My heart is complete and happy because of all the years in this profession. I plan on working six more years and then I will walk away and turn it over to all I have mentored over the past years. May God watch over all law enforcement officers everywhere!

This collection is based on the required reading list of Yale Department of Classics. Originally designed for students, this anthology is meant for everyone eager to know more about the history and literature of this period, interested in poetry, philosophy and rhetoric of Ancient Rome. Latin literature is a natural successor of Ancient Greek literature. The beginning of Classic Roman literature dates to 240 BC. From that point on, Latin literature would flourish for the next six centuries. Latin was the language of the ancient Romans, but it was also the lingua franca of Western Europe throughout the Middle Ages. Consequently, Latin Literature outlived the Roman Empire and it included European writers who followed the fall of the Empire, from religious writers like Aquinas, to secular writers like Francis Bacon, Baruch Spinoza, and Isaac Newton. This collection presents all the major Classic Roman authors, including Cicero, Virgil, Ovid and Horace whose work intrigues and fascinates readers until this day. Ein gutes Omen

Apokalypse mit Humor: In Terry Pratchetts und Neil Gaimans Kult-Klassiker »Ein gutes Omen« liefern sich Gut und Böse ein bitter-komisches Duell. Das gemeinsame Buch der beiden Fantasy-Schwergewichte Terry Pratchett und Neil Gaiman ist ein wahrer Geniestreich voll absurder Komik. Es ist das Ende des 20. Jahrhunderts, Himmel und Hölle machen sich für ihren finalen Kampf bereit: Die Apokalypse steht bevor – aber irgendwie will der Antichrist nicht so richtig in die Gänge kommen. Die Engel Erziraphael und Crowley sollten den jungen Warlock eigentlich zum Niedergang verkündenden Höllenfürsten erziehen. Doch viel mehr als für den Weltuntergang interessiert sich der vermeintliche Sohn des Teufels für Baseball und seine Briefmarkensammlung. Da stellt sich heraus, dass Warlock einst im Krankenhaus vertauscht wurde und tatsächlich nur ein ganz normaler Junge ist. So beginnt eine kuriose Suche nach dem wahren Antichristen. Die humoristische Fantasy-Erzählung von Pratchett und Gaiman erschien erstmals im Jahr 1990 und hat sich seitdem zu einem Kultroman entwickelt. Durch die Erzählkunst und den schrägen bis bitterbösen Humor der beiden Fantasy-Meister hat »Ein gutes Omen« eine treue Fangemeinde um sich geschart. »Alles in allem ist ›Ein gutes Omen‹ ein superwitziges Buch mit viel Spannung.« Augsburgs Allgemeine Terry Pratchett kennen und lieben Fantasy-Fans durch seine Scheibenwelt-Bücher, Neil Gaiman wurde durch seine Comic-Serie »Sandman« sowie zahlreiche Romane bekannt. Im Doppelpack laufen die beiden zu Höchstform auf und steigern sich in einen fulminanten Rausch aus Witz und humorvoll verpackter Gesellschaftskritik. Weltuntergang zum Nachlesen: das Buch zur Serie In Kooperation mit Amazon entstand 2019 die Mini-Serie »Good Omens« zum Buch. Neil Gaiman verfasste das Drehbuch selbst, der inzwischen verstorbene Pratchett gab sein Einverständnis in einem posthum veröffentlichten Brief bekannt.

Good Omens

According to the Nice and Accurate Prophecies of Agnes Nutter--the world's only "totally reliable guide to the future--the world will end on a Saturday. Next Saturday, in fact. Just after tea...

Ein gutes Omen

The world is going to end next Saturday night. Just before dinner. Unfortunately, the Antichrist has been misplaced. The Four Horsemen of the Apocalypse ride motorcycles. And the representatives from Heaven and Hell have decided they actually like the human race.

Ein gutes Omen

Människor har förutspått jordens undergång i alla tider, därför är det helt naturligt att vara skeptisk när ett nytt datum är satt för Domedagen. Men vad händer om förutsägelserna denna gång faktiskt är rätt, och apokalypsen verkligen kommer nästa lördag, strax efter te? Förslagsvis kan du ägna dig åt att dränka dina sorger, ge bort alla dina ägodelar, eller skratta åt det som (förhoppningsvis) bara är ett tomt hot. Eller så kan du försöka göra något åt det. Det är i detta tillstånd ängeln Aziraphale och demonen Crowley befinner sig. De har levt bland jordens dödliga från tidernas begynnelse, och har blivit ganska förtjusta i livsstilen och ser inte direkt fram emot den kommande apokalypsen. Och så är det här med att de tycks ha tappat bort Antikrist som de var ålagda att passa ... Kultromanen "Good Omens", som Terry Pratchett och Neil Gaiman skrev tillsammans, kom första gången 1990. Nu är den aktuell på nytt som tv-serie med Michael Sheen och David Tennant i huvudrollerna.

Good Omens

According to the world's only totally reliable guide to the future, the Nice and Accurate Prophecies of Agnes Nutter, the world will end next Saturday, just after tea. Then how will they deal with the Antichrist and the Four Horseman of the Apocalypse who ride motorcycles?

The Quite Nice and Fairly Accurate Good Omens Script Book contains much that is new and revelatory and even several scenes that are not actually in the final television series. 'One of the most hotly anticipated TV shows of the year' Independent 'Even if you're very familiar with the original novel, this is a different experience... so damned charming and quirky that it feels like a must' Starburst Neil Gaiman's glorious reinvention of the iconic bestseller Good Omens is adapted from the internationally beloved novel by Terry Pratchett and Neil Gaiman and is soon to be a massive new TV launch on Amazon Prime Video and the BBC. The series is written and show-run by Neil himself and stars David Tennant, Michael Sheen, Jon Hamm and Miranda Richardson, to name but a few. **Includes an introduction by Neil Gaiman about bringing Good Omens to the screen** Before he died in 2015, Terry Pratchett asked Neil Gaiman to make a television series of the internationally beloved novel they wrote together about the end of the world. And so, Neil began to write. And continued to write until he had six episodes that brought an angel, Aziraphale, and a demon, Crowley, (the only things standing between us and the inevitable Armageddon) to life for the screen. Contained between the covers of this book are the scripts that Neil wrote, which later turned into some of the most extraordinary television ever made. Take a tour behind the scenes with a text that reveals the secrets of the show, still has the missing bits and, sometimes, asks for the impossible. Step backstage and see the magic for yourself. You may just learn as much from the scenes that never made the final cut as from those that did.

Ein gutes Omen

The ultimate TV companion book to Good Omens, a massive new television launch on Amazon Prime Video and the BBC, written and show-run by Neil Gaiman and adapted from the internationally beloved novel by Terry Pratchett and Neil Gaiman. '[It was] absurdly good fun...Terry charged Neil with getting it made, almost as his deathbed wish, so it's a real labour of love' - David Tennant In the beginning there was a book written by Terry Pratchett and Neil Gaiman about the forces of good and evil coming together to prevent the apocalypse, scheduled to happen on a Saturday just after tea. Now, that internationally beloved novel has been transformed into six hour-long episodes of some of the most creative and ambitious television ever made. Written and show-run by Neil Gaiman and directed by Douglas Mackinnon, this BBC Studios creation brings Good Omens spectacularly to life, through a cast that includes David Tennant, Michael Sheen, Jon Hamm, Miranda Richardson, Josie Lawrence, Derek Jacobi, Nick Offerman, Jack Whitehall and Adria Arjona. Good Omens

Un clásico de la comedia. Según Las Buenas y Acertadas profecías de Agnes la Chalada Bruja (el único libro fiable de profecías, escrito en 1655, antes de que ella explotara), el fin del mundo tendrá lugar el sábado. El próximo sábado, para ser exactos. Justo antes de la hora de la cena. Los ejércitos del Bien y del Mal se están agrupando, la Atlántida está resurgiendo, llueven sapos y los ánimos están algo alterados así que... todo parece ajustarte al Plan Divino. De no ser por un ángel quisquilloso y un demonio buscavidas que han vivido a costa de los mortales desde el comienzo de los tiempos y que no están dispuestos a aceptar tan fácilmente eso del "Fin de la civilización tal y como la conocemos". Y... ¡vaya por Dios! ¡Parece que alguien ha hecho desaparecer al Anticristo!

Good Omens

Kultklassiker om hvor galt det kan gå når selveste Antikrist ender opp hos en helt gjennomsnittlig middelklassefamilie. Endelig på norsk! Ifølge heksen Agnes Nutters profetier kommer verden til å gå under på lørdag, rett etter tetid. Uheldigvis er Antikrist på feil sted, Apokalypsens fire ryttere er ute og kjører motorsykkel, og representantene fra himmel og helvete har funnet ut at de faktisk liker menneskerasen. Neil Gaiman ble født i England i 1960, men har de siste årene bodd i USA. Etter at han slo gjennom med tegneserien Sandman, har han skrevet en rekke kritikerroste bøker for barn og voksne, inkludert Neverwhere, Stjernestøv, Amerikanske guder, Kirkegårdsboken og Coraline. Han har en stor tilhengerskare over hele verden og blir av mange regnet som en av de største fornyerne av fantasysjangeren.

Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket! Dobry omen

L'Apocalypse aura lieu samedi prochain, après le thé ! Ainsi en ont décidé, d'un commun accord, les forces du Bien et celles du Mal. L'Antéchrist va fêter ses onze ans. Son éducation a été supervisée par un ange, Aziraphale, et un démon, Rampa, résidant sur Terre depuis l'époque de la première pomme. Mais voilà, suite à un coup du sort, l'enfanta été échangé à la maternité. Le véritable Antéchrist se nomme Adam et vit dans la banlieue de Londres. Et ça, ça change tout ! Une course contre la montre commence alors pour l'ange et le démon qui, finalement, se disent que la race humaine ne mérite pas son sort.

The Chronicles of a Teenage Zombie

Ed never believed that he would have to live through a zombie apocalypse. One day he was Ed Kirk, a normal sixteen-year-old boy with a loving family, a beautiful girlfriend, and a full life ahead of him. Now he's on the run from zombies, being hunted by a dark force that threatens his very existence, all the while trying to escape his hometown and find help. Oh, yeah, one more thing: Ed is a zombie too! "Ed Undead: The Chronicles of a Teenage Zombie is a strong story that never bores, and Ed, the 16 year old almost zombie, shows us what true courage is. I give it 4 stars and a place in the Awesome Indies listing. Ed and Lisa are great characters to spend time with, even if it is in a zombie infested town." AvidReader "I loved this book. Ed is an everyday guy who has hidden leadership abilities that are developing throughout the story. When placed into a bad situation with the zombies he still keeps it together because Ed is a hero. Lisa Jane is strong, smart and a very good second who can kick butt all by herself. This book was a page turner because I couldn't wait to read what happened next and I cheered them on throughout the story. It is a book that anyone can read and I would read it again this time next year." Cloey.k "This book was captivating. I was drawn in from the first page and found it hard to put down. This is a definite must read even if you aren't a zombie fan." m pollard Grab your copy today! The Zombie Chronicles - Book 6 - Revelation

A collection of zombie fiction from British journalist and dark fiction writer C.M. Saunders, featuring two complete novellas alongside short stories previously published in the likes of Morpheus Tales and Crimson Streets, plus a brand-new novelette. Also includes an exclusive introduction and artwork by the award-winning Greg Chapman. Featuring: Dead of Night: young lovers Nick and Maggie go camping in the woods, only to come face-to-face with a group of long-dead Confederate soldiers who don't know, or care, that the war is over. Human Waste: Dan Pallister wakes up one morning to find the zombie apocalypse has started. Luckily, he's been preparing for it most of his life. He just needs to grab some supplies from the supermarket... 'Til Death do us Part: When the world as we know it comes to an abrupt end, an elderly couple are trapped in their apartment. They get by as best they can, until they run out of food. Roadkill: A freelance ambulance crew are plunged into a living nightmare when a traffic accident victim they pick up just won't stay dead. He has revenge on his mind. Plague Pit: A curious teenager goes exploring the Welsh countryside one summer afternoon and stumbles across a long-abandoned chapel. What he finds there might change the world, and not for the better. Dead Men Don't Bleed: A gumshoe private eye is faced with his most challenging case yet when a dead

man walks into his office and asks for help solving his own murder. Drawn from a variety of sources, all these tales have one thing in common; they explore what might happen if our worst nightmares are realized and people came BACK FROM THE DEAD. Praise for the stories in this book: "This is very well written and not to ruin anything but the ending is amazing! Definitely check this one out. I am now a fan!" (Dead of Night) "C. M. Saunders does a fine job here with these long-lost Confederate dead in the North Carolina Piedmont. He manages a winning balance between gory horror and interpersonal relationship, between splatter and genuine human emotions." (Dead of Night) "It's a zombie story with an original twist that I appreciated. It's well written, flows nicely, and both of the (live) characters are well developed and believable. Let's face it - The woods are a creepy place even in the daylight sometimes and thanks to CM Saunders I won't be camping anytime soon." (Dead of Night) "Dan Pallister woke up one morning to find the world had gone to hell over night. The zombie apocalypse has arrived without warning. But wait... there is something odd about these zombies. Why do some of them seem to be going about their usual human habits? Oh well, Dan doesn't have time to ponder all the gruesome details!" (Human Waste) "Freaky." ("Til Death do us Part) "Awesome read, a great story with a huge twist which I shall not reveal. Very enjoyable, very entertaining for lovers of splatterpunk and a great tale that draws the reader in as we see through the eyes of the zombie killer... I'm saying no more, find out yourself." (Human Waste) "I found this story riveting." (Dead Men Don't Bleed)

Back from the Dead

The zombie apocalypse just got real. Zombies rule. Almost everybody in the world has turned into one, thanks to a nifty little disease called Necropoxy. Sixteen year old twins, Tripp and Trina Light, however, are among the rare humans who are not only immune to Necropoxy--they're super immune. Even a bite from a zombie won't infect them. Great, right? Yeah, but . . . researchers are capturing every immune human they can find--and experimenting on them like lab rats. Just yesterday, the twins and their friends narrowly escaped. The researchers will do anything to get them back. That means Tripp, Trina, and their small band of survivors are on the run from zombies, mad scientists, and who knows what else. What's worse, some people in their group are starting to act funny, which isn't funny at all. This is so not how they planned to spend the beginning of their junior year of high school in Massachusetts. Everyone is dead. Everyone is wicked dead. Author and playwright Howard Odentz is a lifelong resident of the gray area between Western Massachusetts and North Central Connecticut. His love of the region is evident in his writing as he often incorporates the foothills of the Berkshires and the small towns of the Bay and Nutmeg states into his work. In addition to The Dead (A Lot) Series, he has written the horror novel Bloody Bloody Apple, the short story collection Little Killers A to Z, and a couple of horror-themed, musical comedies produced for the stage.

Wicked Dead

Unbeknownst to two teenagers—Ralph worried about a history exam he didn't study for and Sarah having studied all weekend—a flu pandemic with apocalyptic proportions rages over the world. On Monday, they arrive at their high school besieged by men in hazmat suits, escorting infected teenagers to buses. Ralph is forced on one of these quarantine buses and Sarah, along with the remaining healthy student body, gets quarantined at school. This flu however is worse than the 1918 Spanish Flu that killed a hundred million people—much worse. This flu turns its victims into the walking dead. The few not infected are left not only with the grief of their family and friends passing, but also with the horror of their families, friends, and neighbors trying to rip the flesh off them. Ralph—unsure about the real destination of the bus and trapped inside with kids that are getting worse by the minute—may not get to the destination in time before the first one dies. Sarah, trapped at school, deals with a worsening situation that she soon needs to escape from. Will the zombies feast on their young flesh or will they escape?

The *Zombie Apocalypse Survival Guide for Teenagers* isn't a normal book. It's not even a normal Zombie survival guide. It's a story of three teenagers enduring and surviving against the odds, adapting where many adults failed. Not many teenagers survived "The Havoc," probably because most didn't acclimate and learn like these three. So what's the secret to their survival? Good question. The answer lies in these pages, a journal written by a teenager named Chris. Each section includes some discussion questions to help you digest what you just read. These questions will point to the Bible here and there for some wisdom that has stood the test of time: wisdom for surviving your real world.

Welcome to the *Apocalypse Infection Unleashed Series*. Prequel - Val Book 1 – *The Zombie Chronicles* Book 2 – *Race for the Cure* Book 3 – *Deadly City* Book 4 – *Poisonous Serum* Book 5 – *Undead Nightmare* Book 6 – *Revelation* Book 7 – *Trepidation* (due out in Jan.) Book 8 – *Impact* (due out in spring) This is the longest book in *The Zombie Chronicles* so far. It is almost 80,000 words. My name is Dean Walters and I'm eighteen years old. We had saved Val, Jackie, and Claire with the precious vials in our possession, but they weren't 100 percent effective. Those who had taken the serum, the so-called miracle cure for zombie-itis, were easy enough to spot, since they had glowing green eyes and were suddenly equipped with night vision that would have made the average bat jealous, but that was only one side effect. Much to our dismay, the other side effect wasn't quite so tolerable. Some cured people turned back into zombies but retained control of their reasoning, logical minds, virtually turning them into cannibals capable of thinking, calculating, stalking, and killing their victims. We'd decided to call them hybrids, and I feared that my sister, my girlfriend, and my potential future cousin-in-law were about to morph into just that. Is it only a matter of time? Does that happen to everyone who takes the serum, or are some immune to that side effect? Our only hope for answers was to go to the lab, and I hoped the answers we'd finally get would be honest—and good news. **KEYWORDS:** free horror, young adult, free horror books to read, free ebooks, freebies, free stories, free zombie stories, free zombie fiction, adventure, free teen books, free teen horror, zombie stories, dystopian, zombie apocalypse, walking dead, dark fantasy, humor, paranormal romance, scary stories, zombie series, zombie stories, supernatural, free supernatural, free horror, free dystopian, free fantasy, free teen books, free adventure books, free action books, free zombie books, zombie apocalypse series, zombie thriller, post-apocalyptic, zombie horror, zombie Armageddon, zombie series, dystopian

The Zombie Chronicles - Book 5 - Undead Nightmare

The disease takes the world by storm. Ravaging the living, it takes no survivors. The end of the world comes swiftly and silently without much noise or fuss. It sneaks up on a group of neighbors who must bind together in order to survive. Alice is caught by surprise when the dead begin to rise. She's a paralegal: not a warrior. She's comfortable with paperwork and filing, but killing? That's not exactly in her job description. Soon Alice learns there's more to the end of the world than fighting the undead, though, and she realizes that if she's not careful, her companions are going to learn her secret. Mark

is a soldier. He thought he'd left the pain of war behind, but now he knows that soldiers never really leave the battlefield. Even when your physical wounds heal, there's always some remnant of horror left behind. There's always something terrifying you. Kyle isn't afraid of the dark. At least, that's what he tells himself. He's an IT guy. He's not a fighter. He has no place in the zombie apocalypse, so he has to craft one for himself. Together, they'll make or break their own survival. Together, they'll figure out whether or not they can make this work. After all, it's just another day in the zombie apocalypse.

Zombie Apocalypse

What would you do if a mysterious plague began to devour your city and the dead started banging on your door? Fifteen-year-old Liam Peters is spending the summer with his great-grandmother (not by choice) when the authorities of St. Louis spin up the tornado sirens to announce a civic emergency. Police robocalls declare mass disturbances throughout the city, suggesting citizens try to escape to safer jurisdictions. Radio offers contradictory instructions: stay inside, hunker down, ride it out. The President tries to convey a message of hope to calm a scared populace, but the tone is interpreted as a goodbye. The mixed messaging sends society--already on the verge of panic--into a tailspin. When the President signs off, half the city hunkers down while the other half dashes for the interstate. Now Liam is faced with his first dilemma of an increasingly complicated morning. Should he stay with Grandma and attempt to defend her urban home against both the living and the dead, or should he try to get her out of the city to his parents' home in the suburbs? Nothing is ever as simple as it sounds when life and death are on the line. As an avid reader of zombie literature, Liam realizes you go into the zombie apocalypse with the army you have, not the one you want. He sees himself as an unlikely savior, with an unlikely ally, but he embarks on the hero's journey nonetheless. As the city implodes, they race against the clock to outpace desperate refugees, gang violence, criminal opportunists, overzealous military units, scared civilians, and a growing horde of bloodthirsty zombies. He does it while burdened with a woman who is unable to walk more than ten feet without help. As they chase the elusive vision of safety, Liam comes to appreciate why there are no atheists in foxholes. This book is part one of the Sirens of the Zombie Apocalypse series.

The Zombie Chronicles - Book 2 - Race For The Cure

The end of the world just might be their perfect beginning... Glenview, North Carolina. Also known—at least to sixteen-year-old Ava Pegg—as the Land of Incredibly Boring Vacations. What exactly were her parents thinking when they bought a summer home here? Then the cute-but-really-annoying boy next door shows up at her place in a panic...hollering something about flesh-eating zombies attacking the town. At first, Ava's certain that Cole spent a little too much time with his head in the moonshine barrel. But when someone—or something—rotted and terrifying emerges from behind the woodpile, Ava realizes this is no hooch hallucination. The undead are walking in Glenview, and they are hungry. Panicked, Ava and Cole flee into the national forest. No supplies, no weapons. Just two teenagers who don't even like each other fighting for their lives. But that's the funny thing about the Zombpocalypse. You never know when you'll meet your undead end. Or when you'll fall dead over heels for a boy...

Felix is an average teenager whose favorite past time is reading and learning about zombies with his friends. Suddenly he finds himself the unlikely hero in a world where reality has become stranger than fiction and where his hobby of planning for a zombie apocalypse becomes vital to the survival of those around him. As he and his friends struggle to fight against death itself they realize that truth is often much stranger than fiction..... and allot more deadly. ** This novel is a horror story which includes scenes of death and violence. It may be too intense and graphic for younger or more sensitive readers. Parental discretion is advised.
