Hymn Reflections, Level 4

Church pianists will rejoice in these additions to the David Carr Glover Christian Piano Library. These exciting arrangements are uplifting in spirit, reflecting the original mood of each hymn. Richardson has carefully retained the meditative attitude of the gentle hymns, and has given great energy to the firm, triumphant hymns. Each arrangement is rich and full, with the melody enhanced but never obscured.

Hymn Reflections, Level 5

Church pianists will rejoice in these additions to the David Carr Glover Christian Piano Library. These exciting arrangements are uplifting in spirit, reflecting the original mood of each hymn. Richardson has carefully retained the meditative attitude of the gentle hymns, and has given great energy to the firm, triumphant hymns. Each arrangement is rich and full, with the melody enhanced but never obscured.

Hymn Reflections, Level 6

Church pianists will rejoice in these additions to the DAVID CARR GLOVER CHRISTIAN PIANO LIBRARY. These exciting arrangements are uplifting in spirit, reflecting the original mood of each hymn. Richardson has carefully retained the meditative attitude of the gentle hymns, and has given great energy to the firm, triumphant hymns. Each arrangement is rich and full, with the melody enhanced but never obscured.

Church Musician Repertoire, Level 1

The CHURCH MUSICIAN REPERTOIRE books supplement and reinforce music fundamentals. They are designed to be used with THE CHURCH MUSICIAN, however, they may be used with any piano course or library. Each book in this series presents standard hymns, some music of the masters and original solos, which have been carefully selected and edited for gradual progress.

Sacred Music, Level 2

David Carr Glover has selected, arranged, and correlated these well-known hymns. They represent part of our heritage of sacred music. Students enjoy playing familiar melodies, and this book provides them with such material. Like the REPERTOIRE Books of this library, this book will also stimulate interest and enjoyment in playing. Chord symbols have been included in all hymn arrangements. This will enable the student to use this book as a keyboard harmony aide.

Reflection on gospel songs

How to Play Hymns and Gospel Songs in Evangelistic Styles, is presented in three sections. The first section presents how to play hymns in Basic Chorale Style. The second section presents how to play hymns in Full Chorale and Accompaniment Styles. The third section is a collection of well-loved standard Gospel hymns, already arranged for you, using the three Styles taught in sections one and two.

How to Play Hymns and Gospel Songs in Evangelistic Style

The Reflections books are recognized for having arrangements that sound rich and full without making undue demands on the pianist. The tradition continues with these great-sounding patriotic songs. The collection contains 16 titles, each an important part of the American heritage. Sid Richardson's arrangements are sensitive to the character of the piece: the reflective songs are gentle, but the strong-spirited songs are full of energy. Appropriate for a variety of performance venues, and great for getting improvisation skills 'into the fingers.' This is a collection that will quickly prove its worth. Columbia, the Gem of the Ocean," "You're a Grand Old Flag," "Battle Hymn of the Republic," and "I'm a Yankee Doodle Dandy" are Federation Festivals 2016-2020 selections. A Federation Festivals 2020-2024 selection."

Alfred's Basic Piano Library Hymn Book Complete, Bk 1

A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks,

economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

The Church Musician, Level 3

Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history. This directory is an attempt to collect together information about such bands and make it available to all. Over 19,600 bands are recorded here, with some 10,600 additional cross references for alternative or previous names. This volume supersedes the earlier "British Brass Bands – a Historical Directory" (2016) and includes some 1,400 bands from the island of Ireland. A separate work is in preparation covering brass bands beyond the British Isles. A separate appendix lists the brass bands in each county
