When You Are Old

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Y is for Yeats. A specially compiled edition for the Penguin Drop Caps series, *When You Are Old* will include the most accessible, best-known poems by W.B. Yeats from his early years that made the Nobel Prize winning writer and poet popular in his day. The volume will include all the major love poems written most notably for the brilliant yet elusive Irish revolutionary Maude Gonne. Recalling Yeats's 1890s fascination in aestheticism and the arts and crafts movement, selections will draw from the first published versions of poems from works such as *Crossways*, *The Rose*, *The Wind Among the Reeds*, *In the Seven Woods*, *The Green Helmet* and *Other Poems*, *Responsibilities*, *The Wild Swans at Coole*, and *Michael Robartes and the Dancer*. A selection Irish myths and fairytales including "The Wanderings of Oisín," a Celtic fable and his first major poem, represent his fascination with mysticism, spiritualism and the rich and imaginative heritage of his native land.

Romeo and Juliet

Over four hundred years after it was first published, *Romeo and Juliet* remains one of Shakespeare's most famous and most frequently performed plays. During the late 1500s many playwrights loved to base their plays off of Italian stories, and Shakespeare was no different; he was heavily influenced by the Italian tale "The Goodly History of the True and Constant Love of Romeo and Julieta." Today *Romeo and Juliet* continues to spread its influence within literature and performing arts. It has been adapted into 24 operas, numerous films, a ballet, and has also been referenced in law. The play has entertained generations with its romance, deception, revenge, sword-fighting, creative verse, comedic relief, and tragic fate. The prologue lays before us the fate of our star-crossed lovers: two Italian households have a long, ongoing vendetta against each other, kept under control only by Prince Escalus, the ruler of Verona. Romeo meets with his friends Benvolio and Mercutio after having his heart broken by Rosaline. Encouraged to find love elsewhere, Mercutio sneaks him into one of Capulet's masked parties, where he encounters Juliet, Capulet's daughter. This is the beginning of a love affair that is destined to end in tragedy. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Facing Mount Kenya

Facing Mount Kenya, first published in 1938, is a monograph on the life and customs of the Gikuyu people of central Kenya prior to their contact with Europeans. It is unique in anthropological literature for it gives an account of the social institutions and religious rites of an African people, permeated by the emotions that give to customs and observances their meaning. It is characterised by both insight and a tinge of romanticism. The author, proud of his African blood and ways of thought, takes the reader through a thorough and clear picture of Gikuyu life and customs, painting an almost utopian picture of their social norms and the sophisticated codes by which all aspects of the society were governed. This book is one of a kind, capturing and documenting traditions fast disappearing. It is therefore a must-read for all who want to learn about African culture.

The Prophet

Kahlil Gibran's *The Prophet* is a modern classic. Written in English and first published in 1923, the book has gradually become a global bestseller, its wise words a favourite. Beautifully produced in a traditional Chinese binding and with a timeless design, *The Prophet* is an accessible yet spiritual book to be cherished.

Songs of Innocence

Everybody loves a good drought

The human face of poverty The poor in India are, too often, reduced to statistics. In the dry language of development reports and economic projections, the true misery of the 312 million who live below the poverty line, or the 26 million displaced by various projects, or the 13 million who suffer from tuberculosis gets overlooked. In this thoroughly researched study of the poorest of the poor, we get to see how they manage, what sustains them, and the efforts, often ludicrous, to do something for them. The people who figure in this book typify the lives and aspirations of a large section of Indian society, and their stories present us with the true face of development.

The Rainbow & Women in Love

"The Rainbow" tells the story of three generations of the Brangwen family, a dynasty of farmers and craftsmen who live in the east Midlands of England, on the borders of Nottinghamshire and Derbyshire. The book covers a period from the 1840s to 1905, and shows how the love relationships of the Brangwens change against the backdrop of the increasing industrialization of Britain. The first central character, Tom Brangwen, is a farmer whose experience of the world does not stretch beyond these two counties; while the last, Ursula, his granddaughter, studies at university and becomes a teacher in the progressively urbanized, capitalist and industrial world. "Women in Love" is a sequel to novel The Rainbow, and follows lives of the Brangwen sisters, Ursula a schoolteacher, and Gudrun a painter. They meet two men who live nearby, school inspector Rupert Birkin and Gerald Crich, heir to a coal-mine, and the four become friends. Ursula and Birkin begin a romantic friendship, while Gudrun and Gerald eventually begin a love affair. The emotional relationships thus established are given further depth and tension by an intense psychological and physical attraction between Gerald and Rupert. All four are deeply concerned with questions of society, politics, and the relationship between men and women. The novel ranges over the whole of British society before the time of the First World War and eventually concludes in the snows of the Tyrolean Alps.

The Pie and the Tart

Spengler's work describes how we have entered into a centuries-long "world-historical" phase comparable to late antiquity, and his controversial ideas spark debate over the meaning of historiography.

This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

An Introduction to Language and Linguistics

The text of each poem is given in letterpress on the page facing the beautiful color reproductions of the plate. The book is printed on vellum.

Poetical Sketches

(Book Jacket Status: Jacketed) Jorge Luis Borges was one of those very rare creators who changed the face of an art form--in his case, the short story. His work has been paid the ultimate honor of being appropriated and imitated by innumerable writers on every continent of the world. The seventeen brief masterpieces of FICCIONES explode the boundaries of genre, offering up labyrinthine libraries, a fictional encyclopedia entry that spawns an entire world, a review of a nonexistent writer's attempt to re-create Don Quixote word for word, a man with the disabling inability to forget anything he has

ever experienced, and other metaphysical puzzles. But the true measure of Borges's greatness lies in the fact that his fictions--elaborately paradoxical, postmodern, and intellectually delicious as they are--managed to return the short story to the realm of the fabulous and the uncanny from which, as parable and fairy tale, it originally came.

The Marriage of Heaven and Hell

NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, *Things Fall Apart* is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

"Spanning over half a century, this volume contains all the short stories Khushwant Singh has every written, including the delightful tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008."--Back cover.

If I Was a Tree

The marriage of Gertrude and Walter Morel has become a battleground. Repelled by her uneducated and sometimes violent husband, delicate Gertrude devotes her life to her children, especially to her sons, William and Paul - determined they will not follow their father into working down the coal mines. But conflict is evitable when Paul seeks to escape his mother's suffocating grasp through relationships with women his own age. Set in Lawrence's native Nottinghamshire, *Sons and Lovers* is a highly autobiographical and compelling portrayal of childhood, adolescence and the clash of generations.

Sons and Lovers

The Trip of Le Horla (Le Voyage du Horla) Guy de Maupassant

Ooru Keri (Kannada)

Adventures in Two Worlds – an autobiographical novel by A J Cronin, creator of television's Dr Finlay and author of *The Citadel* and many other bestsellers. A master storyteller, A J Cronin presents possibly his most fascinating tale. Taking material directly from his own life, he tells of the early struggles of a poor medical student in Scotland, the cruel crushing of all hopes of becoming a surgeon, the years as a ship's doctor and, later, life in the country practice that was the real Tannochbrae. There are many strange twists and turns – not the least of them the dramatic move from the world of medicine into that of literature when a novel 'written despairingly on twopenny exercise books, thrown out and rescued from the rubbish heap' was accepted by a publisher. And with *Hatter's Castle* a new career was born.

The Trip of Le Horla

A. J. Cronin's famous story is a soul-stirring novel of pride and greed, and its terrible retribution. When her father forced her to leave school, and cut off all her contact with the past and future, Mary Brodie's whole life became the narrow compass of her family's cold, comfortless house in a small Scottish town. Her mean and ambitious father tyrannised over his timid, obliging wife, his cowed, overworked younger daughter and his spineless son. Four people were held in Brodie's merciless grip until, like a breath of the outside world Brodie so much despised, came the young Irishman in whom Mary found a forbidden freedom, and who brought to her mother and sister much needed release... In the magnificent narrative tradition of *The Citadel*, *The Stars Look Down* and Cronin's other classic novels, *Hatter's Castle* is a great book by a much-loved author.

Molecular Biology of the Cell

The story of *Oliver Twist* - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters - the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master-thief Fagin. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society, and pervaded by an unforgettable sense of threat and mystery.
