A Whisper to the Living

An emotional and heart-warming saga set in the Lancashire cotton mills from The Sunday Times bestseller Ruth Hamilton, perfect for fans of Catherine Cookson. "Very much the successor to Catherine Cookson. Her books are plot driven, they just rip along; laughs, weeps, love, they've got the lot, and they're quality writing as well" - Sarah Broadhurst on Radio Four. "I love this woman's ability to draw me into a story where I can relate to the time and events in most of her tales." -- ***** Reader review "Excellent. Could not put book down. Ruth Hamilton is a brilliant writer." -- ***** Reader review "This is one book I will be keeping on my bookshelf to read again..." -- ***** Reader review *****

WILL HER FORTUNE EVER CHANGE? 1940. Lancashire. Annie Byrne is born during one of the toughest winters ever remembered. It's a fitting start to a life which will turn out to be full of trials and hardships. The years pass and Annie determines to fight the legacy of her childhood. Can she do this on her own and will her fortune ever change?

A Whisper To The Living

People think I'm crazy. Maybe I am, since I've been able to talk to spirits for as long as I can remember. They are the forgotten, the souls who have unfinished business and can't cross over. I help them, or at least I try to. There's this one in particular, Jack, I call him, who's been following me around a lot. Usually they tell me what they need to do and move on. Not him. It isn't until he brings another spirit, Tracy, the victim of an unsolved hit-and-run accident, that I know for sure he's something more than just your average spirit. Then I start seeing him. And feeling his touch. And falling for him. In our quest to get justice for Tracy and help her move on, Jack and I become something more than just a dead boy and a living girl. I'm just waiting to see what happens next... Whisper is a young adult paranormal romance at approx, 84,000 words and is the first book in the Whisper Trilogy, and is suitable for ages 12 and up. The second book, Silence, will be out this Christmas and the third, Listen, will be out in 2013. A companion novella will be out next year. Other books by Chelsea M. Cameron: Nocturnal (Book One in The Noctalis Chronicles) Nightmare (Book Two in The Noctalis Chronicles) It isn't until he brings another spirit, Tracy, the victim of an unsolved hit-and-run accident, that I know for sure he's something more than just your average spirit. Then I start seeing him. And feeling his touch. And falling for him. The Living Age

PUBLISHERS WEEKLY BESTSELLER • The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of The Circle Maker teaches readers how to listen to God. WINNER OF THE ECPA CHRISTIAN BOOK AWARD FOR CHRISTIAN LIVING The voice that spoke the cosmos into existence is the same voice that parted the Red Sea, and made the sun stand still in the midday sky. One day, this voice will make all things new, but it's also speaking to you now! That voice is God's voice, and what we've learned from Scripture is that He

often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you'll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God's whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God's voice in every aspect of your life! He's speaking, make sure you know how to listen!

Littell's Living Age

A gorgeously lyrical journey of discovery across a reimagined Great Britain. Serendipity loves horses. No-one in Lahn Dan has ever seen one, apparently they died out before the Gases - but there are statues of them around the city, paintings and drawings too if you know where to look. And there's the little lost wooden horse Mama gave Serendipity when she was little. When Mama dies, Seren is taken under the wing of Professor Nimbus, a storyteller. Nimbus is kind and knowledgeable, but Seren has started to question the Minister's rule and life beyond the high, impenetrable Emm Twenty-Five wall. Hidden among Mama's few possessions was a map which suggests there is life outside of Lahn Dahn, and a place where horses live and roam freely - out beyond the wall and the Minister's grip. So, with the help of a trader boy called Tab and his little dog Mouse, Serendipity heads into the unknown, searching for the beautiful creatures she's always dreamed of. But the Minister is behind them, determined to hunt her down. . .

A Year Worth Living

Awaken your soul to the living Word of God. Reflect on the life-giving invitation of God's heart, gently whispered in this daily devotional, and let the light of his pure presence shine on you. Deepen your intimacy with the God of the Ages as he walks with you through the hills and valleys of life. Be refreshed in the waterfall of his loyal love. Soak in his wondrous wisdom, and let your faith be strengthened. Come alive in the waves of his grace as you hear him speak tenderly to your heart.

Eclectic Magazine, and Monthly Edition of the Living Age

In this haunting novel, Martinez weaves an enchanting and lyrical tale whereby a whisper can become a shout heard by an entire people, and the voice of a child can be more powerful than that of a king. At fifteen, Esclarmonde realizes that the only way out of her betrothal is to renounce her freedom and a part of herself. Rather than accept the hand of a philandering knight, she cuts off her own ear and declares herself to be the mistress of Christ. She uses her dowry to build a stone chapel, where she entombs herself, inhabiting a magical place between the living and the dead. Out of the ashes of her former self arises the Virgin of Whispers—a mystical being whose prescient murmurs can alter the fate of a kingdom.

Eclectic Magazine, and Monthly Edition of the Living Age

When ESL teacher Riko finds an old journal buried in the forests beneath Mt Fuji, a malevolent, untraceable force begins to threaten her at every turn. But is it all in her head? The more she studies the journal for answers, the more questions she uncovers. Worse, no-one takes her fears seriously and her best lead appears to be a belligerent old man, whose only care in the world is raking leaves deep in the forest. With her grip on reality shaken and friendships strained to breaking point, Riko must

discover the truth about the journal in order to put ghosts of the past to rest before she loses everything. A mysterious ghost-story full of suspense!

At a very young age, Elizabeth discovers her talents, only to have them drowned out by voices of ridicule and doubt. Growing up we often experience moments of inspiration and creativity, but other voices quickly remind us of our shortcomings, which keep us from pursuing our dreams. The reader will not only discover how a young girl recalls the treasure held within her heart's garden, but will also be prompted to look within his or her own heart recalling dreams of youth. Tending one's garden is a lifetime work. No matter what age, the heart's garden waits for your discovery.

Living and loving

Many books address how to live with the death of a loved one. Why Whisper, faces the more arduous task of living with yourself. Suicide seizes more than one life. It takes some life from everyone around it. When Joanne Mazzotta's 32 year old son Danny took his own life, part of her died with him. In this gripping account of one mother's journey alongside grief, Joanne bares her soul and her skeletons to bring us an honest and insightful look at addiction, loss, hope, suicide, and the enduring power of love.

Whisper

Herein lie a series of dialogues between a True Master and an Authentic Student. The Master has devoted his life to unraveling the secret cures to the ills that plague every human being. Put simply, the Master has discovered The Truth. The Truth about freedom from anxiety, curing emotional pain, achieving true success, attaining clarity, cultivating wisdom, mastering relationships, gaining complete control of one's mind, and so on. The Master speaks the raw truth. And the raw truth has no place for trite things such as prescriptions, how-to's, and cosmetic and ineffective remedies. This book is for those who are serious.

A Whisper of Horses

More than a Whisper tells the intimate story of Anne Sano Keller's journey from the emptiness of being raised by parents who couldn't love her, to suffering a mother's greatest sorrow, and finally emerging into the fullness of grace. When her heart is shattered and she can no longer go on, the universe shows her its divine plan. After giving up all hope of reconciliation, Anne receives a letter from her estranged father, who is dying of cancer. She finds herself embarking on a ten-year journey into a world of surrender and forgiveness. As she tries to maintain her normal life, she finds herself living with one foot in this world and one foot in the spirit world. More than a Whisper started as a private journal meant only for her children to read someday. It became a book when Anne received "more than a whisper" from her spirit guide and departed loved ones, urging her to tell her story, with the hope that others might take from it the courage to face life's greatest challenges and ask, "What is this here to teach me?"

I Hear His Whisper for Women

Jessica Thornton is ready for a fresh start for herself and her irrepressible son, Splinter. An unexpected, unusual inheritance—a remote island mansion—seems like the opportunity of a lifetime. But when she arrives, she stumbles into a dangerous web of deception, greed, and murder. Even worse, she runs into the one person she never wanted to lay eyes on again: her long-lost husband, the man who coldly deserted her before their son was born. And the request he makes of her threatens to shake the very foundation of her life. . . . Formerly published as *The Treasure of Zanzibar*.

Rural Living

We have come into this life for a purpose. The soul knows why, and where it is going. But we are asleep, cut off from its guidance. We're left uneasy, discontent, always searching for answers but only finding more questions. We know there is something more. But what? Unable to find it, we're left with a spiritual void that is leading our world toward a precipice and us into lives of discontent.
