Modernist poets, Godly Romantics, what really happened during the fall of Rome, and the Lucifer who was a medieval nun Also includes the delights of the WicDiv Christmas Annual and the Comedy Special. Collects all six of THE WICKED + THE DIVINE's essential Specials including the CHRISTMAS ANNUAL and THE FUNNIES!

The Wicked + The Divine Vol. 7: Mothering Invention

In the past: awful stuff. In the present: awful stuff. But, increasingly: answers. Collects THE WICKED + THE DIVINE #34-39

The Wicked + The Divine #3

Laura has no choice. She has to go underground to find the goth-goth-gothity-goth of the Morrigan. Is this the most illadvised underworld-related decision since Orpheus decided to see how Eurydice was doing in the back seat? To find out, read the comic that people are literally calling "The one by GILLEN/MCKELVIE/WILSON with the very long title."

The Wicked + The Divine Vol. 6 Imperial Phase Part 2

When you're at the peak of your powers, there's only one way to go. The question becomes how many people are you willing to drag down with you? The bestselling, critically acclaimed comic by KIERON GILLEN, JAMIE McKELVIE and MATT WILSON reaches its most dramatic arc yet. Collects THE WICKED + THE DIVINE #29-33

The Wicked + The Divine Vol. 5: Imperial Phase Part 1

The gods are free to do whatever they want. Inevitably, they do. Collects THE WICKED + THE DIVINE #23-28, including the critically lauded KEVIN WADA magazine issue.

Wicked + the Divine

After the detonation of FANDEMONIUM the gods-as-pop-stars of THE WICKED + THE DIVINE try living in the long dark shadow. Team WicDiv are joined by a stellar cast of guest artists to put the spotlight of each of the gods. The multiple Eisner-award nominated series continues in the only way it knows how: darker, weirder, faster. Don't worry. It's going to be okay.

The Wicked + The Divine #44

"OKAY," Part Five There's one "i" in "decide" but two in "deicide." I'm not sure if that tells you anything, but it sounds pretty enigmatic, right?

The Wicked + The Divine #40

"OKAY," Part One The pop-obsessed sensation starts its final arc. Yup, you read it right. We're rushing toward the climax. Are you really going to stop now? C'mon. Stay with us. We've got a five-years-in-the-making conclusion to be getting on with.

The Wicked + The Divine #45

"OKAY," Conclusion Thanks for reading. We'll miss you.

The Wicked + The Divine Vol. 2: Fandemonium

The critically-lauded best-selling hyphen-abusing series of stardom, divinity, and death returns with a second volume that's even grander than the first, because it contains six issues instead of five. THE FAUST ACT is over. Welcome to FANDEMONIUM. Includes cover gallery and anything else we'll cram in the back, because we just can't help ourselves. Collects THE WICKED + THE DIVINE #6-11.

The Wicked + The Divine #6

THE FAUST ACT is over. Welcome to FANDEMONIUM. The second arc of THE WICKED + THE DIVINE begins in its traditional manner (i.e. a ludicrous pun.) We'd say something like "nothing will ever be the same again" but if you think about it, you can say that about literally everything, ever. Er...also some comic story. Probably.

The Wicked + The Divine #4

The mystery is solved. But does pop-god Lucifer like the answer? The answer is a word that rhymes with "Go\

The Wicked + The Divine #43

"OKAY," Part Four Jamie, this is the last time we have to do big crowd and fight scenes. I swear, we can get through this. Two more issues after this, and then we can have a sleep.

The Wicked + The Divine #42

"OKAY," Part Three I just read the synopsis for this issue and gaped. We're actually going to do all this in an issue? That AND that AND that? Honestly, this last arc really is going for it.

The Wicked + The Divine Vol. 4

Every ninety years, twelve gods are reincarnated as young people. They are loved. They are hated. And sometimes - just sometimes - they fall into open Superstar wars. The fourth volume of the award-winning, best selling series from acclaimed creators KIERON GILLEN, JAMIE McKELVIE and MATT WILSON is the most explosive yet. Collects THE WICKED + THE DIVINE #18-22.

The Wicked + The Divine: Book Four

6,000 years of secrets, finally revealed. It's going to be okay. For a certain value of okay. The final volume of the commercial pop sensation is so momentous, it can't be held in one volume. Join us for this oversized two-book package that brings our cycle to an end. Collects THE WICKED + THE DIVINE #34-45, all six Specials, and extras!

The Wicked + The Divine: The Funnies #1 (One-Shot)

Every ninety years gods are reborn as dogs. They are good dogs. They are very good dogs. In two years, they may have learned how to sit, which is one of several (count em!) stories in this special. As THE WICKED + THE DIVINE prepares for its final arc, we invite a bunch of friends over, pass out the fizzy pop and sherbet and have a lovely time. Join us!

The Wicked + The Divine Book 2

Oversized hardcover collection of issues #12-22 of THE WICKED + THE DIVINE, including the most experimental and elating material in the critically acclaimed commercial superstar of a series so far. Collects COMMERCIAL SUICIDE and RISING ACTION with copious making-of material and extensive director's commentary.

The Wicked + The Divine #41

"OKAY," Part Two Back in black.

The Wicked + the Divine Deluxe Edition Year Three

Every ninety years, twelve gods return as young people. They are loved. They are hated. In two years, they are all dead. It's happening now. It's happening again.

The Wicked + The Divine #25

"IMPERIAL PHASE (I)," Part Three. The comic that says, "What could possibly go wrong?" and then looks at the camera and stares until we all start crying releases another issue.

The Wicked + The Divine #30

Wherein Dionysus sits in the darkness for most of an issue, but in an awesome way. Honestly, you'll love it. Also: other stuff

The Wicked + The Divine #10

Ragnarok is finally here. The show to end all shows promises to be a lovely experience for all the gods...wait. Oh noes! Jamie and Matt have drawn Baphomet drenched in blood on the cover. What a hilarious internal communication error. I'm sure it's a mistake and nothing to do with the story whatsoever.

The Percy Jackson and the Olympians, Book Three: Titan's Curse

In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.

The Wicked + The Divine #9

It's time for a private audience with Anake, she who has protected and judged the Pantheon for thousands of years. Yes, it's time for an interview... with an umpire. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Also: Baphomet being all goth and having a nice little mope.

The Wicked + The Divine #31

"IMPERIAL PHASE (II)," Part Three A nice lie-in. An awesome gig three friends have worked really hard on. A day trip to a museum enlivened when some old chums turn up. Everything continues to be lovely for the gods in "IMPERIAL PHASE."

The Wicked + The Divine #33

"IMPERIAL PHASE II," Conclusion There's only one thing all Imperial Phases share. They end. Ours does too.

An Exact Exposition of the Orthodox Faith

An instant New York Times bestseller! A girl who can speak to gods must save her people without destroying herself. A prince in danger must decide who to trust. A boy with a monstrous secret waits in the wings. Together, they must assassinate the king and stop the war. In a centuries-long war where beauty and brutality meet, their three paths entwine in a shadowy world of spilled blood and mysterious saints, where a forbidden romance threatens to tip the scales between dark and light. Wicked Saints is the thrilling start to Emily A. Duncan's devastatingly Gothic Something Dark and Holy trilogy. This edition uses deckle edges; the uneven paper edge is intentional.

Wicked Saints

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Revelation

Love demands sacrifice. Her blood. Her body. Even her life.

The Wicked and the Willing

"MOTHERING INVENTION," Part One It's around 6,000 years ago. It's never happened before. Let's talk about that.

The Wicked + The Divine #34

"IMPERIAL PHASE (I)," Part Four Once more we return to the polling booth. One god, one vote. I'm sure it'll be fine. Democracy always works, right?

The Wicked + The Divine #26

"RISING ACTION," Part Two Gods of the Underworld, in the Underworld. Perfectly safe now. Definitely. Stuff definitely doesn't explode. That doesn't happen
