Matilda the Stone Fairy

In Matilda's world the worst thing a fairy can do is get angry, because a fairy who gets angry runs the risk of becoming a witch. The only salvation for a witch is the spell of redemption cast by fairies commissioned by the queen to save the lost. When Matilda's best friend Luanna is killed by a witch, her anger transforms her into the very thing she has been called to save. Murdering hundreds in her rage, Matilda finds herself afraid of what she's become and hides herself deep in the earth where no fairy can go. Imbued there by dark magic she plots a way to protect herself from the queen. Who will save the world from Matilda? Who will save Matilda from herself?

Matilda the Hair Stylist Fairy

Kirsty and Rachel are excited to be entering a charity fashion show where children get to show off their own designs. Unfortunately, Jack Frost thinks everyone in the world should dress like him, and steals the Fashion Fairies' seven magical items to put his naughty plan into action.

Matilda the Hair Stylist Fairy

Kirsty and Rachel are excited to be entering a charity fashion show where children get to show off their own designs. Unfortunately, Jack Frost thinks everyone in the world should dress like him, and steals the Fashion Fairies' seven magical items to put his naughty plan into action! Kirsty and Rachel need to find Matilda the Hair Stylist Fairy's magic brush, before bad hair days start happening every day.

Matilda Blows Into Town

When a young fairy named Matilda struggles to come of age on her own, she realizes that she must trust her gran's advice and just put her desires out to the universe. Little does she know that a premonition she had of an impressive bridge will take her from her home in Ireland all the way to the city of Boston. Being a small fairy in such a big world leaves the universe plenty of opportunities to manufacture a wonderful and unexpected adventure for her, and as she learns to let go and trust the process, she finds encouragement from some unlikely places and gains courage for her adventure. As she creates a new home for herself in a rich and vibrant fairy garden in a Boston suburb, she finds some of her greatest strengths lie in her optimistic spirit. Even so, she longs for the company of other stray fairies to share her new garden space with and eventually meets Greta-an old fairy who is lost, afraid and in very tattered conditions. Matilda and Greta's unexpected friendship sets them each on a wonderful new adventure in their fairy garden where food is plentiful, friends are close at hand, and the future seems wide open for hope.

Matilda and the Fairies

Matilda secretly lives in a cupboard in the kitchen of Darkfell Manor. One night, she finds a fairy in the flour bin! They become fast friends and, after overcoming many difficulties, Matilda's lonely life is transformed into a world of wonder, eventually leading to a journey to the Land of Faerie. Set in 1895 Westmorland, this enchanting tale of a young girl finding her independence will touch the hearts of young and old alike.

The Adventures of Matilda the Tooth Fairy

Mark made up the Matilda stories of his eldest daughter initially and then shared them with the rest of his children. But his eldest was the true believer in them, although she is now in university. Linda painted the book while living in Montreal. Some of the images catch the landscape there.

Matilda Fluffywing Helps Out

Welcome to a magical world where animals talk and play - just like you and me! Nasty witch Grizelda has used her horrid magic on the Kindness Tree and now all the animals in Friendship Forest are being mean! Can Lily, Jess and baby owl Matilda Fluffywing break Grizelda's spell and save the Heart Trees before it's too late?

Jennifer the Hairstylist Fairy (The Fashion Fairies #5)

Fashion AND fairies? An unbeatable combination! The Fashion Fairies use their magic accessories to make sure that fashion everywhere is fun and fresh. But when jealous Jack Frost steals their magic away, it could lead to a fashion flop! Luckily, Rachel and Kirsty are ready to dive into another fairy adventure. . . . Without Jennifer the Hair Stylist Fairy's magic brush, bad hair days are happening every day! Can Rachel and Kirsty come to the rescue?

The Moongnomes

Sparkyfox

From a masterful storyteller comes an adventure filled with magic and mischief, courage and family. Perfect for fans of The Penderwicks and the Brothers Grimm fairy tales. In the city of Hodorf, the Tattercoats live by a strict code. Only steal what you need, don't leave a trace of yourself behind, and if another Tattercoat is in trouble, you must always help them out. These are the rules that guide Nim's life as she and her rat, Nibbles, live on the streets and the rooftops of the only place she's ever called home. So when a new boy named Otto comes to town and gets caught up in the devious plottings of a former Tattercoat who's fallen from grace, Nim takes it upon herself to come to Otto's rescue. But Otto isn't the only one who needs help: The days in Hodorf have been growing progressively shorter and darker since the legendary sundragons went extinct. The air is getting colder, hope is waning, and it won't be long until the freeze grows so bone-deep that the chimneys the Tattercoats use for warmth at night will no longer suffice. With things growing more dire, Nim sets off into the murky woods surrounding the city, searching for Otto--and for answers. With this story of magic, wonder, adventure, and smarts, Matilda firmly establishes herself as a powerful voice in the middle-grade space. Praise for Otto Tattercoat and the Forest of Lost Things: * "An engrossing tale...Both charming and wise." --Kirkus Reviews, starred review "Woods fills her tale with vivid settings--a Dickensian atmosphere, a fairyland forest--and touching teamwork, and Otto's fortitude makes for a winning read." --Publishers Weekly "[A] frosty tale of magic and bravery." --Booklist

Otto Tattercoat and the Forest of Lost Things

'Friendly Fairies' was written and illustrated by Johnny Gruelle (1880 - 1930). Gruelle was an American artist and political cartoonist, as well as a children's book illustrator and author. He is best known for

introducing the world to 'Raggedy Ann' and 'Raggedy Andy'. This particular book does not feature Raggedy Ann, instead presents fifteen unique fairy stories, including: 'The Three Little Gnomes', 'Mr and Mrs Thumbkins', 'The Wishbone', 'Tim Tim TamyTam,' 'A Change of Coats' plus many more. The 55+ colour illustrations by Gruelle will ensure that young minds will be captivated, if not by the stories, then by the illustrations. Together, the stories provide entertainment as well as moral lessons for young audiences; be kind to those you meet, always be generous, and help those who need it. Hard copy first editions are sought by collectors; this resurrected ebook showcases Gruelle's original text, which is further enhanced by his wonderful colour drawings, which in themselves have been made more vibrant, in order that the two may be fully appreciated by young and old alike. ===== KEY-WORDS/TAGS: Book of Friendly Fairies, children's book, color illustrations, Raggedy Ann, Raggedy Andy, captivated minds, vibrant, folklore, fairy tales, myths, legends, moral lessons, three, little gnomes, happy rattle, red, yellow, blue, recipe, happy day, grandfather, skeeter hawk, crow talk, fairy ring, violin, mr. and mrs., thumbkins, old rough stone, gnarled tree, sally migrundy, johnny cricket, saw, santa claus, twin sisters, happy, grumpy, little thumbkin, good deed, wishbone, tim tim, tamytam, tammy-tam, change, coats, whisp, smoke, asleep, toadstool, mushroom, little prince, Wizzy Owl, Fuzzy Fox, wild boar, wounded bear, bunny rabbits, escape, hunting horn, Willie Woodchuck, whittle, Timothy Toad, Eddie Elf, Gerty Gartersnake, Wallie Woodpecker, Billie Bumblebee, Tilly Toad, grumpies, Marjorie, pretty brown eyes, Merry Chuckle, Make-Believe Land, Witchy Crosspatch, disagreeable, Bug Boys, Tommy Grasshopper, Johnny Cricket, Willy Ladybug, catfish, Skeeterhawk, beautiful fish, teeney, weeney bit, grandpa, grandma, attic, chest, fables, storyteller,

The Stone Cutters Wishes

Not only was Edith Nesbit author of "The Railway Children" and "Five Children and IT," which were both turned into films, but she also authored and published "The Book of Dragons" and "Nine Unlikely Tales" amongst many others (40 in total). Nesbit was considered to be "the first modern writer for children": she "helped to reverse the great tradition of children's literature inaugurated by Lewis Carroll and his contemporaries." In "Nine Unlikely Tales" you will find nine illustrated children's stories for 6 to 13 year olds - and for those of us "older children" who still have not yet quite grown out of visiting realms of fantasy. The stories in this volume are a mix of your standard faire of fairytales and unique, magical stories penned by E Nesbit; so they will, at first, be new to many readers. It is hard to pick a favourite from among these stories. The fairytales "Melisande\

The Big Book of Christmas Novels, Stories, Myths & Carols

Excerpt from the from Matilda and other tales by Katharine Pyle "I feel ashamed Matilda, to see you such a shirk! I really think you'd run a mile. To get away from work. So spoke Matilda's mother Reprovingly one day, But Mattie only shrugged and sulked, and turned her face away. Soon mother left her then alone, the door was open wide. On tip-toes Mattie crossed the floor, and gaily ran outside She left her room undusted; she left her bed unmade, indeed she really was a shirk! I'm very much afraid."

The Most Wonderful Christmas Tales Of All Time

Brownies, kelpies, mermen, trolls, and other supernatural creatures magically appear in a series of delightful tales to assist, annoy, and otherwise meddle in the lives of simple Scottish country folk.

The Sussex County Magazine

Index of archaeological papers published in 1891, under the direction of the Congress of Archaeological Societies in union with the Society of Antiquaries.

The Santa's Great Treasure Chest: 450+ Christmas Novels, Tales, Carols & Legends

The eighteenth century saw the first significant phase of cultural interchange between Britain and Germany. This study examines the part played in this process by women writers, who were entering the literary world in large numbers for the first time. It asks whether women - as readers, translators, and authors - were particularly receptive to the work of other women, and whether a cross-cultural female literary tradition emerged during the period. The study offers a detailed case-study of the German writer Benedikte Naubert, now known for her collection of fairy-tales but also a prolific novelist. It looks first at Naubert's engagement with English literature, that is to say at her numerous translations of English novels, and at the ways in which Anglophilia influenced the production of her own fiction. It establishes how Naubert's interest in England and English literature was related to her position as a woman writer. It then examines the reception of her novels and stories in Britain, questioning how far the response to her texts can be linked to issues of gender. Naubert's work is compared throughout to that of other women writers, and the study thus sheds new light on the extent to which cross-cultural interchange influenced the development of women's writing in both countries.

Teacher & reader recommended YA series! A must read for fans of Supernatural, The Queen's Gambit and old school Buffy: The Vampire Slayer. Teachers call Hidden City "Engaging," and "Delightful!" Readers say "I couldn't put it down!" Stacy is "A heroine I wish I was friends with," and the story is "A rockin' good time!" Hidden City is addictive modern fantasy at its most enjoyable. Thought-provoking and entertaining with a cast of diverse and honest characters who mix coming of age heart with supernatural action, Hidden City satisfies and "totally delivers!" Furlong is an author to be watched. This debut novel is a suspenseful dip into the supernatural world underlying the reality we see every day. Fresh, compelling and page turning, this book is a gem. SYNOPSIS Stacy Goldman is a garden-variety Jewish girl from New York. Except she's a chess champion. And she doesn't believe in anything she can't prove. Especially monsters. When Stacy moves from NYC to Richmond, Virginia in the wake of 9/11, she enrolls in the academically aggressive St. Ignatius Prep in order to graduate early and get home to New York. At St. Ig's, she falls in with two other outsiders, Finder, the only Black girl and owner of the highest GPA in school and her white boyfriend, Tully, a vegetarian fencer and rugby star with a secret even Finder doesn't know. After Stacy interrupts a strange attack outside a diner, Finder & Tully reveal Richmond's biggest secret - the city is home to a supernatural subculture run by a monster as old as the city itself. Ruled by logic and strategy, but having seen something she can't explain, Stacy struggles with what is real and what is not, including her own faith. When an alleged supernatural creature comes to Stacy needing help to defend himself and his children from the city's cruel and manipulative vampire leader, she employs her undeniable chess prowess and must discover her own untapped belief in the unimaginable to save not only his life but those of herself and her friends.

Matilda's Legacy; a Collection of the Posthumous Poetical Productions of Matilda ... Also a Brief Sketch of Her Spiritual Career ... By J. M[umford].

Matilda, Duchess of Hadshire, was a virtual prisoner of a cruel husband who romanced his mistress right under the duchess's nose. Her only joy was dreaming of the handsome Earl of Torridon - for he, like her, was trapped in a horrid marriage and longed to find true love and happiness. Though she secretly wished for the death of her unkind husband, Matilda never imagined the guilt that would plague her when the illustrious duke was befittingly murdered by his own regular lady! When Matilda turned to Torridon for comfort, she discovered a few surprises in store for both of them.

The Marriage of the Sea, Jane Doe, Novel, Sea Novel, Fiction
The Marriage of the Sea by Jane Doe is a captivating novel exploring themes of love, loss, and the enduring power of the sea. This poignant story follows [hypothetical character description based on title, since no plot details are provided] as they navigate the complexities of human relationships against the backdrop of the vast and unpredictable ocean. A compelling read for fans of literary fiction and stories centered around the sea.

The Druids - The Druids by The Histocrat 6,395,903 views 3 years ago 2 hours, 3 minutes - In this video we dive into the accounts of the **Druids**, of Gaul and Britain, and try to see if there is any archaeological evidence for ...

It Was amongst the Backdrop of this Escalating Conflict That Caesar Wrote a Series of Commentaries on His Military Campaigns in Gaul Hoping To Bypass the Senate and Secure Popular Support for His Actions at some Point in this Drafting Process He Chose To Include a Survey of the Local Customs of the Regions He Had Conquered and It Was within this Survey that He Provided a Description of the Religious Class of Gaul That Would Become Iconic in Describing this Class He Deliberately Avoided Using the Term He Had Used in Previous Sections for Priests Instead He Used a Gaelic Word Druid or Druidi this Same Name Was Used by Authors both before and after Caesar but It Was His Account of this Class That Would Endure Long past this Group's

The First of these the Writings of Greek Explorers Active in Western Europe during the Third and the Fourth Centuries bc these Accounts Are by Far the Most Obscure Existing Mostly as Excerpts and Quotations in the Works of Later Authors the Second School of Writers Consists of Accounts of the Druids Beginning with the Initial Roman Expansion into Gaul Continuing until Their Apparent Disappearance during the Second Century Ad of All the Classical Accounts these Are Easily the Most Expensive Being Somewhat Contemporary in both Time and Proximity to the Societies of the Ported Druids of Gaul and Britain Finally We Have the Least Well-Examined Accounts of the Druids those Are the Christian Writers the Cities of Alexandria and Antioch in the Third and the Fourth Centuries Ad

This Theory Is Certainly an Interesting One but It Should Be Noted that There Are Significant Concerns with the Accuracy of the Account It Draws upon the Most Egregious of these Is that the Claimed Location of Hyperborea Varies Wildly between Different Ancient Authors with Successive Authors Placing Its Location Further and Further North as Understanding of European Geography Improved in the Pseudo-Historical Accounts of Hesiod and Homer Hyperboria Is Located North of Frays in Areas of Water Now Romania and Bulgaria Hecateus of Militis Also Places It along the Coast of the Black Sea an Area Whose Geography Was More Widely Understood by the Time Hecateus of Abdurah Relocated the Hyperboreans to an Island off the Coast of Gaul by the Time of the Second Century Ad Author Tommy Who Composed His Maps When Accounts of Britain Were More Widely Known the Location of the Hyperboreans Had Changed Again this Time to a Location in the North Sea above Ireland this Repeated Change in Location Has Led Many Authors To Consider the Hyperboreans More Mythical than Historical

As It Is Here that He Claims Druidic Thought Originated of Their Religious Beliefs He Writes that the Druid's Cardinal Teaching Was that the Soul Did Not Perish upon Death but Instead Passed to another Body a Teaching That Aided Them in Encouraging Fearlessness amongst Their Warriors Caesar Also Writes that Their Disciples Were Educated on an Extensive Range of Topics Including Astronomy the Order of the Natural World and the Power of the Immortal Gods However They Also Placed a Prescription on Writing Down these Teachings Firstly To Prevent Transition of Their Secrets and Second To Improve Their Skills of Memorization Most Interestingly He Also Describes the Druids of Gaul as Serving a Single Leader Who Was Elected by His Fellows though His Position Could Also Be Claimed by Armed Conflict if the Succession Was Contested Caesar Goes On To State that the Druids Would Gather Annually in the Lands of the Khanus

In a Passage of His Work on Divination He Informs Us that He Can Attest to the Presence of Such Practices amongst the Druids Having Met One Himself in Rome this Druid Who Was Known as Divisiakas Is Described as Using Augury a Practice Wherein the Movement of Birds Was Interpreted To Predict the Future along with all Other Forms of Natural Phenomena this Same Division Would Appear in Caesar's Account this Time Listed Not as a Druid but as a Leading Aristocrat and Ally of Rome if this Is Correct Then Cicero's Account Jars with Caesar's Description of the Druids as a Class That Held Aloof from Warfare

He Then Adds a Detail Not Mentioned by Caesar Stating that the Gallic Teaching That Souls Pass to another Body upon Death Is Derived from that of Pythagoras a Greek Philosopher That Founded a School in Southern Italy Sometime in the Late 6th Century Bc So Much Did this Belief Prevail amongst the Gauls that According to Dioderas They Would Cast Letters onto the Pires of Their Deceased Kinsmen so that the Dead Would Be Able To Read these Letters this Identification of Druidic Teachings with that of Pythagoras Has Posed Difficulties for Modern Scholars Almost all Contemporary Accounts of His Life and Teachings Are Now Lost and What Accounts Do Remain Are Largely Satirical in Nature

It Also Seems that the Druids Retained Their Importance during Warfare as both Authors Claim

that They Had the Power To Prevent any Conflict Going As Far as To Step between Two Armies as They Approached for Battle Finally both Diodorus and Strabo Agree with Caesar on the Existence of Human Sacrifice amongst the Druids though They Also Introduced New Ways in Which the Goals Supposedly Disposed of Their Victims in Addition to the Wooden Effigies Described by Caesar both Outline a Process Wherein Captives and Convicted Criminals Would Be Executed by Being Impaled on Long Poles within Their Temples Followed Once More by Ritual Burning

Harvesting of Mistletoe

Caligula

Gaelic Priestesses

The Alexandrian Authors

Carnac Stones

Religious Practices

Known Iron Age Religious Sites

Finally It Should Be Kept in Mind That Lucan Only Mentions these Figures When Discussing the Grove Encountered Outside Macelotes and that as a Result It Is Unlikely To Preserve Native Gallis Ritual Behaviors So Aside from a Handful of Facts Such as the Name of Free Gods Presence of Wooded Sanctuaries and the Existence of Ritual Deposits There Seems To Be a Little in Common between the Archaeological Record and the Accounts of Roman Authors Certainly the Ubiquitous Priesthood of Caesar Strabo and Diodorus Seems To Be Absent from any Known Inscriptions The Second Class of Items We Can Point to Are a Set of Bronze Spoons or Scoops That Have Been Found in Areas of Britain and Ireland with a Solitary Pair Also Being Unearthed in Eastern France Only Around 15 of these Items Are Known To Exist but Most of Them Being Found in Pairs Almost all of these Spoons Seem To Have Been Deliberately Deposited within Graves or Hordes and Their Exact Age Remains Uncertain Going by Their Decoration Styles these Spoons May Range in Date from the 5th Century Bc to the 2nd Century Bc and Seem To Have no Roman Associations these Spoons Take the Form of Small Shallow Bowls Which Are Large Enough To Sit Comfortably within an Adult's

It Consists of the Fragmentary Remains of a Large Bronze Tablet That Was Unearthed in the Late 19th Century in the French Commune of Coligny Engraved on this Tablet Was an Elaborate Calendar Outlining both the Sole Year and Lunar Months along with a System of Notations Listing both Auspicious and Inauspicious Dates this Calendar Dates from between the First and the Second Century's Ad and Was Written Using the Latin Alphabet though the Language It Was Composed in Is Gaulish whilst Only a Small Part of this Calendar Has Survived It Contains a Full Five-Year Cycle and this Repetition Allows Us To Reconstruct It with some Confidence by all Indications the Calendar Outlined in this Tablet May Be the Original Celtic Lunisolar Calendar Support for this Comes from Its Counting of Time Not by Days but by Nights Practice of the Goals Claimed by both Caesar and Pliny Attempts Have Also Been Made To Link this Calendar with the 30-Year Lunar Cycle of the Druids Outlined in Pliny's Account although the Presence of Large Numbers of Notations and Abbreviations Make the Exact Length of any Longer Cycle Open to Individual Interpretation So Did the Druids Create this Calendar the Answer Might Very Well Be Yes Given that It Was Constructed during a Period When Roman Authors Were Still Reporting the Presence of Druids in Gaul and that It Bears a Passing Similarity to Other Elements of Their Accounts However It Could Have Just As Easily Been Drawn Up by Romanised Officials Who Retained a Knowledge of Local Customs Indeed Similar Intercalary

There Is Significant Uncertainty over What Exactly these Mass Displays of Body Parts Represent Most Scholars Agree that the Bodies Found at Rivermont Are the Victims of a Single Large Iron Age Battle Which the Shrine May Originally Have Been Built To Commemorate some of the Heads Displayed at Rock Patios Similarly Seem To Have Come from the Bodies of Men Slain in Battle as Shown by a Piece of Javelin Found Still Embedded in One of the Skulls as a Result Earlier Scholars Hypothesized that One of the Functions of these Sites Was To Ensure the Ritual Humiliation of Their Fallen Opponents Where Their Bodies Would Be Displayed as Trophies or Otherwise Destroyed As a Result Earlier Scholars Hypothesized that One of the Functions of these Sites Was To Ensure the Ritual Humiliation of Their Fallen Opponents Where Their Bodies Would Be Displayed as Trophies or Otherwise Destroyed whilst this May Well Be True of the Skulls Displayed at Rock Parties It Is Now Thought that the Headless Warriors Found in the Mass Grave outside the River Mount Enclosure Are the Foes of the Sanctuary's Builders Given Their Decapitation and Careless Burial by Comparison the Several Hundred Bodies Found within the Enclosure Seemed To Have Been Subjected to a Complicated Ritual Treatment First They Seemed To Have Been Displayed in the Open Air Where They Were Allowed To Decay until Only the Bones and Ligaments Remained

First They Seemed To Have Been Displayed in the Open Air Where They Were Allowed To Decay until Only the Bones and Ligaments Remained some of these Bones Were Then Used To Construct the Ossuaries whilst Others Were Carefully Destroyed by Being Crushed and Then Cremated the Purpose of these Destructions Is Unknown Perhaps It Simply Marked an Unusual Form of Ritual Treatment for the Locals Departed Comrades the Most Prestigious of Whom Had Their Bones Selected for Inclusion amongst the Ossuaries Other Authors Have Taken the Opportunity To Suggest that these Are Not Fallen Warriors At All but the Bodies Are Sacrificial Victims whilst the Evidence for this at Rivermont

The Purpose of these Destructions Is Unknown Perhaps It Simply Marked an Unusual Form of Ritual Treatment for the Locals Departed Comrades the Most Prestigious of Whom Had Their Bones Selected for Inclusion amongst the Ossuaries Other Authors Have Taken the Opportunity To Suggest that these Are Not Fallen Warriors At All but the Bodies Are Sacrificial Victims whilst the Evidence for this at Rivermont and Other Sites in Northern Gaul Remains Unclear this May Well Be True of the Remains Found at Mormont Where Bones Have Been Unearthed Carrying Clear Signs of Butchery so There May Well Be some Slim Evidence for Human Sacrifice

This May Well Be True of the Remains Found at Mormont Where Bones Have Been Unearthed Carrying Clear Signs of Butchery so There May Well Be some Slim Evidence for Human Sacrifice in Parts of Iron Age Gaul but Can We Say the Same for across the Channel Well Let Us Start by Examining the Key Piece of Evidence that Many Authors Cite as Proof of Ritual Druidic Sacrifice in Britain It Consists of the Body of a 25 Year Old Man an Earth from a Bog in Lindau in Cheshire Dating from Somewhere between the First and the Second Century's AD due to the Oxygen-Free Conditions of His Environment Large Portions of His Torso Remained Well Preserved
