The Vedic Wedding

Managing Your Hindu Wedding: the Day Before and The DAY is a must-read for couples and families planning a Hindu wedding. It lays out all the basic steps and preparations needed for a smooth authentic one-hour ceremony. The rehearsal plan includes practice steps recommended, and specific assignments for friends and relatives who help the ceremony proceed in a pleasant, memorable and timely manner. This ebook accompanies a print version as well as an audiobook.

Hindu Engagement Ceremony - The Workbook

Reserve your copy today. Save 20% by ordering before March 15 "In this excellent work on the Pkr Gas, Dr. Srinivasan has again made the highly complex and sophisticated literature of an equally complex and sophisticated culture accessible to the contemporary reader. He has a gift for communicating complex ideas in a way that makes them clear and easy to grasp, but does so without losing sight of their inherent complexity." Jeffery D. Long, Professor of Religion and Asian Studies, Elizabethtown College

Managing Your Hindu Wedding in North America: The Day Before and THE Day!

The "inward looking" ancient Hindus did indeed marvel at the Cosmos focusing on the universe outside their own self. They believed that the life of a child was, to some extent, influenced by the precise positions of the heavenly bodies at the time of birth. Hence the worship of planets. They set up worship procedures along the lines described here and are still practiced by Hindus around the world. The "Planet Worship" describes the worship with Sanskrit mantras in Devanagari script and transliteration with English translation.

Hindu Wedding - The Workbook

No More Waiting: Finally couples planning to get married have a compact book to work from. One hour ceremony in Vedic Sanskrit with full translation and transliteration. Embedded mantras chanted by the author. Print edition has an attached CD with all Vedic based mantras for a one hour ceremony. Appendix with Family Data Form, Materials List, Sample Program.

The Puranas: A Magnifying Glass for Vedic Wisdom

'The ancient ritual becomes alive and more meaningful for the young people of today, for whom this book is meant' - Michael Witzel, Harvard University 'This beautiful book is sure to become the standard guide for understanding and organizing Vedic weddings' - Prof. Subhash Kak, Louisiana State University An immensely accessible guide, The Vedic Wedding will take you to the roots of the Hindu wedding ceremony, on a journey of its evolution from the Rig Vedic times to the present day. A.V. Srinivasan brings the best of his experiential wisdom as a Hindu priest and scholar in the US in uniquely accessible explanations of each ritual of the traditional ceremony, along with a wealth of knowledge about their origin, variations and significance. One of its kind, this book will help you understand and appreciate, as well as execute, the traditional Vedic wedding ceremony and get a flavour of India's wedding culture, its true meaning and significance.

Planet Worship The Hindu Way: Navagrahas

This book is a detailed step by step account of the Hindu marriage ceremony inviting the blessings and asking permission of all the universal elements so that marriage can be prosperous, happy and fruitful for the continuity of life and the universe. The types of marriages, the role each family member and ancestors play before, during, and after the ceremony. It is a remainder of the sacred purpose of the marriage ceremony from the Hindu perspective, but also a reminder for non-Hindus of the impact marriage has on the world.

The Publishers Weekly

Hindu Vedic marriage ceremony is carried out in the presence of Yojaka Agni - the spiritual connector between the Bride and the Groom in the presence of the Priest and Parents. The Gods are invoked and invited to be present at this sacred ceremony. The Bride and the Groom promise to become equal partner in life, in presence of them. They take sacred oath to be with each other and follow each other in the seven worlds. They do Havan, or Yagna, and chant the Vedic Hymns and Gayatri mantra. This book explains in details about the ritual and step by step process of this ceremony and Havan.

How to Conduct Seemantam

The book makes a comparative study of wedding customs and rituals practised under different religious faiths. "In his interesting and comprehensive book on marriage, Dr. Roy traces the evolution of marriage customs and ceremonies to religious traditions and geographic history. It is particularly interesting to note that several of the customs which are apparently very different in different religious practices and traditions often evolved from some common roots." Foreword Sheila Copps, Former Deputy Prime Minister of Canada and Minister of Canadian Heritage

Hindu Wedding Rituals: ONE HOUR MAIN CEREMONY

Why this book: Currently divorce rate is very high. Most of the failed relationships are due to aMissing lifelong commitment so these seven vows in simple English is provided: To help when couples are experiencing difficult marital problemsTo help couples prepare for their marriageTo help keeping a couple togetherTo help repairing a marriageTo save a marriage These mantras have saved millions of marriages and it only takes minute to read these mantras.Original Sanskrit Text with English Translation: SaptaPadi = Sapta (Seven) + Padi (Steps), meaning seven steps in Sanskrit.It's important to follow seven vows of Saptapadi Mantras to have a happy successful married life.It's for Bride and groom who will be living together in the form of husband and wife. These seven rounds of mantras are the main pillars of any marriage stability.Most of the books only give you the transliteration of Mantra in English only so the power is lost. We have provided Sanskrit words in Devanagari script (a syllabic script used in writing Sanskrit) and transliterated into Roman script, so it is much easier to pronounce these mantras as the written form of energy also appears in the mind to stimulate the positive energy related to the objective you need to accomplish happy marriage in this case. These Mantras were composed by the ancient Vedic saints in the divine energy based language of Sanskrit and hence they produce powerful energy-based sound with specific spiritual potentialities or power or specific energies. Have faith and read this book for very happy married lif

The Vedic Wedding Book

A practical approach to preparation and performance of Hindu Last Rites in North America. Includes a brief traditional ceremony (recommended as a last resort if a qualified priest is not available), with

additional readings and prayers for following days. Basic text in English; Sanskrit recitations and quotes in Sanskrit lettering with English transliteration and translation. Prof. Subhash Kak: Dr. A.V. Srinivasan is America's foremost interpreter of Vedic ritual for our generation...Antyeshti provides much inspirational material for comfort and understanding. Prof. Jeff Long: "...not only a 'how-to' guide to the Hindu funerary rites... The list of suggested readings from Hindu scriptures for those who have recently suffered the loss of a loved one is a great resource."

VIVAHA PUJA - THE HINDU WEDDING BOOK

Tells how to create one's own marriage ceremony, provides five sample ceremonies, and lists additional VOWS.

Upajamana - The Sacred Hindu Marriage Ceremony

"Tying the Knot"

Marriage Customs and Ceremonies in World Religions

A helpful, inspiring planning guide for brides and grooms, officiants, and wedding consultants. This e-book edition of A Wedding Ceremony to Remember now offers even more choices to create a wedding ceremony that's both memorable and meaningful. Choose from nine complete ceremonies, a variety of Vows, Readings, Prayers and Blessings, Wedding Traditions, and other Special Touches to design your ceremony and make it uniquely you. In addition, an Order of Service, Program Samples, Diagrams, and Rehearsal and Ceremony Worksheets assist you with all the details—and help make your decisions a piece of cake.

Saptapadi Mantra: Original Sanskrit Mantra with English for a Successful Happy Marriage

A timely answer to a growing interest in the Hindu wedding rituals, this book has narrations and explanations. Complemented by more than fifty color figures, wedding vows, interviews with inter-cultural and Hindu couples, interjected with appropriate humor, the book is a must-read for those interested in Hindu wedding customs and traditions and offers an insight to youngsters from Indian ancestry or those marrying into the Indian culture.

Hindu Last Rites: Antyeshti

Think of a Hindu marriage event. Some images of fire-ceremony (or) Bollywood dance sequence may come into your mind. There is more to know and learn from these events. Yes, they are colorful events with spicy food menus. But the significance of Hindu marriage relies on centuries old customs and traditions. Many of them give a different perspective in this age where we seem to question every past practice. This book is an attempt to show that perspective and make an interesting story telling process. If you are invited to a Hindu wedding and not sure of the protocols - this book may help you. You will not make the mistake of eating the blessing rice thinking it as a 'prasad'. You can thank me from the embarrassment saved. Tags: Hindu, marriage, South-India, Vedic, Sanskrit, arranged marriage

Wedding Days

Details how in Hinduism man's life is categorized in four phases the young man [brahmacharya stage], the second phase marriage [grhastha], the third stage is the process of moving into ashrams and retreats [vanaprastha], and the last stage is of complete renunciation from this material world [sannyasa].

Weddings from the Heart

This book lists all the Hindu ceremonies, what they mean, what you need to do them and finally why you are doing them. It's an all encompassing guide for planning your wedding. It gives you control over your big day. You select the ceremonies you want to do, how you want to do them and you are not coerced by either a pundit or an auntie you hardly know. You can budget for your wedding with the help of this guide. This book is easy to read, user friendly and has checklists to ensure that you do not forget anything. This book gives you an exposure of our rich culture and symbolisms. You will do the ceremonies with understanding and enjoy your wedding day more. This book makes the understanding of Hindu Weddings easy and logical.

The Vedic Hindu Marriage Ceremony

From the #1 wedding brand comes this indispensable resource, completely revised and updated, to help you choose the perfect words, music, and traditions for your ceremony and reception. The ceremony is the cornerstone of your wedding celebration. There are countless ways to make it your own, from meaningful poetry readings to the music that plays as you walk down the aisle. The Knot Guide to Wedding Vows and Traditions is an important resource for brides and grooms. New and expanded topics in this edition include: -Interfaith ceremonies and blending spiritual traditions -Ways to use technology to enhance your ceremony -New online resources for finding the perfect words for your vows, program, and more -Gay marriages and civil unions -Popular song choices that are already considered classics. Throughout, you'll also find a rich and inspiring selection of both classic and original ideas for: -Religious or secular vows and readings -Traditions and symbolic rituals -Speeches and toasts -Music for the processional, recessional, and the special dances at the reception.

Tying the Perfect Knot

The primary purpose of this book is to provide the complete text for a basic Hindu wedding ceremony. It includes all the elements needed to plan, coordinate and perform the ceremony itself.

A Wedding Ceremony to Remember

An illustrated A to Z reference containing more than 700 entries providing information on the theology, people, historical events, institutions and movements related to Hinduism.

Hindu Wedding Rituals

An overview of wedding rituals for neopagans features ceremonies inspired by a wide range of influences, mythological love stories, and belief systems, including interfaith ceremonies allowing for just about any combination of religions, and tips on finding officiates, suggested readings, and more.

Marriage-Made in Madras

Bollywood Weddings explores how Indian-American Hindus negotiate two vastly different wedding cultures: those of mainstream America and of Hindu India. Based on extensive ethnographic fieldwork and drawing on recent advances in material culture studies, Ramdya suggests that Bollywood, whose Indian origins grants it authenticity from the Hindu perspective and whose emphasis on romance accommodates American values, emerges as the key mediating third culture that allows Indian-American Hindus to reinforce their community's identity as ethnic and American even as it confirms that success in America need not be bought at the expense of one's religious background and cultural heritage.

Viv ha SaAsk ra in Gr%hya-sktras of the Four Vedas

What are the driving forces behind your marriage and your interpersonal relationships? Would you like to connect with your partner on a deeper level and further enrich your marriage? If so, When Heaven Meets Earth is a great starting point. Inspired by her 35 years of experience in counseling, her several presentations in India and the U.S. on marriage and interpersonal relationships, and her extensive research on marriage and family, Dr. Singhal describes the skills and practices necessary to create a well-functioning and lasting partnership through the lens of the seven Hindu marriage vows. Though these promises were crucial rituals in her own wedding, it wasn't until decades later that she realized their inherent wisdom. Singhal has expounded on these vows in this book, enriching them with stories from her own marriage and the partnerships of her clients, family and friends. She makes the case that the value of these vows is relevant even in the 21st century and all over the world, arguing that a meaningful marriage is founded on the universal ideals of mutual respect, commitment, trust and the union of two souls. "Swarna's curiosity for the original meanings of vows takes us on a journey to ancient India and back. She applies traditional beliefs and wisdom to today's real worlds. Seeking that clarity heightens our appreciation of life, love and self-worth. It's a recipe for all that seek to be loved deep into our core. A nurturing must-read for all!" - Darshi Shah, CNT/Author, RIGHT Diet for Autoimmunity

Celebrating Dreams

This Book Captures The Grandeur Of The Ideal Hindu Marriage Through Entering Into The Spirit And The Thought Of The Mantras And Other Sanskrit Passages, Which Though Spoken In The Marriage Rituals But Are Hardly, If Ever, Understood.

Rituals & Customs of a Hindu Wedding

Wedding vows are the most sacred part of the wedding ceremony. This book gives you step-by-step guidance on creating your own personal vow, as well as choosing from traditional vows from different faiths. For a non-traditional ceremony, this book contains vow samples, a vow template and different song lyrics, and poems that are often referred to in weddings.

Vivah

Congratulations on your engagement! In this little book couples will find many suggestions for their wedding. Where will you marry? Who will officiate? What will the ceremony be like? Does everything have to be so stressful? The answers to these questions and more will be found in this book. Couples will find a variety of tips to make their wedding planning easier and more complete. Rev. Elleven answers questions that many couples do not even know to ask. Written by an ordained minister and licensed counselor in an abbreviated manner, this guide allows couples to put ideas into action quickly and easily. After finishing Reverent Rituals: A Brief Wedding Guide couples will be well on their way to planning the best wedding possible.

The Knot Guide to Wedding Vows and Traditions [Revised Edition]

The Wedding Journey is a unique guidebook that couples contemplating marriage will value. Rev. Hannah Desmond incorporates both ancient teachings and leading-edge thought in the crafting of wedding ceremonies for twenty-first century couples. She offers sage advice and assistance for creating your wedding ceremony, personal vows, and a fulfilling marriage. Hannah has created authentic, contemporary wedding scripts, which can serve as complete wedding services or as templates in the creation of your own ceremony. The ancient Celtic wedding practice of Handfasting is included, with a full explanation of "tying the knot." You receive guidance as you begin the process of creating your ceremony, accessing your deepest emotions, and verbalizing your true feelings through your wedding vows. Beneficial practices and exercises are included to help alleviate the stress that may arise as you plan your wedding and prepare for your transition into married life. Hannah introduces effective techniques for harnessing the power of your thoughts, words, and emotions to alleviate distressful misunderstandings and allow for greater communication and a deeper bond in your marriage. With humor and compassion, Hannah helps you avoid some of the wedding pitfalls she has witnessed in her twenty years as a wedding celebrant. There are anecdotes to make you laugh and advice on a myriad of unique wedding elements from using your astrological flower in your bouquet to incorporating a unity ritual in your ceremony. The information and assistance offered throughout The Wedding Journey provides couples with fresh ideas and the emotional support and understanding necessary to create a deeply meaningful wedding ceremony, powerful and enduring vows, an awakened heart, and the flow of great love, prosperity, serenity, and joy into their marriage.

Hindu Wedding Rituals - Symbolism and Significance

Has a friend or family member asked you to officiate their ceremony? Bestselling Author, Dayna Reid, provides everything you need to know to perform a wedding ceremony and make it legal. In this short, guidebook version of the bestselling book, "Do-It-Yourself Wedding Ceremony: Choosing the Perfect Words and Officiating Your Unforgettable Day," readers are given all the information they need to write and officiate a personalized and meaningful wedding ceremony. Some key information within the book:

- * The meanings behind each traditional element of a wedding ceremony
- * Several sample wedding ceremonies
- * Instructions for obtaining a marriage license
- * Steps to becoming ordained
- * Advice on selecting the right Officiant
- * How to conduct a rehearsal
- * Information on filing the paperwork to make the wedding legal
