Telecable providers do NOT want you to know this Trick - Telecable providers do NOT want you to know this Trick by simple & fast 5,618,031 views 8 months ago 4 minutes, 7 seconds - Telecable providers do NOT want you to know this Trick.

put a charger in your tv like this and you have a super digital antenna to start the first thing we will do is and then we cut this part with the help

now we will cut the black cover that
but be very careful not to cut the wires inside
when we have removed it we are
They usually come in two colors but
then we take a coaxial cable or a television
until the silver cover that the cable has
Once this is done, we are going to peel this white part to leave the center cable exposed
Take advantage now and tell me from which
to send you a special greeting in the next video
when finished, that's how it should stay
then we take the charger and wind one of its wires on the copper that we discovered earlier
when we're finished it's just time to connect
As you can see, the television shows perfectly each of the channels that are being tested
