Thai-English / English-Thai Dictionary & Phrasebook

"Thai belongs to the Tai language family, a group of related languages spoken in Thailand and Laos and by minority ethnic groups in Burma, northern Vietnam and southern China. This two-way dictionary and phrasebook provides basic Thai grammar, vocabulary and phrases of use to the traveler. All Thai words are spelled in the English alphabet, and pronunciation is indicated, making it an easy reference for those unfamiliar with the Thai script." -- Amazon.com viewed July 28, 2020.

Thai-English/English-Thai Dictionary & Phrasebook, Revised Edition

"Spoken by some 20 million people, both in Thailand and abroad, Thai is rapidly evolving into a critical component of cultural, business, and political communication in Southeast Asia. This updated version adds the native Thai script to this language guide, and also updates the entries to reflect the most recent changes to everyday Thai. This convenient dictionary and phrasebook contains everything that a traveller or businessperson needs to communicate effectively in Thai, including: 2,500 dictionary entries, a pronunciation guide, phrases covering a wide variety of topics, and a concise grammar section."--Publisher description.

Making Out in Thai

Making Out in Thai is a fun, accessible and thorough guide to Thai as it's really spoken in Bangkok, Chiang Mai and throughout Thailand. This is your guide to modern spoken Thai as it is used in everyday interactions in Thailand today--including many colorful expressions and informal phrases not found in any other Thai phrasebook. This fully revised edition of Making Out in Thai features a pronunciation guide for beginners to be able to speak like a native speaker, updated notes on Thai language and culture, even more useful phrases for getting around Thailand and for shopping and ordering a meal and handy tips about communicating with Thais on all sorts of levels. The phrases are organized according to typical situations and encounters, including: Starting a Conversation Discussing Likes and Dislikes Sharing a Meal Going Out on the Town Developing a Romantic Relationship The phonetic pronunciation given for each phrase helps you pronounce it correctly; and in a pinch, you can show the Thai script version to the person you are speaking to. An English-Thai dictionary has also been added to vastly increase your vocabulary, while the new manga illustrations bring the phrases to life and show how they can be used in real-life situations. Making Out in Thai brings you to a whole new level of fluency and communication!

Thai Picture Dictionary

The words are grouped into 40 different themes or topics, including basics like meeting someone new and using public transportation to culture-specific topics like celebrating Thai holidays and eating Thai food. This colorful picture dictionary includes: Over 750 color photographs 1,500 culture-specific Thai words and phrases 38 different topics--from social media and counting to Thai food and holidays Example sentences showing how the words are used Free online audio recordings by native Thai speakers of all the vocabulary and sentences to download or stream An introduction to Thai pronunciation and grammar A bidirectional index to help you quickly look up words Thai Picture Dictionary makes language learning easier and more fun than traditional phrasebooks. This resource is perfect for beginners of all ages--curious kids, visual learners and future visitors to Thailand.

Tuttle Pocket Thai Dictionary

Tuttle Pocket Thai Dictionary is the most up-to-date Thai pocket dictionary available. It contains a comprehensive range of contemporary Thai words and expressions, including the latest Internet and

social media vocabulary. This dictionary is specifically designed to meet the needs of English speakers who are studying or using Thai on a daily basis. It contains over 15,000 entries including all the vocabulary (in both directions) needed for everyday use. All headwords are in bold for easy look-up, and the Thai-English section is organized alphabetically using the standard Thai Romanization system. All words are given in romanized forms as well as in the traditional script.

Thai-English Dictionary

This book contains a large number of words not found in the present Government dictionary and therefore will lead to a better knowledge and use of the Thai language.

Mini Thai Dictionary

It's never a good idea to be overly-reliant on technology while traveling! Look up words quickly and easily with this excellent Thai dictionary. Tuttle's Mini Thai Dictionary is ideal for any application where a handy and portable dictionary is required. This pocket-sized dictionary is intended for use by tourists, students, and business people traveling to Thailand, or as a Thai language study reference. Mini Thai Dictionary is an essential tool for communicating, and a great way to learn Thai. In addition to being an excellent English to Thai dictionary and Thai to English dictionary, this mini dictionary contains essential notes on the Thai language, Thai grammar, and Thai pronunciation. All words are written in English as well as Thai script so that, in case of difficulties, the book can be shown directly to a native speaker. This mini dictionary contains the following essential features: Bidirectional Thai to English and English to Thai. Over 12,000 essential words, idioms, and expressions. A basic overview of Thai grammar and pronunciation. All the latest Thai social media and computer terms. Compatible with all U.S. ESL standardized testing.

Instant Thai

It's amazing how 100 key words and phrases provide instant communication! Do you want to speak simple Thai but are too busy to study it? Are you visiting Thailand for a short time and want a Thai phrase book to help you communicate? If so, this Thai phrasebook is for you—it's the easiest and quickest way to learn Thai. It's tiny 0.4 x 4.1 x 5.9 inches size makes it incredibly convenient to travel with but without losing the most essential content for communication. The idea of Instant Thai is simple—learn 100 words and phrases and say 1,000 things. The trick is knowing which 100 words to learn, but the authors Stuart Robson and Prateep Changchit have solved the problem, choosing only those words you'll hear again and again. Even with a vocabulary this small, you'll be surprised how quickly and fluently you too can communicate in the Thai language. It also has an English-Thai dictionary, arranged alphabetically. At the end of the book are useful appendices for telling the time, kinship terms, some Thai proverbs, and emergency expressions. Here's a sample of what you'll be able to do with this Thai phrasebook: Meet people. Go shopping. Ask directions. Ride the subway. Order food and drinks. And much more. About this new edition: Instant Thai is now updated with 10% more content and fun manga-style illustrations and comics!

Thai Vocabulary Book

Thai vocabulary book + Thai dictionary This Thai vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Thai-English as well as English-Thai dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Thai learning resource is a combination of Thai vocabulary book and a two-way basic Thai dictionary: Part 1 - Topic based Thai vocabulary book: This is the main part of the book and represents a list of chapters each containing Thai vocabularies for a certain topic. The Thai vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Thai dictionary: The index in the second half of the book can be used as a basic Thai dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Thai-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Thai words and directly find the English translation How to use this Thai vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Thai dictionaries in part

two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Thai translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Thai dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Thai and comes in particularly handy at times when there is no internet to look up words and phrases.

7000-WORD ENGLISH-THAI VOCABULARY The knowledge of approximately 7000 words makes it possible to understand authentic Thai texts. Combining vocabulary with conversational practice, you

will be able to produce fluent phrases and express your thoughts smoothly and accurately. You will find it easy and natural to talk about various everyday topics. This knowledge and ability will help you to achieve the language level where you may confidently say: "Yes! I do speak Thai." T&P Books vocabularies are intended to help you learn, memorize and review foreign words The dictionary contains over 7000 commonly used words Recommended as additional support material to any language course Meets the needs of both beginners and advanced learners Convenient for daily use, reviewing sessions and self-testing activities Allows you to assess your current vocabulary This book can also be used by foreign learners of English Special features of T&P Books bilingual vocabularies: Words are arranged according to their meaning, not alphabetically Content is presented in three columns to facilitate the reviewing and self-testing processes Each theme is composed of small blocks of similar lexical units The vocabulary offers a convenient and simple transcription for each foreign word This revised edition (June 2016) contains 198 topics: Basic Concepts, Numbers, Colors, Months, Seasons, Units of Measurement, Clothing & Accessories, Food & Nutrition, Restaurant, Family Members, Relatives, Character, Feelings, Emotions, Diseases, City, Town, Sightseeing, Shopping, Money, House, Home, Office, Working in the Office, Import & Export, Marketing, Job Search, Sports, Education, Computer, Internet, Tools, Nature, Countries, Nationalities and more ... Our Thai collection includes also vocabularies of 3000, 5000 and 9000 words. All these titles are available as printed books and e-books.
