Of Mice and Men

THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG 'Wildly original and stuffed with irresistible nostalgia, *Ready Player One* is a spectacularly genre-busting, ambitious, and charming debut' Independent 'Part intergalactic scavenger hunt, part romance, and all heart' CNN 'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail _____ A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed. _____ Readers can't get enough of *Ready Player One* . . . ***** 'THAT WAS SO TOTALLY AWESOME, WOW!' ***** 'This is an exciting story, especially for geeks, and the key word is FUN.' ***** 'Ladies and gentlemen, from this day this book is my life and I will obsess over it constantly.' ***** 'I just kinda wanna cry right now. I'll have a proper review at some point, but I gotta let myself recover.' ***** 'I had the feeling while reading this book that it was written expressly for me. This is my childhood captured.'

A Danish-English Dictionary

It only took four years for the world to fall apart. Now the last member of my family has died, and I'm forced to travel across what's left of three states to find the only people I know left alive. To survive, I'll

have to salvage food and supplies and try to avoid violent men who've learned they can take what they want by force. The only way I'm going to make it is by trusting Travis. Travis used to fix my car, and now he's all I have left in the world. He's gruff and stoic and unfriendly, and I don't really know or like him. But he's all I have left. He'll keep me safe. We'll take care of each other. Until we reach what's left of our town and can finally let go of one another. Last Light is a standalone post-apocalyptic romance set in the near future after a global catastrophe.

Dan Toombs (aka The Curry Guy) has perfected the art of replicating British Indian Restaurant (BIR) cooking after travelling around the UK, sampling dishes, learning the curry house kitchen secrets and refining those recipes at home. In other words, Dan makes homemade curries that taste just like a takeaway from your favourite local but in less time and for less money. Dan has learnt through the comments left on his blog and social media feeds that people are terribly let down when they make a chicken korma or a prawn bhuna from other cookbooks and it taste nothing like the dish they experience when they visit a curry house... but they thank him for getting it right. The Curry Guy shows all BIR food lovers around the world how to make their favourite dishes at home. Each of the classic curry sauces are given, including tikka masala, korma, dopiazza, pasanda, madras, dhansak, rogan josh, vindaloo, karai, jalfrezi, bhuna and keema. Popular vegetable and sides dishes are there as accompaniments, aloo gobi, saag aloo and tarka dhal, plus samosas, pakoras, bhaji, and pickles, chutneys and raitas. Of course, no curry is complete without rice or naan. Dan shows you how to cook perfect pilau rice or soft pillowy naan every time.
