

Der Stille Don Band 4

[#And Quiet Flows the Don Volume 4](#) [#Mikhail Sholokhov novel](#) [#Russian Civil War fiction](#) [#Don Cossacks literature](#) [#Nobel Prize winner book](#)

Explore the dramatic continuation of Mikhail Sholokhov's epic 'And Quiet Flows the Don Volume 4,' delving deeper into the tumultuous lives of the Don Cossacks amidst the brutal realities of the Russian Civil War. This compelling volume, part of Sholokhov's Nobel Prize-winning masterpiece, chronicles the relentless personal and political struggles of Grigory Melekhov, offering a profound and unflinching portrayal of loyalty, survival, and the devastating impact of revolution on a people and their land.

Der stille Don

Die Autorin untersucht aus persönlicher Perspektive – gestützt auch durch chronologische Geräuschaufzeichnungen und die Kartierung von Geräuschquellen – in ihrer ethnografischen Arbeit Geräuschkulissen, (innen-)architektonische Aspekte wie Raumgestaltung und Einrichtung, Lärmregulierung durch die Einrichtung bzw. Selbstregulierung. Am Beispiel von zehn Bibliotheken in Großbritannien und Deutschland zeigt sie auf, mit welchen Mitteln Bibliotheken eine akustische Zonierung zu erreichen versuchen und welche unterschiedlichen Lösungen zur Schaffung von verschiedenen Ruhezeiten gewählt werden, um den Ansprüchen der Nutzer gerecht zu werden.

Heinrich Bauer: Vollständige Grammatik der neuhochdeutschen Sprache. Band 4

„Als ich, bald nach Brahms' Tode, mich entschloß, ein solches weitausschauendes Werk in Angriff zu nehmen, war ich mir der außerordentlichen Schwierigkeiten meines Vorhabens wohl bewußt. Bei dem eigentümlichen Charakter des in jeder Beziehung großartigen Menschen und Künstlers, der von Jugend auf eine starke Abneigung vor der Öffentlichkeit hatte und gewöhnt war, seine Musik für sich sprechen zu lassen, stand zu erwarten, daß die Quellen zur Geschichte seines Lebens nur spärlich fließen würden, wenn sie nicht gar von ihm selbst verschüttet worden waren. In seinen letzten Jahren steigerte sich die Scheu vor der geschäftigen Neugier zudringlicher Kundschafter und Beobachter bis zum heftigen Widerwillen, und er traf Anstalten, von Dokumenten alles zu beseitigen oder zu vernichten, was ihn persönlich anging. Die Aussichten für den Biographen waren also nicht gerade ermutigend.“ Johannes Brahms' enger Vertrauter Max Kalbeck veröffentlicht kurz nach dessen Tod eine umfangreiche Biographie über den Künstler, deren musikhistorischer Wert bis heute unschätzbar ist. Der Leser erhält intime Einblicke in das Leben und Schaffen des Hamburger Komponisten, wie sie nur ein Freund gewähren kann. Ganz wie das Original erscheint die Biographie im SEVERUS Verlag neu in vier Bänden, wobei jeder Band zwei Halbbände enthält. Die Biographie ist sowohl als hochwertiges Hardcover mit Schutzumschlag und Lesebändchen, wie auch als praktisches Paperback erhältlich.

Der Stille auf der Spur

Die Sorge um die alt werdenden Eltern ist eine der großen Herausforderungen unserer Zeit. Familienstrukturen haben sich aufgelöst, das Leben in der globalisierten Welt fordert maximale Flexibilität und Mobilität. Die wenigsten von uns sind darauf vorbereitet, plötzlich für gebrechliche Menschen da sein zu müssen. Pflege reißt Lücken in unsere Lebensläufe und konfrontiert uns mit uns selbst. Dies umso mehr, wenn die Eltern den Zweiten Weltkrieg erlebt haben und in ihrer Seele unaufgearbeitete Traumata verbergen, die oft über Generationen nachwirken. Sebastian Schoepp macht sich auf eine Zeitreise ins Leben seiner Eltern, vom Russlandfeldzug bis ins Pflegeheim, und damit in die Vergangenheit Deutschlands. Je tiefer er dabei vordringt, desto stärker wird die Erkenntnis: Die Vergangenheit ist nicht tot, sie lebt in uns weiter.

Verzeichnis der Nobelpreisträger 1901-1987

Das fünfbändige Reallexikon der deutschen Literaturgeschichte ist ein "Klassiker" der Philologie. In zweiter Auflage zwischen 1958 und 1988 erschienen, verzeichnet es systematisch alle wichtigen Fachtermini der modernen Literaturwissenschaft in ausführlichen, von ausgewiesenen Fachgelehrten verfaßten Artikeln. Das Spektrum der Begriffe reicht von Epochen- und Stilbezeichnungen bis hin zu Gattungsnamen und poetologischen Kategorien. Der Begriff "Ballade" wird z. B. ebenso erklärt wie "Moderne".

Der stille Don

Übersetzen funktioniert nicht im luftleeren Raum. Es als Handlung in einem strukturierten Kontext sichtbar zu machen, ist das Ziel dieses Buches. Zu diesem weit gefassten Umfeld gehören Personen und vor allem kollektive Akteure – Verleger:innen, Rezensent:innen und Mäzen:innen, Verlage, Zeitschriften, soziale und politische Organisationen. Einzeln und gemeinsam bilden sie dynamische, interaktive und interdependente Netzwerke. Diese sind für das Übersetzen im Exil wesentlich, da sie die Produktion und Rezeption von Übersetzungen positiv wie negativ beeinflussen. Fehlen sie, verändern sich nicht allein die Arbeitsbedingungen, sondern ganze Biografien. Neu entstehende Netzwerke hingegen schaffen die Voraussetzungen zum Übersetzen. Wie gestalten sich nun die Arbeits- und Lebensbedingungen, Handlungs- und Publikationsgefüge, in denen Übersetzungen entstehen? Welche Rollen spielen sie für die Lebenswege und ästhetischen Werdegänge einzelner Übersetzer:innen im Exil? Antworten gibt es in diesem Buch.

Johannes Brahms. Eine Biographie in vier Bänden. Band 4

Die Exilforschung hat bisher zahlreiche von den Nationalsozialisten verfolgte Personengruppen in den Blick genommen: Schriftsteller, Künstler, Wissenschaftler, Politiker und viele andere. Eine Gruppe blieb jedoch bislang weitgehend unsichtbar: die Übersetzer. Wie sind sie an ihre Exilorte gelangt? Was haben sie dort wie und warum übersetzt? Die Autorinnen und Autoren dieses Buches gehen diesen Fragen in materialreichen Studien nach und zeigen den komplexen Zusammenhang zwischen dem Übersetzen und der Erfahrung des Exils auf. Damit erschließen sie für die historische Exilforschung, in der das meiste schon gesagt zu sein schien, einen spannenden neuen Bereich.

Seht zu, wie ihr zurechtkommt

In dem Buch werden einleitend - oft verkannte - Eigenschaften Scholochows als Künstlerpersönlichkeit charakterisiert. Ein speziell seiner Beziehung zu Stalin gewidmetes Kapitel dient der Erhellung seiner Position in den gesellschaftlichen Vorgängen einer ganzen Epoche. Gewürdigt wird sein unerschrockenes Eintreten für Verfolgte und Notleidende während der Zwangskollektivierung und der Terror-Jahre. Detaillierte Analysen gelten der Ästhetik und Poetologie seiner Romane - vom Stillen Don über beide Teile von Neuland unterm Pflug bis zum Fragment Sie kämpften für die Heimat. In allen Fällen werden Elemente herausgearbeitet - so beim Don-Epos die Beziehung zur Moderne, beim Kolchosroman seine «Dramaturgie» und verborgene kontrapunktische Zeichen -, die bisherige literaturgeschichtliche Einstufungen korrigieren bzw. neue Akzente setzen.

Reallexikon der deutschen Literaturgeschichte

Die politische Kultur der westlichen Welt in einer breit angelegten Gesamtschau. Von den Griechen und ihrer Entdeckung von Politik und Demokratie, über die Römer und die christliche Welt bis zur Gegenwart, die vom Kampf um Menschenrechte und dem Totalitarismus zugleich gezeichnet ist, wird das ganze Spektrum des Politischen Denkens vorgestellt. Band 4/1: Beginnend mit den Dystopien von Aldous Huxley und George Orwell wird das Denken von Max Weber und Carl Schmitt sowie die neoklassische politische Philosophie von Hannah Arendt und Leo Strauss erläutert. Umfangreiche Kapitel beleuchten außerdem das politische Denken in Russland und China, die Konservative Revolution sowie den italienischen Faschismus und den Nationalsozialismus. Mit Kurzbiografien und ausführlichen Bibliografien der Primär- und Sekundärliteratur.

George Grosz, John Heartfield, and the Malik-Verlag

The Katherine Group and the Wooing Group are among the most important prose works in early medieval English, both for their long-acknowledged linguistic and literary richness and their significance as texts for women. These concordances, freshly edited from the principal manuscripts, provide a readily accessible tool for investigating the lexical, thematic, and other properties of the alliterative virgin martyr legends and other texts of the Katherine Group together with the related spiritual meditations of the Wooing Group (in which female voices woo Christ). Whether for research or teaching, work on each of these famous Groups in itself and on the relations between them will be facilitated by the inclusion of the two concordances in the one volume. LORNA STEVENSON gained her Ph.D. from Liverpool University; JOCELYN WOGAN-BROWNE teaches in the English Department at Fordham University.

TOKYOPOP Yomimono 13

Winner, 2004 Dale W. Brown Book Award for Outstanding Scholarship in Anabaptist and Pietist Studies Winner, 2005 Outstanding Publication, Communal Studies Association Co-published with the Pennsylvania German Society/Vandenhoeck & Ruprecht The Ephrata Cloister was a community of radical Pietists founded by Georg Conrad Beissel (1691&–1768), a charismatic mystic who had been a journeyman baker in Europe. In 1720 he and a few companions sought a new life in William Penn's land of religious freedom, eventually settling on the banks of the Cocalico Creek in what is now Lancaster County. They called their community &“Ephrata,&” after the Hebrew name for the area around Bethlehem. Voices of the Turtledoves is a fascinating look at the sacred world that flourished at Ephrata. In Voices of the Turtledoves, Jeff Bach is the first to draw extensively on Ephrata's manuscript resources and on recent archaeological investigations to present an overarching look at the community. He concludes that the key to understanding all the various aspects of life at Ephrata&—its architecture, manuscript art, and social organization&—is the religious thought of Beissel and his co-leaders.
