Is vulnerability good or bad?

Vulnerability is the doorway to true connection.

In the research there's a significant difference between perfectionism and healthy striving or striving for excellence. Perfectionism is the belief that if we do things perfectly and look perfect, we can minimize or avoid the pain of blame, judgment, and shame.

You want share something vulnerable with someone that has earned the right to hear it.

Can I share something vulnerable with you?

Can I be real with you?
