Othergirl

Louise and Erica have been best friends since forever. They're closer than sisters and depend on each other for almost everything. Just one problem: Erica has superpowers. When Erica isn't doing loop-the-loops in the sky or burning things with her heat pulse powers, she needs Louise to hold her non-super life together. After all, the girls still have homework, parents and boys to figure out. But being a superhero's BFF is not easy, especially as trouble has a way of seeking them out. Soon Louise discovers that Erica might be able to survive explosions and fly faster than a speeding bullet, but she can't win every fight by herself. Life isn't a comic book – it's even crazier than that.

Heat Seeker: A Gun Honey Series #2

Award-winning writer and co-founder of Hard Case Crime, Charles Ardai, returns to the Gun Honey universe in this action-packed spin-off featuring the sultry and explosive artwork of Ace Continuoado. If the heat is on, Dahlia Racers can help you disappear – for a price. Marked for death by a U.S. intelligence agency, Gun Honey Joanna Tan turns to Dahlia Racers to help her pull a vanishing act. But the killer hot on her trail, beautiful sociopath Sarah Claride, will leave bodies strewn from New York to Las Vegas, to Tijuana, Mexico, if it means cornering Dahlia – and breaking her...

Girl : body heat

Chantre américain de l'érotisme dessiné, Kevin J. Taylor adore mettre en scène des personnages aux formes généreuses, dotés d'organes démesurés, dans des actes répétés de copulation. Le décor ? Des escaliers d'immeuble, des banquettes arrières de voiture, des vestiaires sportifs, etc. Cet album contient onze histoires de taille variable qui vous feront découvrir les premiers pas de Girl, l'héroïne emblématique de Taylor, mais aussi de ses amis, la bouillonnante Jill et l'incroyable Blue, dont le membre actif dépasse la tolérance admise, disons à vue de nez, plus de 30 cm !

Regular Show Original Graphic Novel Vol. 6: Comic Conned

When City ComicFest & Convention of Comic Culture comes to town, it's Mordecai and Rigby's perfect chance to meet their favorite action hero extraordinaire: Bulk Berk! It's time for City ComicFest & Convention of Comic Culture! When the one-and-only comic extravaganza comes to town, Mordecai and Rigby do everything they can to secure tickets for the once in a lifetime opportunity to meet their favorite action hero: Bulk Berk! But what starts as an innocent trip to pitch Bulk Berk and the team on their own original movie soon becomes much more complicated, as Mordecai, Rigby, and the entire gang from the Park get more than they bargained for when Bulk Berk asks them for help getting a super rare item that can only be found at the show. Join writer Nicole Andelfinger (Munchkin, Adventure Time

Comics) and illustrator Mattia di Meo (Adventure Time/Regular Show) as Mordecai and Rigby embark on an incredible journey through their local comic convention.

Sorcerers & Secretaries

Josh and Nicole make amends when Josh accidentally reads Nicole's diary and is fascinated by her writing. He convinces her to submit the story to a fantasy magazine and to let him be her editor. Things start to heat up between them, but Nicole can't decide if she has enough time for both her writing and a boyfriend.

Art in Time

... Focuses on the lesser-known comic works by celebrated icons of the industry, like H.G. Peter (the artist behind Wonder Woman), John Stanley (the writer and artist for Little Lulu), Harry Lucey (one of the artists behind Archie), Jesse Marsh (the artist for Tarzan), and Bill Everett (best known for his characters Sub-Mariner and Dr. Strange).

Sweet Treats & Dirty Heat

C.L. Pardington, Amazon Bestselling Author *In the Midst of a Hurricane* Amid tragedy and disaster, will Remy and Davina find the courage to recapture the love they lost? Lily-Ann Johnson, Amazon Bestselling *Blondie's Hero* (Heart of Teufel Hundens 1) Bar Owner Mary-Alice Roberts needs a hero. Recently dumped and in need of an experienced bartender. Will Retired Marine SSgt Jake Peterson be the Hero the Blondie needs? Cassandra Carr, Amazon Bestselling Author *Two on One Breakaway* Will Haley take a chance at happy-ever-after with Ian and Derek on this Valentine's Day or miss her chance forever? Cherime MacFarlane, Award-Winning Author *Deidre of the Sorrows* She killed his father, must she get rid of Daniel too? A.J. Matthews *Come Undone* Mac is desperately in love with his best friend Trini—but is afraid his autism will keep her from ever loving him. Can a spur-of-the-moment road trip to find Trini's dad bring them together—or will it tear them apart forever? Summer Graystone *A Different Kind of Pain* Could this crazy plan really work though? Would Luka be able to give Maisy this one last wish, something more profound, more precious than he ever deserved? Anna Edwards *Misguided Control* In love, sometimes there is no escape. Kim Loraine *Until the Stars Fade* One wrong turn can lead you in the right direction. J.M. Maurer *Seeking Love* She's not ready to open her heart. He holds the key. *Tuesday Embers* Liberating Mr. Gable Anson Gable wasn't looking to stay, but when he met Etta, he found he didn't want to leave. Jamallah Bergman *Are You Lonesome Tonight* Like daughter, like mother, life tends to parallel through the years. Dylan Allen *Leap* She wants to take a leap of faith for love, but will he catch her when she falls? J.A. LaFrance *From Sweet to Tart* With her self-confidence at an all-time low, will a trip to the club help her build it back up, or will she be left more confused than before? Beth Fred *The Other Marlowe Girl* Help comes in many forms—even a gorgeous stranger. Mary Rogers *Spring Fling* Did she truly steal his magic all those years ago? Or was the real theft his heart?

The American Comic Book Industry and Hollywood

The American Comic Book Industry and Hollywood traces the evolving relationship between the American comic book industry and Hollywood from the launch of X-Men, Spider-Man, and Smallville in the early 2000s through the ascent of the Marvel Cinematic Universe, the Arrowverse, and the Walking Dead Universe in the 2010s. Perren and Steirer illustrate how the American comic book industry simultaneously has functioned throughout the first two decades of the twenty-first century as a relatively self-contained business characterized by its own organizational structures, business models, manage-

rial discourses, production cultures, and professional identities even as it has remained dependent on Hollywood for revenue from IP licensing. The authors' expansive view of the industry includes not only a discussion of the "Big Two," Marvel/Disney and DC Comics/Time Warner, but also a survey of the larger comics ecosystem. Other key industry players, including independent publishers BOOM! Studios, IDW, and Image, digital distributor ComiXology, and management-production company Circle of Confusion, all receive attention. Drawing from interviews, fieldwork, archival research, and trade analysis, *The American Comic Book Industry and Hollywood* provides a road map to understanding the operations of the comic book industry while also offering new models for undertaking trans- and inter-industrial analysis.

The Bulletproof Coffin

Collecting the second season of the mind-blowing cult-favorite! Featuring the origin of *The Shield of Justice*, *Tales from the Haunted Jazz Club*, *The Hateful Dead* bubblegum cards, the loathsome *Kiss The Clown*, *Coffin Fly* versus *The Red Menace*, and the legendary cut-up issue -- "84." What more could you ask for? Okay... we added some "Behind the Scenes" extras, too. Happy now?

Batpig: When Pigs Fly

Introducing a supremely hilarious graphic novel featuring an unstoppable, super-swine hero who boldly fights for justice . . . in between taking mud baths and eating tasty sandwiches. Gary Yorkshire was your perfectly average, fuzzy pink pig who loved tasty sandwiches, video games, mud baths, and hanging out with his friends Carl the fish and Brooklyn the bat. Until one day . . . a radioactive bat bite gives him powers he never would have dreamed of! Inspired by his old *Crimson Swine* comics, Gary decides that he'll use his powers for good and becomes (drumroll) *Batpig*! Now he just needs a good zinger of a *Batpig* slogan, a spandex costume that flatters his rear end . . . and maybe a little advice about how in the world to defeat supervillains?

Tracking the Yeti

While the woods of North America have Bigfoot, the snowy Himalayan mountains of central Asia are home to the legendary Yeti. A short, ape-like creature covered in white hair, the Yeti, also known as the abominable snowman, has been vexing explorers and locals for generations. Readers will follow the development of the Yeti's lore as well as encounter possible scientific explanations for its existence. They will follow stories of climbing mountains, smuggling artifacts, and testing DNA evidence, all of which have led to more questions than answers. Although the Yeti calls such a remote area of the world home, readers will learn how far the cryptid's reach is in pop culture as well as how many efforts there have been to find it.

Pim & Francie

Collecting more than a decade's worth of excavations, comic strips, animation stills, storybook covers, and much more, this broken jigsaw puzzle of a graphic novel tells the story of Pim & Francie — childlike male and female imps — whose irresponsible antics get them into horrific, fantastic trouble. The brilliant, fairy tale-like backdrops hint at further layers of reality lurking under every gingerbread house or behind every sunny afternoon. Their loosely defined relationship only contributes to the existential fear that lingers underneath the various perils they are subjected to, which are threaded together by text and notes by the artist.

Wink

Ross Molloy just wants to be normal. He doesn't want to lose his hair, or wear a weird hat, or deal with the disappearing friends who don't know what to say to 'the cancer kid'. But with his recent diagnosis of a rare eye cancer, simply blending in is no longer an option. Ross - and his friends and his family - all need to work out how to deal with this devastating challenge that Life has thrown down. Maybe *Batpig* can come to the rescue? Based on Rob Harrell's own real life experience of eye cancer, and including amazing comic-strip artwork, this poignant and authentic novel is unforgettable, hilarious and uplifting.

Silent Song

In New York Times bestselling author Cindy Gerard's sizzling new novel, a ruthless international conspiracy is no match for the irresistible alpha heroes of Black Ops, Inc. A RACE FOR SURVIVAL... Bold, blonde Defense Intelligence officer B. J. Chase isn't exactly thrilled when she's summoned from personal leave to investigate an alarming national security breach -- until the suspicious death of a government official blows her covert mission sky-high. TURNS INTO A PULSE-POUNDING ADVENTURE... Gorgeous Black Ops bad boy Raphael Mendoza always feared his family's dark history would haunt him. But he never expected it might hold the key to dismantling a rogue weapons system. Now with cool B. J. Chase posing as his hot babe fiancée, he returns to his uncle in Colombia to convince him he can be trusted with the family's dirtiest business secrets. ...AND IGNITES A PASSIONATE FIRE. Carrying out a deception among ruthless killers brings Rafe and B.J. too close to ignore the smoldering heat between them. Now, they must work together as the closest of partners as the countdown to international catastrophe closes in....

Feel the Heat

In under 3 months during a global pandemic, 150 female & non-binary creatives from across the globe came to together to create INSIDER ART: A Compendium of Comics, Crafts & Cats. Chock-full of 272 pages of all-ages entertainment, this anthology features eight chapters of comics, prose, and activities set within the walls of eight rooms in an art house -- the bedroom, attic, living room, bathroom, basement, kitchen, craft room, and garage. Curated by eight fearless comics book editors. INSIDER ART celebrates storytelling as an art form and champions diversity, inclusion and collaboration in the comic book community.

Insider Art

In a time of ancient gods, warlords and kings...a land in turmoil called out for a hero! She was XENA, a mighty princess forged in the heat of battle! In this all-new series, writer VITA AYALA (Black Panther, Shuri, Wonder Woman, The Wilds) and artists OLYMPIA SWEETMAN, VASCO GEORGIEV, JORDI PEREZ, AND ERICA D'URSO throw Xena and her companion Gabrielle headfirst into a mysterious adventure. Can Xena discover the secrets of a village full of super-strong children, before jealous and petty GODS get involved?

Xena: Warrior Princess: Road Warrior

HIGH-STAKES HOMECOMING Nicole Braun left Silver Lake under a cloud of suspicion--and someone isn't about to let her forget her troubled past now that she's returned home. The single mom has worked hard to overcome her reputation, but suddenly she's the target of an unknown enemy. Only local police chief Brett Eggert has the power to protect her and her young son. But nothing prepares the lawman for the discovery that Nicole's little boy is the nephew he never knew he had. With Nicole's secret revealed, Brett is more determined than ever to ensure her safety and find out what's behind her deadly homecoming.

Silver Lake Secrets

Book 2 in the sexy GLAM rom-com series about a group of gloriously geeky ladies. Chantal Koffi is sure she isn't good enough. After taking the dive years ago and publishing her webcomic online, she's watched, disheartened, as the meager fruits of her labor trickle in. She knew making a living from her work was a pipe dream, but she pinned her hopes and dreams on it coming true. Since the art that holds true meaning for her isn't paying her bills, she's settled for channeling her abilities into an uninspiring graphic artist career. While she's not above doing what's necessary to make ends meet, the everyday proof that her art is only good at suckering hapless consumers into buying products they don't need is soul-crushing. However, a chance meeting with a friend's coworker reminds her that her art isn't the only thing that matters to her. Marcus Tang is everything she's ever wanted in a guy: sexy, sensitive, funny, intelligent, and an artist like her. Her attraction to him can't be denied, and it isn't long before she finds herself falling for him. But when a literary agent expresses interest in Marcus's novel, Chantal is forced to contend with a stark reality. As thrilled for him as she is, she can't ignore how painful it is to watch him find the success that continues to elude her. Then an unexpected disaster upends her delicate balancing act, and she must face the possibility that, while her love for Marcus is strong, she may not be strong enough to fight for it.

Drawn to Love

The future: a dying Earth has been abandoned, the poor and weak left behind. While Earth's elite survivors colonized Mars, its outcasts--the miscreants, criminals, fringe-dwellers, crackpot scientists, and sociopaths--fled inward, to Venus ("a place fit for scumbags"). Three generations later, the denizens of Venus, strengthened by hardship forged in brutality and hellish conditions, are thriving. Attracted by the successful launch of Venus's second floating "cloud city," the corporate fascists of the Mars Council launch an insurgency for control of Venus... but Braxton, the third generation leader of this colony of outlaws, will fight to save his family dynasty. Previously published in Dark Horse Presents, this is the collection--and continuation--of Ken Pisani and Arturo Lauria's highly praised sci-fi drama *Colonus*. "COLONUS quenches its audience's thirst for intelligent science fiction via a cocktail of killer art, grounded characters, and unique world building--finished off with a splash of subversion." -Nicole Perlman, *Guardians of the Galaxy* screenwriter "Loved it! COLONUS is another fresh take on what the future holds for mankind. This is the kind of sci-fi I live for." --Jimmy Palmiotti, *Harley Quinn*, *Painkiller Jane* "A hell of a story with echoes of Arthur C. Clarke and Greek tragedy, one that gives us an image of our own times." --Denny O'Neil, *Batman*, *Green Lantern/Green Arrow* "Big, expansive, filled with a rich curiosity of distant worlds and people, all of which become vehicles for examining humanity in its barest form." --Michael Moreci, *Hoax Hunters*, *Roche Limit* "Bada bing! A mob war in space! Bad ass and righteous--even Tony's crew would not f*ck with these guys!" --Joe Gannascoli, *The Sopranos* "Total Recall on steroids. If Frank Miller and Mike Mignola had a love child, his name would be Arturo Lauria. I'm drooling for the next chapter." --*Monkeys Fighting Robots* "5 out of 5 stars! Pisani creates a world that is so immediately believable that it's almost too scary to read. And speaking of horrific, Lauria's artwork is amazing and terrifying and compelling all in one." --comicbooked.com "High concept...but also effortless. FANTASTIC premise, an incredible, brilliant allegory on the growth of nations into power. Arturo Lauria's artwork is striking a bold." --*The Beat: Comics Culture* "A great balance of sci-fi, a touch of horror, and a perfect dash of quirk. Gritty...with just the right amount of deadpan humor mixed in." --*Comics Grinder* "Arturo Lauria has created a future full of hard edges, sharp angles, and hard contrast. It's strange, but...beautiful (granted, in a dark, terrifying way)." --*All Geek to Me* "Fun, smart sci-fi with a striking visual style. We need more sci-fi like COLONUS in comics!" -Fred Van Lente, *X-Men Noir*, *Spider-man*, *Archer & Armstrong* "An intergalactic good time." -expertcomics.com

Colonus

Poetics and poetic strategies -- Divorce -- Free will -- Tyranny and kingship -- Free states -- Imagining creation -- The lover, the poem, and the critics

Is Milton Better Than Shakespeare?

"New Liberty City, 2134. Two corporations have replaced the US, splitting the country's remaining forty-five states (five have been submerged under the ocean) between them: Stellaxis Innovations and Greenleaf. There are nine supercities within the continental US, and New Liberty City is the only amalgamated city split between the two megacorps, and thus at a perpetual state of civil war as the

feeds broadcast the atrocities committed by each side. Here, Mallory streams Stellaxis's wargame SecOps on BestLife, spending more time jacked in than in the world just to eke out a hardscrabble living from tips. When a chance encounter with one of the game's rare super-soldiers leads to a side job for Mal - looking to link an actual missing girl to one of the SecOps characters. Mal's sudden burst in online fame rivals her deepening fear of what she is uncovering about BestLife's developer, and puts her in the kind of danger she's only experienced through her avatar."--Publisher's description

The Meek

The Great Conjunction is at hand in this dramatic second volume of Archaia and The Jim Henson Company's trilogy of prequel graphic novels that tell the origin of The Dark Crystal. Aughra, the beloved guardian of Thra, has gone into hiding, while her son, Raunip, leads a team of emissaries to the Crystal Castle. There they will bear witness as the visiting Urskeks attempt to use the Conjunction to power their voyage home. But pain and mistrust fostered by the group leads to events that will corrupt the world to its very core and transform the Urskeks into two distinct races: the gentle urRu and the terrifying Skeksis. Brian Froud, legendary fantasy artist and conceptual designer of Jim Henson's The Dark Crystal film, returns to oversee this crucial chapter that reveals the tragic events that caused the Bright Crystal to darken and shatter.

Firebreak

In 1997, the superhero movie was all but dead. The last Superman flick had been released a decade earlier to disastrous reviews and ticket sales. The most recent Batman film was a franchise-killing bomb. And an oft-promised Spider-Man feature was grounded. Yet a mere five years later this once-derided genre would be well on its way to world domination at the box office and even critical respectability. How did this happen? And why, two decades later, does the phenomenon show no sign of abating? Here, for the first time, is an extensively researched soup-to-nuts history of the superhero movie, from the first bargain-basement black-and-white serials to today's multiverse blockbusters. Chronicling eight decades of stops and starts, controversies and creators, good guys and bad guys--onscreen and off--this entertaining account explains how and why our entertainment universe came to be overpowered by costumed crimefighters and their nefarious counterparts.

Jim Henson's The Dark Crystal Volume 2: Creation Myths

MACHINE OF DEATH tells thirty-four different stories about people who know how they will die. Prepare to have your tears jerked, your spine tingled, your funny bone tickled, your mind blown, your pulse quickened, or your heart warmed. Or better yet, simply prepare to be surprised. Because even when people do have perfect knowledge of the future, there's no telling exactly how things will turn out.

Superheroes Smash the Box Office

Whether you're new to all of Sonic's awesome adventures, or a long-time fan reliving the magic, this is the end-all be-all collection for you! From the Trade Paperback edition.

Official Gazette of the United States Patent and Trademark Office

Winner of the 2017 Eisner Award in the Best Academic/Scholarly Work category 2017 Prose Awards Honorable Mention, Media & Cultural Studies Over the last 75 years, superheroes have been portrayed most often as male, heterosexual, white, and able-bodied. Today, a time when many of these characters are billion-dollar global commodities, there are more female superheroes, more queer superheroes, more superheroes of color, and more disabled superheroes--but not many more. Superwomen investigates how and why female superhero characters have become more numerous but are still not-at-all close to parity with their male counterparts; how and why they have become a flashpoint for struggles

over gender, sexuality, race, and disability; what has changed over time and why in terms of how these characters have been written, drawn, marketed, purchased, read, and reacted to; and how and why representations of superheroes matter, particularly to historically underrepresented and stereotyped groups. Specifically, the book explores the production, representations, and receptions of prominent transmedia female superheroes from their creation to the present: Wonder Woman; Batgirl and Oracle; Ms. Marvel and Captain Marvel; Buffy the Vampire Slayer; Star Wars' Padmé Amidala, Leia Organa, Jaina Solo, and Rey; and X-Men's Jean Grey, Storm, Kitty Pryde, Rogue, and Mystique. It analyzes their changing portrayals in comics, novels, television shows, and films, as well as how cultural narratives of gender have been negotiated through female superheroes by creators, consumers, and parent companies over the last several decades.

DC's 2022 celebration kicks off with more stories, more characters, and more pride than ever before! This anthology features 13 all-new stories spotlighting LGBTQIA+ fan-favorites new and old including Superman (Jon Kent), Nubia, Tim Drake, Kid Quick, Aquaman (Jackson Hyde), Green Lantern (Jo Mullein), Alysia Yeoh, the Ray, Harley Quinn, Poison Ivy, Batwoman, and more! This special also includes: • A Multiversity: Teen Justice kickoff story spotlighting Kid Quick and written by the miniseries team, Danny Lore and Ivan Cohen! • An introduction by activist, actress, and real-life superhero Nicole Maines that will include a teaser for her upcoming Dreamer project! • Pinups by P. Craig Russell, J.J. Kirby, and more!

People

As well as being one half of the cult band Lightning Bolt and a frequent collaborator with Bjork, Brian Chippendale is also becoming an increasingly in-demand graphic novelist. If'n Oof, his latest creation, focuses on the misadventures of the eponymous mismatched duo of the same name - Chippendale's very own Laurel and Hardy. As they explore alien landscapes and beings, If and Oof must survive, eat, pay rent and avoid ugly confrontations - resulting in comedy, horror and all-out adventure!

Machine of Death

The detective genre has explored supernatural and paranormal themes throughout its colorful history. Stories of detectives investigating spiritualists, ghostly apparitions, the occult and psychics have spanned pulp fiction magazines, comic books, novels, film, television, animation and video games. This encyclopedia covers the history of the genre in its multiple forms and informs and adds to the knowledge of either the new or informed reader. Its A-Z format provides ready reference by title. Detective fans browsing for new discoveries will enjoy the entertaining style.

Sonic Comics Spectacular: Speed of Sound

Everyone mourns in their own way. The most emotional epic in comics continues.

Superwomen
