Intro

So, how to know if a married man is using you?

What are the signs a married man is using you?

He will always avoid having serious conversations about your relationship.

He will want you to exclusively be with him

None of his gifts to you will be personal.

His wife and his married life will always be more important to him.

You can't rely on him.

Signs of more and more cheating.

He will not be the same with you in public as behind closed doors.

You can't trust him as Lies are all over.

Even if you catch his lie - he will lie his way through it.

He doesn't know the real you.

be able to anticipate your needs.

He won't actively be a part of your life

Your child with the man will not be of precedence to him.

Being with him is affecting your

TNT erschüttert die Erde

Das Königliche Geheimnis

Die Legion
Der größte Headliner der heutigen Zeit
Der Schlüssel zu Gesundheit, Reichtum, Glück, Zufriedenheit
Eine Million Wassermelonen
Wenn du es glaubst, dann ist es so
Wir alle neigen dazu Dinge zu berechnen und abzuwägen
Die gleiche Botschaft wurde schon tausende Male geschrieben und übermittelt
Die Geschichte hat sie genutzt
Jedes Wort ist wahr
Eine Stimme in mir spricht
Die Verbindung zwischen dem bewussten und dem Unterbewussten
Es kann nicht bestritten werden, dass sobald Sie sich entschlossen haben etwas zu tun, es getan wird
Wenn Sie nun den Wunsch haben, ist das Fundament gelegt
Wenn Sie das Bild fest im Kopf haben, beginnen Sie mit der Wiederholung
Die Idee ist das Bild oder die Bilder ständig vor Augen zu haben
Ergänzen Sie diese Methode mit der Verwendung eines Spiegels
Die Wirksamkeit des Gebets
Das Gesetz der Kompensation
Es ist nicht ratsam jemandem von Ihren Wünschen oder Sehnsüchten, ihren innersten Ambitionen zu erzählen, behalten Sie es für sich!
Im Inneren ist der Quell des Guten und er wird immer sprudeln!
Was ist Persönlichkeit?
Wenn ich versuche eine Idee durchzusetzen, dass ich zunächst an die Idee glauben muss, muss ich sie träumen mit ihr Essen mit ihr schlafen muss. Ich muss sie jeden Moment des Tages bei mir haben, bis sie ein Teil von mir wird.
Vergessen Sie nicht, das Wissen macht.
Jede körperliche Bewegung erzählt eine Geschichte.
Verwandeln Sie jeden Tag auf jede Weise, werde ich besser und besser.
Wenn Sie durch irgendetwas Äußeres gequält werden, ist es nicht diese Sache, die Sie stört, sondern Ihr eigenes Urteil darüber.
Wenn ein Zug vor Ihnen über die Gleise donnert, was tun Sie?
Wir leben in einer großen Krise
Erfolgreiche Menschen sind nicht das Ergebnis dessen, was andere aus ihnen gemacht haben, sondern was sie aus sich selbst gemacht haben
Wenn die Angst den Willen beherrscht, kann nichts getan werden
Das bewusste Denken muss in einen aufnahmefähigen Zustand versetzt werden
Konzentrieren Sie sich auf das, was Sie wollen
Tun Sie was Ihnen gesagt wird
Ich glaube daran

Truly Evil

A body has been found dumped on the sandy shores of Southend. Already under scrutiny following the murder of a corrupt cop, DS Frank Pearson and DC Cat Russell of the Essex Major Investigation Team are tasked with solving the case quickly, and quietly. When the victim's identity is revealed, the list of suspects begins to grow. A young woman knows more than she's letting on, but is she really involved? Or the estranged father, who's been trying to find the victim for months. One thing is clear: no one is telling the whole truth. Then a shocking tragedy leads Pearson to a similar murder case from decades before. Is it a coincidence, or is history repeating itself? As Pearson and Russell search for the answer, they find themselves drawn into a terrifying cover-up going back fifty years.

If you like Peter James, Angela Marsons and James Oswald then you'll love Mark Hardie's gripping novels. **ALMOST DARK**, the gripping third book in the series is out now. **** Praise for Mark Hardie: 'Immensely impressive' The Times 'The investigation into a copper's dramatic death in downbeat Southend scoops a cast of equally downbeat characters into its net, and tensions rise as their stories fold around each other. An accomplished debut' Sunday Times 'Emotional, intelligent, sensual and with such a strong voice, Burned and Broken by Mark Hardie is a crime debut that deserves huge success' Harry Illingworth (Goldsboro Books) 'I absolutely LOVED, LOVED, LOVED this book and I would recommend it to anybody. I can't wait to read more investigations led by DS Frank Pearson and DC Cat Russell' Amanda Oughton (Ginger Book Geek) 'The story is easy to follow without being too simple, and the novel really manages to evoke a sense of atmosphere and reality within its pages. I didn't find myself becoming distracted whilst reading at all, and raced through it in hours. I will certainly be reading any future novels, particularly in this series which I wholeheartedly enjoyed' Laura Naz (Snazzy Books)

Secrets of a Serial Killer

An edge-of-your-seat serial killer thriller that you won't be able to put down!

Suffocating Secrets

Trevor Williams will stop at nothing to make sure his daughter, Isabella, is safe. But Trevor's world is suddenly thrown into turmoil when a seemingly unstoppable killer tortures the community without mercy. With no leads or suspects, a fear-stricken town panics, hiding behind locked doors. Isabella, a loner with more secrets than friends, is desperate to be understood. Amidst the fear and anxiety, Isabella lives her life as best she can, unaware that even her doting father has secrets of his own. Is the bond between father and daughter strong enough to survive the death trap surrounding them, or will their secrets make them the next target?

A Killer Secret

Would you kill to keep a secret? That's the question haunting three people whose lives become inescapably intertwined by the secrets that define them and ultimately threaten to tear them apart. A disgraced professor, a disenchanted psychologist and a deceitful patient are about to learn more than they expected about each other and themselves. Will their relationships survive their secrets? Will they? Everyone has secrets. Some are just darker than others. And some, well, they're worth killing to keep. "A Killer Secret," the debut novel by Jeff Berney, is a character study in good and evil, and the large swath of gray area in between where most of us live. That is, unless our secrets kill us first. Initial Reader Reactions: "Really enjoyed the book (in a twisted thriller kind of way). I was shocked multiple times and couldn't sleep for a few nights after reading the end." - Apple Books reader "Just when I thought I had it figured out...BOOM, I was wrong!" - Amazon reader "This book is definitely not for the faint of heart." - Instagram reviewer "Everything seems to follow the normal pattern of a suspense/thriller novel, until it absolutely doesn't!" - Amazon reader "I was riveted to the story." - Instagram reviewer "So many twists

and turns ... absolutely did not see that ending coming!" - Apple Books reader "Wow. I literally could not put this book down. I was shocked by the ending, and I want to read again just to make sense of it all." - Amazon reader "I was surprised of the ending and happy to see that there is room for a sequel possibly in the future. I highly recommend this book for an amazing thriller read that surprises the reader." - Instagram reviewer "Really great book. Can't recommend it enough. Keep in mind 1)you won't be able to put it down 2) you will need a friend to talk to about it." - Amazon reader "Jeff Berney knows how to craft a suspense story that is as compelling as any Alfred Hitchcock could have shaped. As events in multiple lives move forward in a chess match-style of intrigue, readers will not only find the story replete with surprises, but should be advised that if it's chosen for late night reading, dawn might arrive before the story's completed." - Midwest Book Reviews

BORN EVIL

WHAT WOULD YOU DO IF YOU FOUND OUT YOUR CHILD IS A PSYCHOPATH? One night when Jennifer Hanson returns home, she catches her 12-year-old son Shane stabbing their cat to death. Thankfully, he doesn't see her. Having long known Shane has a brain with psychopathic tendencies, her worst fears may be confirmed. Ever since he accidentally shot his father to death at age six, she has done everything she can to ensure Shane doesn't become a full-blown psychopath. He has behaved normally up until now. Have her efforts been in vain? She can tell he's changing, becoming increasingly dangerous, but she can't stomach putting him in a psych ward. But then she finds pics of a dead girl in his phone, a girl everyone thought had died accidentally... NOTE: BORN EVIL is a stand-alone psychological thriller with no sex and little violence. CRIME THRILLER, TWIST, GONE GIRL FANS, GILLIAN FLYNN FANS, DARK, TRILOGY, SUSPENSE, SERIAL KILLER, MURDER, MYSTERY

Deadly Secrets

To commit the perfect murder, you need the perfect cover. On an icy morning, a mother wakes to find her daughter's blood-soaked body frozen to the road. Who would carry out such a killing on the victim's doorstep? Straight off her last harrowing case, Detective Erika Foster is feeling fragile but determined to lead the investigation. As she sets to work, she finds reports of assaults in the same quiet South London suburb where the woman was killed. One chilling detail links them to the murder victim - they were all attacked by a figure in black wearing a gas mask. Erika is on the hunt for a killer with a terrifying calling card. The case gets more complicated when she uncovers a tangled web of secrets surrounding the death of the beautiful young woman. Yet just as Erika begins to piece the clues together, she is forced to confront painful memories of her past. Erika must dig deep, stay focused and find the killer. Only this time, one of her own is in terrible danger... From the global million-copy bestselling author comes a totally heart-racing, hold-your-breath read that will keep you hooked until the very last page. Read what everyone is saying about Deadly Secrets: 'It was absolutely brilliant!... the story keeps you in suspense right to the end with more red herrings than you can shake a stick at. I honestly didn't guess who it was until the reveal actually happened, and loved the twist - very cleverly done!' Stardust Book Reviews 'I love how the author doesn't give anything away and kept me guessing throughout. I truly had no idea who could be behind the killings and when all is revealed, with some shocking twists, it won't be what you are expecting! ...a thrilling and addictive read that chilled me to the bone.' By the Letter Book Reviews 'Simply Splendid!! This is another fabulous story by Robert Bryndza. He certainly has a talent when it comes to writing entertaining thrillers.' Goodreads Reviewer 'This newest installment has exactly the same high quality of writing, plot development, twists and the healthy dose of suspense and action I have become used to with this series. I found myself hooked right from the very first page as there is just something about the writing that draws you right in.' It's All About Books

Nurtured Evil

A series of gruesome murders provoke CID to form a Major Enquiry Team, led by DCI Fancourt. The killer teases the police by leaving clues inserted in the throat and etched on the foreheads of the victims. During the manhunt, a host of suspects are pursued, including a vagrant, a homosexual playboy, and an ex-teacher. DS Matt Webber's unsavoury gambling habits prompt him to conspire with the father of one of the victims. New recruit, DC Paula Tompkins joins the team and is introduced to the horrors of the investigation. This haunting story uncovers a paedophile ring; but are they somehow involved with the macabre murders? What is the harrowing connection between ex-teachers, David Lawrence and Edward Gorman. What past secret does eccentric suspect, Marcus Cummings conceal from his

homosexual partner? Nurtured Evil takes you on a frightening and mind boggling journey through the streets of London. Not until the final pages will you discover the identity of the killer.

Trapped Between the Extremes of Good and Evil

Good and evil are as old as ethics or morality itself. For without an understanding of religious or philosophical ethics, the moral existence of good and evil would be impossible to comprehend; the term good, for example, would be exclusively a matter of subjective personal likes and dislikes in other words, a mere matter of taste, differing from individual to individual with no real obligation to the public good or safety. As it currently stands in philosophy, for instance, the term good may be understood as engaging in righteous conduct; the term good may also be understood as an object that corresponds and fulfills natural needs inherent in human nature. These natural needs, for example, which are deeply, rooted in human nature, manifest themselves in our human desire for life, liberty, and the pursuit of happiness, among other things. In these two senses, the term good is an objective universal value, based on the reality of man (by man I mean human beings everywhere, of course). From natural needs, we derive the doctrine of human rights. It logically follows that the things we have a natural human need for, we as human beings also have a natural right to. This idea is not only used in the real world that you and I live in; it is also used in the storyteller's world of fiction or imaginary literature. Anything working to defeat or frustrate the good in the real world or in the storyteller's world is judged evil. This is of the utmost importance to those who believe in right and wrong. For right and wrong always follow good and evil. Society can never know what right or wrong is in the domain of social human affairs, without first knowing what is good and what is evil, and what makes it so. In Trapped Between the Extremes of Good and Evil, we enter a fictional world and explore the phenomenon of good and evil through the actions of an international serial killer, angels and demons, one twin brother's hatred of the other, and a San Francisco detective caught in the middle of it all.

After Evil

****AS FEATURED IN THE NETFLIX SERIES THE RIPPER**** Criminologist Jane Carter Woodrow has spent many years working with both offenders and victims of violent crime, but it wasn't until she met Neil, whose mother was one of the Yorkshire Ripper's first victims, that she realised quite how devastating the aftermath of a murder can be. Everything seemed perfect in Neil Jackson's childhood until one day, on a cold January morning in 1976. He was awoken by the police knocking on the door to break the shocking news that his mother had become the second victim of a serial killer - soon to become known as the 'Yorkshire Ripper'. This evil act exposed a web of secrets and lies that was to devastate Neil and change his life forever. In After Evil, criminologist Jane Carter Woodrow reveals what happens when the camera and the lurid headlines fade away. Neil's riveting story captures the real nature of the tragedy that murder can visit on a family and shows how incredibly he pieced his life back together after becoming one of the forgotten victims of Britain's most notorious serial killer.

Shades of Evil

Residents of the sleepy Lancashire village of Kelton Bridge, where forensic psychologist Jill Kennedy has made her home, are looking forward to Christmas. But then the body of a young woman is discovered on the bleak hillside and, for some, life will never be the same again.

Deadly Secrets

On an icy morning, a mother wakes to find her daughter's blood-soaked body frozen to the road. Who would carry out such a killing on the victim's doorstep? Straight off her last harrowing case, Detective Erika Foster is feeling fragile but determined to lead the investigation. Only this time, one of her own is in terrible danger.

The Secret Serial Killer

This true crime investigation into the notorious case of Kieran Kelly reveals “new twists that add further intrigue to the mystery” (Irish Post). On the evening of August 21, 1983, Metropolitan Police detectives raced to London’s Clapham Police Station to find a prisoner dead. His cellmate sat quietly in the corner. Kieran Kelly, a laborer from Ireland, calmly confessed to strangling the prisoner—and then stunned officers by confessing to dozens of unreported and unsolved murders over the previous 30 years. Kelly may have been Britain’s most prolific serial killer, yet he was convicted on just two of his admissions. In 2015, a former police officer who worked on the case made a bombshell accusation: that Kelly’s crimes were covered up by the British Government. Strangulations, murders on the London Underground, an internal Metropolitan Police review—as the story’s elements whipped the international news media into a frenzy, journalist Robert Mulhern set off from London to rural Ireland on a methodical search for the truth. Could Kieran Kelly really have murdered 31 times?

Unsolved Serial Killers

You Only Think YOU Know the Story. Jack the Ripper was the first serial killer to capture the interest of people around the world. The news stirred the public with speculation, tales of horror, and taunts through letters to the police, news editors, and even a citizen who spoke out as though he had some knowledge of the crime. The police were hampered by the destruction of the crime scenes, the lack of forensics, and their own inability to determine why these women were killed. What made the killer escalate with rage as he murdered his prey? Was there a personal reason Mary Kelly was mutilated as she was? The Secret of Whitechapel gives you a look at some of the possible answers to these questions. Meet Rowena Radcliffe, doctor and a rebel of Victorian society, and Garret de Gray, the man she doesn’t want to love. They gather the clues to the horrifying events that occurred on Victorian England’s streets, and find the killer. They want to discover the answers to all the questions and Garret wants Rowena back.

Secret of Whitechappel

The magazine that helps career moms balance their personal and professional lives.

Working Mother

How long can you get away with murder? In an idyllic Sussex town, Mr Quinn whispers a secret on his death bed. Hours later the person who cared for Quinn is killed. Mr Quinn’s secret sets off events unlike anything Detective Grant and Psychologist Ruby Silver have ever seen. A series of deaths follow as a killer tries to cover their twenty-year trail of murder by drowning. Grant, Silver and the team must track a killer who has been getting away with murder for years. But when treachery, corruption and secrets from the past are used against Sergeant Tom Delaney, the killer turns their attention to one of Grant’s own...

Deadly Secrets

If there were two killers in your town, which would you trust more? Davis Briggs moved out of Austin to get away from the horrors of his old life as a homicide detective, and Devine Texas seemed like the

perfect place to make a new life for himself. But the murder of a young boy destroys his hopes of a quiet life as a deputy of the tiny town's police force. With every passing day, another child dies, and Davis finds himself unable to locate any clues as to the killer's identity. His only leads in the case are Wendy Stoffel, a local girl infamous for her nasty temper and shoplifting habits, and Jobe McKenzie, a drifter who just happens to have appeared in town on a "vacation" the same day that the murders begin. Jobe seemingly has a lock clad alibi for every murder, while Wendy seems intent on hunting down the killer herself. And somewhere in Devine, the real killer is quickly seeking out their next victim.

The Lesser of Two Evils

In every decade, deeds are committed in dark places that are unknown to those who tread life's well-lit paths. Even so, as a new era dawns in Toronto of the 1950s, no one suspects that a serial killer is about to unleash a fury on the quiet residential avenues and in the forested river valleys. On Labour Day weekend in 1951, just as thirteen-year-old Tom Hudson is ready to begin high school, a sadistic killer strikes. A female member of the school's staff is brutally murdered in the secluded darkness of the Humber Valley, and the police suspect another teacher has committed the crime. After detectives Gerry Thomson and Jim Peersen are assigned to the case, another innocent victim is murdered. As the investigation heats up, Tom and his friends attempt to go about their normal lives—developing as teenagers do—but it is not long before they become unwittingly caught up with the mystery behind the brutal killings. As the killer's rage intensifies, everyone fears another murder lies in the shadows. Now it is up to two detectives and a group of curious teenagers to find a psychopath hell-bent on seeking revenge—before further violence occurs.

The Reluctant Virgin

Who killed Susan Nicholson? Laurel Bowman has started a new life as a teacher on the isolated Suffolk coast while she tries to get over the murder of her sister. But it seems she cannot escape from death. Laurel is shocked to find that the headmaster's wife has been killed, and all the school staff are suspects. The detective in charge, idiosyncratic DI Frank Diamond, was involved in her sister's case. Together they start to unravel the truth. Soon the murderer strikes again and Laurel must fight, not just for justice, but for her life.

Some Particular Evil

Davis Briggs moved out of Austin to get away from the the horrors of his old life as a homicide detective, and Devine Texas seemed like the perfect place to make a new life for himself. But the murder of a young boy destroys his hopes of a quiet life as a deputy of the tiny town's police force. With every passing day, another child dies, and Davis finds himself unable to locate any clues as to the killer's identity. His only leads in the case are Wendy Stoffel, a local girl infamous for her nasty temper and shoplifting habits, and Jobe McKenzie, a drifter who just happens to have appeared in town on a vacation the same day that the murders begin. Jobe seemingly has a lock clad alibi for every murder, while Wendy seems intent on hunting down the killer herself. And somewhere in Devine, the real killer is quickly seeking out their next victim.

Videohound's Golden Movie Retriever

An abandoned building. A woman, bound and tortured. Killed in the most grotesque way. The victim of a twisted psychopath. The killer has already made his next move as he takes Karen to the darkest places of her mind. When another victim is found in exactly the same circumstances, she digs deeper only to find that evil truly exists. She discovers a calculated serial killer -- stalking his victims before choosing the right moment to strike, leaving them with injuries more barbaric than the last. How far will the killer go to satisfy his thirst for pain? What connects the victims?

See No Evil

Rookie crime beat reporter Evie Jones is haunted by the unsolved murder of her best friend in 1982. The suspected killer was never apprehended. Now 22, Evie is obsessively drawn to finding the murderer.

She leans on childhood friend David Patton for help - but why does every trail seem to lead back to David's father? As she gets closer to the truth, Evie becomes convinced that the killer is still at large - and that he's coming back for her.

The Devil You Know

EVOIf you run, it catches you.If you hide, it finds you.If you breathe, it may kill you.NO ONE can escape it.An explosive debut thriller that will keep you enthralled until the very last page.Livio Marchiori, a legendary homicide detective with the highest rate of solved cases in Verona, is faced with The Hypnotist, a serial killer whose modus operandi borders the supernatural and who is as elusive as a ghost. He never touches his victims and he leaves no evidence behind, except for the pen drive showing a dark figure who has the ability to hypnotize people to death...their own.The more Marchiori digs, the less he finds while the city is on edge with the mayor and the press putting pressure on the police. And when The Hypnotist threatens to kill the love of his life, the chief medical examiner, Marchiori knows that he is quickly running out of time.So when Captain Victor Miller from Interpol walks into town, Marchiori is more than happy to partner again with the man who two years ago helped him put an entire mafia clan behind bars. But Miller has his own agenda and Marchiori soon discovers that there is more to this than meets the eye, an entire thread of things way beyond his pay grade - secret experiments, dastardly research, and the most terrifying threat humanity has to face.And just when Marchiori thinks the situation can't get any worse than this, he finds out that Miller isn't what he claims to be.Feeling at the end of his tether and not knowing who to trust anymore, Marchiori begins a race against time to save both the woman he loves and millions of people from dying.EVO is a gripping serial killer thriller with a shocking twist that will keep you awake until the first light of dawn."He stripped down, threw his clothes in the blue hamper behind the door, and got in the shower. He turned his body away from the faucet and placed his hands on the wall, letting the hot water beat down his back. Doing this usually relaxed him, but now it somehow amplified this weird restlessness, this foreboding feeling he couldn't shake off. Annoyed at himself, he quickly washed his body, turned off the faucet and reached for the brown towel on the hook.A heavy silence filled his apartment. A few drops of water from the shower head splashed onto the ceramic tiles below, the sound deafening to his ears. His heart started beating faster. All of a sudden he wanted to hear human voices, his neighbours yelling at each other, their baby crying, anything but this dead silence and the rhythmic tapping of the water drops.An icy shiver rippled down his spine and his body started shaking. Unseen walls were sliding down around him, trapping him. Suffocating him."

This book is a drama/thriller that is based off of true events. Like many relationships, an innocent woman falls hard for a man she barely knows and ends up losing just about everything. Thankfully, she finally opens her eyes long enough to see what he is doing and is able to save herself from even more trauma and abuse. My hopes in writing this book were to let people know that they are not alone. If they were a victim of emotional abuse or any other kind of abuse to say something. It is not something to be ashamed of, and most importantly, they did not do anything to deserve the torture that they went through.

A Killer Secret

Frances Walford's daughter, Ellison Russell, has developed the truly deplorable habit of finding bodies. And Frances can't help but scold her about it. But when Ellison goes to Europe, Frances finds a corpse of her own. Can she help catch a killer and keep her involvement a secret? This is a short novella told from Frances's point of view. Chronologically it falls between The Deep End and Guaranteed to Bleed.

A delusional serial killer has resurfaced after nearly a decade. Starting from scratch, he repeats the pattern he left behind. This time he intends to remain patient and finish the actions that will lead to his immortality and ultimate freedom. A group of young ironworker apprentices find themselves in the middle of something that's much more than they bargained for. An undercover FBI agent reveals his

identity and brings members of the crew into the investigation. With twists and turns that keep everyone guessing, can the group stop the killer before it's too late? Will the agent bring an end to the investigation that has kept him living a different life for much longer than expected? Dive in and experience the life of a rodbuster, with more than the day to day struggles that make the life loaded with fun and it's fair share of danger. Even more with a killer on the loose. To catch him it will take someone who is Meaner Than Evil.

The Stephen Lawrence Inquiry

The Faces of Evil Series: Book 1. She thought she'd left the murders-and his obsession-behind ... Special Agent Jess Harris has spent more than a decade studying the many faces of evil. In her determination to stop a serial killer, she broke the rules, and it cost her everything. With her career in need of resuscitation and her love life dead and buried, Jess jumps at a chance to advise on a case that has the top detectives of Birmingham, Alabama, stumped. But the case forces her to confront all the reasons she put her hometown-and her first love-in her rearview mirror. Four young women have gone missing, and Police Chief Dan Burnett will do anything to find them before it's too late-even if it means asking for help from the woman who has spent a decade avoiding him. Jess agrees to lend a hand and welcomes the diversion of a new case, a new life to save to make up for the victims she's lost. But then the unthinkable happens: the crazed serial killer from her past follows Jess to Birmingham. The situation is becoming increasingly desperate-and time is swiftly running out ... "Compelling main characters and chilling villains elevate Debra Webb's Faces of Evil series into the realm of high-intensity thrillers that readers won't be able to resist."--New York Times bestselling author CJ Lyons. "Just when you think Debra Webb can't get any better, she does. OBSESSION is her best work yet. This gritty, edge of your seat, white knuckle thriller is peopled with tough, credible characters and a brilliant plot that will keep you guessing until the very end. Move over Jack Reacher - Jess Harris is comin' to town."--Cindy Gerard, New York Times best-selling author, award winning author of the Black Ops, Inc. series. "Debra Webb's name says it all ..."--Karen Rose.

Meaner Than Evil

ATTACHED TO SOME NAMES is a notoriety so terrible that they are instantaneously recognised virtually the world over. Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. Richard Ramirez. These are some of America's most monstrous serial killers. Their crimes are well documented, their faces easily recognised and their names widely known. They are names that still strike fear and revulsion into the general public, many of whom may still remember following the trials in the media with escalating horror as the appalling and gruesome details unfolded in awful detail. But at least these killers were caught. Sometimes, despite law enforcement's best efforts, heinous killers do escape justice. Townspeople notice an unusual pattern of inexplicable disappearances. Police become alerted to a mass grave that should not be where it is. Investigators unearth a succession of bodies, all having similar characteristics, all killed in the same way. But when there is no face to attach to the perpetrator of these acts, when there is no name for the phantom walking amongst them - how much more unnerving the horror! Suddenly everyone becomes a suspect. People begin to mistrust their neighbours' motives and intentions. They fortify their homes and become wary of going out at night. And their suspicions grow and grow ... Mostly, law enforcers are able to use their investigative acumen to apprehend the killer in their midst. They gather evidence, build their case, level a charge, bring a prosecution and, if everything comes together, sentence and convict their suspect. But sometimes the killers are never caught. Sometimes no motive can be found other than the senseless slaughter of others for enjoyment, power or a raging lust. No connections can be found between the victims other than a certain "type". The killers, very clever or careful or lucky individuals, leave no evidence behind. They make sure there are no witnesses; they cover their tracks. All they leave in their wake are the victims and the devastating consequences of their evil acts. These are the ones who have never been caught. They are America's unidentified serial killers.

Obsession

"A freak accident in rural Wyoming leads the Sheriff's Department to arrest a man for a possible double homicide, but further investigations suggest a much more horrifying discovery -- a serial killer who has been kidnapping, torturing and mutilating victims all over the United States for at least twenty-five years. The suspect claims he is a pawn in a huge labyrinth of lies and deception -- can he be believed?" --

America's Unidentified Serial Killers

I am constantly amazed - and somewhat bewildered - by the amount of Hollywood and indie produced films that seem to glorify and sensationalize serial killers. And even placing a romantic spin on low life dirt-bags like Ted Bundy is almost too much to bear. The man almost radiated evil like a supernova. What is even more strange is, while filmmakers continue to spew out films starring handsome, normal looking men {Ted Bundy was one of the only men to fit into this category} they seem to totally ignore some of the most prolific and vicious serial killers in history. Now don't get me wrong; I am not saying that I believe that any serial killer should be made famous for their crimes, gain celebrity status. But it has always left me totally confused as to why so many unheard of killers haven't shown up in popular media. Hell, some of these guys even have web sites dedicated to them, as well as a lot of loyal fans and followers of their crimes. Some of them even have 'groupies' who follow their favorite killer's every move, news articles, etc., in order to keep up with them. Some of these groupies have even married their favorite serial killer. Love is truly blind, I guess. After reading this book, maybe more people will not only have a more clear view into the mind of a serial killer, but may also be as mystified as I am as to why serial killers seem to be so prevalent in popular media.

Bizarre! Shocking! Horrific! Depraved! 18 Shocking True Crime Murder Cases From Around The World, including; Final Deployment: A naval officer falls gravely ill while on maneuvers in the Mediterranean. The reason for his mysterious illness almost defies belief. For I Have Killed: Decades after a beauty queen is murdered, detectives finally piece together the identity of her killer, a man no one would have suspected. Madman at the Mall: It was a typically bustling Saturday afternoon at the Strathfield Mall. Then a man entered... carrying an assault rifle. Copycat Jack: The year was 1888 and London was being terrorized by a knife-wielding madman. Now a mutilated body has been found hundreds of miles away. Has the Ripper shifted his killing ground? A Monster in Our Midst: A shopping cart stands near the garbage chute, dripping blood onto the paving. What's inside those neatly packed bags? Bad Rabbi: Meet Fred Neulander, a rabbi with a rather liberal take on living one's life by the Ten Commandments. I Love You to Death: The victim stood over 6-foot tall; the suspect was a petite 4-foot-11. Was it really possible that she'd hacked and beaten him to death? Motive Unknown: A senseless double homicide leaves NYPD detectives baffled. They know who the killer is. They just don't understand why he did it. ÃÃÃÃÃÃ Plus 10 more riveting true crime cases. Infamous, Not Famous:

These volumes replace the 1933 Supplement to the OED. The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary -- that is, between 1884, when the first fascicle of the letter A was published, and 1928, when the final section of the Dictionary appeared -- together with accessions to the English language in Britain and abroad from 1928 to the present day. Nearly all the material in the 1933 Supplement has been retained here, though in revised form (Preface).

Murder Most Vile Volume 24
