Mr. Chickee, the genial blind man in the neighborhood, gives 9-year-old Steven a mysterious bill with 15 zeros on it and the image of a familiar but startling face. Could it be a quadrillion dollar bill? Could it be real? Well, Agent Fondoo of the U.S. Treasury Department and his team of Secret Government Agents are determined to get that money back! But Steven and his best friends, Russell and Zoopy the giant dog, are more than a match for the Feds. After all, Steven is the president of the Flint Future Detectives Club, and the inventor of fantastic spying and detecting equipment such as the Snoopeeze 9000!

Watsons Go to Birmingham-1963

Steven and his best friend Russell are back! When Russell's dog, Rodney Rodent, jumps into a mural to chase a demonic-looking gnome and disappears, the Flint Future Detectives are on the case. With the secret password (Bow-wow-wow yippee yo yippee yay!) Steven, Richelle, and Russell enter the mural too, only to find the mysterious Mr. Chickee on the other side. To find a way out, the detectives must complete a mission—finding Rodney Rodent. And that means they're in some wild adventure! As Steven says, "I second that emotion."

Mr. Chickee's Messy Mission

A wonderful middle-grade novel narrated by Kenny, 9, about his middle-class black family, the Weird Watsons of Flint, Michigan. When Kenny's 13-year-old brother, Byron, gets to be too much trouble, they head South to Birmingham to visit Grandma, the one person who can shape him up. And they happen to be in Birmingham when Grandma's church is blown up.

The Watsons Go to Birmingham

It is the long, hot summer of 1963 and the Watson family - father, mother, Byron who is behaving like a teenage delinquent, little Joetta and Kenny, the one in the middle who tells the story - set out from Michigan to stay with their Grandma in Alabama. It is the child's first experience of the deep South, and it is devastating when a bomb is thrown into the church and Joetta is presumed dead. The Watsons are a wonderful family who swing you along with their jokes, worries, squabbles, and genuine love and care for one another and this story, despite its tragic message, shines with warmth, humour and joie-de-vivre.

About the Novel: *The Watsons Go to Birmingham – 1963* follows Kenny and his family as they experience firsthand the violence and racism engulfing the South in the 1960s. Kenny is a fourth grader living with his family in Flint, Michigan. The winters are cold and the family must huddle together for warmth. At school, Kenny experiences bullying from his classmates, only saved by his brother—the biggest bully of all—who picks on Kenny at home. The two look after their younger sister as she starts to learn right from wrong in Sunday school. As Kenny’s brother’s behavior starts to get out-of-control, their mom and dad decide to send him down to Birmingham, Alabama to live with his grandmother over the summer. Hoping she’ll straighten him out, the family sets off in their “Brown Bomber” on the long drive down south. When they arrive, they experience fear, violence and racism that culminates in a tragedy that shakes them to their core. From this experience, Kenny must overcome his insecurities and deal with real world issues at a very young age.

Los Watson Van a Birmingham -- 1963 (the Watsons Go to Birmingham -- 1963)

In the Newbery Medal and Coretta Scott King Award–winning *Bud, Not Buddy*, Bud met a girl named Deza Malone in a Hooverville. This is her story. “We are a family on a journey to a place called wonderful” is the motto of Deza Malone’s family. Deza is the smartest girl in her class in Gary, Indiana, singled out by teachers for a special path in life. But the Great Depression has hit Gary hard, and there are no jobs for black men. When her beloved father leaves to find work, Deza, Mother, and her older brother Jimmie go in search of him, and end up in a Hooverville outside Flint, Michigan. Jimmie’s beautiful voice inspires him to leave the camp to be a performer, while Deza and Mother find a new home, and cling to the hope that they will find Father. The twists and turns of their story reveal the devastation of the Depression and prove that Deza truly is the Mighty Miss Malone. “Witty and moving.” —The Wall Street Journal “The fluidity of the writing, the strong sense of place and time combined with well-drawn characters will captivate and delight. . . a fitting literary companion to Bud Caldwell.” —Kirkus Reviews, Starred “Curtis threads important bits of African-American history throughout the narrative. . . Some readers will feel they are due a bit of happiness; others will be struck by how little has changed in 75 years for the nation’s have-nots.” —Publishers Weekly, Starred

The Watsons Go to Birmingham--1963: 25th Anniversary Edition

In his barracks, Walter Burke is trying to write a letter to the parents of a fallen soldier, an Alabama man who died in a muddy rice paddy. But all he can think of is his childhood friend Lamar, the friend with whom he first experienced the fury of violence, on the streets of Birmingham, at the height of the Civil Rights Movement. The juxtaposition is so powerful—between war-torn Vietnam and terror-filled “Bombingham”—that he is drawn back to the summer that would see his transition from childish wonder at the world to his certain knowledge of his place in it. Walter and Lamar were always aware of the terms of segregation—the horrendous rules and stifling reality. Their paper route never took them to the white areas of town. But that year, everything exploded. And so did Walter’s family. As the great movement swelled around them, the Burkes faced tremendous obstacles of their own. From a tortured past lingered questions of faith, and a terrible family crisis found its climax as the city did the same. In the streets of Birmingham, ordinary citizens risked their lives to change America. And for Walter, the war was just beginning.

Unfortunately, all that most people see is a "fra-gile" boy who's scared of snakes and tends to talk too much. But everything changes when a former slave steals money from Elijah's friend, who has been saving to buy his family out of captivity in the South. Now it's up to Elijah to track down the thief -- and his dangerous journey just might make a hero out of him, if only he can find the courage to get back home.

Psychology of Terrorism

In compiling this annotated bibliography on the psychology of terrorism, the author has defined terrorism as "acts of violence intentionally perpetrated on civilian noncombatants with the goal of furthering some ideological, religious or political objective." The principal focus is on nonstate actors. The task was to identify and analyze the scientific and professional social science literature pertaining to the psychological and/or behavioral dimensions of terrorist behavior (not on victimization or effects). The objectives were to explore what questions pertaining to terrorist groups and behavior had been asked by social science researchers; to identify the main findings from that research; and attempt to distill and summarize them within a framework of operationally relevant questions. To identify the relevant social science literature, the author began by searching a series of major academic databases using a systematic, iterative keyword strategy, mapping, where possible, onto existing subject headings. The focus was on locating professional social science literature published in major books or in peer-reviewed journals. Searches were conducted of the following databases October 2003: Sociofile/Sociological Abstracts, Criminal Justice Abstracts (CJ Abstracts), Criminal Justice Periodical Index (CJPI), National Criminal Justice Reference Service Abstracts (NCJRS), PsycInfo, Medline, and Public Affairs Information Service (PAIS). Three types of annotations were provided for works in this bibliography: Author's Abstract -- this is the abstract of the work as provided (and often published) by the author; Editor's Annotation -- this is an annotation written by the editor of this bibliography; and Key Quote Summary -- this is an annotation composed of "key quotes" from the original work, edited to provide a cogent overview of its main points.

Escape from Manus

The awe-inspiring story of the only person to successfully escape from Australia's notorious offshore detention centre on Manus Island. In 2013 Jaivet Ealom fled Myanmar's brutal regime and boarded a boat of asylum seekers bound for Australia. Instead of receiving refuge, he was transported to Australia's infamous Manus Regional Processing Centre. Blistering hot days on the island turned into weeks, then years until, finally, facing either jail in Papua New Guinea or being returned to almost certain death in Myanmar, he took matters into his own hands. Drawing inspiration from the hit show

Prison Break, Jaivet meticulously planned his escape. He made it out alive but was stateless, with no ID or passport. While the nightmare of Manus was behind him, his true escape to freedom had only just begun. How Jaivet made it to sanctuary in Canada in a six-month-long odyssey by foot, boat, car and plane is miraculous. His story will astonish, anger and inspire you. It will make you reassess what it means to give refuge and redefine what can be achieved by one man determined to beat the odds.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Family Herald

On a busy Washington morning, amid the shuffle of tourists and the brisk rush of government officials, the stately calm of the White House is shattered in a hail of gunfire. A group of terrorists has descended on the Executive Mansion, and gained access by means of a violent massacre that has left dozens of innocent bystanders murdered. The president is evacuated to his underground bunker - but not before almost one hundred hostages are taken. While the politicians and the military leaders argue over how to negotiate with the terrorists, one man is sent to break through the barrage of panicked responses and political agendas surrounding the crisis. Mitch Rapp, the CIA's top counterterrorism agent, makes

his way into the White House and soon discovers that the president is not as safe as Washington's power elite had thought. And, in a race against time, he makes a chilling discovery that could determine the fate of America - and realizes that the terrorist attack is only the beginning of a master scheme to undermine an entire nation. Look out for the new Vince Flynn novel, *The Survivor*, published in autumn 2015!
