Meet Ida Mae Daughtry

Meet Ida Mae Daughtry. This novel is about a young Black girl from the small gritty town of East St. Louis, Illinois. She believes in herself and, with imagination and a growing spirituality, pursues the American dream. She experiences defeat and victory. She keeps her emotions under control. Her world has a background of casual sex, dope, and violence. With little provocation, Ida Mae will hurt you. She has seen Black life at various levels and wants more than just to be another poor Black girl.

Oklahoma Librarian

African American women have played a pivotal part in rock and roll—from laying its foundations and singing chart-topping hits to influencing some of the genre's most iconic acts. Despite this, black women's importance to the music's history has been diminished by narratives of rock as a mostly white male enterprise. In *Black Diamond Queens*, Maureen Mahon draws on recordings, press coverage, archival materials, and interviews to document the history of African American women in rock and roll between the 1950s and the 1980s. Mahon details the musical contributions and cultural impact of Big Mama Thornton, LaVern Baker, Betty Davis, Tina Turner, Merry Clayton, Labelle, the Shirelles, and others, demonstrating how dominant views of gender, race, sexuality, and genre affected their careers. By uncovering this hidden history of black women in rock and roll, Mahon reveals a powerful sonic legacy that continues to reverberate into the twenty-first century.

Black Diamond Queens

A collection of biographies of ten American lawyers. Some are well-known, such as Thurgood Marshall and Morris Dees and Ralph Nader; others, such as Belva Lockwood and Samuel Leibowitz, are not. Each chapter is accompanied by an annotated bibliography, a chronology, and a table of cases.

Auld Lang Syne

Includes interviews with band members and fans, from countries ranging from the UK and US to Israel and Sweden, this book demonstrates the power and subtlety of an often surprising and misunderstood musical form. It draws on first-hand research to explore the global extreme metal scene.

People's Lawyers

This is an exhaustive cemetery-by-cemetery listing of Tennessee mortuary inscriptions, with a separate section of over 100 pages devoted to biographical and historical sketches.

They Seek a City

A 50-year history of the rock era, including every album that made "The Billboard 200" chart - over 25,000! This amazing reference source provides an artist-by-artist listing of every album that charted in Billboard from 1956 through December 31, 2005. It includes all the chart data including peak chart position, total weeks charted, chart debut date, total weeks at #1, #2 or #3 positions, original record label and number, and more! Also features many bonus sections, including a top 500 artists ranking, chronological listing of all #1 albums, the top 100 albums of all time, top artists by decade, albums of longevity, and more. Includes album cover photos, artist biographies, and many other statistics.

The Dietetic & Hygienic Gazette

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Tecoa; 1939

As the book opens, Jean Morris and her missionary family are leaving Kumamoto for a year in America. Jean is excited, but she admits to her friend, Emiko, that she is anxious about attending public school. She has always been home schooled in Japan. Emiko's advice doesn't help. The first few days of school in America are very traumatic for Jean. She is not like the other students. Later she makes friends and enjoys her life in America. Then, before she is ready, it is time to return to Japan. Jean attends the Canadian Academy in Kobe and the American School in Shanghai. Just before her final year in high school, her family moves to Tokyo. Soon afterwards, Jean meets the grandson of the last Tokugawa Shogun. He adds excitement to her life, but also complications. All of her life Jean has tried to bring her two worlds together. Now she struggles even more with her identity. Finally Jean has some new insights that bring peace into her troubled world.

Journal of Reconstructives, Dietetics and Alimentation

Determination of soil salinity from aqueous electrical conductivity; determination of soil salinity from soil-paste and bulk soil electrical conductivity; example uses of salinity assessment technology; operational and equipment costs associated with salinity instrumentation measurement techniques.

NBC Specialist

A guitarist fires off riffs. A drummer pounds out primal rhythms. Fans scream along to a booming chorus. These are the sounds of rock. When rock 'n' roll first shook up young audiences, parents and politicians screamed in protest. But artists soon used the music to make protests of their own. Since rock's birth in

the 1950s, its sounds have been blasted from garages to stadiums. The music can be the soundtrack to rebellion, a tool for self-expression, or just a way to bang your head. Find out what inspired rock pioneers to pick up their guitars. Discover the stories of outrageous punks and grungy alternative rockers. And learn more about legends such as Jimi Hendrix, Janis Joplin, Metallica, and Green Day.

Tennessee Records

The original architects of rock 'n roll were black musicians, but by the 1980s, rock music produced by African Americans was no longer "authentically black." Mahon offers an in-depth account of how, since 1985, members of the Black Rock Coalition have broadened understandings of black identity and culture through rock music.

The Billboard Albums

The bestselling Gossip Girl book series catapulted into pop culture's stratosphere when it was adapted for television. Spotted takes readers through the first two seasons of the popular, award-winning show episode by episode. Calhoun dives below the surface plotlines to detail the cultural references, fashion, music and morality on the show. With biographies of the cast and creators, a comparison to its teen soap and literary predecessors and a look at the adaptation process from book to screen, this is a must-have accessory for any Gossip Girl fan.

The Texas Outlook

"Roby writes with high-octane levels of emotion. She pushes her characters hard...drawing in readers to be more than bystanders." - USA Today Things are falling apart in the Richardson household. Angry arguments between Celine and her husband, Keith, have become routine. She resents that he's working long hours and staying out all night, and he accuses her of not giving him the attention he deserves. Their marriage is at a cross-roads and Celine worries how her 10-year-old daughter, Kassie, will be affected. But the situation turns devastating when Celine is diagnosed with breast cancer. As her relationship with Keith deteriorates, Celine worries that she'll be left to navigate the difficult process of cancer treatment alone. But comfort and support come in the form of Celine's best friend, Lauren. They've been attached at the hip since they were children and it is Lauren who's there for Celine in her darkest moments. Now, Celine will be forced to make tough decisions-about her marriage and otherwise-and for the first time in her life, she wants to give up. Lauren vows to help by any means necessary and makes the kind of sacrifice only a best friend can. But will it be too late? Email: kim@kimroby.com Facebook.com/[kimberlalaolsonroby](https://www.facebook.com/kimberlalaolsonroby) Twitter.com/[KimberlaLRoby](https://twitter.com/KimberlaLRoby) Instagram.com/[kimberlalaolsonroby](https://www.instagram.com/kimberlalaolsonroby)

The Dietetic and Hygienic Gazette

DIV/divDIVNothing but clear, 100-proof American history./divDIV /divDIVHooch. White lightning. White whiskey. Mountain dew. Moonshine goes by many names. So what is it, really? Technically speaking, "moonshine" refers to untaxed liquor made in an unlicensed still. In the United States, it's typically corn that's used to make the clear, unaged beverage, and it's the mountain people of the American South who are most closely associated with the image of making and selling backwoods booze at night—by the light of the moon—to avoid detection by law enforcement./divDIV /divDIVIn Moonshine: A Cultural History of America's Infamous Liquor, writer Jaime Joyce explores America's centuries-old relationship with moonshine through fact, folklore, and fiction. From the country's early adoption of Scottish and Irish home distilling techniques and traditions to the Whiskey Rebellion of the late 1700s

to a comparison of the moonshine industry pre- and post-Prohibition, plus a look at modern-day craft distilling, Joyce examines the historical context that gave rise to moonshining in America and explores its continued appeal. But even more fascinating is Joyce's entertaining and eye-opening analysis of moonshine's widespread effect on U.S. pop culture: she illuminates the fact that moonshine runners were NASCAR's first marquee drivers; explores the status of white whiskey as the unspoken star of countless Hollywood film and television productions, including *The Dukes of Hazzard*, *Thunder Road*, and *Gator*; and the numerous songs inspired by making 'shine from such folk and country artists as Joan Baez, Bob Dylan, Alan Jackson, and Dolly Parton. So while we can't condone making your own illegal liquor, reading *Moonshine* will give you a new perspective on the profound implications that underground moonshine-making has had on life in America./div

Billboard

Benny Joseph made his living as a professional photographer in Houston's black community during the crucial decades from the 1950s through the early 1980s, when the amplified pulse of rhythm and blues underscored the social changes sweeping the nation. Joseph photographed everything from parades and teen hops to impassioned speeches by civil rights leaders Martin Luther King, Jr., and Thurgood Marshall. Under contract to the pioneering black entrepreneur Don Robey, owner of the Duke and Peacock recording labels, Joseph photographed many of the popular recording artists of the day, including B.B. King, Mahalia Jackson, Buddy Ace, Clarence "Gatemouth" Brown, and Della Reese. With over 120 unique black and white photographs, this is a must have for all rhythm and blues enthusiasts, and a valuable historical resource for photography collectors. Writer, photographer, and filmmaker Alan Govenar met Joseph in 1984 when he was closing his studio in Houston's Third Ward and worked with him over the next five years, sifting through thousands of negatives to identify and contextualize his most compelling images of this remarkable era.

An American Girl in Japan

The fascination with tragedy and the subsequent theatre of voyeurism are part of human nature, especially when it involves our icons, celebrities and musicians. *Knocking On Heaven's Door* is the definitive book of rock 'n' roll, pop, R&B and blues deaths. Often, only the biggest selling artists are written about and sometimes it is the death of a personality that cements their iconic status. *Knocking On Heaven's Door* not only covers the rock legends who lived hard and died young, this detailed reference contains over 1,000 obituaries of music industry personalities, famous and obscure from mid-fifties to the present day. Alphabetical entries of all the important individuals, including: noteworthy producers, managers, songwriters, record company founders A&R men and even critics, puts all the information at your finger tips. Nick Talevski has spent a decade researching this comprehensive and authoritative reference book and it will be an indispensable and practical addition to every music library, full of irresistible and intriguing information.

American Rock

From Ross Mathews, the nationally bestselling author of *Man Up!*, judge on *RuPaul's Drag Race*, and alum of *Chelsea Lately*, comes "a delightful mix of sweet and sour celebrity experiences" (*Shelf Awareness*) in this hilarious and irreverent collection of essays. Pretend it's happy hour and you and I are sitting at the bar. I look amazing and, I agree with you, much thinner in person. You look good, too. Maybe it's the candlelight, maybe it's the booze. Either way, let's just go with it. Keep this all between you and me, and do me a favor? Don't judge me if I name drop just a little. Television personality Ross Mathews likes telling stories. He was always outrageous and hilariously honest, even when the biggest celebrity he knew was his favorite lunch lady in the school cafeteria. Now that he has Hollywood experience—from interning behind the scenes at *The Tonight Show* with Jay Leno to judging *RuPaul's Drag Race*—he has a lot to talk about. In *Name Drop*, Ross dishes about being an unlikely insider in the alternate reality that is showbiz, like that time he was invited by Barbara Walters to host *The View*—only to learn his hero did not suffer fools; his Christmas with the Kardashians, which should be its own holiday special; and his news-making talk with Omarosa on *Celebrity Big Brother*, which, as it turns out, was just the tip of the iceberg. Holding nothing back, Ross shares the most treasured and surprising moments in his celebrity-filled career, and proves that while exposure may have made him a

little bit famous, he is still as much a fanboy as ever. Filled with “charmingly told” (Booklist) tales ranging from the horrifying to the hilarious—and with just the right “Rossipes” and cocktails to go along with them—Name Drop is every pop culture lover’s dream come true.
