Diana's Notes From Heaven

Hi, it's me, Diana, with my notes from heaven. I'm letting you know how the Lord inspired me in my writings. The Lord is my great inspiration. I believe he gives us great gifts to motivate and inspire people, to know his deep love and compassion for us, his dear children. Remember we are sons and daughters of the Most High God

The Note From Heaven

The Note from Heaven is a sacred and simple healing tool for liberating your true voice and reconnecting you to your higher Self. This liberation has a major healing effect, helping to release traumas from this life and previous lives. 'An enriching East-West guide to the voice as a spiritual practice ... rooted in a range of essential vocal practices, The Note from Heaven deepens self-inquiry, and awakens your heart's ears through a joyous process of creative intention, self-discipline and expression.' Chloe Goodchild singer, voice pioneer, founder of The Naked Voice website and author of The Naked Voice Githa Ben-David presents a method for liberating the natural voice using regressive cell singing - one of the most direct ways to get in contact with the subconscious mind. This liberation has a healing effect on body and soul and can be experienced by every speaking person. With inspiration from India, Githa has put together a program for self-study, along with a practice instruction program that can be downloaded. Utilising this method you will 'sing yourself free from traumas that have their origin in this life, the womb or previous lifetimes. In regressive cell singing, The Note from Heaven is used as a tuning fork to retune cells to their former harmony. Any notes, sounds or outbursts that genuinely express The Note from Heaven can release blocked energy imprisoned in the Singer's body as trauma. The process starts a cell-dance, which reorganizes the body back to it's original balanced matrix. Transform your life through the power of sound. In the beginning there was sound. With sound everything was created. You are sound.

Love Notes from Heaven

God sends little messages every hour of every day, and the LoveNotes books capture those bits of encouragement, affirmation, love, and attention longed for by his people. The 128 pages of each book in this series display God's declarations through delightful and touching stories, personalized Scripture, and inspirational thoughts of those who have heard God -- or long to hear him too. The stories come from

the lives of both the famous and not-so-famous; readers will meet folks like Carolyn, an editor whose job was downsized but whose hopes were super-sized when she received love notes from heaven -- special guidance and direction from God. The Scriptures accompanying each story remind readers that long ago God wrote them each a very personal love letter, one of utter devotion and sealed with his blood. Journaling space throughout each book allows readers to respond back to God with their own letters of love and thankfulness. Like a card or impassioned letter from a friend just when you need it most, the LoveNotes books are directed to reach readers at just the right times in life: when they're needing to be celebrated as a sister, remembered as a friend, or cherished as a mom.

Love Notes from Heaven

Have you received love notes from heaven? Heavenly Father seeks to communicate with His Covenant children, and He speaks to them in a variety of ways. Dreams, visions, cloud formations, rainbows, spiritual gifts, slight impressions strategically placed, and an opening of understanding after opening the Bible. The easy, free-flowing, stream of consciousness style of writing in this book explains simply about the love notes from heaven, with a few scriptures to place the teaching points into biblical perspective. Clear and lively testimonies abound to illustrate how Heavenly Father has sent love notes to His daughters all around the world.

Notes, Letters, and Memos to Heaven

Notes, Letters, and Memos to Heaven is a collection of a daughter's thoughts, ideas, experiences, and regrets expressed to a father bearing the distinct address of being c/o heaven, and her refusal to let death stand in the way of sharing her life and its confidences with a father she loves more completely and appreciates more fully than ever before. Notes, Letters, and Memos to Heaven is evidence that love is not only very, very big, but very, very patient. It is a coming of age at a ripe old age, written by a daughter who has "some splainin' to do," and more than that, a whole lot of sharing to do, and being excited and delighted to discover that death does not get the final word; learning, in fact, that death has very little to say when love wishes to speak.

A Long Way From Heaven

From an author praised for her "genuinely perceptive portrayals of human relationships," a historical family saga set during the Great Famine of Ireland (Irish Independent). One fateful morning in August 1846, Patrick Feeney surveys his ruined potato crop and despairs. With a delicate wife and their unborn child, he has no choice but to leave Ireland and set out for England in search of work. But from the moment Patrick and Mary set foot in Liverpool, they are beset by new trials. After moving to York, they are forced to settle in the nightmarish slums of Walmgate. Yet the very poverty and hopelessness of their surroundings binds the small community together. Only stubborn determination to survive tragedy can win them hopes of a better life . . . Peopled with rich and colorful characters, A Long Way From Heaven is a fresh, unpredictable saga of passion, struggle and humor. Perfect for readers of Val Wood, Nadine Dorries or Rosie Goodwin. Praise for the writing of Sheelagh Kelly: "The tough, sparky characters of Catherine Cookson, and the same sharp sense of destiny, place and time." —Reay Tannahill, author of Fatal Majesty and Sex in History "Sheelagh Kelly surely can write." —Sunderland Echo

A recently departed soul speaks from heaven about his amazing experiences on the other side. This true story of a soul's life after death will change the way you look at life - and death.

All about Heaven

What happens when we die? What does heaven look like? What will occupy us there? When David Oliver faced the death of his son Joel, at the age of 38, following a short and brutal fight with cancer, he set about researching and writing this powerful short book on heaven and committed to write whatever he discovered.

Heaven Journal

Journal notebook, sermon notes, prayer journal, sermon note book, glossy cover. 8.5x11 blank page with light grey border with word HEAVEN on bottom right. Great gift for friends. Watercolor painting "HEAVEN" by Lara Mitchell

To Heaven and Back

A doctor's account of her own experience of death, heaven and return to life with a new realization of her purpose on earth. Dr Mary Neal, an orthopaedic surgeon, was on a kayaking holiday in Chile. Sceptical of near death experiences, she was to have her life transformed when her kayak became wedged in rocks at the bottom of a waterfall and was underwater for so long that her heart stopped. To Heaven And Back is Mary's faith-enriching story of her spiritual journey, her first-hand experience of heaven and its continuing life-enhancing effects.

The Stone that Will Fall from Heaven

The idea to create this book was born in my secret prayer room. Communion with Jesus Christ is the most important thing in the life of every person! Why? Because when we return home to Heaven, everything that surrounds us at present will disappear. There will be only one thing: a relationship with God. The secret prayer room is a great place to communicate with the Lord! I know that during communion with Jesus Christ, believers often receive revelations from the Lord. These revelations must be taken down. For such notes, the "The Diary for the Prayer Room" is perfect. At each page of the Diary you will find an inspiring word from the Bible and a specially allocated place for drawing: I noticed that in a secret prayer room you often want to draw!

The Diary for the Prayer Room

In addition to sharing my story with everyone through the books Heavenly Visitation: A Guide to the Supernatural, Days of Heaven on Earth: A Guide to the Days Ahead, A Meeting Place with God, Your Hidden Destiny Revealed, Praying from the Heavenly Realms: Supernatural Secrets to a Lifestyle of Answered Prayer, The Agenda of Angels, Supernatural Finances, Receiving From Heaven, You Can Hear God's Voice, and The Mystery of the Power Words, the Lord gave me the commission to produce this book, The Notes of a Warrior. This study guide addresses some of the revelations concerning the areas that Jesus reviewed and revealed to me through the Word of God and by the Spirit of God during several visitations. I want to thank everyone who has encouraged me, assisted me and prayed for me during the writing of this work, especially my spiritual parents, Dr. Jesse Duplantis and Dr. Cathy

Duplantis. Special thanks to my wonderful wife Kathi, for her love and dedication to the Lord and me. Thank you, Sid Roth and staff, for your love of our supernatural Messiah, Jesus. Thank you to a great staff for the wonderful job editing this book. Special thanks, as well, to all my friends who know about The Notes of a Warrior and how to operate in the next move of God's Spirit!

My Sermon Notes Journal

If life is about the journey and not the destination, could it be that this is heaven —this physical life we are living here on Earth? What we experience in our daily lives often feels like anything but heaven. But what if we understood how powerful we are —that we are powerful enough to mold both our internal and our external reality? Anita Moorjani, the New York Times bestselling author of *Dying to Be Me*, is convinced we can do exactly that. The process, she explains, requires dismantling many cultural myths mistaken for indisputable truths. Beliefs such as "We get what we deserve," "Loving ourselves is selfish," and "Coincidences are just that —coincidences," are ingrained within us from birth, pervasive and influential, leading to generations of misguidance. Following her near-death experience, Moorjani began to embody truths she learned in the other realm, discovering that letting go of these outmoded myths allowed her to experience heaven not as a physical place but as a state of mind, right here and right now. In this examination of our common myths, she shares stories and examples from her own life, revealing the lies beneath the surface of what she was taught and absorbed. By freeing ourselves from these falsehoods, Moorjani asserts, we can leave fear, heartache, and self-imposed boundaries behind and instead live lives full of purpose and joy.

'The Alexander Trilogy contains some of Renault's finest writing. Lyrical, wise, compelling: the novels are a wonderful imaginative feat - Sarah Waters Alexander the Great died at the age of thirty-three, leaving behind an empire that stretched from Greece to India. Fire From Heaven tells the story of the years that shaped him. His mother, Olympias, and his father, King Philip of Macedon, fought each other for their son's loyalty, teaching Alexander politics and vengeance. His love for the youth Hephaestion taught him trust, while Aristotle's tutoring provoked his mind and fuelled his aspirations. Killing his first man in battle at the age of twelve and commanding Macedon's cavalry at eighteen, by the time his father is murdered, Alexander's skills have grown to match his fiery ambition. Books included in the VMC 40th anniversary series include: Frost in May by Antonia White; The Collected Stories of Grace Paley; Fire from Heaven by Mary Renault; The Magic Toyshop by Angela Carter; The Weather in the Streets by Rosamond Lehmann; Deep Water by Patricia Highsmith; The Return of the Soldier by Rebecca West; Their Eyes Were Watching God by Zora Neale Hurston; Heartburn by Nora Ephron; The Dud Avocado by Elaine Dundy; Memento Mori by Muriel Spark; A View of the Harbour by Elizabeth Taylor; and Faces in the Water by Janet Frame

Ricky Nelson (he later preferred "Rick") was 8 years old when he began his career in show business. After a successful run on radio, his family's situation comedy *The Adventures of Ozzie and Harriet* enjoyed a 14 year television tenure. On the April 10, 1957, episode, "Ricky the Drummer," Nelson started his singing career by lip syncing to Fats Domino's "I'm Walkin'." He scored 36 Top 40 singles between 1957 and 1972 and ranked number 5 in Billboard's Top 25 Artists of the Decade 1950–1959. As a country rock pioneer, Rick Nelson influenced Buffalo Springfield, Linda Ronstadt, and the Eagles. This book is a candid account of his life in rock and roll through stories told by musicians and producers on the road and in the studio with him. Actors and family members also provided invaluable memories and insights.

The Ocean Breeze Waltz

A "deeply impressive . . . devastating but quite stunning" novel about doomed love and ambition in Nazi Germany (Minneapolis Star-Tribune). Set during World War II amid the trenches of the eastern front and the turmoil of Berlin under the Third Reich, *The Undertaking* intertwines the lives of two German strangers entering into a proxy marriage of convenience, self-interest, and of ideology. Peter Faber is a soldier desperate to escape the madness of war if only by a three-week honeymoon leave. His new wife is Katharine Spinell, a resourceful young woman from Berlin who anticipates the likelihood of a widow's pension should Peter die in battle. When they finally meet there is an attraction as unexpected as it is intense. But as Peter returns to Stalingrad, and as Katherine ruthlessly works her way into Nazi high society, the tides of war change. So do Peter and Katharine's fates and fortunes, in this "bold, honest novel about Nazi greed and moral blankness . . . and the small people who are inseparably part of a great ravagement" (The Guardian). Finalist for the Baileys Women's Prize for Fiction, *The Undertaking* is "one of the most riveting accounts of love in time of war that this reviewer has ever read" (Library Journal (starred review))—"a violent, elegant, unsentimental journey through hell and halfway back" (Chris Cleave, New York Times—bestselling author of *Everyone Brave is Forgiven*).

The adventures and hardships David experiences color his upbringing, from dealing with an abusive stepfather, to the cruel life of a child factory worker, to finding his place in the world, among the friends and family he discovers. Running from Home chronicles Rita's flight from the Nazis as it was perceived by a young child. The sense of bewilderment, loss of home, and suffering from hunger and cold create an indelible mark upon her mind and do not leave when she eventually comes to America. Raised in different cultures, she never feels at home but is always the outsider, trying to reconcile her old life and experiences with her new surroundings. Her youth and adolescence are assaulted by the demons that have been imprinted on her young brain. Furthermore, Rita's father suffers from his own demons: financial insecurity, disenfranchisement, and constant poverty serve to reestablish her old fears and sense of loss. For Rita, the war is not over when the peace treaties have been signed. For more information, please see www.ritabross.com.
