Working with Psychic Protection

An innovative book on how to protect yourself in a psychic sense.

Psychic Protection

"An important guide for those who seek to be both grounded and spiritually connected" (Julia Cameron, author of "The Artist's Way"), "Psychic Protection" offers practical ways to dispel the uncomfortable or hostile atmosphere that permeates difficult or unpleasant situations.

Psychic Protection

Described in this book are the invisible levels of the mind—the power of thoughts, the unconscious, elemental energies, and magic. Also discussed is how to protect oneself from the negativity that can be part of these levels.

Psychic Protection

When individuals dares to expand beyond the physical limits of the body, into the world of psychic and spiritual energies, dangerous doors are opened. There is real evil, as the many true cases in this psychic self-help book will reveal. This realm can be fraught with evil, demons, and even the undead. However, not to explore this vast territory is like refusing to drive a car because you might have an accident. Just as you can go to driving school to learn to drive safely and effectively, in the psychic realm, you also can learn the process of true protection, wrapping yourself in the perfect protection, allowing you to be an adventurer versus never going more than where your physical limits allow. It is our right as well as our duty to expand our consciousness safely into the spiritual realm with the intent of exploring these sacred territories, guarded and protected with armor from God. In reference to physical places on Earth, we often hear, "It is a dangerous world out there," but it's an even more dangerous world out there beyond our physical bodies. Join me in taking safe steps into realms that most dare not tread. This book will take you through cases of actual individuals, who have experienced such dramatic and psychic attacks as incubus and possession. In reading about these individuals' unprotected and traumatic spiritual explorations, you will understand their errors and learn from them. A detailed discussion of the most powerful prayer for protection will be explained, along with its effect on your chakra system. There are many energies systems, besides the chakras, which support our physical reality, and this book will help you understand some key energy systems and their roles in protecting your physical, mental, and spiritual bodies.

Crystals for Psychic Self-Protection

Complete Guide to Protecting Yourself Against Psychic, Magickal & Paranormal Attack (and just plain irksome people) Have you ever felt a negative energy come over you for no apparent reason when you were near someone or around certain places? Had a curse hurled at you? Been spooked by a ghost in a building? Imperiled by demonic forces? Been drained and discombobulated by an energy vampire? Or, do you encounter more mundane but still disruptive negative energies like an over demanding boss, the local bully, hurtful gossip, a physically or mentally abusive spouse, or life in a dangerous neighborhood threatened by thieves and violence? Whatever your source of negative energy, danger or threat, you'll find effective, proven, psychic and magickal countermeasures within this book. Psychic Self Defense draws upon Embrosewyn's six decades of personal experience using psychic abilities and magickal defenses to thwart, counter and send back to sender, any and all hostile paranormal threats. Everything from unsupportive and dismissive family and friends, to ghosts, demons and exorcisms. The same practical and easy to learn magickal techniques can be mastered by anyone serious enough to give it some time and practice, and can aid you immensely with a host of material world challenges as well. 17 psychic and paranormal threats are covered with exact, effective counter measures, including many real life examples from Embrosewyn's comprehensive personal experiences with the paranormal, devising what works and what doesn't from hard won trial and error. Whether you are a medium needing to keep foul spirits away, or simply someone desiring to know that you, your family and property are safe and protected, you will find the means to insure peace and security with the proven psychic and magickal methods outlined in Psychic Self Defense.

Psychic Self Defense

A step by step beginners guide to psychic and mediumship self development. This book explains what psychic ability and mediumship is about and takes the beginner through various steps and exercises to help them develop the skills needed to become proficient and responsible Psychics and Mediums. I hope that by following my guidelines Mediumship will become an enjoyable and problem free experience. It covers such things as professionalism, discipline, legalities, data protection and insurance. Mediumship can be one of the most rewarding gifts that someone can possess. The look of joy on a bereaved person's face when they have received even the shortest message from their loved one is one of the best sights that you will ever behold. The immense feeling of satisfaction that a Medium gains from helping someone realise that death is not final; the comprehension that our loved ones' live on in our hearts and minds, that their 'energy' or 'life essence' is constantly around us, is one of the most beautiful things a Medium will ever experience. The effort that you, as a Medium, put into discovering how to give these messages to the best of your ability will reflect in your work. This book is intended to help guide you through the learning process. Many times I have been asked "Can anyone become

Psychic?" The answer to this is very simple. Everyone is born with Psychic abilities (a sixth sense); think of babies in the crib looking at some 'unseen' being and laughing and gurgling at them. Think of a child with his/her imaginary friend or those many 'weird' co-incidences. One of the main problems we encounter is how we can keep these abilities in a useable and workable state throughout our lives whilst trying to juggle life's commitments. This is an extremely tough, and for some impossible, task. This is why many people develop their abilities later in life. This book explains what psychic ability and mediumship is about and takes the beginner through various steps and exercises to help them develop the skills needed to become proficient and responsible Psychics and Mediums. I hope that by following my guidelines Mediumship will become an enjoyable and problem free journey for all those that embark on it. As well as covering all aspects of spiritual development I also include the legal aspects associated with working as a psychic or medium. The book has been produced with as little emphasis on any particular religion as possible. Any references or terminologies that appear to implicate a particular deity or religion are purely there to substantiate the average person's understanding of this particular type of development.

When Spirit Callsyou answer

An essential guide to psychic self-defense with simple practices for protecting yourself from the spiritual pitfalls of everyday life and preserving your energetic well-being. We protect ourselves in many ways—insurance policies, locks on our doors, and so forth. But our physical safety is not the only thing that needs looking out for, so too does our psychic well-being. We all need the occasional boost to defend against unhealthy invading energies. This is particularly the case for exceptionally sensitive people or those who work as therapists or healers. The simple and effective psychic protection tools explained in this book include: Guided imagery techniques to facilitate mastery of the exercises Recommendations on the use of specific crystals, gems, and talismans Practical advice on how to avoid being exposed to things that may compromise your psychic strength Also offered are advanced techniques to prepare for activities such as meditation, out-of-body experiences, and channeling.

The Art of Psychic Protection

A veteran of thousands of out of body experiences and visions, John Stone shares his knowledge of the spiritual realms in *The Spiritual Life*. After learning to traverse the internal dimensions and facing its challenges, Stone teaches us about the tests faced when opening up to experience the greater Universe. "At some point in our evolution, when we desire a deeper connection to the Universe and a Higher Power, we will face lower entities which are simply seeking Oneness with us. For until we can face the darkness within and learn to manage the unconscious expression of it, dark forces will always be attracted to us." This book is about learning to understand the forces of attraction and repulsion in the Universe and in particular, how to neutralize lower forces in our inner lives, as well as in our daily physical life. 'By gradually becoming conscious of ourselves in the internal realms, we learn a new appreciation for those still mired in desperation. And in doing so, we are freed from the psychic attack that we could potentially otherwise attract.'

The Spiritual Life

The souls of our loved ones take a keen interest in our lives here on earth. *Angels Watching Over Me* offers a glimpse into the magical stories of communication between our world and the next. These messages will bring comfort and healing to anyone who has lost someone close to them, whether recently or long ago. In this book, Jacky Newcomb illustrates the power of real-life spontaneous afterlife experiences and how they show that life goes on after we leave the physical realm. These stories have much in common with the classic angel experience, and show that the souls of your loved ones watch over you as you live your life.

Angels Watching Over Me

For the Love of Spirit was created to inspire, uplift, and entertain. This is a true story of an average girl, Liz, who became a psychic medium and went on to inspire many. Based in Australia, the story tells of synchronistic events from the 1960s to the present time, from the author's first psychic experience at the age of four to learning and later teaching psychic development, giving private readings and public demonstrations. For the Love of Spirit includes not only memoir but offers insights and wisdom to further one's knowledge about spirit communication, spiritual protection, angels, and spirit guides. Liz struggles with love, with parenting and basic survival, and yet all along has the support of Spirit and her personal spirit guide, White Owl. An enchanting memoir, creatively woven with insight and wisdom.

Psychic Protection

How to protect yourself and your home from negative forces as well as paranormal activity by using protective magic and natural elements. A book that is channeled by a spirit guide with the following message: "Be not afraid of the things that slither, wriggle and crawl, as they are of no matter in the scheme of things of what to be wary of. Non-believer? Good for you, perhaps you will never know of the scabbies and of the "large dark" that exist in this world. But for those of you that have wandered, even intentionally, into the dark corners of the unknown...then you had better heed the advice in this book, as it was written with channeled assistance to help you navigate through this indigo abyss of dangerous sharp edges. Use wisely and freely the information enclosed to keep protections at all times, but for some things...there will be no protection, so know that before going in."

Psychic Self-Protection

Psychic Self-Defense Dion Fortune - "Psychic Self-Defense" is one of the best guides to detection and defence against psychic attack from one of the leading occult writers of the 20th century. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defence guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defence. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognise them.

Psychic Self-Defense

This practical and informative inspirational guide teaches readers how to cleanse and strengthen their aura and protect it from obsession, possession, astral attack, psychic vampires, cults and negative energies.

Psychic Self Defense

From centuries-old battlefields to present-day disasters, Wilma Davidson has coaxed countless earth-bound spirits-confused children, loyal soldiers, malevolent entities, and stubborn Titanic passengers-to "the Light." In recounting her extraordinary experiences, she brings warmth, honesty, and humor to a subject often avoided and misunderstood: death. This revealing testimonial to the spirit world aims to create awareness, offer credibility, and bring comfort to those who fear crossing over. Davidson's poignant and insightful stories fill in little-known details about ghosts, animal spirits, non-human entities, near-death experiences, angels, and reincarnation. The author also introduces an entire cross-section of the paranormal-spiritual healing, psychic protection, dowsing, astral travel, feng shui, geopathic stress-and gives practical advice for those who wish to follow in her footsteps.

Thorsons Way of Psychic Protection

Stories of ghosts and hauntings have frightened us since the beginning of time. Until recently, few have dared to contact the deceased and discover the true nature of earthbound spirits and the phenomena they create. Our understanding of the afterlife has evolved, and with it the reality that ghosts are just like us, facing many of the same problems we face every day. Spirit rescue mediums are “psychologists for the deceased,” helping them peacefully transition to the other side. *Toward the Light* is the first guide dedicated solely to spirit rescue and its role in saving earthbound spirits from their self-imposed exile on earth. It is a guide to rescue mediumship, a form of spirit communication used to counsel and aid the deceased in crossing over. It is the first book that will help you understand things from a ghost's perspective, and will cover such diverse topics as: Why spirits remain earthbound and the emotions associated with this decision Places of interest for earthbound spirits and the reasoning behind their residency Techniques and tools used by rescue mediums Psychic protection tools and techniques for all levels of spirit activity The different vibrational levels of spirit attachments Residual energy and the techniques used to clear it away

Toward the Light

Spiritual Solutions

Demonstrates how to navigate life challenges in four common areas including relationships, success, health, and personal growth, providing compassionate recommendations for achieving balance and handling conflicts.

There is a Spiritual Solution to Every Problem

In *There's a Spiritual Solution to Every Problem*, bestselling author Wayne W. Dyer offers compelling testimony on the power of love, harmony, and service. When confronted with a problem, be it ill health, financial worries, or relationship difficulties, we often depend on intellect to solve it. But in this inspiring book, Dyer shows us that there is an omnipotent spiritual force at our fingertips that contains the solution to our problems. Drawing from the various spiritual traditions, especially from the prayer of Saint Francis of Assisi, Dyer helps us unplug from the material world and awaken to the divine within. The first part of the book provides the essential foundation for spiritual problem solving, drawing from the wisdom of Patanjali, a Yogi mystic; the second half focuses on the legacy of Saint Francis. Dyer offers specific practical applications for applying the teachings of these wise men to everyday problems, including affirmations, writing exercises, and guided meditations.

Self Power

From the man who has inspired millions of people to transform their lives and create their heart's desire comes his latest book on seeking and embracing the power source within. Deepak Chopra has made clear his conviction that it is within the potential of every human being to live an enriching, self-aware, magnificent life. But to reach that state of empowerment is a difficult task, calling for courage, will power and - often - guidance. In *Self-Power*, Chopra offers that guidance and encouragement, while inspiring his readers to take their lives into their own capable hands no matter what challenges they may confront, be they job loss, financial difficulties, relationship issues, health problems or spiritual questions.

There's a Spiritual Solution to Every Problem

NATIONAL BESTSELLER FROM ACCLAIMED AUTHOR WAYNE DYER In this inspiring book, bestselling author Wayne Dyer draws from various spiritual traditions to help us unplug from the material world and awaken to the divine within. With his trademark wit, wisdom, and humor, bestselling author Wayne Dyer offers compelling testimony on the power of love, harmony, and service. When confronted with a problem, be it ill health, financial worries, or relationship difficulties, we often depend on intellect

to solve it. In this radical book, Dyer shows us that there is an omnipotent spiritual force at our fingertips that contains the solution to our problems. The first part of the book provides the essential foundation for spiritual problem solving, drawing from the wisdom of Patanjali, a Yogi mystic; the second half is organized around the prayer of Saint Francis of Assisi, whose legacy is one of love, harmony, and service. Each chapter contains specific practical applications for applying the teachings of these wise men to everyday problems, including affirmations, writing exercises, and guided meditations. Profound and thought provoking, yet filled with pragmatic advice, *There's a Spiritual Solution to Every Problem* is a book about self-awareness and tapping the healing energy within all of us. As Dyer writes, "Thinking is the source of problems. Your heart holds the answer to solving them."

The Book of Secrets

'The Book of Secrets' aims to help readers unlock the mystery of their own existence, showing how the very next thought, feeling or action can begin to uncover the deepest secrets. With guidance in this book, learn how to look at life as it really is, seeing it from a still point inside.

War of the Worldviews

Richard Dawkins, Christopher Hitchens and Stephen Hawking have had a major impact on the loud and popular debate between 'aggressive atheists' and religion. The huge sales of their bestselling books show just how much interest people have in their ideas. Now 'the rock star of the new spirituality', Deepak Chopra, is entering this debate, sparring with leading physicist, Professor Leonard Mlodinow (the co-author, with Stephen Hawking, of *The Grand Design*). In *War of the Worldviews*, Chopra argues that there is design in our universe and a deep intelligence behind life. Without defending organised religion, he debunks randomness as an explanation for how Nature evolves and shows how consciousness comes first and matter second. On the other side, Mlodinow argues the viewpoint of science, specifically what modern quantum physics can tell us about our world. In his view, physics, genetics and cosmology will shed far more light on the big questions than rethinking ancient spiritual concepts can ever do. A major work of our time, *War of the Worldviews* will not only offer more food for thought for those fascinated by the two sides of this modern conundrum - it will also place Deepak Chopra firmly in the ring of some of the most remarkable, and bestselling, thinkers of our era.

There's a Spiritual Solution NR Ed

In this inspiring new book, bestselling author Wayne W. Dyer puts forth a powerful notion: namely that our ultimate purpose is to fulfill a spiritual destiny. In "*There's a Spiritual Solution to Every Problem*," Dyer shows us that there is an omnipresent spiritual force right at our fingertips that contains the solution to our problems -- from ill health, to financial worries, to relationship difficulties. Drawing from various spiritual traditions, especially from the prayer of Saint Francis of Assisi, Dyer helps us unplug from the material world and awaken to the divine within.

Quantum Healing

This is an extraordinary new approach to healing by an extraordinary physician-writer - a book filled with the mystery, wonder, and hope of people who have experienced seemingly miraculous recoveries from cancer and other serious illnesses. Dr Deepak Chopra, a respected New England endocrinologist, began his search for answers when he saw patients in his own practice who completely recovered after being given only a few months to live. In the mid-1980s he returned to his native India to study

Ayurveda, humanity's most ancient healing tradition. Now he has brought together the current research of Western medicine, neuroscience, and physics with the insights of Ayurvedic theory to show that the human body is controlled by a 'network of intelligence' grounded in quantum reality. Not a superficial psychological state, this intelligence lies deep enough to change the basic patterns that design our physiology - with the potential to defeat cancer, heart disease, and even aging itself. In this inspiring and pioneering work, Dr Chopra offers us both a fascinating intellectual journey and a deeply moving chronicle of hope and healing.

Creating Affluence

With clear and simple wisdom, Chopra explores the full meaning of wealth consciousness and presents a step-by-step plan for creating affluence and fulfillment on all levels of life.

The Book of Secrets

If it weren't for the enormous effort we put into denial, repression, and doubt, life would be a constant revelation. It takes thousands of choices to keep the book of secrets closed, but it only takes a single breakthrough to open it again. The locked door is inside you, and so is the key. The first step to finding it is acknowledging that no one is hiding any knowledge from us except ourselves. No one else knows the answers either. Book jacket.

Super Brain

Two pioneers in health share a bold new understanding of the brain and a prescriptive plan for how we can use it to achieve physical, mental and spiritual well-being.

Soluciones espirituales / Spiritual Solutions

A lo largo de su carrera como médico, maestro y autor de gran éxito, Deepak Chopra ha recibido miles de preguntas de personas que enfrentan todo tipo de reto. Se han preguntado cómo llevar una vida más satisfactoria, cómo superar los problemas con su relación y los obstáculos personales. ¿Cuál es la mejor manera de lidiar con un amigo pasivo-agresivo? ¿Puede una carrera estancada reiniciarse con un empujón? En un mundo lleno de distracciones y estrés, ¿cómo se puede encontrar tiempo para la meditación? ENGLISH DESCRIPTION "Life is full of challenges, both big and small. Spirituality is here to offer solutions. Over the course of his career as physician, teacher, and bestselling author, Deepak Chopra has received thousands of questions from people facing every kind of challenge. They have asked how to lead more fulfilling lives, how to overcome relationship problems and personal obstacles. What's the best way to deal with a passive-aggressive friend? Can a stagnant career be jump-started? In a world full of distractions and stress, how does one find time for meditation? Hidden among all of these questions are answers waiting to be uncovered. In this groundbreaking book, Chopra shows you how to expand your awareness, which is the key to the confusion and conflict we all face. "The secret is that the level of the problem is never the level of the solution," he writes. By rising to the level of the solution in your own awareness, you can transform obstacles into opportunities. Chopra leads the reader to what he calls "the true self," where peace, clarity, and wisdom serve as guides in times of crisis. For Chopra, spirituality is primarily about consciousness, not about religious dogma or relying on the conventional notion of God. "There is no greater power for success and personal growth than your own awareness." With practical insight, Spiritual Solutions provides the tools and strategies to enable you to meet life's challenges from within and to experience a sense of genuine fulfillment and purpose. "Great advice directly from the master on virtually any subject, it just doesn't get any better

than this, and all in common sense language. I love this book." —Wayne W Dyer "The path to address the external conflicts of our world—is to first address our own internal conflicts with compassion and resolve—this book points a light on that path that is vital to our time." —Dylan Ratigan"

The Book of Spiritual Solution

Aquarius is coming for the children of the new age, who remembers His story all the way back to before the beginning of time. Mother is the Judger of Hearts.

Life After Death

Bestselling author Chopra draws on cutting-edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife.

Create Your Spiritual Solution

"The remedy to what?" you ask... "And how is it divine?" The answer: all things unimaginable, deflating and debilitating that happen this day and every other day, on God's green earth. We, humankind, have been groping and grasping for the perennial fountain of youth - not to mention clues to profound and complex questions of existence and success - since life as we know it began. Well, we've been looking in all the wrong places. The saddest thing is, we have always possessed it but have mostly, tragically, overlooked it - or just ignored it - as simple wishful thinking. Or, we misunderstand it as religion. Or we don't really believe it at all. But now, you hold in your hands a guide to help you connect to the remedies of which I speak. This is a divine intervention of every issue that has ever emerged, or will ever plague you, and made life tougher than it needs to be. Check it out: "No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it." (1Corinthians 10:13) That promise is good for every event, situation or problem that might present itself involving temptations, our temperaments, struggles, pitiable decisions and general dissatisfaction with life.

The Divine Remedy

Renewing the power of spirit in your life.

The Path to Love

Generic versions of the Bible begat generic versions of Christians: If we frustrate the language of the King James Version of the Bible, we will frustrate the grace of God and the genetic codes that lead to eternal life. "We ought to preach the gospel, not as our views, but as the mind of God. If we have been entrusted with the making of the gospel, we might have altered it to suit the taste of the modest century, but never having been employed to originate the good news, but merely to repeat it, we dare not stir beyond the record". Charles H. Spurgeon. (Used by permission)

Inherent Solutions to Spiritual Obscurations

What do you crave? For many of us, sugary treats, fatty meals and high-calorie snacks are impossible to resist. And yet, reaching the bottom of the biscuit tin rarely leaves us feeling satisfied. What if we are actually hungry for something much more fulfilling? In this groundbreaking book, bestselling author and endocrinologist Deepak Chopra unites the latest scientific and alternative therapy research to reveal how our overeating is often a symptom of 'inner starvation' – a hunger for love, self-esteem, happiness and security. By changing our approach to eating using the tools in this book, we can heal our bodies and minds to achieve permanent weight loss, a longer, happier life and spiritual well-being. The ultimate guide to inner and outer health, What Are You Hungry For? will change the way you eat forever.

What Are You Hungry For?

Deepak Chopra has discovered the delights and frustrations of golf. Golf for Enlightenment is Chopra's new approach to the game, with results that can be measured not only in increased enjoyment and skill, but also in greater wisdom about life beyond the 18th hole. It is also an engrossing story about Adam, an Everyman who is playing a terrible round of golf when he meets a mysterious young teaching

pro named Leela. In seven short but profound lessons detailing spiritual strategies, she teaches Adam the essence of a game that has much to explain about life itself.

Golf for Enlightenment

There are times in life when we must endure suffering due to no fault on our part – or so it seems. In painful circumstances, we naturally question, “Why me? Am I wrong? It’s not my fault!” Such situations may feel like the very definition of suffering. In the book “Fault is of the Sufferer”, Gnani Purush (embodiment of Self knowledge) Dada Bhagwan provides spiritual solutions to common and everyday forms of suffering such as dealing with difficult people, facing unhealthy relationships, challenges in family relationships, and marriage problems. Among the myriad of spiritual books available, Dadashri offers a unique resource - addressing the age-old question: “So, am I wrong, or am I faultless?” He provides profound insight into the law of karma – explaining who is “The Doer”, who is at fault, and what is the cause in every instance of suffering. Whether seeking relationship tips, marriage advice, or simply to learn how to stay healthy, this book will prove an invaluable resource.

The Fault is of the Sufferer (Portuguese)

'A huge subject tackled beautifully' FEARNE COTTON Times are hard. Meditation doesn't have to be. Meditation leads to transformation. It affects every aspect of your wellbeing and can bring about positive change in your body, affect your mental outlook, increase your decision-making ability and eliminate worry and anxiety. The master of modern meditation Deepak Chopra draws on his 30 years of practice and reveals how to achieve blissful awareness by waking up to who you really are. Perfect for beginners, sceptics or those looking for a new approach to stillness, his simple 7-day programme offers a life-changing path to a quiet mind.

40 Days to Discovering the Real You

What has God done for you lately? Faith is in crisis. Are God and faith still useful in the modern world? If God is to have a future, Deepak Chopra argues, we must find a new approach to spirituality. For this we don't need better belief systems or scriptures - we need to rethink our place in the universe itself. Chopra reveals how God is about much more than religion. If God stands for absolute goodness, love and truth, and we are part of God, we have a connection to those things. Chopra explains the logic of faith, while providing an incisive critique of militant atheism. If God has a future, Chopra reasons, the results will be for the betterment of us all.

The Future of God

American doctor Michael Aulden is one of thirty-six pure souls who can keep the world from a descent into evil, but he and the woman he love will have to join forces against a destructive young man known as The Prophet.

Lords of Light

Seven steps to lasting happiness. In *The Ultimate Happiness Prescription*, bestselling author and the world's leading figure in alternative medicine Dr Deepak Chopra show us how to be happy in spite of living in difficult or trying times. By looking through the lens of our contemporary understanding of consciousness, combined with Eastern philosophy, he has created a set of principles for living with ease. The result is an inspiring and instructive journey that leads to a prescription for living life mindfully, with a light heart and effortless spontaneity - a prescription only Dr Deepak Chopra could write. With the world in turmoil and more people than ever suffering from depressive episodes, Dr Chopra underlines the importance of keeping an eye on the positive aspects of life and finding ways to experience joy no matter what is happening to you. This remarkably clear and helpful book explains how to maintain an optimistic outlook and experience the benefits of having a happy heart and soul, no matter what the circumstances.

GOLF FOR ENLIGHTENMENT is the fable of Adam Seaver, an ordinary person, with a terrible game. Adam meets a mysterious young teaching pro named Wendy who, in seven crisp, short yet profound lessons, teaches him things that seem baffling at first:--You and the ball are one--Find the now, and you will find the shot--Let the game play you From the moment they begin to put these lessons into practice, what was previously a humiliation turns into a transforming experience, not just for Adam's score but for his whole life. Long a famous writer on spiritual subjects, hailed as the poet-philosopher of mind-body medicine, Deepak Chopra found himself fascinated by the game of golf. He could not escape its parallels to life: 'Golf is like lightning caught in a bottle. It can turn triumph into disaster in a split second.' Faced with the wild ups and downs of his own game, Chopra crystallised a teaching based on mindfulness, the ability to remain calm and focused, relaxed and powerful at the same time. Mindfulness can improve any golf game, from the beginner's to the tour professional's. And it can improve anybody's life, no matter what game they play - or none.

La curación cuántica

Golf for Enlightenment

Most of us are lost in the material world and only turn to Spirituality when suffering comes our way. We don't realize that a Spiritual life can liberate us from all misery and suffering. Some people do take the road less traveled, the Spiritual path, and go on a quest to Realize the Truth. But is it even possible to live a Spiritual life in this material world, surrounded by worldly pleasures? Of course, it is! Spirituality is not really about renunciation, but Realization. This book shows the way to that inner voyage of eternal happiness.

El camino de la abundancia

Traces the lives of the Chopra brothers from India to America, where they both excelled in healing, one as a world-renowned spiritual teacher, the other as a professor at Harvard Medical School. 100,000 first printing.

The A-to-Z Steps to a Richer Life

Discover the keys to a life of success, fulfilment, wholeness and plenty We live in a time of fear and insecurity, wrapped up in a mindset of lack, scarcity and limitation. Too often we focus on the things we don't have and allow our egos to drive our thoughts, actions and reactions, preventing us from reaching something greater. Now is the time for change, to reset our focus and strive for life's unbounded possibilities. In Abundance, master of modern meditation Deepak Chopra illuminates the path to abundance, helping readers become agents of change in their own lives. Demonstrating how to work past self-generated feelings of limitation and fear and providing meditations to help you focus and direct your attention and intuition, this is your guide to a life of stability, prosperity, insight, creativity, love and true power.

HOW TO LIVE A SPIRITUAL LIFE IN A MATERIAL WORLD?

Using exercises and techniques developed over ten years of teaching a popular series of workshops at the Chopra Center for Well Being, Dr Deepak Chopra shows readers how to see parenthood from a very different perspective. Magical Beginnings, Enchanted Lives uses meditation, yoga, dietary guidelines, natural remedies, visualization, journaling and drawing to enhance the experience of pregnancy and birth for both parents and baby. Also included are practical strategies to prepare the parents for labour and delivery, caring for the newborn child and enjoying parenthood. By applying established techniques from Deepak Chopra's internationally famous mind/body approach to the experience of pregnancy, childbirth and early infancy, Magical Beginnings, Enchanted Lives adds previously unexplored dimensions of physical health, joy and insight to elevate one of life's primal experiences to the realm of the miraculous.

Francis and Clare, Saints of Assisi

Francis (c. 1182-1226) and Clare (c. 1193-1254) together shaped the spirituality of early 13th-century Europe. Here for the first time in English are their complete writings, brought together in one volume.

Francis and Clare

A Vision Book about St. Francis and St. Clare, the two very popular saints of Assisi. Helen Homan has captured all the excitement and beauty of the lives of these saints from their childhood growing up together in Assisi to their profound conversion and lifelong influence—indeed centuries-long influence—on the whole world through their radical living of the Gospel and founding of two great religious orders, the Franciscans and the Poor Clares. Combining the stories of Francis and Clare in one volume makes for a book that will be of great interest to both boys and girls of a wide age span. Illustrated. Cover art by Chris Pelicano This book is now part of Renaissance Learning's Accelerated Reader program. Quizzes are currently available.

Francis and Clare, Saints of Assisi

A clearly written, inspirational, and scripturally based guide to the spirituality of St. Francis and St. Clare of Assisi. Franciscan Helen Julian tells their story in a way that helps readers understand these twelfth-century heroes who so completely identified with Christ that they reflected his face to the world. This book will help readers come to a deeper understanding of these saints and of their Franciscan way to God.

Francis and Clare, Saints of Assisi

The Canticle of the Creatures "is Francis's love song. It is Franciscan wholeness, for in it is contained the depth of his prayer and of his life in Christ. In its singing he was singing his dying and his rising, for his song was a journey of praise and thanksgiving for his place of origin and his destination, the Most High, All-Powerful, Good Lord."—Murray Bodo Using St. Francis's canticle as a framework, Murray Bodo, a Franciscan friar, and Susan Saint Sing, a secular Franciscan, reflect on the vision of Francis and Clare as it has played out over the course of their own lives. Susan's experiences of healing during trips to Assisi and praying in nature and Murray's deep understanding of Francis and Clare as poets and mystics come together in a duet that brings God's love song to life. These deeply personal reflections explore the power of prayer and meditation, the sacredness of all creation, and the pull of sacred places. This meditative, reflective reading experience conveys what a lifetime of Franciscan spirituality looks like and will draw you into exploring your own experience of the vision of Francis and Clare.

Francis and Clare

Francis and Clare lit the path to joy as simple followers of Christ. Their example has inspired men and women for nearly 800 years. The translators have captured the spirit of these two charismatics who experienced greatness by being small.

God's Love Song

Saint Francis of Assisi is one of the most beloved saints. His commitment to God's will, his yearning to embrace poverty, and his attentiveness to the Spirit's presence in his life continue to inspire Christians and non-Christians alike. The Franciscan Tradition highlights some of the most influential people in Franciscan history. Using the writings of men and women from the First, Second, and Third Orders, this volume shows the breadth and depth of the Franciscan way of life. Presented here are saints and martyrs, contemplatives and preachers, theologians and reformers. They heeded God's call, found hope in Francis' mission, and now provide wisdom for those who seek to follow God. Regis J. Armstrong, OFM Cap, is a world-renowned expert on Saint Francis of Assisi and Saint Clare of Assisi. In addition to translating and editing *Francis and Clare: The Complete Works* and three editions of *Clare of Assisi: Early Documents*, he was editor-in-chief of the four-volume *Francis of Assisi: Early Documents* and has written *St. Francis of Assisi: Writings for a Gospel Life, True Joy*. Armstrong is The John C. and Gertrude P. Hubbard Professor of Religious Studies at the Catholic University of America. Ingrid J. Peterson, OSF, is an adjunct faculty member of the Franciscan Institute, Saint Bonaventure University, and has been an English professor at the College of Saint Teresa and Quincy University. She is a Sister of Saint Francis from Rochester, Minnesota. Peterson is the author of *Clare of Assisi: A Biographical Study* and coauthor of *Praying With Clare of Assisi*. In 2000 the Franciscan Institute awarded her the Franciscan medal for Outstanding Contribution to Scholarship in Franciscan Studies. She is the first woman to receive this honor.

True Joy

Moye provides a personal study of the lives of two medieval saints, Julian of Norwich and Francis of Assisi, offering guidance for probing the passion of Christ and recovering long-lost spirituality.

The Franciscan Tradition

When Saint Francis Saved the Church offers a surprising new look at the world's most popular saint, showing how this beloved, but often-mythologized character created a spiritual vision for the ages and may very well have rescued the Christian faith. In *When Saint Francis Saved the Church* (paperback), popular historian Jon Sweeney presents an intriguing portrait of Francis beyond the readily familiar stories and images. In the tradition of Thomas Cahill's *How the Irish Saved Civilization*, Sweeney reveals how the saint became a hinge in the history of the Christian faith and shows how in just fourteen years—from 1205 to 1219—the unconventional and stumbling wisdom of a converted troubadour changed the Church. Sweeney outlines Francis's revolutionary approach to friendship, "the other" (people at the margins), poverty, spirituality, care (for people, creatures, and the natural world), and death. This vibrant book presents the unsullied life and message of Francis in its essential details, offering a sweeping, informative, remarkable look at how Francis and his movement quite literally saved the Christian faith—and continues to offer a spiritual vision with contemporary relevance.

Praying with the Saints

A companion to the four-volume publication of *Francis of Assisi: Early Documents* and a resource for those studying early Franciscanism. This book helps the reader appreciate St Clare in the context of her culture and time. This third edition of *Clare of Assisi: Early Documents* offers evidence of a greater sophistication in interpreting and presenting the texts emerging from a new wave of scholarship. Unlike the earlier editions, the writings of Clare appear in two separate sections: the first, entitled "May You Live Blessed Poverty," presents Clare's letters to Agnes of Prague, her Testament, and her Blessing; the second, "Together with My Sisters," brings together the earlier documents of Pope Honorius III, Cardinal Hugolino, later Pope Gregory IX, and Pope Innocent IV that affected and eventually culminated in Clare's Form of Life. The editor and his collaborators hope that, in this way, the depth of Clare's Gospel spirituality will underscore her struggle to articulate her vision of the daily life of her sisters. The third section of this edition of *Clare of Assisi: Early Documents* presents another dimension of the scholarly work done on these texts. Entitled "The Brilliance of Her Life," the critical

apparatus accompanying the hagiographical texts affords the reader and the student of Clare's life more user-friendly cross-references. *Clare of Assisi: Early Documents* provides new translations of Clare's writings and related primary sources, revised and new introductions from earlier editions, as well as previously unpublished documents to chronicle the life of Saint Clare.

When Saint Francis Saved the Church

Who is Pope Francis and where is he leading the Church? To understand the impact of Pope Francis and his inspiration to the Catholic Church, indeed people of all religions, we turn to the two saints who are his inspiration, Saint Francis and Saint Clare of Assisi and the great love of their spirituality. Eight hundred years ago when the Church had fallen into scandal and hard times, Saint Francis and Saint Clare lifted the Church to new life, new beginnings. Today the Church suffers the same crises. Today Pope Francis is looking at the heart full spirituality of Saint Francis and Saint Clare to lift the Church with less pomp and ceremony and more embracing the poor and unwanted. *The Love Letters* is the love story of Francis and Clare and the challenge for Pope Francis and the world to discover the same love in our hearts, our neighbor, nature, and all creation. *The Love Letters* is historical fiction. What if Saint Francis and Saint Clare were to meet Pope Francis? What would be their thoughts, dreams and hopes for a new Church? *The Love Letters* is the mystical love discovered by two of the world's greatest mystics long ago asking who is the new Pope Francis? Can he rebuild the Church into a living Church, a church less concerned with rules and order and more about forgiveness and compassion? In the silence of our hearts, in giving to those in need, Saint Francis, Saint Clare, and Pope Francis offer a new vision for us all to become instruments of true peace and joy. Bruce Davis, Ph.D. has pursued the footsteps of Saint Francis and Saint Clare for many years. For twelve years he and his wife, Ruth, lived in Assisi, Italy the historic home of these remarkable saints. There they began the Assisi Retreat Center which was awarded one of the top ten meditation centers in the world by *Travel Leisure Magazine* and CNN. Recently, Bruce and Ruth opened *Silent Stay*, a new retreat center near Napa, California. Bruce is the author of several books including *Monastery Without Walls*, *The Magical Child Within You*, and *Simple Peace-The Spiritual Life of Saint Francis of Assisi*.

The Lady

This beautiful collection of works from two of the most beloved religious figures of all time gathers the letters and writings of both Francis and Clare of Assisi in a poignant presentation of the power of faith and simplicity that speaks powerfully to us in our hectic world. Francis of Assisi is a widely celebrated saint, well-known for his love of nature and his remarkable life of poverty. Clare is the woman who lived out his legacy in Assisi after his death, passing on his vision and his cause. Together they shaped the spirituality of early thirteenth-century Europe. Both born to noble families, they ultimately rejected their wealth and founded religious orders known for fostering humility, generosity, and devout faith, where communities of like-minded persons could live out a radical commitment to the gospel message of poverty. In the process Francis and Clare left a spiritual heritage that has captured the imagination of both believers and nonbelievers throughout the ages.

The Love Letters

Saint Francis is considered the first Italian poet by some literary critics. He believed commoners should be able to pray to God in their own language, and he often wrote in the dialect of Umbria instead of Latin. Francis' writing fully reflects his personality and spirituality, making them at once formidably mystic and exquisitely human. They combine great elevation of thought with much picturesqueness of expression. Through his prayers, correspondence and *regulas* readers will connect and unite with one of the most beloved saints of the Catholic Church.

Francis & Clare of Assisi

Among the most beloved saints in the Catholic tradition, Francis of Assisi (c. 1181-1226) is popularly remembered for his dedication to poverty, his love of animals and nature, and his desire to follow perfectly the teachings and example of Christ. During his lifetime and after his death, followers collected, for their own purposes, numerous stories, anecdotes, and reports about Francis. As a result, the man himself and his own concerns became lost in legend. In this authoritative and engaging new biography, Augustine Thompson, O.P., sifts through the surviving evidence for the life of Francis using modern historical methods. The result is a complex yet sympathetic portrait of the man and the saint. Francis emerges from this account as very much a typical thirteenth-century Italian layman, but one who, when

faced with unexpected crises in his personal life, made decisions so radical that they challenge his own society-and ours. Unlike the saint of legend, this Francis never had a unique divine inspiration to provide him with rules for following the teachings of Jesus. Rather, he spent his life reacting to unexpected challenges, before which he often found himself unprepared and uncertain. The Francis who emerges here is both more complex and more conflicted than that of older biographies. His famed devotion to poverty is found to be more nuanced than expected, perhaps not even his principal spiritual concern. Thompson revisits events small and large in Francis's life, including his troubled relations with his father, his contacts with Clare of Assisi, his encounter with the Muslim sultan, and his receiving the Stigmata, to uncover the man behind the legends and popular images. A tour de force of historical research and biographical writing, *Francis of Assisi: A New Biography* is divided into two complementary parts—a stand alone biographical narrative and a close, annotated examination of the historical sources about Francis. Taken together, the narrative and the survey of the sources provide a much-needed fresh perspective on this iconic figure. "As I have worked on this biography," Thompson writes, "my respect for Francis and his vision has increased, and I hope that this book will speak to modern people, believers and unbelievers alike, and that the Francis I have come to know will have something to say to them today."

The Writings of Saint Francis of Assisi

St. Dominic led a life of excitement and adventure. As a boy he sold his books to feed the poor and offered himself as ransom for a prisoner. His greatest adventures came when he walked from town to town and stood fearlessly in the market to preach.

Francis of Assisi

A biography of the saint as both mystic and man: "The single best book about Francis now available in English" (Commonweal). In this towering work, Andre Vauchez draws on the vast body of scholarship on Francis of Assisi, particularly the important research of recent decades, to create a complete and engaging portrait of the saint. He also explores how the memory of Francis was shaped by contemporaries who recollected him in their writings, and completes the book by setting "il Poverello" in the context of his time, bringing to light what was new, surprising, and even astonishing in the life and vision of this man. The first part of the book is a fascinating reconstruction of Francis's life and work. The second and third parts deal with the texts—hagiographies, chronicles, sermons, personal testimonies, etc.—of writers who recorded aspects of Francis's life and movement as they remembered them, and used those remembrances to construct a portrait of Francis relevant to their concerns. Finally, Vauchez explores those aspects of Francis's life, personality, and spiritual vision that were unique to him, including his experience of God, his approach to nature, his understanding and use of Scripture, and his impact on culture as well as culture's impact on him. "Considered one of the great spiritual leaders of humankind, Francis of Assisi was also a man of many faces and personas: ascetic, the founder of a religious order, a romantic hero, a mystic, a defender of the poor, a promoter of peace. But as Vauchez emphasizes—and this biography constantly reminds us—Francis was also a flesh-and-blood human being . . . A bracing, erudite account of a mystic's life." —Booklist

Francis of Assisi - The Founder: Early Documents, vol. 2

The Love Letters is historical fiction. What if Saint Francis and Saint Clare were to meet Pope Francis? What would be their thoughts, dreams and hopes for a new Church? The Love Letters is the mystical love discovered by two of the world's greatest mystics long ago asking who is the new Pope Francis? In the silence of our hearts, in giving to those in need, Saint Francis, Saint Clare, and Pope Francis offer a new vision for us all to become instruments of true peace and joy.

Francis of Assisi

Drawing upon the writings of medieval women, this book distinguishes the historical figure of Clare of Assisi from the uses made of her spiritual legacy in debates over the role of women in the Franciscan Order in later medieval Italy.

The Love Letters

Saint Francis of Assisi (1181-1226) was an Italian Catholic friar, deacon and preacher. He founded the men's Order of Friars Minor, the women's Order of Saint Clare, the Third Order of Saint Francis and the Custody of the Holy Land. Francis is one of the most venerated religious figures in history. In Chesterton's portrayal St. Francis is a mysterious figure and a man of paradox. Putting him and his life into historical perspective, Chesterton describes why his asceticism was necessary for his cause and what drove him to his life.

Creating Clare of Assisi

This book combines a world-famous Catholic novelist, Louis de Wohl, with one of the most thrilling and dramatic saints' lives in history, St. Joan of Arc. De Wohl uses his famed narrative skill to tell young people about the brave teenage French girl who had visions and led armies in battle, but also about how her entire life testifies to the amazing power of God's grace. It's all here: how Joan, a humble maiden in an insignificant town, was told by St. Michael the Archangel, St. Catherine, and St. Margaret to lead the French in battle against the English; how she finally succeeded in convincing the French of the truth of her mission; how she met with fantastic success but was betrayed, captured, and imprisoned; and finally, how she suffered through a politically motivated trial for heresy and was burned at the stake. De Wohl is interested not solely in the external details of Joan's life, but in Joan's all-encompassing love for God, which informed all her courageous actions from beginning to end. You'll not only thrill to Joan's heroism; your heart will delight in her example of loving surrender to God's will. Every detail of her life will ring out to you as a joyful witness to the grace of God.

Saint Francis of Assisi

This new story from the popular Vision Books series of saints lives for youth 9-15 years old is about the inspiring life of the great missionary to the Far East, St. Francis Xavier. After his wartorn boyhood in Navarre, Francis Xavier went to the University of Paris, determined to have a good time. He was interested in sports and became broadjumping champion of his college, and did not pay much attention to his studies. At first he scoffed at this fellow student, Ignatius Loyola, a former soldier who wanted to win the world for God. But Ignatius showed him that true champions are a far more heroic breed - those who risk their all to win the world for God. Francis joined Ignatius' followers, and became one of the first members of the Society of Jesus. Francis Xavier was selected by Ignatius to do missionary work in India. To all sixteenth-century travelers, a voyage from Portugal to India meant months of deadly peril from storms, pirates, and diseases. But to Father Francis Xavier, it also meant a chance to win the Orient for Jesus Christ. This great saint's eagerness to spread the Word of God involved him with the pearl divers of the Indian coast, the natives of Malaya and the Spice Islands, the cannibals of Morotni and the hostile feudal lords of ancient Japan. This book captures the true spirit of a daring man who braved the many dangers of India and Japan in amazing adventures of courage and faith.

Saint Joan

Francis of Assisi is, after Mary of Nazareth, the greatest saint in the Christian calendar, and one of the most influential men in the whole of human history. By universal acclaim, this biography by G. K. Chesterton is considered the best appreciation of Francis's life--the one that gets to the heart of the matter. For Chesterton, Francis is a great paradoxical figure, a man who loved women but vowed himself

to chastity; an artist who loved the pleasures of the natural world as few have loved them, but vowed himself to the most austere poverty, stripping himself naked in the public square so all could see that he had renounced his worldly goods; a clown who stood on his head in order to see the world aright. Chesterton gives us Francis in his world-the riotously colorful world of the High Middle Ages, a world with more pageantry and romance than we have seen before or since. Here is the Francis who tried to end the Crusades by talking to the Saracens, and who interceded with the emperor on behalf of the birds. Here is the Francis who inspired a revolution in art that began with Giotto and a revolution in poetry that began with Dante. Here is the Francis who prayed and danced with pagan abandon, who talked to animals, who invented the creche.

Saint Francis of the Seven Seas

Clare of Assisi is generally known as “the female friend” of Saint Francis of Assisi and for centuries her legacy has remained obscured by his shadow. Yet Clare’s life and story ought to shine in its own light and on its own terms (her name, after all, means “light”). She is a figure of true heroism, tenacity, beatitude and grit who plotted her improbable course in the context of the raucous and explosive period of the Middle Ages. Much went wrong for Clare after the day when, as a teen, she fled the home of her noble and wealthy family to follow Francis in a life of poverty. No one would have begrudged her if, when the trials had become onerous, she had decided simply to “go home.” Yet she stayed the course, even after Francis had died. She pulled from the fire of her trials embers that would become her crown. In this new book, Wendy Murray digs deeply into Clare’s decision to abandon rank and wealth for allegiance to Christ (and in no small way, Francis) and explores the circumstances which, later on, tested Clare’s devotion. Clare’s curious and vivid spiritual vision galvanized her ability to persevere amid difficult circumstances and enabled her to stay her course and lay claim to a legacy that shines brightly among the host of medieval saints.

Saint Francis of Assisi Illustrated

When the adolescent Lady Clare agreed to secretly meet Francis Bernadone, the eccentric merchant's son who had become a wandering preacher, she was desperate to avoid the marriage that her parents were arranging for her. Francis, having gathered more than a dozen male followers, believed Clare to be the one to lead the female half of his movement, a movement that was loyal to the church but inspired by heretical sects where women played a prominent part. He promised a future in which she would preach and serve the lepers of Assisi. Clare and her kinswoman escaped their family under cover of night and began to live the life that Francis had envisioned. They continued until one particular cardinal, a future pope, took notice. 'Francis and Clare: The Struggles of the Saints of Assisi' reveals that Francis's neglect of Clare in the face of church opposition was his greatest shame. Clare, fighting to avoid being locked into a cloister, used the fame she derived from their association as her only cudgel in her decades-long battle with the papacy for control of her community. Set largely in thirteenth century Rome and Assisi, Francis and Clare: The Struggles of the Saints of Assisi is the story of individual genius versus societal controls. Replete with holy, wily, and sometimes comical characters, it is set against the emergence of the flawed, bureaucratic Roman Catholic Church that is coming into ever-clearer focus today. In this day when many feel betrayed by their religion, Francis and Clare: The Struggles of the Saints of Assisi offers new reasons to admire them both. It shows that while Francis did not reform the church, he transformed lives by extolling the glory of God. Clare was not passive. Her strength of character and her resistance can encourage others to persevere despite overwhelming odds. Kathleen Brady's double portrait reveals that the story of one cannot be truly told without the other. In it readers will find new reasons to admire the saints of Assisi and new justification to find their story poignant and inspiring.

Clare of Assisi

The story of a rich merchant's son who was raised to become a knight in medieval Italy. Instead he abandoned his privileged life upon receiving a vision from God, preaching to humans, animals, and nature itself.

Francis and Clare

In this magnificent and stirring novel, Louis de Wohl turns his famed narrative skill to the story of the soldier and merchant's son who might have been right-hand man to a king ... and who became instead the most beloved of all saints. Set against the tempestuous background of 13th Century Italy and Egypt,

here is the magnificent and inspiring story of Francis Bernardone, the brash, pleasure-loving young officer who was to become immortalized as St. Francis of Assisi. The story teems with action, pageantry and intrigue with finely conceived characters-the beautiful, saintly Clare, Frederick, the hawk-faced King of Sicily and Holy Roman Emperor, the Sultan Al Kamil, Pope Innocent III. The scene shifts from Assisi, Rome and Sicily to the deadly sands of Egypt. This book was made into a feature film by 20th Century Fox entitled Francis of Assisi, now available on video from Ignatius Press.

St. Francis of the Seven Seas

Raised in London, the son of a school master, Thomas More became a great scholar, Oxford graduate and lawyer. He served King Henry VIII becoming one of his trusted advisors. Sir Thomas refused to acknowledge Henry VII as the head of the Church in England and was arrested for high treason. He was beheaded and became a Martyr for the Church. [adapted from back cover.

The Joyful Beggar

Delio illustrates how Clare, through her life, her writings, letters, prayer, and example, is truly a mystic who helped generations of Catholics clearly see how Christ took on human flesh, not just to suffer and die for them, but to help them reflect back the face of Christ to the world. (Catholic)

The Critic

This is the American edition of Sr. Frances Teresa's Living the Incarnation: Praying with Francis and Clare of Assisi, co-published with Darton Longman & Todd of London. Friends of Franciscan Press will recognize Sr. Frances Teresa as the translator of Marco Bartoli's Clare of Assisi; this is her first original book-length work, one which articulates the message of Francis and Clare and the call of the Gospel for contemporary readers. In telling the intertwined stories of Francis and Clare, Sister Frances Teresa helps us to understand more clearly the call of the gospel in our own lives. In Clare's words, "the son of God has become our way and Francis shows it to us." "Look at Christ, " she tells us again and again, and the stages outlined In this book -- conversion, contrition and communion -- are simply ways of describing the process of doing just that, of isolating moments in the process of looking at, and learning from, Christ.

Saint Thomas More of London

This elegant and accessible biography of one of Catholicism's most beloved saints was originally published as Part 1 of Francis of Assisi: A New Biography by Augustine Thompson, O.P. It stands alone as a richly informed portrait of a man whose complex faith and commitment continue to inspire today. An introduction by Thompson places his biography in the context of continuing discussions about Francis's legacy, particularly the new Pope's decision to adopt the saint's name.

St. Francis of Assisi

Although it is frequently said that Clare followed Francis, the story of Clare begins with a call from God and her response, which came from an inward gaze. The starting point of Clare's life was the God she found dwelling within her flesh, a God whose traces, later in time, she came to recognize in Francis. Clare's vision, greatness, and sanctity need to be considered in the context of the large cultural and religious movement of holy women of the Middle Ages, who were leading saintly lives in diverse places, many in their domestic settings. Clare was one of these holy women in an era known for the 'feminization of sanctity.' Clare's sainthood is valid in her own right without a Francis of Assisi. -- from the author's Introduction.

Clare of Assisi

Marco Bartoli retells the story of St Clare of Assisi for our times. This will appeal to scholars and those in religious orders.
