The Subterraneans

'The tender and achingly poetic account of a love affair' Lester Bangs, Rolling Stone Leo Percepied, aspiring writer and self-styled freewheeling bum, gravitates to the subterraneans, impoverished intellectuals who haunt the bars of San Francisco. One of them is Mardou Fox, beautiful and a little crazy, whose dark eyes, full of suffering and sweetness, find recognition in Leo. But, afraid of his growing involvement, Leo sets out to destroy their love. Written in three days, The Subterraneans is, like all Kerouac's work, closely related to his own life while encapsulating his great vision of America.

Subterraneans

From the most famous of the Beat writers and the author of On the Road and The Dharma Bums, Kerouac's intoxicating love story of two young bohemians, now reissued in the centenary year of his birth Written over the course of three days and three nights, The Subterraneans was generated out of the same kind of ecstatic flash of inspiration that produced another one of Kerouac's early classics, On the Road. Centering around the tempestuous romance and breakup of Leo Percepied and Mardou Fox--two denizens of the 1950s San Francisco underground--The Subterraneans is a tale of dark alleys

and smoky rooms, of artists, visionaries, and adventurers existing outside mainstream America's field of vision. Loosely based on Kerouac's own life, and peopled with analogues of real-life friends, including William S. Burroughs, Gregory Corso, Allen Ginsberg, and Neal Cassady, *The Subterraneans* is a vivid and breathless masterwork of Beat literature.

The Subterraneans

Om den vrede amerikanske ungdom - The beat generation - i San Francisco.

Jack Kerouac: Road Novels 1957-1960 (LOA #174)

Presents Jack Kerouac's novel "On the Road" along with four other of his autobiographical "road books" and journal entries related to "On the Road."

Pic ; The Subterraneans

Autobiographical writing by the "hero" of Jack Kerouac's *On the road*.

The First Third

Beatdom is a magazine for all fans of Beat Generation literature. This is the very first issue of Beatdom, containing interviews with Barry Gifford, Paul Krassner, Ken Babbs and Zane Kesey. We also have a talented group of writers and photographers, who have put together a magazine with features relating the Beat Generation to Buddhism, Bob Dylan, Hunter S Thompson and Walt Whitman; and guides to Beat books, websites and stories.

Beatdom

'*Big Sur*' is a moving account of a man coming to terms with his own myth, his own talent and his uncontrollable, unrelenting, self-destructive life. Now approaching middle-age, Jack Duluoze retreats to California to escape the pressures of his fame."

Pic

Best known for his "Legend of Duluoze" novels, including *On the Road* and *The Dharma Bums*, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues form that he used to fullest effect in *Mexico City Blues*, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, *Book of Blues* is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in measured choruses." —Jack Kerouac

Big Sur

Two ebullient young men are engaged in a passionate search for dharma, or truth. Their major adventure is the pursuit of the Zen way, which takes them climbing into the high Sierras to seek the lesson of solitude, a lesson that has a hard time surviving their forays into the pagan groves of San Francisco's Bohemia with its marathon wine-drinking bouts, poetry jam sessions, experiments in "yabyum," and similar nonascetic pastimes.

Book of Blues

He was the leading light of the Beat Generation writers and the most dynamic author of his time, but Jack Kerouac also had a lifelong passion for music, particularly the mid-century jazz of New York City, the development of which he witnessed first-hand during the 1940s with Charlie Parker, Dizzy Gillespie and Thelonious Monk to the fore. The novelist, most famous for his 1957 book *On the Road*, admired the sounds of bebop and attempted to bring something of their original energy to his own writing, a torrent of semi-autobiographical stories he published between 1950 and his early death in 1969. Yet

he was also drawn to American popular music of all kinds – from the blues to Broadway ballads – and when he came to record albums under his own name, he married his unique spoken word style with some of the most talented musicians on the scene. Kerouac's musical legacy goes well beyond the studio recordings he made himself: his influence infused generations of music makers who followed in his work – from singer-songwriters to rock bands. Some of the greatest transatlantic names – Bob Dylan and the Grateful Dead, Van Morrison and David Bowie, Janis Joplin and Tom Waits, Sonic Youth and Death Cab for Cutie, and many more – credited Kerouac's impact on their output. In *Kerouac on Record*, we consider how the writer brought his passion for jazz to his prose and poetry, his own record releases, the ways his legacy has been sustained by numerous more recent talents, those rock tributes that have kept his memory alive and some of the scores that have featured in Hollywood adaptations of the adventures he brought to the printed page.

The Dharma Bums

Originally subtitled "An Adventurous Education, 1935-1946," *Vanity of Duluo* is a key volume in Jack Kerouac's lifework, the series of autobiographical novels he referred to as *The Legend of Duluo*. With the same tender humor and intoxicating wordplay he brought to his masterpieces *On the Road* and *The Dharma Bums*, Kerouac takes his alter ego from the football fields of small-town New England to the playing fields and classrooms of Horace Mann and Columbia, out to sea on a merchant freighter plying the sub-infested waters of the North Atlantic during World War II, and back to New York, where his friends are the writers who would one day become known as the Beat generation and where he published his first novel. Written in 1967 from the vantage point of the psychedelic sixties, *Vanity of Duluo* gives a fascinating portrait of the young Kerouac, dedicated and disciplined in his determination from an early age to be an important American writer.

Kerouac on Record

From the bard of the Beat Generation, Jack Kerouac's *Maggie Cassidy* is an autobiographical novel of young love, published in Penguin Modern Classics. Though publishers stopped *Maggie Cassidy's* Jack Duluo and *On the Road's* Sal Paradise from sharing the same name, Kerouac meant the books to be two parts of the same life. While *On the Road* made Paradise (and Kerouac) a hero for generations to come of the disaffected and restless, *Maggie Cassidy* is an affectionate portrait of the teenager that made the man - of friendship and first love growing up in a New England mill town. Duluo is a high school athletics and football star who meets Maggie Cassidy and begins a devoted, inconstant, tender adolescent love affair. It is one of the most sustained, poetic pieces of Kerouac's 'spontaneous prose'. Jack Kerouac (1922-69) was an American novelist, poet, artist and part of the Beat Generation. His first published novel, *The Town and the City*, appeared in 1950, but it was *On the Road*, published in 1957, that made Kerouac famous. Publication of his many other books followed, among them *The Subterraneans*, *Big Sur*, and *The Dharma Bums*. Kerouac died in Florida at the age of forty-seven. If you enjoyed *Maggie Cassidy*, you might like Kerouac's *The Subterraneans* and *Pic*, also available in Penguin Modern Classics. 'A very unique cat - a French Canadian Hinayana Buddhist Beat Catholic savant' Allen Ginsberg

Vanity of Duluo

In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, were inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and incomparable literary artifact, and a window into the lives and art of two of the twentieth century's most influential writers.

Maggie Cassidy

As he roams the US, Mexico, Morocco, Paris and London, Kerouac records life on the road in prose of pure poetry. Standing on the engine of a train as it rushes past fields of prickly cactus; witnessing his first bullfight in Mexico while high on opium; meditating on a sunlit roof in Tangiers or falling in love with Montmartre - Kerouac reveals both the endless diversity of human life and his own particular philosophy of self-fulfillment.

And the Hippos Were Boiled in Their Tanks

Presents selections from Jack Kerouac's novels, poetry, letters, and essays.

The Subterraneans

Told through the character of Kerouac's fictional alter ego, Jack Duluoz, the novel tells the story of his childhood in Massachusetts. A clever and rebellious boy, Jack creates an imaginary world of strange, new possibilities.

Lonesome Traveler

The essential guide to twentieth-century literature around the world For six decades the Penguin Modern Classics series has been an era-defining, ever-evolving series of books, encompassing works by modernist pioneers, avant-garde iconoclasts, radical visionaries and timeless storytellers. This reader's companion showcases every title published in the series so far, with more than 1,800 books and 600 authors, from Achebe and Adonis to Zamyatin and Zweig. It is the essential guide to twentieth-century literature around the world, and the companion volume to The Penguin Classics Book. Bursting with lively descriptions, surprising reading lists, key literary movements and over two thousand cover images, The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years.

The Portable Jack Kerouac

There are few writers about whom it can be said that they write just like they speak, but Jack Kerouac (1922-1969) is clearly one of them. In 1958, Kerouac was a struggling writer trying to create a new literary aesthetic based on the rhythms of human speech, jazz-based improvisation, autobiography, and American slang. That year saw the publication of his second novel *On the Road*, which would instantly propel him to fame and ensconce him in the literary establishment. By 1969, he was dead of internal hemorrhaging brought on by excessive drinking. Though his literary reputation may have faded, the revolutionary zeal of his novels and the originality of his voice ensure that his books are continually popular. Whether because of his literary merits or his status as the voice of a new generation of writers, Kerouac is the unchallenged king of the Beat generation. *Conversations with Jack Kerouac* features interviews ranging from 1957 to 1969, covering the breadth of the author's fame and literary output. Including a piece from the *Paris Review* and a confrontational interview with CBS's Mike Wallace, the collection reveals Kerouac—whether drunk or sober, erudite or infantile, guarded or convivial—as a thoughtful writer and complex thinker who resisted all labels placed on him. The interviews show how Kerouac revitalized American literature, but they also trace his artistic and physical decline. The final interviews show how much the writer had crippled himself emotionally with too much alcohol and how his art became more unfocused as a result. Ultimately, Kerouac emerges as a tragic figure whose early greatness in such books as *On the Road*, *The Dharma Bums*, and *The Subterraneans* was subsequently consumed by his inability to evolve aesthetically and by his reliance on substance abuse for inspiration. Kevin J. Hayes, Oklahoma City, is professor of English at the University of Central Oklahoma. His previous books include *Poe and the Printed Word*, *Folklore and Book Culture*, and *An American Cycling Odyssey, 1887*, among others.

On the Road / the Dharma Bums / the Subterraneans

No Marketing Blurb

Doctor Sax

An experimental novel which remained unpublished for years, *Visions of Cody* is Kerouac's fascinating examination of his own New York life, in a collection of colourful stream-of-consciousness essays. Transcribing taped conversations between members of their group as they took drugs and drank, this book reveals an intimate portrait of people caught up in destructive relationships with substances, and one another. Always fixated by Neal Cassady - the Cody of the title, renamed for the book along with Allen Ginsberg and William Burroughs - Kerouac also explores the feelings he had for a man who would inspire much of his work.

The Penguin Modern Classics Book

"A blockbuster of a biography . . . absolutely magnificent."--San Francisco Chronicle Jack Kerouac--"King of the Beats," unwitting catalyst for the '60s counterculture, groundbreaking author--was a complex and compelling man: a star athlete with a literary bent; a spontaneous writer vilified by the New Critics but adored by a large, youthful readership; a devout Catholic but aspiring Buddhist; a lover of freedom plagued by crippling alcoholism. *Desolate Angel* follows Kerouac from his childhood in the mill town of Lowell, Massachusetts, to his early years at Columbia where he met Allen Ginsberg, William S. Burroughs, and Neal Cassady, beginning a four-way friendship that would become a sociointellectual legend. In rich detail and with sensitivity, Dennis McNally recounts Kerouac's frenetic cross-country journeys, his experiments with drugs and sexuality, his travels to Mexico and Tangier, the sudden fame that followed the publication of *On the Road*, the years of literary triumph, and the final near-decade of frustration and depression. *Desolate Angel* is a harrowing, compassionate portrait of a man and an artist set in an extraordinary social context. The metamorphosis of America from the Great Depression to the Kennedy administration is not merely the backdrop for Kerouac's life but is revealed to be an essential element of his art . . . for Kerouac was above all a witness to his exceptional times.

Subterraneans

Presents ten critical essays published between 1973 and 2001 on Jack Kerouac's "On the Road," and includes a chronology, a bibliography, and an introduction by Harold Bloom.

Conversations with Jack Kerouac

'A remarkable ear for the cadences of a phrase or sentence, a sense of how to register in words the sheer, sweet flow of things' *Guardian* This semi-autobiographical tale of Kerouac's own trip to France, to trace his ancestors and explore his own understanding of the Buddhism that came to define his beliefs, contains some of Kerouac's most lyrical descriptions. From his reports of the strangers he meets and the all-night conversations he enjoys in seedy bars in Paris and Brittany, to the moment in a cab he experiences Buddhism's satori - a feeling of sudden awakening - Kerouac's affecting and revolutionary writing transports the reader. Published at the height of his fame, *Satori in Paris* is a hectic tale of philosophy, identity and the powerful strangeness of travel.

Beat Generation

Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose, Jones discusses these relationships in terms of Freud's notion of the Oedipus complex."--BOOK JACKET.

Visions of Cody

Jack Kerouac's musings on the creative process are collected together for the first time in this exquisite book. In the 1950s Allen Ginsberg asked Kerouac to formally describe his "spontaneous prose" method, resulting in a list of maxims called *Belief and Technique for Modern Prose*. Kerouac entertains with sage advice, whether he's offering a sublime reminder to "believe in the holy contour of life" or a practical admonition to "accept loss forever." With a foreword by Kerouac scholar Regina Weinreich and select photos from the Kerouac Estate, *You're a Genius All the Time* is a beautiful and intimate work of inspiration.

Desolate Angel

Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere.

Jack Kerouac's On the Road

'One of the most true, comic and grizzly journeys in American literature' *Time* *Desolation Angels* is the wild and soulful story of the legendary road trip that Jack Kerouac took before the publication of *On the Road*, told through the persona of Jack Duluoz and accompanied by his thinly-disguised Beat

cohorts Allen Ginsberg, Gregory Corso and William Burroughs. As they hitch, hop freight trains, walk and talk their way across the world, from California to Mexico, London to Paris and on to opium-ridden Tangiers, Kerouac chronicles their poetry, partying, mountain vigils and spiritual contemplation with unsurpassable energy and humanity. 'Nerve-jangling, sentimental, sincere and funny' Sunday Times

Satori in Paris

"In the Book of Dreams I just continue the same story but in the dreams I had of the real-life characters I always write about." Excerpt: WALKING THROUGH SLUM SUBURBS of Mexico City I'm stopped by smiling threesome of cats who've disengaged themselves from the general fairly crowded evening street of brown lights, coke stands, tortillas-Unmistakably going to steal my bag-I struggled a little, gave up-Begin communicating with them my distress and in fact do so well they end up just stealing parts of my stuff! We walk off leaving the bag with someone-arm in arm like a gang to the downtown lights of Letran, across a field- Jack Kerouac (1922-1969) was a principal actor in the Beat Generation, a companion of Allen Ginsberg and Neal Cassady in that great adventure. His books include On the Road, The Dharma Bums, Mexico City Blues, Lonesome Traveler, Scattered Poems, Visions of Cody, Pomes All Sizes, and Scripture of the Golden Eternity.

Jack Kerouac's Duluoz Legend

Biographies & Autobiographies.

Some of the Dharma

Never before published in Kerouac's lifetime, this 1955 biography of the founder of Buddhism is a clear and powerful study of Siddhartha Gautama's life and works. Wake Up recounts the story of Prince Siddhartha's royal upbringing and his father's wish to protect him from all human suffering, despite a prediction that he would become a great holy man in later life. Departing from his father's palace, Siddhartha adopts a homeless life, struggles with his meditations, and eventually finds Enlightenment. Written at the end of Kerouac's career, when he became increasingly interested in Buddhist teachings, and collected for the first time in one book, this fresh and accessible biography is both an important addition to Kerouac's work and a valuable introduction to the world of Buddhism itself.

You're a Genius All the Time

Named One of the 100 Best Nonfiction Books Written by the New York Times Magazine, a Publishers Weekly Best Book of the Year, and a New York Times Editors' Choice. When John D'Agata helps his mother move to Las Vegas one summer, he begins to follow a story about the federal government's plan to store nuclear waste at Yucca Mountain; the result is a startling portrait that compels a reexamination of the future of human life.

Book of Haikus

'There will never be a moment like this one,' says poet and fellow beatnik Robert Creeley in his introduction to this literary event: the first full-length work to be published since Kerouac's death in 1969. Recently discovered by his estate, ORPHEUS EMERGED chronicles the passions, conflicts and dreams of a group of bohemians searching for truth while studying at a university. Kerouac wrote the story shortly after meeting Allen Ginsberg, William Burroughs, Lucien Carr and others in and around Columbia University who would form the core of the Beats. ORPHEUS EMERGED is a unique portrait of an artist as a young man and shows a writer in the process of finding the voice that would eventually express the spirit of a generation

Desolation Angels

In 1960 Jack Kerouac was near breaking point. Driven mad by constant press attention in the wake of the publication of On the Road, he needed to 'get away to solitude again or die', so he withdrew to a cabin in Big Sur on the Californian coast. The resulting novel, in which his autobiographical hero Jack Duluoz wrestles with doubt, alcohol dependency and his urge towards self-destruction, is one of Kerouac's most personal and searingly honest works. Ending with the poem 'Sea: Sounds of the Pacific Ocean at Big Sur', it shows a man coming down from his hedonistic youth and trying to come to terms with fame, the world and himself.

Book of Dreams

The Haunted Life is the coming-of-age story of Peter Martin, a college track star determined to idle away what he knows will be one of his last innocent summers in his tranquil New England home town. But with the war escalating in Europe and his two closest friends both plotting their escapes, he realises how sheltered his upbringing has been. As he surveys the competing influences of his youth, he struggles to determine what might lead to an intellectually authentic life. The Haunted Life is ultimately a meditation on intellectual truth, male friendship and the desire for movement - all themes that would dominate Kerouac's later work.

San Francisco's 49-mile Scenic Drive

Here is hidden San Francisco, complete with itineraries for memorable day-trips. As good as having a knowledgeable friend in the passenger seat, this guidebook finds the city's major sights, neighborhoods and vistas.

Walking San Francisco's 49 Mile Scenic Drive

San Francisco's famous citywide scenic driving route has been reinvented for a new generation as a green, healthy walking adventure. This turn-by-turn guide takes visitors and natives alike on 17 different up-close walking tours, passing by and through the city's major sights, fascinating neighborhoods, and breathtaking vistas.

Historic Walks in San Francisco

Eighteen self-guided walking tours down city streets that will take you back in time, with colorful stories about the buildings along the way and the people associated with them. Brimming with insight and the odd fact, laced with humor and drama, this unique guidebook sheds new light on the history of one of America's renowned cities. Easy-to-follow maps, and dozens of historic photographs.

Best Bike Rides San Francisco

Written for cyclists of all stripes, Best Bike Rides books offer a diverse array of scenic tours in and around some of America's largest urban destinations. Road rides, rail trails, bike paths, and single-track mountain bike rides all get included. Most rides are in the 5 to 30 mile range, allowing for great afternoon outings and family adventures. Each book features 35-40 rides with color photos, maps, and point-by-point miles and directions.

Walking San Francisco

Downs has created an exceptional guide to exploring the best of San Francisco through 30 different walking tours. Each tour contains a clear neighborhood map and route summaries as well as a Points of Interest section that outlines a walk's highlights.

Walking San Francisco on the Barbary Coast Trail

A guide to the Barbary Coast Trail, San Francisco's official historical walk.

Stairway Walks in San Francisco (Large Print 16pt)

Hundreds of public stairways traverse San Francisco's 42 hills, exposing incredible vistas while connecting colorful, unique neighborhoods, and veteran guide Adah Bakalinsky loves them all. Her updated Stairway Walks in San Francisco explores well-known and clandestine corridors from Lands End to Bernal Heights while sharing captivating architectural, historical, pop culture, and horticultural notes along the way. This revised and expanded edition has been thoroughly updated and includes two additional walks, new maps, and new color photographs. The two new walks presented are: The Blue

Greenway Walking, a new history, which follows the Embarcadero and weaves along the present day contour of the Bay into the future parklands and new neighborhood of San Francisco; and Jazz Takes A Walk in the Sunnyside neighborhood where the undulating geology of San Francisco invites one to hear the dance in the walk. A comprehensive appendix lists every one of the City's 600-plus public stairways. Long-term residents and tourists alike have used the book for over 25 years to adventurously uncover San Francisco's unexpected details.

Communication Arts

Buckle up for the next installment in our 'Epic' series and the follow-up to Epic Bike Rides of the World. Epic Drives of the World, a beautiful hardback, showcases 50 of the greatest road trips on Earth, from classic routes in America, Australia and Europe, to incredible adventures in Asia and Africa. Organised by continent, each route features a first-hand account, awe-inspiring photographs, illustrated maps and practical advice on when to go, how to get there, where to stay and what to eat. From Hawaii's Hana Highway and Vietnam's Ho Chi Minh Road, to Utah's National Park Circuit and Germany's Black Forest High Road, Epic Drives of the World will inspire any motorist to hit the open road. African and Middle East drives include: The self-drive Safari (Zambia) Crossing the Kalahari (Botswana) Passing over the Panorama Route (South Africa) Marrakesh to Taroudannt (Morocco) Cruising Clarence Drive (South Africa) The Americas drives include: The Highway to Hana in Hawaii (USA) The Salar de Uyuni (Bolivia) The Pacific Coast Highway (USA) Crossing the Carretera Austral (Chile) Canada's Icefields Parkway Asia drives include: On the trail of Ho Chi Minh (Vietnam) Crossing the Kathmandu Loop (Nepal) Hightailing from Thimphu to Gangtey (Bhutan) South Korea: From top to toe The road from Srinagar to Manali (India) Europe drives include: Black Forest High Road (Germany) The Wilds of Abruzzo (Italy) Croatia's Adriatic coast Norway's west coast The Magic Circle (Iceland) Oceania drives include: Southern Alps explorer (New Zealand) The Great Ocean Road (Australia) Northland & the Bay of Islands (New Zealand) Following the Captain Cook Highway (Australia) Alice Springs to Darwin (Australia) About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and phrasebooks for 120 languages, and grown a dedicated, passionate global community of travellers. You'll also find our content online, and in mobile apps, video, 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more, enabling you to explore every day. Lonely Planet enables the curious to experience the world fully and to truly get to the heart of the places they find themselves, near or far from home. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, 2015 and 2016 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Epic Drives of the World

The highly original satire about Oedipa Maas, a woman who finds herself enmeshed in a worldwide conspiracy, meets some extremely interesting characters and attains a not inconsiderable amount of self-knowledge.

The Crying of Lot 49

Hundreds of public stairways traverse San Francisco's 42 hills, exposing incredible vistas while connecting colorful, unique neighborhoods -- veteran guide Adah Bakalinsky loves them all. Her updated Stairway Walks in San Francisco explores well-known and clandestine corridors from Lands End to Bernal Heights while sharing captivating architectural, historical, pop culture, and horticultural notes along the way. A comprehensive appendix lists every one of the city's 600-plus public stairways. Long-term residents and tourists alike have used the book for over 25 years to adventurously uncover San Francisco's unexpected details.

Stairway Walks in San Francisco

Explorer's Guide Northern California (Second Edition)

Lonely Planet San Francisco is your up-to-date advice on what to see and skip, and what hidden discoveries await you. Be impressed by the brilliance of the Golden Gate Bridge, swing down Balmy Alley for a slice of Mission life, or immerse yourself in the fog of the city's hills on a cable-car ride; all with your trusted travel companion.

The Publishers Weekly

The Book of R is a comprehensive, beginner-friendly guide to R, the world's most popular programming language for statistical analysis. Even if you have no programming experience and little more than a grounding in the basics of mathematics, you'll find everything you need to begin using R effectively for statistical analysis. You'll start with the basics, like how to handle data and write simple programs, before moving on to more advanced topics, like producing statistical summaries of your data and performing statistical tests and modeling. You'll even learn how to create impressive data visualizations with R's basic graphics tools and contributed packages, like ggplot2 and ggvis, as well as interactive 3D visualizations using the rgl package. Dozens of hands-on exercises (with downloadable solutions) take you from theory to practice, as you learn: –The fundamentals of programming in R, including how to write data frames, create functions, and use variables, statements, and loops –Statistical concepts like exploratory data analysis, probabilities, hypothesis tests, and regression modeling, and how to execute them in R –How to access R's thousands of functions, libraries, and data sets –How to draw valid and useful conclusions from your data –How to create publication-quality graphics of your results Combining detailed explanations with real-world examples and exercises, this book will provide you with a solid understanding of both statistics and the depth of R's functionality. Make The Book of R your doorway into the growing world of data analysis.

Moon Pacific Coast Highway Road Trip

This Handbook addresses the methodology of social science research and the appropriate use of different methods.

Presents itineraries for thirty-five road trips in California, including trips along Pacific Coast highways, through Napa and Sonoma Valleys, and around Santa Barbara wine country.

The Book of R

The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His advanced leadership transformed the San Francisco 49ers from the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews to bestselling author Steve Jamison. These became his ultimate lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions.

The SAGE Handbook of Applied Social Research Methods

Guidebook to sights, hotels, and restaurants in San Francisco, Napa Valley, Mendocino, Carmel, and Yosemite.

The Little Black Book of San Francisco: The Essential Guide to the Golden Gate City

Chemical Engineering Design, Second Edition, deals with the application of chemical engineering principles to the design of chemical processes and equipment. Revised throughout, this edition has been specifically developed for the U.S. market. It provides the latest US codes and standards, including API, ASME and ISA design codes and ANSI standards. It contains new discussions of conceptual plant design, flowsheet development, and revamp design; extended coverage of capital cost estimation, process costing, and economics; and new chapters on equipment selection, reactor design, and solids handling processes. A rigorous pedagogy assists learning, with detailed worked examples, end of chapter exercises, plus supporting data, and Excel spreadsheet calculations, plus over 150 Patent References for downloading from the companion website. Extensive instructor resources, including 1170 lecture slides and a fully worked solutions manual are available to adopting instructors. This text is designed for chemical and biochemical engineering students (senior undergraduate year, plus appropriate for capstone design courses where taken, plus graduates) and lecturers/tutors, and professionals in industry (chemical process, biochemical, pharmaceutical, petrochemical sectors). New to this edition: Revised organization into Part I: Process Design, and Part II: Plant Design. The broad themes of Part I are flowsheet development, economic analysis, safety and environmental impact and optimization. Part II contains chapters on equipment design and selection that can be used as supplements to a lecture course or as essential references for students or practicing engineers working on design projects. New discussion of conceptual plant design, flowsheet development and revamp design Significantly increased coverage of capital cost estimation, process costing and economics New chapters on equipment selection, reactor design and solids handling processes New sections on fermentation, adsorption, membrane separations, ion exchange and chromatography Increased coverage of batch processing, food, pharmaceutical and biological processes All equipment chapters in Part II revised and updated with current information Updated throughout for latest US codes and standards, including API, ASME and ISA design codes and ANSI standards Additional worked examples and homework problems The most complete and up to date coverage of equipment selection 108 realistic commercial design projects from diverse industries A rigorous pedagogy assists learning, with detailed worked examples, end of chapter exercises, plus supporting data and Excel spreadsheet calculations plus over 150 Patent References, for downloading from the companion website Extensive instructor resources: 1170 lecture slides plus fully worked solutions manual available to adopting instructors

Complete Story of the San Francisco Horror (Esprios Classics)

How do you tailor education to the learning needs of adults? Do they learn differently from children? How does their life experience inform their learning processes? These were the questions at the heart of Malcolm Knowles' pioneering theory of andragogy which transformed education theory in the 1970s. The resulting principles of a self-directed, experiential, problem-centred approach to learning have been hugely influential and are still the basis of the learning practices we use today. Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve. The 9th edition of The Adult Learner has been revised to include: Updates to the book to reflect the very latest advancements in the field. The addition of two new chapters on diversity and inclusion in adult learning, and andragogy and the online adult learner. An updated supporting website. This website for the 9th edition of The Adult Learner will provide basic instructor aids. For each chapter, there will be a PowerPoint presentation, learning exercises, and added study questions. Revisions throughout to make it more readable and relevant to your practices. If you are a researcher, practitioner, or student in education, an adult learning practitioner, training manager, or involved in human resource development, this is the definitive book in adult learning you should not be without.

Insight Guides Explore San Francisco (Travel Guide eBook)
