Past Secrets

They all hide secrets that won't go away.... From the outside, the welcoming, garden-adorned houses of Summer Street are the picture of Irish charm. But on the inside, unexpected and heartbreaking secrets swirl. At house number thirty-two, hardworking, single-mother Faye Reid conceals the truth about her marriage from her fiery daughter, Amber. But Amber, a budding artist, also hides something from her all-too-trusting mother: a relationship with a rock star hopeful for whom she plans to throw away her future. And at number forty-eight, Maggie Maguire arrives at her childhood home to help her sick mother, a welcome distraction from the life she left behind and the startling secret she's hiding -- from herself. And only become harder to keep... At thirty-four Summer Street, wise and kind Christie Devlin has the remarkable ability to see into the lives and hearts of others -- and may have the answers when her neighbors' carefully hidden secrets bubble to the surface. But when Christie's own past comes back to haunt her -- posing a threat to her picture-perfect marriage -- this time the answers aren't as clear.

The Memory of Lost Senses

1911. A country house. A long, hot summer. A story of love... From the author of *The Snow Globe*, comes an absorbing, evocative and rich period drama of buried secrets and lost love in an Edwardian summer. *The Memory of Lost Senses* is perfect for fans of Kate Morton and Rachel Hore. 'Witty, clever and compelling, with a beautiful love story at its heart' - Jane Harris When a mysterious countess arrives late in life to live at a large, deserted house on the edge of a sleepy Hampshire village, the local tongues start wagging. No one is more intrigued than Cecily Chadwick, idling away the long, hot summer of 1911 with nothing much to do. Cecily is fascinated by the exotic elderly lady and, as she gets to know her, is riveted by her tales of expatriate life on the continent, and of whom she once knew. But the countess is troubled: by her memories, her name, and by anonymous threats to reveal a ruinous secret... It is, she has decided, up to her close friend, a successful novelist who has come to stay for the summer, to put the record straight. For aspiring writer Cecily, the novelist's presence only adds to the intrigue and pull of the house. But it is the countess's grandson, Jack, his unanswered questions about his grandmother's past and his desire to know the truth, that draw Cecily further into the tangled web of the countess's life, and the place known as Temple Hill. What readers are saying about *The Memory of Lost Senses*: 'Oh, how I loved these characters when the story was lifted from the pages to me, crafted in Judith's clear narrative voice' 'A story of love, passion and memories - often unreliable - beautifully told with an effortless languorous feel as the history and drama unfolds' 'A well-structured novel that has been so beautifully written it is well worthy of five stars'

My dry throat devoured the contents of the glass, savouring the trail of fire it left in its wake. The man smiled again. He ordered another. I felt relaxed. 'Patience is a choice,' the man said calmly. 'Truth is not always easy to digest and sometimes is not what we have come to expect.' His eyes studied me. 'I understand that.' I was alarmed at the way things were going.'I am afraid you don't.' He looked down into his drink.

Keeping Secrets

Keeping Secrets is the absorbing story of two very different sisters: of their complex relationships with each other, with the men they love, and with their children. Hilda is clever, purposeful, self contained, a woman whose ordered life is focused on her teaching career, who lives alone and who, until she meets Stephen, a married man, has successfully kept emotion at a distance. In contrast, her younger sister Alice is someone whose feelings have always threatened to overwhelm her. She has always felt in Hilda's shadow, and her uncertainty and insecurity have receded only with the love of her husband, Tony, and the birth of her children. When she discovers that Hilda has decided to have Stephen's child

she feels her territory is being invaded, and all her anxieties resurface. But as the birth of her baby draws near, Hilda's own problems emerge. She comes to realise that there are limits to her self-sufficiency, and that her relationship with Stephen is not as perfect as she had thought. Meanwhile, Stephen's wife Miriam, physically and emotionally isolated at their house in Norfolk, has kept her own secrets, and made her own discoveries. As the hot summer wears on, the lives of all three women come to a turning point, with a climax which none of them has envisaged. From the author of *Spring Will Be Ours*, this poignant novel explores the dilemma of the single woman who longs to have a child, and finds no easy solutions.

House of Leaves

THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature

darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.
