Brody's Ghost

After losing his job, his girlfriend, and his home, Brody learns that things can get even worse when he begins seeing a ghostly teenage girl watching him in the street. What he hopes is a hallucination proves all too real when the ghost tells him she needs his help hunting down a dangerous killer, and that he must undergo training from the spirit of a centuries-old samurai to unlock his hidden ghost talker powers.

Brody's Ghost Volume 1

Brody hoped it was just a hallucination. But no, the teenaged ghostly girl who'd come face to face with him in the middle of a busy city street was all too real. And now she was back, telling him she needed his help in hunting down a dangerous killer, and that he must undergo training from the spirit of a centuries-old samurai to unlock his hidden supernatural powers. Thirteen-time Eisner nominee Mark Crilley joins Dark Horse to launch his most original and action-packed saga to date in Brody's Ghost, the first in a six-volume limited series. * Paramount Pictures and Brad Pitt's Plan B have acquired Miki Falls, a four-volume manga series created by Mark Crilley. * Crilley is best known for his Akiko young-adult novels and comic books. From the creator of the Eisner-nominated Akiko!

Brody's Ghost

When Brody comes face to face with a ghost, she tells him he is a ghost seer and she needs his help catching a killer.

Ghost Volume 1: In the Smoke and Din

Supernatural! One warm night in Chicago's Resurrection Cemetery, paranormal investigators Vaughn and Tommy accidentally summon a beautiful, transparent woman. Their search for her true identity uncovers a dark, hidden history of the city and a deadly alliance between political corruption and demonic science! In the middle of it all stands a woman trapped between two worlds! Collects Ghost #0-#4. * Kelly Sue DeConnick (Captain Marvel). * Phil Noto (Angel & Faith, X-23). "Kelly Sue DeConnick provides further evidence of why she's so highly rated amongst other comic book professionals with [Ghost], a story that I struggle to classify, despite enjoying what I've read so far." —Comic Bastards

Brody's Ghost Volume 6

Everything has changed for Brody since teenaged ghost Talia entered his life. Now trained in the supernatural arts, strong in mind and body, and with Talia's murder solved, Brody has mere hours to stop her killer from making his ex-girlfriend Nicole the next victim. Everything Brody has worked for has been building up to this day. But first, he'll have to pull his greatest feat yet--convincing a furious Talia to help him escape from jail! Even if he manages that, the race is on save Nicole before her criminal boyfriend or the police find him!

Brody's Ghost Volume 2

Brody knew that being mixed up with Talia, a dead girl turned ghost, was going to change his life forever. He just didn't realize it was going to involve going head to head with one of the most vicious gangs

in the whole city. But here he is, giving himself over to the bizarre training methods of Kagemura, an ancient samurai ghost, to transform himself from a flabby slacker to a peak-condition fighter capable of bringing the city's most dangerous criminals to their knees. Don't miss the second installment of Brody's Ghost, Dark Horse's exciting saga from thirteen-time Eisner nominee Mark Crilley.

Brody's Ghost Volume 5

Brody gets a pivotal lead in his search for the Penny Murderer and his quest to save his ex-girlfriend's life! But to follow it, Brody has to break ties with his ghostly guide Talia, just when he needs her most! * From multiple Eisner nominee Mark Crilley (Akiko, Miki Falls)! * Brody's quest races toward its climax! * Bargain-priced 96-page digest!

Brody's Ghost Volume 3

Brody's fight training, under the tutelage of samurai ghost Kagemura, has toughened his body and honed his senses so finely that Brody can not only communicate with ghosts, but envision how and when someone dies. However, his new skills aren't quite powerful enough to uncover the whereabouts of the mysterious Penny Murderer. With the help of the ghost Talia, herself hoping to bring the killer to justice, Brody must resort to desperate measures to find the killer before he strikes again—and Brody's received a psychic vision of his ex-girlfriend Nicole in the worst trouble imaginable... • By thirteen-time Eisner Award nominee Mark Crilley!

Mark Crilley's Ultimate Book of Drawing Hands

Discover the simple secrets to drawing amazing hands, from popular YouTube instructor Mark Crilley. Whether you're drawing superheroes, manga and anime characters, robots, highly detailed photorealistic figures or anything in between, hands can be the most challenging aspect of creating compelling characters that gesture, communicate, and truly come to life. In simple step-by-step lessons along with plenty of full-color examples, popular instructor and author Mark Crilley takes you from the basics to the finer points. All you need is paper, pencil, and eraser.

Stranded in Komura - Moonshopping

Contains four different stories about Akiko and her crew, including a robot insurrection on a doomed starship and a perilous journey aboard a fortress-bearing dinosaur.

Akiko: Pieces of Gax

Akiko's always prepared for something out of this world, but when she goes on a pleasure trip to Gollarondo with Poog, Mr. Beeba, Spuckler Boach, and Gax she can barely believe her eyes--Gollarondo is a city that was built completely upside down! Forget sight-seeing. All Akiko wants to do is keep both feet on the ground. Which is not so easy. Almost as soon as the gang arrives Spuckler's robot Gax accidentally flies off one of Gollarondo's balconies and into the Moonguzzit Sea below. Good news: He survived the fall. Bad news: Anything and everything that falls from Gollarondo is automatically the property of Nugg von Hoffelhiff--the ruler of the seas beneath the city. By the time Akiko and her crew are able to gain an audience with Nugg, he has sold Gax to others. What's worse, he actually broke Gax down into spare parts to maximize his profits! It's up to Akiko and the gang to retrieve the pieces of Gax before they are spread far and wide across the Moonguzzit Sea. But the people who bought the parts run the gamut from off the wall to downright villainous, so saving Gax's neck (and body and wheels) may turn out to be Akiko's most dangerous mission yet.

The Two-Pencil Method

From the best-selling artist and YouTube art instructor, this book features step-by-step lessons that show you how to draw professional-quality portraits, landscapes, travel sketches, and animals using only two ordinary pencils. Great art doesn't have to be expensive. For the cost of a regular graphite writing pencil and an equally ordinary black colored pencil, you can create drawings worthy of framing and displaying. In this straightforward, aspiring artist's guide to rendering a variety of popular subjects with only two pencils, artist and art instructor Mark Crilley presents a direct, approachable, and achievable method for drawing just about anything. The Two-Pencil Method breaks down Crilley's techniques across six chapters of five lessons each. In each lesson, you'll learn how the two-pencil method can add depth and shading, allowing you to create bold and distinctive drawings that go beyond mere sketchbook doodles. The book moves from a primer on drawing basics to step-by-step examples of still lifes, landscapes, animals, travel sketches, and portraits. With each chapter, Crilley's confident and encouraging voice and expert insights demonstrate how to achieve stunning artistic results from the simplest of art materials.

City of Iron and Dust

Fast-paced and razor-sharp dark fantasy for readers of Nicholas Eames, Anna Smith Spark and Robert Jackson Bennett "A fantastic book, full of wit and sharp humor, City of Iron and Dust careens through a modernized faerie at a breakneck pace, full of verve and unforgettable characters. Oakes spins a smart, electric, and sometimes snarky tale, showing that the beating heart of modern fantasy is alive and well." – John Hornor Jacobs, author of A Lush and Seething Hell and The Incorruptibles The Iron City is a prison, a maze, an industrial blight. It is the result of a war that saw the goblins grind the fae beneath their collective boot heels. And tonight, it is also a city that churns with life. Tonight, a young fae is trying to make his fortune one drug deal at a time; a goblin princess is searching for a path between her own dreams and others' expectations; her bodyguard is deciding who to kill first; an artist is hunting for his own voice; an old soldier is starting a new revolution; a young rebel is finding fresh ways to fight; and an old goblin is dreaming of reclaiming her power over them all. Tonight, all their stories are twisting together, wrapped up around a single bag of Dust—the only drug that can still fuel fae magic—and its fate and theirs will change the Iron City forever.

Brody's Ghost

Bossy customers, out-of-touch managers, missing children, gawking Mormons, weapons of cardiac destruction, overworked and underpaid employees - it's all in a day's work at Bigmart. There's no shortage of wild, funny, and moving tales to tell, and writer Steven Surman captures them all in the pages of "Bigmart Confidential: Dispatches from America's Retail Empire." In the book, Surman details his time working as a deli clerk in one of the world's largest big-box retailers. And his experiences and encounters there taught him a valuable lesson: American retail is far stranger and funnier than fiction. Because only at a superstore like Bigmart is it possible to be lectured by an irritated customer speaking frantically through a mechanical larynx. Surman's clean and conversational prose delivers a true account full of hilarious customer-service stories and sharp insights into the toils of the working class and the ever-growing service industry that employs it. Fans of Barbara Ehrenreich's "Nickel and Dimed," David Sedaris' "The Santaland Diaries," and NBC's "Superstore" cannot miss this book!

Bigmart Confidential

While Brody initially goes along only begrudgingly, the mission becomes terrifyingly personal when he learns that his ex-girlfriend is destined to be the killer's next victim. As he evades the police and his ex's criminal boyfriend, Brody enters a race against time to learn the killer's identity before the night of her foretold doom!
