New York City Food Tour : HUGE Pastrami Sandwich at Katz's Deli and The Halal Guys! - New York City Food Tour : HUGE Pastrami Sandwich at Katz's Deli and The Halal Guys! by Mark Wiens 5,262,792 views 7 years ago 28 minutes - New York City is an incredible food city because of the diversity of the food available. On this New York City food tour we started ...

Katz's Delicatessen - There are few places in New York City for food as famous as Katz's Delicatessen, an absolute legendary deli in the city. Although it's well overpriced, because it's such a heritage NYC institution, it's one of the must eat restaurants in the city. I arrived early in the morning, hoping to beat the crowds, which I did (go for breakfast if you want to avoid lines). After a little contemplation, I decided to go for the reuben with pastrami and a half of corned beef. The corned beef was alright, but the reuben with pastrami was incredible. Total price - \$48.56

Spicy Village - Next up on this New York City food tour my wife and I walked around New York City Chinatown and eventually found our way over to a restaurant called Spicy Village (thanks to Monty for this recommendation). The one dish I mainly wanted to eat at Spicy Village was the Spicy big tray chicken, a pan of fried chicken parts and noodles in a spicy and mouth numbing broth. It was everything I had hoped for and more, and it was one of the best foods I ate in New York City! Total price - \$22 - But along with the spicy big tray chicken we had an extra dish as well.

Times Square - One of the busiest and most recognized squares in the world is Times Square in New York City. So in the afternoon, happy and full of Spicy Village and Katz's Deli, we walked over to Times Square to enjoy the people watching and the ridiculous amount of lights and action.

The Halal Guys - While walking through Times Square I remembered that one of the most popular New York City street food stalls wasn't too far away. So we walked over to The Halal Guys, and I ordered chicken over rice. The chicken over rice itself is prepared pretty plain, but the flavor in The Halal Guys is all in the white and red sauce, both of which are incredibly flavorful and delicious. It was my first time to eat at The Halal Guys, and I'm pretty happy I did. Chicken over rice - \$7
