maite. A dramatic event took place before his very eyes and prompted Roger to rethink his future and his calling. As a couple, Roger and Maite chose not to ignore the plight of the poor and homeless in San Francisco's most impoverished district, the Tenderloin. Since founding City Impact, Roger has led many in discovering the power of prayer, fasting, and serving hands-on in a community starved for hope. Chasing God is a testimony to God's miraculous provision and will challenge you to consider how to serve and care for your own city and community.

Chasing God

Poetic revelations that take you on a journey with the author as he vacillates over a command from God imploring him to leave a six-figure management position at the height of his career. After obeying the command and allowing his employment contract to expire, his vociferous discourse with God escalates as he faces the mounting pressures that arise in the wake of unemployment. Each poetic revelation, short story, and parable spills onto the pages with an urgency to express the author's conflicted desire to stay the course of the spirit amid the growing pressures to concede to the practicality of daily living and the allure of the world. This book is the documented outcry of a man who comes to grips with his fear of losing everything in order to explore the essence of his true calling, and ultimately align himself with God's will.

The Ambulance Chaser

Yet, O Lord, you are our Father. We are the clay, you are the potter; we are all the work of his hand. -Isaiah 64:8 All Christians have a God-given destiny, but many are at a loss when it comes to identifying it. This book is a grassroots approach in an easily understood format to help readers discover their spiritual gifts and thus begin to move toward

the unique destiny that God has outlined for each person's life. We are the work of His hands!

The Work of His Hands

Amber Haines is a woman haunted by God. Like Eve in the Garden, she craved the fruit that she thought would lead her to freedom. But the whispers of temptation led her instead down a devastating path toward isolation, dissatisfaction, and life-altering choices. In her most broken moment, Amber met God waiting for her in the fallout, freely offering her grace and life. This is a story of the God who makes himself known in broken places. In prose that is at once lyrical and utterly honest, a brave new voice takes readers on a windswept journey down the path of brokenness to healing, satisfaction, and true intimacy with God. Amber calls readers to dispense with the pretty bows we use to dress up our stories and instead trust God to take our untidy, unfinished lives and make them free, authentic, and whole. Anyone who struggles with doubt or holds secrets, anyone who feels marginalized or like she is missing something, will find in Amber a sister and an inviting voice back home, into the heart of God.

Finding Your Way

Every girl longs to feel priceless, treasured, and loved. However, with the loud distractions of our world, it's easy to get lost and confused, misunderstanding our true value. Chasing After Jesus offers young ladies growing in their faith a way to discover what it really means to be a priceless treasure. Jesus wants us to have a relationship with Him, and to live a life that glorifies Him. In other words, He wants us to live our best life. We must simply be willing to open our heart and be ready to listen. In this 30-day devotional, you'll find: • Relevant Scripture that will be the focal point of each devotional. • Relatable issues and topics that every teen girl faces including friendships and mentors, envy and social media, and emotions and spiritual gifts. • An action step for each devotional- encouragement to spend time with God and His Word. May each precious daughter gain a better understanding of what it takes to be a girl that chases after the Way, the Truth and the Life.

Vorschläge zur Verbesserung der Arbeitsverhältnisse, namentlich auf dem Lande

From our previous considerations on this topic, I mean by that: The material universe in the cosmic cycle, and from our jointly developed level of knowledge and the factual understanding, one may be able to understand the enthusiasm. However, with the cosmic evolution before this dubious Big Bang, all of this has next to nothing to offer. Specifically, after I was able to read a little in the archives of mankind from the modern planet earth, I mean that they define cosmic evolution from the beginning of this dubious Big Bang. They connect this, from their point of view, central, cosmic event without restriction with the beginning of the cosmic world, without defining this world in concrete terms, energetically and materially. And by that I mean not only material evolution, but also the biological development of living beings of the most varied kinds.

Deutsches Wörterbuch

What happened before the big bang? How did the smallest building blocks of life and matter develop? Do thinking corporeal beings of the higher spiritual order, for example humans, have an ego-consciousness on the basis of the law of conservation of energy? Where does the cycle of cosmic life close? Is there a purpose why the universal world exists in its entirety? And for the fact that it is set up as it is? Is there such a thing as god or gods? As they are called on some habitable planets? And if so, what should we know about him or her? Are they possibly a product of spiritual fantasy of thinking, physical beings of the higher spiritual order as a means of developing and maintaining power? What distinguishes the species of thinking corporeal beings of the higher spiritual order? Is there such a thing as the spiritual, especially a fundamental difference between spirit and matter?

Der Hausfreund auf dem Lande, oder Sammlung erprobter Rathschläge, Recepte und Mittel, zur eigenen Berathung und Selbsthülfe, vorzüglich beym einsamen Landleben für Hausväter und Hausmütter

Im ersten Teil des Buches werden die sozialen und wirtschaftlichen Hintergründe des bäuerlichen Lebens vom ausgehenden Mittelalter bis zum Beginn der Industriellen Revolution in Westfalen dargestellt. Zahlreiche Dokumente illustrieren die vielfältigen Beziehungen der Kötterfamilie zu dem Grund- und Lehnsherrn, dem Kloster Quernheim bei Kirchlengern. Im zweiten Teil wird die Geschichte der Familie im 19. Jahrhundert erzählt, als ein Fünftel der Bevölkerung Westfalen verlässt und vor allem nach Amerika auswandert. Es wird von der oft beschwerlichen Reise von Bremerhaven nach New Orleans und weiter den Mississippi hinauf berichtet. Die deutschen Einwanderer gehören zu den ersten Siedlern nördlich von St. Louis, Missouri. Der Autor zeichnet ein facettenreiches Bild der Jahre von 1840 an: die Siedlungsgeschichte, das kirchliche und schulische Leben, die Arbeit und das Freizeitverhalten werden ausführlich geschildert. Weitere Siedlungsschwerpunkte sind Quincy, Illinois, Manhattan in Kansas und Grand Island in Nebraska.
