Listen, I'm Still Here

Can you ever get over the loss of a 'soulmate'/loved one? By: Dorothy Farley Co-Author, (3) 5-Star Rated Books Listen, I'm Still Here – Part I I'm Always Here – Part II Everlasting "Love" – That Is – Part III The Continuation of Love from the Other Side Spirituality – Life After Death MY TRUTH: NO! NOT REALLY, AND CERTAINLY 'NOT COMPLETELY'! HOWEVER, with the passing of time (for me, now seven years since the transition of my beloved husband and soulmate, Jack Farley) one's understanding deepens, and the gradual 'acceptance' that we are all spirit beings with eternal life awakens within us, and "everything is as it should be," as Jack expresses from heaven. There is no ending at death – for life, living and learning continue on and on, in another dimension. Real growth and the reason for our being here on this Earth begins to shine forth for us and reveals life's profound meaning, and why we are here. We see more clearly the only two emotions, 'FEAR' or 'LOVE'. We begin opening our heart to more LOVE – LOVE for everything around us, LOVE for everyone we meet, for everything we see and do – and for ourselves. Let's not forget ourselves. We remember: "LOVE is all there is," affirmed by Jack. Staying in the LOVE VIBRATION is what I have learned to do, and this is where I can reach and connect with the responsive vibration of my beloved husband. Anyone can make this conversational connection – it is a matter of choice – our choice for our loved ones are always here around us in many forms; it is up to us to open our heart to the deepest, most pure LOVE, and in so doing elevate our vibration to reaching and hearing them. This is possible, if we make the choice and BELIEVE we can. Remember, loved ones are always 'living' in spirit form – for it is the perfection of our soul that we are seeking. Even when these TRUTHS are known, it is all easier said than done, but becomes more permanently possible as time goes by, and the light of a new future shines forth.

Other Side of the Rainbow

I became a medical experiment when I was seven years old. This book is the story of my life - the events, the thoughts, the feelings. It is a story of searching for cures outside of the FDA and conventional medicine. This book will show you the path my life has taken, the treatments and illnesses I have survived, the fears I have encountered, and how I have learned to live in spite of difficult circumstances. If you have a serious illness, or perhaps live with or know someone who does, my desire is this book will show you a different way to live - a different perception of both medicine and yourself as a human being that has enabled me to not only survive, but also live a life of joy and grace.

A Little Life

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

Staying Me!

The old saying goes, The Truth Will Set You Free! I believe that is true. The time for hiding the truth is over. It is time to clear the air and set ourselves free from all of the hiding and lying. Those of us who were victims, whether it be by choice or by circumstance. Its time to let the bad memories be buried and the good ones come to the service. I feel very free after writing this book and I hope it will help someone else feel that freedom too. I hope that I have inspired forgiveness in those that have had a hard time forgiving. Most of all remember to honor our Father in heaven with the truth! I made a lot of choices I would not make now as Im sure is true of most. I know that not everyone is comfortable with the truth. The Truth will set you free!

The Artist's Way

With this book you can discover how to unlock your latent creativity and make your dreams a reality. It provides a 12-week course that guides you through the process of recovering your creative self.

Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of Black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens through which to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times.

I Was Broken in All the Right Places

Who do we become when our untreated traumas speak on our behalf? How do we address the broken places in our lives if we never recognize their existence? Most people that knew me or knew of me hardly knew anything about me. Born and raised in Seattle, Washington, I grew up with my eyes wide open to the world, but my heart closed off to its humanity, not because I was taught this but primarily because of the effects of untreated trauma. I grew up knowing God but not experiencing Christ, there is a big difference. Throughout my life, I was known by many things--an athlete, a businessman, a gym rat, a player, an alcoholic, a womanizer, a violent offender. But no one saw that I was broken. They saw

my circumstances but not my condition. This book exposes and edifies what hides behind the veil of our broken pieces and what happens when those pieces go undetected. *I Was Broken in All the Right Places* encourages us to find purpose among the pieces.

There's a Whole in the Sky

Grandma Anna knew Luna would have a special gift. She hoped these gifts would not burden Luna the way they had burdened her life. She prayed that a new generation of acceptance from society would come to embrace Luna, so that she would not need to hide. Anna was committed to help and protect her granddaughter. Anna looked into Luna's deep, dark, almond-shaped eyes. They were wide awake and aware. They were mysterious and mystical. It was as if Luna had come with some great knowledge and wisdom. But there was something almost worrisome about her; the infant had a serious pouty face and a squinty brow. What is Luna bringing to this family? What is she bringing to this world? Only time will tell.

Grandmother's Gift

Eddie is the recipient of a gift handed down through the ages in his family. Though this gift is usually handed from grandmother to granddaughter. It once again has fallen into the hands of a grandson. The gift is as precious as the family it is handed down through. It is an essential part of grandmother's life. She needs to school Eddie in not only the power of the gift, but also the need to help others when called upon. It is all a part of the gift Eddie must learn and control. Edith, the grandmother, needs to not only educate her grandson on the powers of the gift but also needs to continue assisting her friends with her own form of it. Friends she has been with for years. They are dependent on her and her ability to use the gift in assisting them. She will not let them down. Her enlisting Eddie to assist her in satisfying the needs of her friends is the tale that unfolds. It is the two of these wonderful people assisting those needing their help that leads to understanding the importance of such a gift and the need to use it in its most precious form. There have always been those with these abilities among us. Through these two it is hoped you gain some understanding and the need we have for them to continue their work.

Dr. Josh O'Kelly is a handsome, former OHL player, who lives on the edge and never gives a damn about the consequences of his actions. Josh was sentenced to five months in jail for drinking and driving with a suspended license. The authorities tried to charge him with crimes against humanity during the civil war in Liberia and failed. With help from Lock Washington, Tia Carter will make a powerful movie loosely based on Josh's experiences during the Liberian civil war, portraying good men witnessing violence becoming the kinds of persons capable of horrible acts of violence. How is Josh going to charm his way out of this mess?

Hope Lives

Well Before I could move he was kissing me. I gasped from the suddenness and the shock. I could not believe that he was being so bold. I always thought he was too afraid of my father to do something like that. The feel of his lips wasn't that comfortable but they were really warm. When he did pull away, I did not know what to say. The silence seemed to go on forever. I am sorry Ellen I wanted to do that yesterday but Jack, I know that you are trying to make this work, I really do. It's just that I am not ready for a relationship right now. I am not trying to be rude but I would like it a lot better if we could just be friends. Again he was silent. He would not even look at me. His face turned from a nice blush to a dark crimson. He was very tense. His hands were balled up and the vein in his neck was bulging. His eyes even looked like they were almost closed. And then it happened; he blew up like a balloon. I CAN'T BELIEVE YOU! YOU WANT ME TO BELIEVE THAT ALL OF THIS TIME YOU HAVEN'T HAD ANY FEELING FOR ME! YOU'RE PLAYING THIS SWEET AND INNOCENT LITTLE GAME AND I'M SUPPOSE TO SIT BACK AND WAIT FOR YOU TO COME TO YOUR SENSES? WELL I HAVE NEWS FOR YOU! I'M DONE WITH YOU! He left me shaking in fear.

Love Hates

Daily Journal is the mirror image of your soul, letting the light shine and reaching out to others through the grace of God. This book offers a daily roadmap for your spiritual journey in walking with the Lord. Keep that smile on your face; it could be the answer to someone's prayer. Most everyone can smile, although many do not. An effortless spiritual gesture that can help change the direction of the soul. Let others know that you are proud of them. Do more for others than you do for yourself. Have you found joy in your life? Has your life brought joy to others? God's gift to us is life; what we do with this life is our gift to God. God does not make mistakes, and God does not make junk. You are a divine child of God, one of God's precious children. Be nice to yourself because you're worth it, and God loves you. Love is the key to understanding through prayer. Praying to the Lord by giving 15 minutes a day to this journal shows God your love for him. And in return, God will answer your prayer spiritually or monetarily, showing his love for you. Faith will keep you on that less traveled road. God will occasionally stick us back into the fire to burn the impurities from this precious piece of gold, "our soul." This is why so-called bad things happen to good people. It is just the Lord changing our direction. Once we understand why we are here and our calling for God to help others, we will only know where we are going. The Lord's prayer mentioned, "on earth as it is in heaven." Bible (Basic Instruction Before Leaving Earth). Helping someone will make you feel good about yourself, and this book offers the tools needed.

Divalicious

Race and racism have played a divisive and defining role throughout much of America's history. Slavery, Jim Crow laws, segregation, and Ku Klux Klan terrorism have inflicted deep psychic wounds, social disparities, and economic disadvantages that have diminished the promise of equal rights and opportunities for all. While much progress in race relations has been made in recent years-including the election of Barack Obama as President of the United States-it's clear that our journey to a post-racial era is far from complete. In virtually every measurable category, whether income levels, job opportunities,

access to health care, life expectancy, high school diplomas, incarceration rates, do not fare well compared to their white counterparts. The dialogue entitled Race and Reconciliation in America was convened to provide a forum for a long overdue, open, honest, and constructive discussion among people of good will about the need for the American people to truly grasp the depth of past misdeeds, why the legacies of past oppression persist, and how we can achieve a more fair and just society embodied in the American Dream.

Race & Reconciliation in America

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

The Crusade

"God give me faith," is the prayer you don't want to pray. It's a prayer that usually means you'll endure uncomfortable and terrifying situations that push every boundary you have. It's a prayer I prayed as, over six months, one of my parents lost their ability to remember and the other, their ability to breathe. God Give Me Faith is about that prayer and what resulted from it. Just like that, I became part of the sandwich generation, caring for my parents while raising my family. Thrust into a world I'd never experienced, I had to learn to navigate it, fast. I fell down. I made mistakes. But I had to keep moving forward. Besides requiring an abrupt level of maturity, becoming part of this generation requires faith. Faith in God to give you what you need and who you need to get through it. Faith in yourself, that you can do hard things, that you are braver than you ever imagined. Faith in your choices and decisions, that you've made the best decisions you can in the moment. No one talks about how hard it is, the reality of

it, and the aftermath. They don't talk about the exhaustion and chaos, nor do they talk about the fear, self-doubt, and isolation. As I walked this path, despite all the people around me, I felt alone. *God Give Me Faith* is my story about becoming a parent while caring for parents, building a community around you and seeing the supporters who walk with you. While I can't answer why these things happen, I hope that my story shares how you can get through them, and serves to remind you that you are not alone.

A must read!!!!" ~ Karen Monasterio, Goodreads Reviewer "Another great book by Elle Casey! I'm truly never disappointed with Elle Casey's books! This entire series has kept me guessing and not being able to put it down because I want to know what's next!" ~ Lisa M, Amazon Reviewer "Loved this story! The three-book series was amazing! There was humor as well as tender moments in each book. Elle Casey is very talented and a great storyteller!" ~ Becky T., Amazon Reviewer About this series: I'd never been to New York City before, but I knew I would love it and wanted to write a story that was set in the most exciting city in the world. So I hopped on a plane with my friend Susan and spent 5 whirlwind days there, soaking up the culture, seeing the sights, and nailing down the scenes that would eventually end up in this series. Those of you familiar with New York City know what I'm talking about when I say you just can't beat Russ and Daughters' bagels, Central Park, Times Square, Brooklyn, and Yonah Schimmels' knishes.
