decorating our composition book

thicken up the pages by gluing three pages

apply glue to the back of the first page

proceed further with gluing the pages

gluing the pages

glue randomly a set of four pages together rather than three

add some color to the pages

end the back portion with black washi tape

cut it to the shape of the book

add a pocket to the inside cover of our composition book

place your paper down directly on top of the polka dot paper

place it right at the pencil mark

trim off the excess paper

giving away a roll of washi stickers

#### The Lancet-clinic

This book brings together some of the foremost researchers of honor to debate honor's meaning and its compatibility with liberalism, democracy, and modernity. Contributors examine honor past to present, from masculine and feminine perspectives, and in North American, European, and African contexts.

#### Saint Joseph Medical Herald

The ancient Greeks and Romans considered it degrading to both parties yet depicted it prolifically in art and literature. The Early Christian Church called it "the worst evil," punishable by seven years of penance and fasting (murder was one year). Nearly all of the 13 original American colonies had laws against it--except Georgia. A Victorian handbook for young brides advised how to "dampen his desire to kiss in forbidden territory." Attitudes about oral sex have varied through the centuries and across cultures--a death sentence in some nations, a religious practice in others. This book explores its history as well as its impact on world events.
