Music Is My Life

Learn about music and emotion in this beautifully produced anthology Do you remember the first time you discovered an artist you really loved? Have you listened to them over and over again at different points throughout your life? This book harnesses that feeling, by collecting together 80 of music's finest artists to guide young people through the good, bad and sad times. Whatever the feeling, these artists have been there and sung about it. Organised by mood, young ones can dip into the library to discover new artists from decades past to present day. Fall in love with Mariah Carey, shout about it with Nirvana, love yourself with Lizzo, or cry it out with Adele. With 80 artists, bands, and composers from all genres (including classical) there's something for every family member to love and recommend to the next generation. Each entry contains biographical information on each artist, lists must-hear songs, and has accessible musical analysis from author and journalist Myles Tanzer. Every artist is captured in full-colour, rocking art by Ali Mac. With information at the front on how to soundtrack your mood, and information at the back on how to listen to and make your own music. A pitch-perfect first introduction to music for tweens.

My Life and Music

"A clear picture of a musician of rare integrity." — The Musical Times. Highly readable reminiscences, musical philosophy of great pianist: his experiences as a child prodigy in turn-of-the-century Vienna, concert career, thoughts on great conductors and composers of the day, preferences in the repertoire, much more. Also includes "Reflections on Music," address delivered at University of Manchester, 1933. Introduction by Edward Crankshaw. 20 illustrations. Index.

In My Life

From being transported by the sound of 'True Love' by Bing Crosby and Grace Kelly on the radio, as a small child living in condemned housing in ungentrified West London in the late 1950s, to going out to work as a postman humming 'Watching the Detectives' by Elvis Costello in 1977, Alan Johnson's life has always had a musical soundtrack. In fact music hasn't just accompanied his life, it's been an integral part of it. In the bestselling and award-winning tradition of This Boy, In My Life vividly transports us to a world that is no longer with us - a world of Dansettes and jukeboxes, of heartfelt love songs and heart-broken ballads, of smoky coffee shops and dingy dance halls. From Bob Dylan to David Bowie, from Lonnie Donnegan to Bruce Springsteen, all of Alan's favourites are here. As are, of course, his beloved Beatles, whom he has worshipped with undying admiration since 1963. But this isn't just a book about music. In My Life adds a fourth dimension to the story of Alan Johnson the man.

Andre Rieu: My Music, My Life

Andre Rieu is a violinist, conductor and international classical music star, who has won the hearts of millions of music-lovers throughout the world with his extravagant concerts and sell-out tours. Born in

the Netherlands in 1949, Andre started taking violin lessons at the age of five, the beginning of a love affair that would never end. As a student he was asked to take part in a salon ensemble and as he played his first waltz a whole new world opened up for him. From that time on Andre was hooked on the waltz rhythm and dreamt of creating a large orchestra that would enchant its audience. After recruiting his own 'Johann Strauss Orchestra', Andre began to tour. Crowned the "Waltz King"

My Music, My Life

Los Angeles, 1988. In a summer of hedonism, everyone wants their share. On Sunset Strip, undiscovered bands dream of emulating their heroes: Mötley Crüe, Van Halen, Poison and all the other chancers who got lucky... Above them in the canyons, the city's privileged youth already live like rock stars. Drifting between these separate worlds is a journalist on the trail of stories that grow darker by the day: a rock star wannabe who may or may not be who he says he is, a guitar player who will do anything to succeed, crossing the line between reality and fantasy. Then comes beautiful Iris, distant Brenna, ambivalent Blair, Lana the singer - taking their chances, losing their way, doing whatever it takes... Set in the glory days when the music business was a vast and amoral empire where stardom seemed arbitrary and sex, drugs and rock 'n' roll were the lifestyle of choice, *My Life and the Beautiful Music* blurs memoir, myth and reality to recreate the last, lost era of a now-vanished world.

My Life And The Beautiful Music

Brian Kay has spent his entire working life in a career that is both successful and rewarding. His fascinating collection of memories and anecdotes throws a hugely entertaining light on a life entirely devoted to the joy of music and music-making. He was the founder bass of the internationally renowned vocal group The King's Singers, spent the next 25 years writing and presenting thousands of programmes for BBC Radios - his own Brian Kay's Sunday Morning on Radio 3 to such Radio 2 favourites as Friday Night is Music Night and Melodies for You. He then moved back to the open spaces of the concert hall, conducting choral and orchestral concerts all over the world, including his annual 4000-voice Really Big Chorus Messiah from Scratch in London's Royal Albert Hall. He has been the lowest frog on a Paul McCartney single and a member of the backing group for Pink Floyd. Brian Kay recounts his fascinating life in intimate and amusing detail, sharing with us his great love of life and his abiding passion for music.

Music, My Life

Maceo Parker's signature style became the lynchpin of James Brown's band when he and his brother Melvin joined the Hardest Working Man in Show Business in 1964. That style helped define Brown's brand of funk, and the phrase &"Maceo, I want you to blow!" became part of the lexicon of black music. He took time off from James Brown to play with George Clinton's P-funk collective and with Bootsy's Rubber Band; he also formed his own band, Maceo and All the King's Men, whose records are cult favorites among funk aficionados. Here Maceo tells his own warm and astonishing story, from his Southern upbringing to his career touring the world and playing to adoring fans. Maceo has long called his approach to the saxophone &"2% jazz, 98% funky stuff." Now, on the eve of Maceo's 70th birthday, in prose as lively and funky as his saxophone playing, here is the definitive story of one of the funkier musicians alive.

98% Funky Stuff

Burt Bacharach is one of the most celebrated and legendary song-writers of the twentieth century. Throughout his sixty year career he has worked with artists from Dionne Warwick to Dr Dre, Marlene Dietrich to Elvis Costello. *Anyone Who Had a Heart* is the story of one of the greatest song writers of all time. It traces for the first time in his own words, the life and times of the man who created the music that has become the sound track for the lives of his millions of devoted fans all over the world. Bacharach's songs include: 'Magic Moments' - Perry Como, 'Baby It's You' - The Shirelles / The Beatles, 'Please Stay' - The Drifters / Marc Almond, 'Wishin' and Hopin' - Dionne Warwick / Dusty Springfield / Ani DiFranco, 'Walk On By' - Dionne Warwick / The Strangers, 'I Just Don't Know What to Do with Myself' - Dusty Springfield / The White Stripes, '(There's) Always Something There to Remind Me' - Sandie Shaw, 'A Message to Martha' - Adam Faith, 'What's New Pussycat?' - Tom Jones, 'Trains and Boats and Planes' - Billy J. Kramer & the Dakotas, 'Alfie' - Cilla Black / Cher / Rumer, 'I Say a Little Prayer' - Dionne Warwick / Aretha Franklin, 'Do You Know the Way to San Jose?' - Dionne Warwick, 'Raindrops Keep Fallin' on My Head' - B.J. Thomas / Sacha Distel / Johnny Mathis, 'I'll Never Fall in Love Again'

- Bobby Gentry, 'Arthur's Theme (Best That You Can Do)' - Burt Bacharach / Barry Manilow / Shirley Bassey.

My Music, My Life

Owain Arwel Hughes, OBE CBE, is one of the world's foremost conductors. Having recorded and performed with leading orchestras including the BBC National Orchestra of Wales, Royal Philharmonic, Philharmonia Halle Orchestra and many throughout Scandinavia, his career of over forty years has seen him share centre stage with some of the world's greatest performers from Julian Lloyd Webber to Bryn Terfel, Pavarotti to Shirley Bassey, and has brought him into contact with a wide array of personalities - Prime Ministers, royalty, Church leaders and sports stars. Now, in his open, honest and entertaining autobiography, prompted by the catastrophic events of 9/11, Owain takes a look back at the events and people that have shaped and influenced his life and the occasions when, despite adversity, the show had to go on...

Anyone Who Had a Heart

With stunning new photographs and a new final chapter detailing Ravi Shankar's hope for the preservation of Indian classical music, this updated edition of *My Music, My Life* profiles an extraordinary man. My Music, My Life

In the vein of *Sound Man* and *The Soundtrack of My Life*, a lyrical memoir from the founder of one of the greatest music labels of all time, Island Records, about his astonishing life and career helping to bring reggae music to the world stage and working with Bob Marley, U2, Grace Jones, Cat Stevens, and many other icons. Since its founding in 1959, Island Records has been home to legendary artists representing wildly divergent musical styles, yet who share the same maverick, outsider spirit of its founder, Chris Blackwell. Time and again, Blackwell and his Island cohorts identified and nurtured musicians overlooked by other labels, including Bob Marley, U2, Cat Stevens, Grace Jones, Roxy Music, Traffic, Nick Drake, Tom Waits, Robert Palmer, Free, the B-52's, John Martyn, and Jimmy Cliff. Like these artists, Blackwell never took the conventional route. After a privileged early childhood in Jamaica—crossing paths with Ian Fleming, Noël Coward, and Errol Flynn—he was expelled from the elite British school Harrow for rebellious behavior at age seventeen. Within five years, he had moved back to Jamaica, and founded Island. Intertwined with the story of Island is that of Bob Marley and the Wailers. After an impromptu meeting with the band in 1972, Blackwell produced the groundbreaking album *Catch a Fire*, formed a deep bond of mutual trust and friendship with Marley, and became known for helping to bring reggae music to the world stage. He also opened the first Jamaican boutique hotel, on the property of Ian Fleming's former home, *GoldenEye*, where all the James Bond books were written. This engaging memoir from one of the great raconteurs of the late 20th century makes for a giddy ride through some of that era's most cutting-edge, enduring music. As Bono says, Blackwell "is an adventurer, an entrepreneur, a buccaneer, a visionary, and a gentleman."

Nicholas Kenyon explores the enduring appeal of the classical canon at a moment when we can access all music—across time and cultures. Immersed in music for much of his life as writer, broadcaster and concert presenter, former director of the BBC Proms, Nicholas Kenyon has long championed an astonishingly wide range of composers and performers. Now, as we think about culture in fresh ways, Kenyon revisits the stories that make up the classical tradition and foregrounds those which are too often overlooked. This inclusive, knowledgeable, and enthusiastic guide highlights the achievements of the women and men, amateurs and professionals, who bring music to life. Taking us from pianist Myra Hess's performance in London during the Blitz, to John Adams's composition of a piece for mourners after New York's 9/11 attacks, to Italian opera singers singing from their balconies amidst the 2020 pandemic, Kenyon shows that no matter how great the crisis, music has the power to bring us together. His personal, celebratory account transforms our understanding of how classical music is made—and shows us why it is more relevant than ever.

The Islander

The autobiography of America's greatest living record man: the founder of Sire Records and spotter of rock talent from the Ramones to Madonna. Seymour Stein is America's greatest living record man. Not only has he signed and nurtured more important artists than anyone alive, now sixty years in the game, he's still the hippest label head, travelling the globe in search of the next big thing. Since the late fifties, he's been wherever it's happening: Billboard, Tin Pan Alley, The British Invasion, CBGB, Studio 54, Danceteria, the Rock n Roll Hall of Fame, the CD crash. Along that winding path, he discovered and broke out a skyline full of stars: Madonna, The Ramones, Talking Heads, Depeche Mode, Madonna, The Smiths, The Cure, Ice-T, Lou Reed, Seal, and many others. Brimming with hilarious scenes and character portraits, *Siren Song's* wider narrative is about modernity in motion, and the slow acceptance of diversity in America – thanks largely to daring pop music. Including both the high and low points in his life, *Siren Song* touches on everything from his discovery of Madonna to his wife Linda Stein's violent death. Ask anyone in the music business, Seymour Stein is a legend. Sung from the heart, *Siren Song* will etch his story in stone.

The Life of Music

A vivid, highly evocative memoir of one of the reigning icons of folk music, highlighting the decade of the '60s, when hits like "Both Sides Now" catapulted her to international fame. *Sweet Judy Blue Eyes* is the deeply personal, honest, and revealing memoir of folk legend and relentlessly creative spirit Judy Collins. In it, she talks about her alcoholism, her lasting love affair with Stephen Stills, her friendships with Joan Baez, Richard and Mimi Fariña, David Crosby, and Leonard Cohen and, above all, the music that helped define a decade and a generation's sound track. *Sweet Judy Blue Eyes* invites the reader into the parties that peppered Laurel Canyon and into the recording studio so we see how cuts evolved take after take, while it sets an array of amazing musical talent against the backdrop of one of the most turbulent decades of twentieth-century America. Beautifully written, richly textured, and sharply insightful, *Sweet Judy Blue Eyes* is an unforgettable chronicle of the folk renaissance in America.

Siren Song

From the beloved host and creator of NPR's *All Songs Considered* and *Tiny Desk Concerts* comes an essential oral history of modern music, told in the voices of iconic and up-and-coming musicians, including Dave Grohl, Jimmy Page, Michael Stipe, Carrie Brownstein, Smokey Robinson, and Jeff Tweedy, among others—published in association with NPR Music. Is there a unforgettable song that changed your life? NPR's renowned music authority Bob Boilen posed this question to some of today's best-loved musical legends and rising stars. In *Your Song Changed My Life*, Jimmy Page (Led Zep-pelin), St. Vincent, Jónsi (Sigur Rós), Justin Vernon (Bon Iver), Cat Power, David Byrne (Talking Heads), Dave Grohl (Nirvana, Foo Fighters), Jeff Tweedy (Wilco), Jenny Lewis, Carrie Brownstein (Portlandia, Sleater-Kinney), Yusuf Islam (Cat Stevens), Colin Meloy (The Decemberists), Trey Anastasio (Phish), Jackson Browne, Valerie June, Philip Glass, James Blake, and other artists reflect on pivotal moments that inspired their work. For Wilco's Jeff Tweedy, it was discovering his sister's 45 of The Byrds' "Turn, Turn, Turn." A young St. Vincent's life changed the day a box of CDs literally fell off a delivery truck in front of her house. Cat Stevens was transformed when he heard John Lennon cover "Twist and Shout." These are the momentous yet unmarked events that have shaped these and many other musical talents, and ultimately the sound of modern music. A diverse collection of personal experiences, both ordinary and extraordinary, *Your Song Changed My Life* illustrates the ways in which music is revived, restored, and

revolutionized. It is also a testament to the power of music in our lives, and an inspiration for future artists and music lovers. Amazing contributors include: Jimmy Page (Led Zeppelin), Carrie Brownstein (Sleater-Kinney, Portlandia, Wild Flag), Smokey Robinson, David Byrne (Talking Heads), St. Vincent, Jeff Tweedy (Wilco), James Blake, Colin Meloy (The Decemberists), Trey Anastasio (Phish), Jenny Lewis (Rilo Kiley), Dave Grohl (Nirvana, Foo Fighters), Yusuf Islam (Cat Stevens), Sturgill Simpson, Justin Vernon (Bon Iver), Cat Power, Jackson Browne, Michael Stipe (R.E.M.), Philip Glass, Jónsi (Sigur Rós), Hozier, Regina Carter, Conor Oberst (Bright Eyes, and others), Courtney Barnett, Chris Thile (Nickel Creek, Punch Brothers), Leon Bridges, Sharon Van Etten, and many more.

Sweet Judy Blue Eyes

An all-access, firsthand account of the life and music of one of history's most beloved bands--from an original mastering engineer at Abbey Road Geoff Emerick became an assistant engineer at the legendary Abbey Road Studios in 1962 at age fifteen, and was present as a new band called the Beatles recorded their first songs. He later worked with the Beatles as they recorded their singles "She Loves You" and "I Want to Hold Your Hand," the songs that would propel them to international superstardom. In 1964 he would witness the transformation of this young and playful group from Liverpool into professional, polished musicians as they put to tape classic songs such as "Eight Days A Week" and "I Feel Fine." Then, in 1966, at age nineteen, Geoff Emerick became the Beatles' chief engineer, the man responsible for their distinctive sound as they recorded the classic album Revolver, in which they pioneered innovative recording techniques that changed the course of rock history. Emerick would also engineer the monumental Sgt. Pepper and Abbey Road albums, considered by many the greatest rock recordings of all time. In *Here, There and Everywhere* he reveals the creative process of the band in the studio, and describes how he achieved the sounds on their most famous songs. Emerick also brings to light the personal dynamics of the band, from the relentless (and increasingly mean-spirited) competition between Lennon and McCartney to the infighting and frustration that eventually brought a bitter end to the greatest rock band the world has ever known.

Your Song Changed My Life

One Way Or Another is multi-millionaire rock, media and sport mogul Chris Wright's explosive autobiography. In it, Wright lifts the veil on the wheeling and dealing that propelled his company Chrysalis to the forefront of the pop industry – and how the fortune he made from rock enabled him to buy Queens Park Rangers FC, Wasps Rugby Club and a fistful of radio stations and TV production companies. Chris Wright signed bands like Jethro Tull and Ten Years After who were at the forefront of the British rock invasion of America that took place in the late sixties and early seventies, then went on to embrace punk with Blondie and Billy Idol, New Romantics with Ultravox and Spandau Ballet, 2-Tone stars The Specials and many more. In a life story that reads like a *Who's Who* of the rock business, Wright spares no blushes in telling tales of sex, drugs and financial blowouts that made some rich and left others by the wayside. Ever the entrepreneur, Wright remained at the heart of the unfolding story that has become the contemporary entertainment industry, subsequently taking the Chrysalis brand into TV and radio. But his story goes beyond success in media and entertainment. In later years, Wright went on to own premiership football club Queens Park Rangers and rugby giants Wasps. Interwoven with a personal narrative that has all the twists and turns of a best-selling novel, *One Way Or Another* is a remarkable, truly gripping story of life at the top.

Here, There and Everywhere

Rock & roll first spoke to Alec Wightman as a ten-year-old boy when he heard Dion sing "The Wanderer" on his transistor radio. Over the next sixty years, Wightman would listen to countless records, chase live shows from coast to coast, promote singer-songwriter acts through his own concert production company, and work with leaders in the music industry as a member and chair of the board of the Rock & Roll Hall of Fame—all while maintaining his day job as a successful corporate lawyer. In *MUSIC IN MY LIFE: Notes From a Longtime Fan*, Wightman chronicles his musical evolution from the great rock & roll of the 1960s to numerous Neil Young concerts in the '70s and on to decades discovering singer-songwriter favorites like John Stewart, Jesse Winchester, Tom Russell, Rosie Flores, and Dave Alvin. The constant throughout Wightman's life, as one reviewer puts it, has been his "ear for great songs and his admiration for those who craft them." In *MUSIC IN MY LIFE*, this admiration is genuine and palpable, regardless of whether the talent springs from the lesser-known (Chuck Prophet, John Fullbright) or the renowned (Bruce Springsteen, Jimmy Webb). With his tireless advocacy for live music,

Wightman has forged special connections with scores of musicians over his lifetime, using his passion to bring artists and fans together. And his engagement with the Rock Hall is the cherry on top, giving him a unique perspective into the world of rock & roll—the music of our lives. MUSIC IN MY LIFE, says another reviewer, "is written proof that musical fandom can be a form of artistic expression."

One Way Or Another: My Life in Music, Sport & Entertainment

Neil Peart decided to drive his BMW Z-8 automobile from L.A. to Big Bend National Park, in Southwest Texas. As he sped along "between the gas-gulping SUVs and asthmatic Japanese compacts clumping in the left lane, and the roaring, straining semis in the right," he acted as his own DJ, lining up the CDs chronologically and according to his possible moods. "Not only did the music I listened to accompany my journey, but it also took me on sidetrips, through memory and fractals of associations, threads reaching back through my whole life in ways I had forgotten, or had never suspected.... Sifting through those decades and those memories, I realized that I wasn't interested in recounting the facts of my life in purely autobiographical terms, but rather ... in trying to unweave the fabric of my life and times. As one who was never much interested in looking back, because always too busy moving forward, I found that once I opened those doors to the past, I became fascinated with the times and their effect on me. The songs and the stories I had taken for granted suddenly had a resonance that had clearly echoed down the corridors of my entire life, and I felt a thrill of recognition, and the sense of a kind of adventure. A travel story, but not so much about places, but about music and memories."

Music Is My Life

Thus began his 40-year love affair with rock and roll. Sounds Like Me

With a voice that is both sophisticated and deeply Southern, author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories, peopled with unforgettable, endearing characters and filled with wry insights. Drawn from the emotional well of a young man who grew up in love with the glittery, glamorous world of music and movies and theater—far removed from his own more prosaic life in North Carolina—and informed with honesty and compassion, the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer. Compulsively readable and always accessible, each story takes the reader into the mind and heart of its central character, whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty ("The Music of Your Life") or a not-so-young-anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge

toward total meltdown ("Wildlife of Coastal Carolina"). Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him ("Spectators in Love"), and an aging flower-shop owner ruefully assesses the love he found and lost when, as an eighteen-year-old, he embarked on a Hollywood career that never soared but did include one particularly memorable appearance on the I Love Lucy television show ("Who Loves You?") These stories all create entire worlds within which the characters live and struggle to find their way. Funny, touching, serious, and tender, the tales within *The Music of Your Life* are sure to appeal to anyone who has ever known the awkwardness of being "different," and while life is often harsh for the stories' characters, the bold determination with which they persevere offers inspiration to all.

Dolly Parton, Songteller

"A modern parable." —from the foreword by Grace Slick "Jorma Kaukonen is a force in American music, equally adept at fingerpicked acoustic folk and blues as he is at wailing on an electric." —*Acoustic Guitar* "Jorma Kaukonen lit a fuse and transformed his electric guitar into a firework." —*Live For Live Music* Includes a CD of live music as a companion to the book! From the man who made a name for himself as a founding member and lead guitarist of Jefferson Airplane comes a memoir that offers a rare glimpse into the heart and soul of a musical genius—and a vivid journey through the psychedelic era in America. "Music is the reward for being alive," writes Jorma Kaukonen in this candid and emotional account of his life and work. "It stirs memory in a singular way that is unmatched." In a career that has already spanned a half century—one that has earned him induction into the Rock & Roll Hall of Fame and a

Grammy Lifetime Achievement Award, among other honors—Jorma is best known for his legendary bands Jefferson Airplane and the still-touring Hot Tuna. But before he won worldwide recognition he was just a young man with a passion and a dream. *Been So Long* is the story of how Jorma found his place in the world of music and beyond. The grandson of Finnish and Russian-Jewish immigrants whose formative years were spent abroad with his American-born diplomat father, Jorma channeled his life experiences—from his coming-of-age in Pakistan and the Philippines to his early gigs with Jack Casady in D.C. to his jam sessions in San Francisco with Jerry Garcia, Janis Joplin, Bob Dylan, and other contemporaries—into his art in unique and revelatory ways. *Been So Long* charts not only Jorma's association with the bands that made him famous but goes into never-before-told details about his addiction and recovery, his troubled first marriage and still-thriving second, and more. Interspersed with diary entries, personal correspondence, and song lyrics, this memoir is as unforgettable and inspiring as Jorma's music itself.

This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

Been So Long

In the vein of *Sound Man* and *The Soundtrack of My Life*, a lyrical, warmhearted, and inspirational memoir from the founder of Island Records about his astonishing life and career helping to bring reggae music to the world stage and working with Bob Marley, U2, Grace Jones, Cat Stevens, and many other icons. Chris Blackwell, like the paradigm-shifting artists he came to support over his sixty-plus years in the music business, never took the conventional route. He grew up between Jamaica and London, crossing paths with Ian Fleming, Noel Coward, and Errol Flynn. After being expelled from an elite British school for rebellious behavior in 1954 at age seventeen, he moved back to Jamaica, and within five years, founded Island Records—the company that would make an indelible mark on music, shifting with the times, but always keeping its core identity intact. *The Islander* is the story of Blackwell and his cohorts at Island Records, who time and again, identified, nurtured, and broke out musicians who had been overlooked by bigger record labels, including Steve Winwood, Nick Drake, John Martyn, and Cat Stevens. After an impromptu meeting with Bob Marley and his bandmates in 1972, Blackwell decided to fund and produce their groundbreaking album *Catch a Fire*. He'd go on to work with Marley over the rest of his career, remain his close friend, and continually champion Jamaican culture and reggae music. In the ensuing years, Blackwell worked with U2, Grace Jones, the B-52s, Tom Waits, Robert Palmer, Tom Tom Club, and many other groundbreaking artists. He also opened the first Jamaican boutique hotel, on the property of Ian Fleming's former home, Goldeneye, where all the James Bond books were written. Blackwell is a legendary as well as deeply humble raconteur, and reading *The Islander* is like spending a day with the most interesting man in the world.

Our Band Could Be Your Life

The long-awaited memoir of Booker T. Jones, leader of the famed Stax Records house band, architect of the Memphis soul sound, and one of the most legendary figures in music. From Booker T. Jones's earliest years in segregated Memphis, music was the driving force in his life. While he worked paper routes and played gigs in local nightclubs to pay for lessons and support his family, Jones, on the side, was also recording sessions in what became the famous Stax Studios—all while still in high school. Not long after, he would form the genre-defining group Booker T. and the MGs, whose recordings went on to sell millions of copies, win a place in Rolling Stone's list of top 500 songs of all time, and help forge collaborations with some of the era's most influential artists, including Otis Redding, Wilson Pickett, and Sam & Dave. Nearly five decades later, Jones's influence continues to help define the music industry, but only now is he ready to tell his remarkable life story. *Time Is Tight* is the deeply moving account

of how Jones balanced the brutality of the segregationist South with the loving support of his family and community, all while transforming a burgeoning studio into a musical mecca. Culminating with a definitive account into the inner workings of the Stax label, as well as a fascinating portrait of working with many of the era's most legendary performers-Bob Dylan, Willie Nelson, and Tom Jones, among them-this extraordinary memoir promises to become a landmark moment in the history of Southern Soul.

Exotic venues, sold-out concerts, and the companionship of the world's most powerful people have given Liona Boyd a lifestyle that, like her music, is one in a million. The internationally acclaimed classical guitarist has crossed numerous boundaries, both musically and romantically. In this colourful memoir covering her life up to 1998, she serves up a rich and fascinating mix: childhood with her progressive parents in England, Canada, and Mexico, exacting music studies in Toronto, down-and-out years in London and Paris, her eight-year romance with Canadian prime minister Pierre Elliott Trudeau, drug experimentation in a Mexican artists' colony, and whirlwind trips around the globe to eminent concert stages. It all makes for a rousing, feisty, passionate tale, as compelling and entrancing as the music of her Ramírez guitar.

How Bluegrass Music Destroyed My Life

A brief but extraordinarily powerful novel by the author of *Dreams of My Russian Summers* and *Requiem for a Lost Empire*, *Music of a Life* is set in the period just before, and two decades after, World War II. Alexei Berg's father is a well-known dramatist, his mother a famous opera singer. But during Stalin's reign of terror in the 1930s they, like millions of other Russians, come under attack for their presumed lack of political purity. Harassed and proscribed, they have nonetheless, on the eve of Hitler's war, not yet been arrested. And young Alexei himself, a budding classical pianist, has been allowed to continue his musical studies. His first solo concert is scheduled for May 24, 1941. Two days before the concert, on his way home from his final rehearsal, he sees his parents being arrested, taken from their Moscow apartment. Knowing his own arrest will not be far behind, Alexei flees to the country house of his fiancée, where again betrayal awaits him. He flees, one step ahead of the dreaded secret police until, taking on the identity of a dead soldier, he enlists in the Soviet army. Thus begins his seemingly endless journey, through war and peace, until he lands, two decades later, in a snowbound train station in the Urals, where he relates his harrowing saga to the novel's narrator. An international bestseller, *Music of a Life* is, in the words of *Le Monde*, "extremely powerful . . . a gem."

In My Own Key

It's been said Janis Joplin was second only to Bob Dylan as the 'creator-recorder-embodiment of her generation's mythology'. But how did a middle-class girl from Texas become a '60s countercultural icon? Janis' parents doted on her and promoted her early talent for art. But the arrival of a brother shattered the bond she had with her intellectual maverick of a father, an oil engineer. And her own maverick instincts alienated her from her socially conformist mother. That break with her parents, along with the rejection of her high school peers, who disapproved of her beatnik look and racially progressive views, and wrongly assumed she was sexually promiscuous, cemented her sense of herself as an outcast. She found her tribe with a group of offbeat young men a year ahead of her, who loved her intellectual curiosity, her passion for conversation, and her adventurous search for the blues. Although she never stopped craving the approval of her parents and hometown, she left Port Arthur at seventeen determined to prove she could be loved. She tried college twice, and dropped out both times. She ran off to California, but came back when her heavy drug use scared her into it. She almost signed up for a life as a domesticated, hang-the-curtains wife. But instead, during a second stint on the West Coast, she launched a career that would see her crowned the queen of rock and roll. What no one besides Holly George-Warren has captured in such intimate detail is the way Janis Joplin teetered between the powerful woman you hear in her songs and the little girl who just wanted to go home and feel emotionally safe there. The pain of that dichotomy fuelled her music – and ultimately killed her.

For Lucy

From USA Today & Wall Street Journal bestselling author Jewel E. Ann comes a novel so heartfelt and real it redefines the meaning of love. Emmett Riley, Mr. Punctual. Once I confess my true identity and convince her I'm not a creep-just a thief-it's only a matter of time before my sexy smile and quick wit claim her heart, her hand in marriage, and the perfect life. Unfortunately, perfection is an illusion, like the promises of our wedding vows. No one can prepare for the unimaginable-the heartbreaking exception to all the rules in life. When thirty seconds destroys everything, I have to find a new existence and keep my promise to always love our daughter, Lucy, the most. For Lucy, I will keep a secret, and I will watch my wife drift into the arms of another man. Given the chance ... can I reclaim my wife and the pieces of our life?

In Pieces

In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, In Pieces is an inspiring and important account of life as a woman in the second half of the twentieth century.

Pieces of a Life

You see two very different families, the Merediths and the Kelloggs, when Ruth and John meet in 1926. You watch their recent family history unfold, centering on their parents and grandparents. Ruth's early diaries and John's autobiography form the underpinnings of their story. Ruth at twenty and John at twenty-seven are from different worlds. John Webb Kellogg was born into wealth, son and grandson of engineers in Buffalo, New York. John's money and future disappear, it seems, when his father dies, leaving little but a sixteen-room house to his second wife, a young Irishwoman, and their two children, John and Dorothy. John is driven to succeed, much like the Scottish-English Kelloggs who preceded him—impatient, quick-tempered. He feels cheated out of the lifestyle he enjoyed as a child. He works his way through the University of Michigan, riveted on making money and living well. Just out of Austin High in Chicago, Ruth Viola Meredith is a sweet, kind girl who worked very hard to graduate. She

loves making clothes, going to movies, and playing games with her girlfriends. She dreams about a steady beau, but no one appears. Ruth, her brother, Jimmie, and her parents live in blue-collar Austin, a neighborhood on the west side of Chicago. Her father came from a farm in Berrien County, Michigan, as a young man. Her mother's side came from the East Coast in the mid-1800s. Ruth's roots are English, Dutch, and Welsh.

Twenty Pieces

Lisa's world collapsed the year she turned 58. Her 25-year marriage ended; the only home her children had ever known fell into foreclosure; and her last child left the nest. Her financial lifeline, her career in advertising, had gone stagnant. From under the crushing realities a wild idea popped into her head. What if she went away for 30 days, all alone to New York City and took a crash course to learn the new digital ways of her business? After class she could sneak in a 1-mile walk, each day treating herself to a different neighborhood of Manhattan, the place she'd always dreamed of living. Using the lessons she'd learn, she could share stories and photos from her daily walks, all in hopes of reinventing herself professionally. It seemed like the perfect plan, and it was. However-the real truth she found on the streets of Manhattan never made it to her blog. Only in her personal diary did she share the rawness of what she learned about herself ... and all she needed to do to make the changes she wanted. In her memoir, *Twenty Pieces*, Lisa Weldon shares what she learned.

Pieces of Happiness

'If you loved *The Best Exotic Marigold Hotel*, then *Pieces of Happiness* should be on your reading list. Five friends in their 60s, all battered by life, seek refuge on Fiji and start a chocolate farm.' - *Good Housekeeping* Four friends leave their old lives behind. Will they learn to accept, forgive and find a better way to live? When recently-widowed Kat writes to her four old school friends, inviting them to live with her on a cocoa plantation in the South Pacific, they swap icy pavements and TV dinners for a tropical breeze and an azure-blue ocean. Leaving behind loneliness, dead-end jobs and marriages that have gone sour, they settle into the Women's House, surrounded by palms and cocoa trees; and locals with the puzzling habit of exploding into laughter for no discernible reason. Each of the women has her issues to resolve, and secrets to keep. But together the friends find a new purpose, starting a business making chocolate: bittersweet, succulent pieces of happiness. As they embrace a new culture that views ageing so differently from their own, will they learn to accept and forgive: to discover the value of friendship, and a better way to live?

The Secret Life of Walter Mitty and Other Pieces

James Thurber is universally admired for his hilarious sense of humour, off-beat imagination and unique take on the world around him. *The Secret Life of Walter Mitty*, in which a young man's fantasies have a much more powerful hold on him than reality, is probably his best-known prose work, but this selection also contains wonderfully entertaining essays, poetry and cartoons gathered from all of Thurber's collections. Poking fun at his own weaknesses and those of other people (and dogs) - the English teacher who looked only at figures of speech, the Airedale who refused to include him in the family, the botany lecturer who despaired of him totally - James Thurber is essential reading for everyone who loves to laugh.

There's something to talk about in every chapter of Elizabeth Joy Arnold's poignant, insightful debut novel—the perfect summer read for all those who loved Elisabeth Robinson's *The True and Outstanding Adventures of the Hunt Sisters*, Judy Blume's *Summer Sisters*, and Jodi Picoult's *My Sister's Keeper*. Once, Kerry and Eve Barnard did everything together: sailing the Block Island harbor with their father, listening to their neighbor Justin's magical fairy tales, and all the while longing for their absent mother. They were twin girls arm in arm, secrets entwined between two hearts. Until the summer of their seventeenth birthday, when their extraordinary bond was shattered. And thirteen years later, it will take all the courage they can summon to put the pieces back together—at a time when it matters most....

Missing Pieces

Until age seven, Olga Barsony Verrall lived an idyllic life in Szarvas, a small town in Hungary, surrounded by her doting, observant Jewish family. After the Nazi invasion in 1944, Olga found herself, along with most of her family, interned in the Auspitz labour camp. Eventually reunited after the war. A long journey of physical and mental healing, along with the support of her family, helped Olga piece her life back together. For Olga, writing her memoir was a catharsis. For her readers, it will be an inspiration.

Pieces of A Life

Pieces of a Life is a different kind of book in that it is not an autobiography in the strictest sense of the term. It does not move from the beginning (one's birth or ancestry) to the end of life, but rather, it deals with people, stories, anecdotes, events, and thoughts I have had over the years that have largely centered around my interest in religion. The book is about my life, but there is nothing chronological about it; it is presented to you in pieces, a piece here and a piece there. Hopefully, you will find interest in these vignettes—some entertaining, some educational—and hopefully they might enlighten you to think more about your soul, salvation, and Father in heaven. If a story takes you there, perhaps others will follow. Unless you are born with great talent and ability, you, like me, will never do anything belonging to a great autobiography. Nevertheless, all our lives have worth, and there are things that others would find very interesting. God, our Father, has placed in each one of us matters that make us unique. This is my attempt to do just that, and I hope that it will encourage you to do your own such endeavor. Sometimes we have to share those things with other people. Perhaps, in doing so, we can change the world for the better.

Pieces of the Heart

In lyrical and evocative prose, the New York Times bestselling author of the Tradd Street novels takes the scattered pieces of a life and weaves them into a tale of hope... Caroline Collier is a woman bogged down in the harsh realities of a life barely lived. Stress from her all-consuming job as an accountant has given her panic attacks, forcing her to take a leave of absence from work. And though her chances of relaxing in the presence of her overbearing, perfect mother are slim, she joins her at the family's vacation home in the mountains of North Carolina. Though Caroline loves the serene beauty of Lake Ophelia, peace of mind is not to be found. Memories of her beloved younger brother, who died when she was seventeen, continue to haunt her, while the tension between her mother and her still simmers. Only their neighbors, the husband and daughter of one of Caroline's childhood friends, seem able to penetrate her cool reserve, giving Caroline the courage to face her biggest fears—and dive headfirst into life...

A Hundred Pieces of Me

'Bittersweet, lovely and ultimately redemptive; the kind of book that makes you want to live your own life better.' Jojo Moyes 'Such a brilliant book. So satisfying and clever and deeply moving. I'll be passing it on to all my friends.' Sophie Kinsella 'This vibrant and uplifting novel has not only entertained me hugely, but made me change the way I look at life.' As heart wrenching and life-affirming as *One Day* or *Me Before You*, *A HUNDRED PIECES OF ME* is a story about what it means to finally live life to the full. Letters from the only man she's ever truly loved. A keepsake of the father she never really knew. A blue glass vase that catches the light on a grey day. Gina Bellamy is starting again, after a few years she'd rather forget. But the belongings she's treasured for so long don't seem to fit who she is now. So Gina makes a resolution. She'll keep just a hundred special items - the rest can go. But that means coming to terms with her past and learning to embrace the future, whatever it might bring . . .

The Way She Feels: My Life on the Borderline in Pictures and Pieces

Finalist for the 2022 Lammy Award for Bisexual & the 2022 Heartland Booksellers Award A Book Riot Best Book of the Year "Audaciously human and raw. *The Way She Feels* is a rainbow during the rain." —Mara Altman A witty and one-of-a-kind debut graphic memoir detailing and drawing the life of a girl with borderline personality disorder finding her way—and herself—one day at a time. What does it feel like to fall in love too hard and too fast, to hate yourself in equal and opposite measure? To live in such fear of rejection that you drive friends and lovers away? Welcome to my world. I'm Courtney, and I have borderline personality disorder (BPD), along with over four million other people in the United States. Though I've shown every classic symptom of the disorder since childhood, I wasn't properly diagnosed until nearly a decade later, because the prevailing theory is that most people simply "grow out of it." Not me. In my illustrated memoir, *The Way She Feels: My Life on the Borderline in Pictures and Pieces*, I share what it's been like to live and love with this disorder. Not just the hospitalizations, treatments, and residential therapy, but the moments I found comfort in cereal, the color pink, or mini corndogs;

the days I couldn't style my hair because I thought the blow-dryer was going to hurt me; the peace I found when someone I love held me. This is a book about vulnerability, honesty, acceptance, and how to speak openly—not only with doctors, co-patients, friends, family, or partners, but also with ourselves.

Pieces of Me

Now a Lifetime television movie starring Sarah Drew, *Stolen By Their Father* was adapted from the story of *Pieces of Me: Rescuing My Kidnapped Daughters* about a young mother and her daughters face the unimaginable consequences after leaving abuse. In 1994, Lizbeth Meredith said good-bye to her four- and six year-old daughters for a visit with their non-custodial father only to learn days later that they had been kidnapped and taken to their father's home country of Greece. Twenty-nine and just on the verge of making her dreams of financial independence for her and her daughters come true, Lizbeth now faced a \$100,000 problem on a \$10 an hour budget. For the next two years fueled by memories of her own childhood kidnapping, Lizbeth traded in her small life for a life more public, traveling to the White House and Greece, and becoming a local media sensation in order to garner interest in her efforts. The generous community of Anchorage becomes Lizbeth's makeshift family?one that is replicated by a growing number of Greeks and expats overseas who help Lizbeth navigate the turbulent path leading back to her daughters.

Girl in Pieces

#1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.
