Her good deed is rewarded by the moon in the form of a special gift, and her entire life turns around. Before that moment, Mah experiences many challenges throughout her childhood. She loses her mother at a young age and lives with her penniless father. Despite her struggles, Mah always manages to stay true to her good nature. Even when her father remarries, and brings an evil

step-mother and step-sister into their home, she follows the guidance of her heart. Explore Mah's journey in becoming the Moonlit Princess in this retelling of the Cinderella-like Persian fairy tale, "Mah Pishooni." (Reading level: 2nd - 3rd graders).

The Moonlit Princess

'Climo and Heller conflate several Korean variants of Cinderella to offer up the story of Pear Blossom, a lovely girl who is sorely mistreated by her nasty stepmother and stepsister.... At once comfortingly familiar and intriguingly exotic, the text is especially noteworthy for its instructive but unobtrusive incorporation of Korean words.'—Publishers Weekly. 'Heller's paintings are exotically lush and colorful as well as engaging.... An agreeable retelling of the Cinderella story.'—BL. Notable 1994 Children's Trade Books in Social Studies (NCSS/CBC)

The Korean Cinderella

A hero's feats? Ever since he was a baby, Becan's only worry has been his big feet--until his widowed father remarries. His new stepmother and her three daughters feed him crusts of bread and banish him to work in the fields. So Becan runs away. With the help of his only friend, a magical bull, he defeats a giant, slays a dragon, and rescues a princess. But before she can thank him, Becan disappears, leaving behind him one of his enormous boots. The princess scours the kingdom for the owner of the giant boot. Will Becan's feet give him away? And what will his fate be if they do? Folklorist Shirley Climo retells an age-old Irish tale that is an unusual twist on the popular Cinderella story. Just like his female counterpart, Becan has a mean stepmother and stepsisters. Unlike Cinderella, Becan has large feet and a magical bull for a fairy godmother. He defeats a sword-swinging giant, slays a fire-breathing dragon, and rescues a princess. But before the princess can thank him, he runs off, leaving her with only an enormous boot to aid her in the search for her rescuer. And, as in all Cinderella stories, true love prevails. In a bustling marketplace in Iran, a traditional storyteller regales her audience with the tale of Prince Zal and the Simorgh. High up on the Mountain of Gems lives the Simorgh, a wise phoenix whose flapping wings disperse the seeds of life across the world. When King Sam commands that his long-awaited newborn son Zal be abandoned because of his white hair, the Simorgh adopts the baby and raises him alongside her own chicks and teaches him everything she knows. But when the king comes to regret his actions, Prince Zal will learn that the most important lesson of all is forgiveness. In this special edition, the story has been set to music, with each instrument representing a different character. You can download music composed by Amir Eslami (ney), Nilufar Habibian (qanun), Saeid Kord Mafi (santur), and Arash Moradi (tanbur). The music accompanies Sally Pomme Clayton's stunning narration of this classic tale from the Shahnameh.

Glass Slipper, Gold Sandal: A Worldwide Cinderella

Blessed Mary rewards Teresa's good deeds with a shining gold star. Later she punishes Teresa's unkind stepsisters, Isabel and Inez, with hideous horns and donkey's ears that they try to hide under heavy veils! But will Teresa outshine her stepsisters at the festival? Robert D. San Souci retells this popular folktale in a lilting narrative that includes all the magic of the beloved Cinderella story and traditional elements from Spanish tales. Luminous watercolors by Sergio Martinez accentuate the beauty and goodness that radiate from Little Gold Star. A Selection of the Junior Library Guild A Selection of Nest Literary Classics

Many years ago in Poland, there lived a rabbi who had a wife and three daughters. One day, the rabbi asks his children a powerful question: "How much do you love me?" His older daughters profess their love in gold and diamonds, but his youngest daughter, Mireleh, declares she loves her father the way meat loves salt. For this remark, she is banished from her father's home. In this flavorful Jewish Cinderella tale, Mireleh's courageous journey is peppered with a perfect blend of magic and romance, leading to a reconciliation with her beloved father. Lavishly illustrated in Louise August's bold linocuts, *The Way Meat Loves Salt* will make a wonderful gift for the Jewish holidays.

Using Paired Text to Meet the Common Core

Folktales and fairy tales are living stories; as part of the oral tradition, they change and evolve as they are retold from generation to generation. In the last thirty years, however, revision has become an art

form of its own, with tales intentionally revised to achieve humorous effect, send political messages, add different cultural or regional elements, try out new narrative voices, and more. These revisions take all forms, from short stories to novel-length narratives to poems, plays, musicals, films and advertisements. The resulting tales paint the tales from myriad perspectives, using the broad palette of human creativity. This study examines folktale revisions from many angles, drawing on examples primarily from revisions of Western European traditional tales, such as those of the Grimm Brothers and Charles Perrault. Also discussed are new folktales that combine traditional storylines with commentary on modern life. The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with.

Little Gold Star

What happens when you wish for something so deeply that you want it no matter what? In this classic Persian fairy tale, a future mother's heartfelt wish literally comes true, and a baby pumpkin is born! As much joy as the pumpkin brings into its parents' life, the Roly-Poly Pumpkin struggles while growing up for being so different from others. This lack of acceptance makes the Roly-Poly Pumpkin keep its true identity secret. But a prince eventually discovers the beautiful girl hidden inside the pumpkin. With the unconditional love of the prince, the Roly-Poly Pumpkin shares her magic with the world and learns how to let her own light shine. This Cinderella-like story (based on "Kadou Ghel Gheleh Zan") reminds us of being true to your heart, holding out for the one you love, and the power of love to transform us into something greater. (Reading level: 2nd - 3rd graders).

The Way Meat Loves Salt

"It's easy to feel a sense of peace after completing Fawzia Gilani's Cinderella. This humble version of the classic fairy tale is a gentle reminder that victory comes as much from a peaceful soul as a beautiful dress and a dramatic confrontation." - Luxury Reading Cinderella is one of the oldest, best-known, and most loved stories worldwide, with hundreds of cultural variants and re-tellings from ancient Egypt and China to the present day. In this version we follow the trials and tribulations of the sweet, gentle, and pious Zahra when her parents die and she is left at the mercy of an uncaring stepmother and stepsisters. This is a well-crafted Islamic version of the classic tale in which faith, goodness, and prayer are rewarded in the end. The charming, richly detailed illustrations of Shireen Adams, set in medieval Andalusia, help bring the text to life.

Folktales Retold

Hace mucho tiempo—a long time ago—there lived a beautiful young woman named Adelita. So begins the age-old tale of a kindhearted young woman, her jealous stepmother, two hateful stepsisters, and a young man in search of a wife. The young man, Javier, falls madly in love with beautiful Adelita, but she disappears from his fiesta at midnight, leaving him with only one clue to her hidden identity: a beautiful rebozo—shawl. With the rebozo in place of a glass slipper, this favorite fairy tale takes a delightful twist. Tomie dePaola's exquisite paintings, filled with the folk art of Mexico, make this a Cinderella story like no other. Please note that the majority of this text is in English, with Spanish vocabulary throughout.

The Roly-Poly Pumpkin

Alexander the Great: Beyond the Divide, by Charles N. Pope not only "cuts the Gordian Knot" of Alexander research, but also unveils Alexander as the primary inspiration for Christ. Alexander was such a towering figure that at least some influence on emerging Christianity would be expected. However, upon closer inspection the parallels between Alexander and Jesus turn out to be both extensive and profound. Alexander the Great's birth had been "immaculately conceived" and then "celestially announced." He was a precocious youth that confounded his elders. He railed against conventional thinking (orthodoxy) and was revered everywhere, except by his own family and home town. His campaign began with a wedding. He cast out demons and was accused of having a demon. He fed the multitudes and spoke in parables. He was particularly fond of the mustard seed. He traveled incessantly. He prayed for those that spitefully used him. He walked on water and calmed the tempest. He was warned against entering his capital, but approached his prophesized demise with eager resolve. He was lifted up into the "heavens" and also descended to the "underworld." His higher calling was to attain a faraway kingdom, and one that could only be gained through a symbolic death and ascension. He comforted and later appeared to his followers. He moved mountains and enveloped those who believed in him from the onslaught of the godless. And the comparisons go on.

Persian Tales

New York Times, USA Today, and Publishers Weekly bestseller! Clashing empires, forbidden romance, and a long-forgotten queen destined to save her people—Tahereh Mafi's first in an epic, romantic trilogy inspired by Persian mythology. To all the world, Alizeh is a disposable servant, not the long-lost heir to an ancient Jinn kingdom forced to hide in plain sight. The crown prince, Kamran, has heard the prophecies foretelling the death of his king. But he could never have imagined that the servant girl with the strange eyes, the girl he can't put out of his mind, would one day soon uproot his kingdom—and the world. Perfect for fans of Leigh Bardugo, Tomi Adeyemi, and Sabaa Tahir, this is the explosive first book in a new fantasy trilogy from the New York Times bestselling and National Book Award-nominated author Tahereh Mafi. "In a tale as exquisitely crafted as one of Alizeh's own garments, Mafi weaves a spell of destiny and danger, forbidden love and courtly intrigue, magic and revolution."—Cassandra Clare, #1 New York Times bestselling author of *The Last Hours* "This Woven Kingdom is an exquisite fantasy. Rich with clever prose, delicious twists, and breathtaking world building. Prepare to be destroyed—this one will wrench at your heart and make it pound, and in the

end it will leave you entirely speechless.”—Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series

Norse Mythology for Kids: Legendary Stories, Quests & Timeless Tales From Norse Folklore. The Myths, Sagas & Epics of The Gods, Immortals, Magic Creatures, Vikings & More

A retelling of the traditional Persian tale of how the patient stone helps a mistreated young girl achieve her true destiny.

ISSN: 2397-9607 Issue 116 ÿ In issue 116 of the Baba Indaba Children's Stories, Baba Indaba narrates the ancient Persian folktale of the beautiful maiden named Ssuwarandari. Born of poor parents she marries the Khan but there are people in the Khan's court who are jealous of her and start planning her downfall...?? Download and read this story to find out just what happened to Ssuwarandari, the Khan and their children. ÿ INCLUDES LINKS TO DOWNLOAD 8 FREE STORIES ÿ Each issue also has a "WHERE IN THE WORLD - LOOK IT UP" section, where young readers are challenged to look up a place on a map somewhere in the world. The place, town or city is relevant to the story, on map. HINT - use Google maps. ÿ Baba Indaba is a fictitious Zulu storyteller who narrates children's stories from around the world. Baba Indaba translates as "Father of Stories". ÿ It is believed that folklore and tales are believed to have originated in India and made their way overland along the Silk and Spice routes and through Central Asia before arriving in Europe. Even so, this does not cover all folklore from all four corners of the world. Indeed folklore, legends and myths from Africa, Australia, Polynesia, and some from Asia too, are altogether quite different and seem to have originated on the whole from separate reservoirs of lore, legend and culture. ÿ Baba Indaba,Childrens,Folklore,Fairy,Tales,bedtime story,legends,persian,khan,children,plotting,trust,pagoda,temple
