We'll Always Have Summer

The summer after her first year of college, Isobel "Belly" Conklin is faced with a choice between Jeremiah and Conrad Fisher, brothers she has always loved, when Jeremiah proposes marriage and Conrad confesses that he still loves her.

The Complete Summer I Turned Pretty Trilogy (Boxed Set)

Now an Original Series on Prime Video! Summer love abounds in the New York Times bestselling The Summer I Turned Pretty series, now available in a paperback boxed set—and an original series now streaming on Prime Video! Belly has always lived for the summertime, because summer means all her favorite things: swimming, the beach, and the Fisher boys, Conrad and Jeremiah. For as long as she can remember, she's shared her summers with the brothers at Cousins Beach. And for as long as she can remember, she's been in love with Conrad. Then one summer it seems like he might have feelings for her too—but so does Jeremiah. As the summer seasons pass, Belly has to choose between two brothers who love her...and she'll have to break one of their hearts. This paperback collection of the complete series includes The Summer I Turned Pretty, It's Not Summer Without You, and We'll Always Have Summer.

The Summer I Turned Pretty

One girl, two boys and the summer that changed everything.

It's Not Summer Without You

In Jenny Han's follow-up to The Summer I Turned Pretty, Belly finds out what comes after falling in love. Now available in paperback!

Sixteenth Summer

Anna is dreading another tourist-filled summer on Dune Island that follows the same routine: beach, ice cream, friends, repeat. That is, until she locks eyes with Will, the gorgeous and sweet guy visiting from New York. Soon, her summer is filled with flirtatious fun as Anna falls head over heels in love. But with every perfect afternoon, sweet kiss, and walk on the beach, Anna can't ignore that the days are quickly growing shorter, and Will has to leave at the end of August. Anna's never felt anything like this before, but when forever isn't even a possibility, one summer doesn't feel worth the promise of her heart breaking....

The Summer Girls

From New York Times bestselling author Mary Alice Monroe, the heartwarming first installment in the Lowcountry Summer trilogy, a poignant series following three half-sisters and their grandmother. Three granddaughters. Three months. One summer house. In this enchanting trilogy set on Sullivan's Island, South Carolina, New York Times bestselling author Mary Alice Monroe captures the complex relationships between Dora, Carson, and Harper, three half-sisters scattered across the country—and a grandmother determined to help them rediscover their family bonds. For years, Carson Muir has drifted, never really settling, certain only that a life without the ocean is a life half lived. Adrift and

penniless in California, Carson is the first to return to Sea Breeze, wondering where things went wrong...until the sea she loves brings her a minor miracle. Her astonishing bond with a dolphin helps Carson renew her relationships with her sisters and face the haunting memories of her ill-fated father. As the rhythms of the island open her heart, Carson begins to imagine the next steps toward her future. In this heartwarming novel, three sisters discover the true treasures Sea Breeze offers as surprising truths are revealed, mistakes forgiven, and precious connections made that will endure long beyond one summer.

The Summer I Turned Pretty

Now a streaming series in Summer 2022! Belly has an unforgettable summer in this stunning start to the Summer I Turned Pretty series from the New York Times bestselling author of *To All the Boys I've Loved Before*, Jenny Han. Some summers are just destined to be pretty. Belly measures her life in summers. Everything good, everything magical happens between the months of June and August. Winters are simply a time to count the weeks until the next summer, a place away from the beach house, away from Susannah, and most importantly, away from Jeremiah and Conrad. They are the boys that Belly has known since her very first summer—they have been her brother figures, her crushes, and everything in between. But one summer, one wonderful and terrible summer, the more everything changes, the more it all ends up just the way it should have been all along.

The Boys of Summer

It seemed only natural to nickname them the 'Onslow Boys'. Every time they swaggered in the front door of the Onslow Hotel after a hard week's work, their laughter was loud and genuine as they settled onto their bar stools. I peeked through the restaurant partition, a flimsy divider between my world and theirs. I couldn't help but smile whenever I saw them, saw him... Toby Morrison. Quiet seventeen-year-old Tess doesn't relish the thought of a summertime job. She wants nothing more than to forget the past haunts of high school and have fun with her best friends before the dreaded Year Twelve begins. To Tess, summer is when everything happens: riding bikes down to the lake, watching the fireworks at the Onslow Show and water bomb fights at the sweltering Sunday markets. How did she let her friends talk her into working? After first-shift disasters, rude, wealthy tourists and a taunting ex-boyfriend, Tess is convinced nothing good can come of working her summer away. However, Tess finds unlikely allies in a group of locals dubbed 'The Onslow Boys', who are old enough to drive cars, drink beer and not worry about curfews. Tess's summer of working expands her world with a series of first times with new friends, forbidden love and heartbreaking chaos. All with the one boy she has never been able to forget. It will be a summer she will always remember. Warning: sexual references, and occasional coarse language. The Summer Series: Book 1: The Boys of Summer Book 1.5: Stan (Novella) Book 2: An Endless Summer Book 2.5: Max (Novella) Book 3: That One Summer Book 3.5: Ringer (Novella) Book 4: Forever Summer Authors Note: While each title can be read as a stand-alone story, you will likely enjoy taking the journey with these characters from the beginning.

Nobody But Him (The Boys of Summer, #1)

She didn't expect to run into her first love...or to fall back in love with him. At the age of eighteen, Julia Jones left her hometown – the small beachside town of Middle Point – with a head full of grand plans. Plans for an exciting life in a town that didn't involve a main street with only one pub or a particular boy named Ryan Blackburn. But fifteen years and a lifetime later, Julia's forced to put her career and big-city life on hold when she returns home to finalise her mother's estate. Which is exactly where she runs smack-bang into the town's hero, Ry. As in Ryan Blackburn! The sensible thing to do? Stay the hell away from him and head back to Melbourne as fast as her stilettos can carry her! But instead, Julia finds his offer of a helping hand and a hot body too delicious to refuse. Soon, she's ignoring her better judgement and diving into an 'I'll think about it tomorrow' fling with Ry. But what she doesn't realise is that tomorrow has a way of sneaking up on you...and that saying goodbye to her hometown – and to Ry – is so much harder the second time around. MORE PRAISE 'Purman's descriptions are so vivid, you can feel the sea breeze as you take in the stunning view, taste the salt, smell the coast.' - The Eclectic Reader

Summer Heat

Sand, sea and holiday romance are in store for four friends one summer. Sophie goes to France where no one but the boy in the next tent seems interested. And she definitely doesn't fancy him. Maddy's in

Barbados, where she's sure she'll find a boyfriend - she's never had any difficulty before. Hannah's on a music course but will she find love there? And Charlotte's in the Lake District as usual... and in love with the boy next door as usual.

That One Summer

Loving Chris Henderson would be wrong. Diabolically disastrous. I mean, what is there about him to love? He's moody, bossy, brooding, a control freak, and that's on a good day ... but there was one achingly obvious fact that haunted my every thought, every minute of every day ... He sure could kiss. As the countdown to the new millennium begins, there is one thing everyone agrees on: no one wants to be in Onslow for New Year's Eve. So that can only mean one thing: road trip! No longer the mousey, invisible, shy girl from years ago, Tammy Maskala is finally making up for all those lost summers. A new year with new friends, which astoundingly includes the bossy boy behind the bar, Chris Henderson. She likes her new friends (at least most of them), so why does she secretly feel so out of place? After chickening out on the trip, a last-minute change of heart sees Tammy racing to the Onslow Hotel, fearing she's missed her chance for a ride. The last thing she expected to meet was a less-than-happy Onslow Boy leaning against his black panel van. Now the countdown begins to reach the others at Point Shank before the party is over and the new year has begun. Alone in a car with only the infuriating Chris Henderson, Tammy can't help but feel this is a disastrous start to what could have been a great adventure. But when the awkward road trip takes an unexpected turn, Tammy soon discovers that the way her traitorous heart feels about Chris is the biggest disaster of all. Fogged up windows, moonlight swimming, bad karaoke and unearthed secrets; after this one summer nothing will ever be the same again. The Summer Series: Book 1: The Boys of Summer Book 1.5: Stan (Novella) Book 2: An Endless Summer Book 2.5: Max (Novella) Book 3: That One Summer Book 3.5: Ringer (Novella) Book 4: Forever Summer Authors Note: While each title can be read as a stand-alone story, you will likely enjoy taking the journey with these characters from the beginning.

Loving Summer

Summer Jones and the Donovans (Rachel and her two brothers) have grown up together each summer, except for the last three years. This summer, they meet up again at Aunt Sookie's Malibu beach house. Everyone's changed. What happens this summer is bittersweet, fun, and tragic.

Where I Belong

From NY Times and USA Today Bestselling author, J. Daniels Book one of the Alabama Summer Series. When Mia Corelli returns to Alabama for a summer of fun with her childhood best friend, Tessa, there's only one thing keeping her on edge. One person that she'd do anything to avoid. Benjamin Kelly. World's biggest dickhead. Mia hates him with a fury and has no desire to ever see him again. When she decides to start her summer off with a bang and finally give away her v-card, she unknowingly hands it over to the one guy that excelled at making her life miserable, learning a valuable lesson in the process. Always get the name of the guy you're going home with. Ben can't get the girl he spent one night with out of his head. When she leaves him the next morning, he thinks he'll never see her again. Until he sees her lounging by the pool with his sister. Mia is determined to hate Ben, even though she can't forget him. Ben is determined to prove he's not the same guy he used to be. What happens when the one person you wish never existed becomes the one person you can't imagine being without? **Warning: This book contains adult themes. 18+

You & Me at the End of the World

This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

Clara Lee and the Apple Pie Dream

Meet Clara Lee. Likes: her best friends, her grandpa, her little sister (when she's not being annoying, which is almost always), candy necklaces, and the Apple Blossom Festival. Dislikes: her little sister (when she's being annoying, which is almost always), her mom's yucky fish soup, and bad dreams (even though Grandpa says they mean good luck). After a bad dream, Clara Lee has a whole day of good luck. But when her luck changes, she upsets her friends and family. Will Clara Lee have good luck again in time to try out for the Little Miss Apple Pie pageant? Clara Lee is a delightful character from acclaimed author Jenny Han. This charming, humorous chapter book is perfect for fans of Clementine and Judy Moody!

For All Time

Through countless lives, seventeen-year-olds Tamar and Fayard have fallen in love, fought to be together, and died but when they discover what it will take to break the cycle, will they be able to make the sacrifice?

Third Base

From the New York Times bestselling author of *Forever My Girl* EVERY GAME HAS RULES. HE'S ABOUT TO BREAK THEM... Since becoming a major league baseball player, I've learned a few hard lessons. Like never give out your home address on social media (sorry, Mom). Never shoot your mouth off without thinking . . . and never, ever let your personal life interfere with your game. But then I saw her - sitting alone behind the enemy dugout, watching me - and I just had to meet this girl. Now I know that Daisy Robinson has her secrets, but there's something about her that drives me crazy. Maybe it's her innocence, her absolutely amazing knowledge of baseball, or just the fact that she is so unbelievably beautiful. I have to take it slow. Prove to her that the rumors about me are just that - rumors. Daisy might be my ultimate lifetime win. . . if I don't get hit by the curveball that's coming my way.

Summer Cool

Four girls are in for some surprises when they each promise to have a holiday romance . . . Holly is already in love with a boy she met in Barbados but will her dream last? Alex finds herself getting distracted playing mixed double in a tennis tournament. Zoe is drawn to someone unexpected when she joins a drama project. And Josie is about to find out what happens when you fall for your friend's boyfriend. Four more summer stories from Kate Petty, sizzling with sea, sand, sun... and romance!

Summer

Book 2 in the bestselling 4-book Christian fiction series that has sold over 1.3 million copies! A story about God's unending faithfulness and the trials and triumphs of this one unforgettable summer, from Karen Kingsbury, the #1 New York Times bestselling author of "heart-tugging and emotional" (Romantic Times) life-changing fiction. A New Beginning Hollywood actor Dayne Matthews and Katy Hart are married and living in Bloomington, Indiana, where Dayne has found a solution to his on-camera love scenes—he wants Katy to star in his next film. Katy wins the part and is cast opposite her superstar husband. The story of a small town girl's dream-come-true is too much for the press to resist, and in an effort to appease them, the couple agrees to a 12-episode reality show. It seems like the perfect compromise, but by the time they finish filming the movie, they feel cracks around the edges of their marriage. Now they face an uncertain future, and possibly the end of everything that truly matters to them. An Unforgettable Summer The Baxter family learns that Ashley and Kari are both pregnant, but an ultrasound reveals that something is wrong with one of the babies. As the summer progresses, the sisters pray for a miracle while trying to face the unthinkable. It's in this trying season that they must all learn the lesson God has been trying to teach them—He is still in control, and He will be with them regardless of the outcome. An Emotional Farewell The Flanigans continue to draw closer to their only daughter, yet Bailey struggles to find her way amidst the turmoil of adolescence. She has always made good decisions, but she wants to experience more of life. Her friendship with Cody Coleman—the young boarder staying with the Flanigans—continues to blossom in this summer after his graduation. But when Cody decides to enlist in the Army, he'll have to say goodbye to the family he's come to love and the girl he'll never forget. The Sunrise series is the third installment in the continuing Baxter Family Drama from America's number-one inspirational novelist, Karen Kingsbury. Revisit the Baxter family in all their life-changing events, or share the series with someone who hasn't discovered it yet. Winner of Christian Retailing's Retailer's Choice Award for Best Series!

The Summer Wind

Raising her autistic child alone after being abandoned by her husband, Dora, who for years played the role of a perfect wife in a loveless marriage, spends a stormy summer of healing and self-discovery with her half-sisters and grandmother.

Pulled Under

"A romance blooms between surfer girl Izzy and city boy Ben in a small island town as the two try to figure out if their love affair is more than a summer fling"--

Since Last Summer

Rory McShane should be excited to spend the summer in East Hampton with Connor Rule, her generous, smart, cute boyfriend. After all, Rory's no longer the hired help at the Rule family mansion on the beach, and she and Connor have made it through a year of long-distance dating. But now in the months leading up to college, Rory can't help but wonder if she really belongs in Connor's world. Isabel Rule is still trying to get over Mike, the last devastatingly sexy surfer who broke her heart last summer. Enter Evan, an aspiring filmmaker who's kind, funny, and crushing on Isabel. He'd be the perfect summer fling - so why can't she seem to forget about Mike? Set against a backdrop buzzing with the rich, the famous, and the wannabe rich and famous, *Since Last Summer* is the perfect beach read for teen and new adult readers.

Summer Alone

From the best selling author of *Summer Unplugged*, comes a new series set in the same world. These books can be read as a standalone series. Becca's senior year of high school is approaching and she's tired of being the dorky best friend. Determined to reinvent herself with help from Bayleigh, she plans to spend the summer breaking out of her shell. When Bayleigh gets grounded and sent away for three months, Becca's plans come crashing down before they've even started. Now Becca is alone and can't even talk to Bayleigh on the phone. Not wanting to miss out on the summer before senior year, she takes a job at the local indoor BMX track. The job is fun, her boss is laid back, and the place is packed with hot guys. One of them just might have a crush on her. This may be a summer without her best friend, but it doesn't mean she'll have to spend the summer alone. Don't miss the rest of the series: *Summer Alone Summer Together Summer Apart Summer Forever Christmas With You*

A Lowcountry Wedding

Includes discussion guide, questions and recipes.

Training Ground

Sometimes a chance meeting can change everything. At fifteen, Jamie Maxwell's main goals in life are to make the United States youth national soccer pool, move past the Incident-That-Shall-Not-Be-Named, and maybe-someday-kiss a girl. When she meets Emma Blakeley at a tournament in Southern California, something about the older girl draws her in. And it isn't that she expects to ever get the chance to kiss Emma. Really. When Jamie invites her to sneak out on the last night of Surf Cup, Emma doesn't go because she likes Jamie's smile. She goes because, as the daughter of a surgeon and a nurse, she has a genetic predisposition to try to heal people. And Jamie, she can tell, is wounded. Neither girl suspects that this first last night together will form the basis of a bond that will last across years and miles, from SoCal soccer fields and New York hotels to Portuguese beaches and the streets of Vancouver. But that's how most friendships begin, isn't it? With a smile and a nod and the courage to ask, "Do you maybe, possibly, want to come with me?"

Summer at Sea

Four jackets of varying weights, enough socks for the entire Confederate Army, three umbrellas, most of the antacid aisle from the local pharmacy, and six pairs of old people sneakers that all look exactly the same. Have you ever helped your parents pack for a weeklong cruise? No? I didn't think so. So shut it. So begins vacation for Summer Hartwell - twenty-six years old, living with her anxiety-ridden parents, and unwillingly booked by her brother on a weeklong cruise to Bermuda. Despite the nightmare of being trapped aboard a cruise ship with Mom and Dad, Summer sees a rare opportunity to fulfill

The Prophecy - her mother's declaration that she will live at home until she gets married. With two thousand passengers onboard, at least one of them must be husband material, right? The only problem is Graham Blenderman - her brother's best friend who is joining them for the week, in all of his tall, blonde, extroverted glory. Graham doesn't believe Summer needs a husband in order to break free from her parents. He thinks she just needs a little bit of nerve. And to Summer's introverted horror, he's willing to spend the entire week proving that he's right.

The Girl with No Soul

How do you find your soul mate when you don't have a soul? Iris has a secret ... she is a soulless hollow. But when she steals a ring from a lady of nobility, she is reunited with her Spark, the first part of her soul. Iris must enlist the help of Evander, a young scholar, to find out what happened to her.

Summer at Sunset

The long-awaited sequel to Beth Labonte's novel Summer at Sea!For Summer Hartwell, holding her and Graham's wedding a thousand miles from home seemed like a good idea. Even if it is at a retirement community. How else could she avoid planning the wedding with her neurotic, anxiety-ridden mother? But with one week left to go and Summer's parents arriving on the scene, things begin to quickly unravel. Between the swingers parties, the Viagra jokes, and the copious amount of alcohol, Summer's not so sure her parents will make it out of there alive. Then there's the matter of Graham being Grade A top choice meat to every woman over sixty-five, a few of whom Summer suspects of trying to sabotage the wedding! Can Summer and Graham hold things together long enough to make it down the aisle?

The Summer Games

As an Olympic rookie, Andie Foster has spent far more time in her cleats than between the sheets. For 21 years, her Friday nights have consisted of blocking shots rather than taking them. But now that she's landed in Rio, she's ready to see for herself if the rumors about the Olympic Village are true: - The athletes are all sex-crazed maniacs... - The committee passes out condoms like candy... - The games continue long after the medals have been handed out... As Andie walks the line between rumor and reality, she's forced into the path of Frederick Archibald, a decorated Olympic swimmer and owner of a sexy British accent-too bad he's unavailable in a way that "it's complicated" doesn't even begin to explain. In other words: off limits. It doesn't matter that he has abs that could bring peace to the Middle East and a smile that makes even the Queen blush; Andie fully intends on keeping her focus on the soccer field. But the Village is small. Suffocating. Everywhere Andie goes, Freddie happens to be there-shirtless, wet from the pool, and determined to show her a whole new meaning of the phrase "international affairs."

Dawnblaze Saves Summer

A secret world full of magic, unicorns and friendship! The brand-new series from the bestselling Daisy Meadows, author of RAINBOW MAGIC and MAGIC ANIMAL FRIENDS, and the most-borrowed children's author in UK libraries. Aisha and her parents are moving to Enchanted Cottage, where spellbinding secrets are hidden in every corner. Soon Aisha and her new friend Emily are whisked

to a magical, faraway realm, where they meet the unicorns of Enchanted Valley. But the unicorns are in trouble, and they need the girls' help...

An Endless Summer

Sean looked out over the lake, squinting against the sunlight. He turned to me, his expression sobering as his eyes flicked over my face in a silent study. "Come on Amy, I saved you once, I'll save you again." I met his stare unflinchingly. "I don't need saving." A wicked grin formed slowly. "Don't you?" After a rebellious summer night that almost claimed her life, Amy Henderson – the Onslow publican's only daughter – is sent away to suffer a fate far worse than any other punishment: Boarding School. Three years on, a now nineteen-year-old Amy returns to Onslow for the summer. What once was a cauldron of activity with live bands, hot meals and cold beers, the Onslow Hotel now lies dark, deserted and depressing. All fond childhood memories of loitering on the hotel stairs and eavesdropping on customers' colourful conversations are in the distant past. How had her dad let it come to this? With the new threat of putting the Onslow up for sale, Amy reluctantly turns to a local tradesman for help: Sean Murphy, the very same Onslow boy who saved her life all those years ago. With his help and that of some old friends, the task is clear: spend the summer building the hotel back up to its former glory or lose it for good. In an endless summer, Amy soon realises that sometimes in order to save your future, you have to face your past, even if it's in the form of a smug, gorgeous Onslow boy.

The Summer Series: Book 1: The Boys of Summer Book 1.5: Stan (Novella) Book 2: An Endless Summer Book 2.5: Max (Novella) Book 3: That One Summer Book 3.5: Ringer (Novella) Book 4: Forever Summer Authors Note: While each title can be read as a stand-alone story, you will likely enjoy taking the journey with these characters from the beginning.

The Kissing Booth #2: Going the Distance

THE SIZZLING SEQUEL TO THE KISSING BOOTH THAT INSPIRED THE NETFLIX MOVIE STAR-RING JOEY KING AND JACOB ELORDI! Read the rest of the Kissing Booth series for more fun, fresh romance from Beth Reekles. Elle Evans seems to have finally tamed hotter-than-hot bad boy Noah Flynn, but now they're facing a new challenge. Noah's 3,000 miles away at Harvard, which means they're officially a long-distance couple - and it's tough. After all, there's only so much texts and calls can do- and when Elle sees a post which suggests Noah's getting friendly with someone else, she's devastated. On top of that, it's hard to ignore new boy Levi. He's gentle, sweet, cute - and definitely interested in Elle. With her heart on the line, what's a girl to do? Join Elle, Noah, Lee and all your favorite Kissing Booth characters for another amazing romantic story that's sure to have you swooning.

Foxglove Summer

Book 5 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. In the fifth of his bestselling series Ben Aaronovitch takes Peter Grant out of whatever comfort zone he might have found and takes him out of London - to a small village in Herefordshire where the local police are reluctant to admit that there might be a supernatural element to the disappearance of some local children. But while you can take the London copper out of London, you can't take the London out of the copper. Travelling west with Beverley Brook, Peter soon finds himself caught up in a deep mystery and having to tackle local cops and local gods. And what's more, all the shops are closed by 4pm... Praise for the Rivers of London novels: 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round irresistible novels.

Away With The Fairies

Set in the Scottish Highlands, this story is about fairies, selkies and dolphins. Nine-year-old Morag befriends a stranded fairy in her garden and takes her along on a family holiday to Rosemarkie. Morag meets a strange mute boy on Chanonry Point, who turns out to be a selkie with a secret. They find the Brahan Seer's special stone, which King Grump of the goblins wants to steal. She is kidnapped by a Ghillie Dhu and is taken to King Grump's fairy hillock. Will Morag escape his clutches or is she destined to be 'away with the fairies' forever?

To Live Is Christ to Die Is Gain

Using Paul's radical letter to the Philippians as his road map, Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity. The short book of Philippians is one of the most quoted in the Bible, yet Paul wrote it not for the popular sound bites, but to paint a picture of a mature Christian faith. While many give their lives to Jesus, few then go on to live a life of truly vibrant faith. In this disruptively inspiring book, Chandler offers tangible ways to develop a faith of pursuing, chasing, knowing, and loving Jesus. Because if we clean up our lives but don't get Jesus, we've lost! So let the goal be Him. To live is Christ, to die is gain—this is the message of the letter. Therefore, our lives should be lived to Him, through Him, for Him, with Him, about Him—everything should be about Jesus.

The Summer Series

The entire Summer Series collection in one! From the bestselling Summer Unplugged series, comes the spin-off series based on Becca Sosa. Can be read as a standalone series. Includes parts 1-4: Summer Alone: Becca's senior year of high school is approaching and she's tired of being the dorky best friend. Determined to reinvent herself with help from Bayleigh, she plans to spend the summer breaking out of her shell. When Bayleigh gets grounded and sent away for three months, Becca's plans come crashing down before they've even started. Now Becca is alone and can't even talk to Bayleigh on the phone. Not wanting to miss out on the summer before senior year, she takes a job at the local indoor BMX track. The job is fun, her boss is laid back, and the place is packed with hot guys. One of them just might have a crush on her. This may be a summer without her best friend, but it doesn't mean she'll have to spend the summer alone. Summer Together: It's the summer after graduation and Bayleigh just asked Becca to be her maid of honor. Determined to give her best friend the greatest wedding ever, Becca has a lot on her plate. When she thinks she's finally got everything under control, a certain member of the groom's bridal party can't keep his eyes off her. Becca's not sure how to handle all the attention but she is sure of one thing: This will be a summer to remember. Summer Apart: Becca survived her first year of college (barely) and now she's out for summer break. This would be an awesome time to hang out with her mega cute and famous motocross racing boyfriend, Nolan Park, but unfortunately for her, she just broke up with him. As much as she likes Park, she couldn't handle the emotional turmoil of having him go back home to California after every visit. The paparazzi are watching his every move and Becca doesn't like what she sees about Park online. She thinks the time apart will do her some good. She's never been more wrong in her life. Summer Forever: Now that Park is a daily presence in Becca's life, she thought everything would be perfect. But Park gave up everything--his home, his job, and his friends--to be closer to her, and she can't help but worry if she's good enough to keep him happy. After all, there's one very intimate part of a relationship that she hasn't yet given him. But Park doesn't give up easily, and he's determined to make this summer one they'll remember for a lifetime. Christmas With You: The holidays are approaching and Becca is nervous about meeting Park's parents for the first time. As they embark on a trip to California, everything that can go wrong, does go wrong. For Becca and Park, the only thing they can always count on, is their love for each other.

The Gifts of Imperfection

NEW YORK TIMES BESTSELLER • This tenth-anniversary edition of the game-changing #1 New York Times bestseller features a new foreword and new tools to make the work your own. For over a decade, Brené Brown has found a special place in our hearts as a gifted mapmaker and a fellow traveler. She is both a social scientist and a kitchen-table friend whom you can always count on to tell the truth, make you laugh, and, on occasion, cry with you. And what's now become a movement all started with *The Gifts of Imperfection*, which has sold more than two million copies in thirty-five different languages across the globe. What transforms this book from words on a page to effective daily practices are the ten guideposts to wholehearted living. The guideposts not only help us understand the

practices that will allow us to change our lives and families, they also walk us through the unattainable and sabotaging expectations that get in the way. Brené writes, "This book is an invitation to join a wholehearted revolution. A small, quiet, grassroots movement that starts with each of us saying, 'My story matters because I matter.' Revolution might sound a little dramatic, but in this world, choosing authenticity and worthiness is an absolute act of resistance."

Safety Dave and Daisy Go to the Beach

Safety Dave and Daisy Go to the Beach is a children's picture book set before, during and after a day at the beach. The hero of the book is a young boy with the nickname Safety Dave. He and his sidekick, his best friend and adorable dog Daisy, are on a quest to educate young children about safety at the beach. The book is catchy, colorful, and appealing to young children because of its fascinating nature of going to the beach!

Pirates and the Seaside

This book looks at and challenge the traditional teaching views of science and aims to show how scientific exploration and thinking are at the heart of child led, child-centered EYFS provision.

Same Time, Same Place

Perfect for fans of The Rosie Project, Same Time, Same Place is "a heartwarming story about how history plays out in our present - and how the power to heal is right in front of us, if only we can be brave enough to look for the clues." (Vicky Zimmerman, author of Miss Cecily's Recipes for Exceptional Ladies) Daisy works nights. Nate works days. But maybe they aren't as different as they assume. Daisy is the night security guard at the Manchester Museum of Social History. She takes her job very seriously, protecting the museum from teenage troublemakers. Nate works the day shift, though he'd be more suited as a museum guide the way he chats with the visitors. Daisy doesn't approve: how does he find it so easy to talk to strangers? For five minutes each day, their shifts overlap at handover. It's the only interaction they have...until mysterious things begin to happen at the museum. Daisy notices priceless

objects going missing and then reappearing, with no explanation (and with nothing on the security footage!). No one believes her except Nate, and he agrees to help her investigate. They soon discover they have a lot more in common than they realized...and their investigation uncovers not only the truth, but new possibilities for their future.

Four friends. One dream getaway. But who will make it out alive? When the gold-rimmed invitations arrive through the doors of best friends Simone, Hannah and Vicky they're instantly taken aback. Their ex-friend Jodie is inviting them to a lavish Mediterranean villa to celebrate her birthday. They haven't spoken in years since she betrayed them in the worst way. So how did they make the guest list? They all have their reasons for saying yes. Stay-at-home mum Simone had her dream job snatched away. Hannah lost the love of her life. Café-owner Vicky wants the chance to help a wronged friend. Is the reunion a chance to confront Jodie and the past once and for all? Arriving at a villa that looks straight out of a movie set, the friends relax by the sumptuous pool as they wait for the other guests to arrive. But as the chilled wine is poured and the three friends reminisce, they see Jodie walking towards them with a look of shock on her face. Because Jodie didn't invite them here. But by the end of the weekend it will become clear who did. Someone else has a reason for revenge. Who will make it out alive? An absolutely addictive and twist-filled psychological thriller that will have you reading late into the night. Perfect for fans of Big Little Lies, Lisa Jewell and T.M. Logan. What readers are saying about Claire Seeber: 'My heart is still pounding... this is one of the best psychological thrillers I've ever read... An easy 5 stars... The plot twists are gut wrenching. This is perfect for fans of Big Little Lies.' Goodreads Reviewer P Amazing... Holy cow! This was a freaking fabulous book!... My hands were literally glued to my reader!... Held me captive!... If real life hadn't interfered, I am sure I would have finished this book in one day... Five star read all day!' @oh.happy.reading P This is everything you want... kept me on my TOES! I could not put this one down.' NetGalley reviewer P Incredible... so twisty and suspenseful and had me on the edge of my seat. I couldn't put it down and more importantly I didn't want to.' Goodreads reviewer P Amazing book... Kept me engrossed for hours, I couldn't put it down.' NetGalley reviewer P Grabs you from the first page... compelling... edge-of-your-seat... the twists kept coming!' Alice Hunter, author of The Serial Killer's Wife

The Birthday Reunion

The history of the vocoder: how popular music hijacked the Pentagon's speech scrambling weapon The vocoder, invented by Bell Labs in 1928, once guarded phones from eavesdroppers during World War II; by the Vietnam War, it was repurposed as a voice-altering tool for musicians, and is now the ubiquitous voice of popular music. In How to Wreck a Nice Beach—from a mis-hearing of the vocoder-rendered phrase “how to recognize speech”—music journalist Dave Tompkins traces the history of electronic voices from Nazi research labs to Stalin's gulags, from the 1939 World's Fair to Hiroshima, from artificial larynges to Auto-Tune. We see the vocoder brush up against FDR, JFK, Stanley Kubrick, Stevie Wonder, Neil Young, Kraftwerk, the Cylons, Henry Kissinger, and Winston Churchill, who boomed, when vocoderized on V-E Day, “We must go off!” And now vocoder technology is a cell phone standard, allowing a digital replica of your voice to sound human. From T-Mobile to T-Pain, How to Wreck a Nice Beach is a riveting saga of technology and culture, illuminating the work of some of music's most provocative innovators.

The Quiver

Whether rocketing to other worlds or galloping through time, science fiction television has often featured the best of the medium. The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories, while offering adults a sublime way to view the human experience in a dramatic perspective. From *Alien Nation* to *World of Giants*, this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989. For each episode, a brief synopsis is given, along with the writer and director of the show and the guest cast. Using extensive research and interviews with writers, directors, actors, stuntmen and many of the show's creators, an essay about each of the shows is also provided, covering such issues as its genesis and its network and syndication histories.

Thye Quiver: An Illustrated Magazine

Gallivanting on Guam is a humorous and entertaining narrative of a man who moves to Guam to become the general manager of Tropics Gym. Immersing himself into the local culture he succumbs to a lifestyle of philandering and learns to balance his troubles with humor and personal growth while working for a corrupt businessman from a wealthy family. Readers will enjoy both the historical references and situations that the author recounts in this captivating semi- autobiographical, story.

Science Fiction Television Series

Smokejumper Dave Knight lives by two simple rules—play hard, work harder. Heartache taught him love and commitment don't mix with his high-intensity lifestyle. That hot kiss with the classy Olivia Benedetti-Harper was a mistake, but he walked away in time. Too bad he can't run from the memories. Then a plane crash shatters his future, forcing him to face the ashes of his past, the woman he can't forget, and the toughest challenge of his life: Stop running. The right man broke her heart. How could the wrong man heal it? Obedient daughter and dutiful wife, Olivia always followed the rules—only to be abandoned by her unfaithful husband. As she rebuilds her life, bad-boy Dave is a sizzling temptation she can't afford. However, breaking the rules with the wrong man might be the best mistake this good girl's ever made for love.

Gallivanting On Guam

A woman who may be abducted and a man who's definitely dead are just the beginning for Seattle attorney Annie MacPherson, whose search for answers leads her to a past faded but not forgotten. A trip to the elegant Windsor Resort on Orcas Island seems like a vacation, but Annie holds the power of attorney for the owner and is there to negotiate a real estate deal. Feeling pressured by the hotel's manager and the prospective buyer, Annie's uneasiness is soon justified when the buyer's beautiful companion suddenly disappears and a murder rocks the resort's peaceful beauty. Her working vacation--and budding romance with the resort's charming kayak instructor--in turmoil, Annie digs deeper, uncovering enough clues to learn the hotel's guest list is a complicated nest of greed, deceit, and revenge... and maybe uncovering enough to make her a target. The first book in the Annie MacPherson Mystery Series.

National Poison Prevention Week, Annual Report

The author's parents come from respectable stock, God-honoring, community-centered and self-made. When her father Arthur Corey goes off the deep end of religion to become an itinerate preacher, his relatives don't understand. Nor does Margaret his wife, nor does her extended family--at least for a time. The story is told in three parts: Chronicle One begins in 1937 with Arthur's purchase of an abandoned grange hall that becomes the Grange House into which babies, including the author, are born...one after another, after another. The children grow up within the shadow of a father's strong character and unpredictable style, and under the tutelage of their faithful mother, all the while living without electricity next to an outhouse where catalogs are used instead of toilet paper. This clan becomes skilled in facing challenges with grit, in adapting throwaways into tools, and in building experiences into strengths. Chronicle Two is the author's first-person story beginning with her earliest memory. The memory of taking apart the Grange House, while living in it, and carrying it down the highway piece by piece to build a barn-like temporary shack that becomes the Farmhouse. During the next twelve years, the family grows by two more babies, some in-laws, and multiple foster children. All the while working toward the

day that: We finally have a real house. Chronicle Three brings the entire clan together for the first time in 27 years at a family reunion--a time of re-acquaintance, restoration, and renewal.

"There's a reason we keep fighting the War Between the States.... The North keeps watering down the bourbon. Sacrilege!" Mama While preparing for her sister's wedding, Finley Blake, still settling into her relationship with her long-time love, Max, uncovers dead bodies, dry bones and deep secrets that threaten to upend her family and turn the wedding chapel into a funeral parlor. Finley and Whitt are meeting up in Charleston for Whit's wedding and have booked one of the stately mansions off Colonial Lake as their Airbnb home away from home. As if managing Mama's need to feed and tamping down Whitt's pre-wedding jitters aren't enough, Finley has to help her sister remember where she has seen the man that turns up dead in the master bedroom of the house they are renting. Just when things start calming down and Whitt can return to her wedding preparations, bones—and lots of money—start falling from the ceiling and the sleuths are back at it, trying to piece together the clues before the killer finds them out. The bride and her matron of honor must connect the dots in a hurry or one of the bridal party may end up taking a ride down the aisle in a casket. Catch up with these two Southern sisters in the next in the Blake Sisters Travel Mystery series as they return home and get sucked into yet another puzzling case of Airb'n bourbon!

THE NUMBER ONE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'What had happened to my beautiful boy? To our family? What did I do wrong?' Those are the wrenching questions that haunted every moment of David Sheff's journey through his son Nic's addiction to drugs and tentative steps toward recovery. Before Nic Sheff became addicted to crystal meth, he was a charming boy, joyous and funny, a varsity athlete and honor student adored by his two younger siblings. After meth, he was a trembling wraith who lied, stole, and lived on the streets. With haunting candour, David Sheff traces the first subtle warning signs: the denial, the 3am phone calls (is it Nic? the police? the hospital?), the attempts at rehab. His preoccupation with Nic became an addiction in itself, and the obsessive worry and stress took a tremendous toll. But as a journalist, he instinctively researched every avenue of treatment that might save his son and refused to give up on Nic. This story is a first: a teenager's addiction from the parent's point of view – a real-time chronicle of the shocking descent into substance abuse and the gradual emergence into hope. Beautiful Boy is a fiercely candid memoir that brings immediacy to the emotional rollercoaster of loving a child who seems beyond help. Read the other side of Nic Sheff's bestselling memoir, Tweak. Praise for Beautiful Boy:- 'A brilliant, harrowing, heartbreaking, fascinating story, full of beautiful moments and hard-won wisdom. This book will save a lot of lives and heal a lot of hearts'. Anne Lamott 'An important book... moving, timely and startlingly beautiful.' Richard Branson

The Malahat Review

The field of organizational storytelling research is productive, vibrant and diverse. Over three decades we have come to understand how organizations are not only full of stories but also how stories are actively making, sustaining and changing organizations. This edited collection contributes to this body of work by paying specific attention to stories that are neglected, edited out, unintentionally omitted or deliberately left silent. Despite the fact that such stories are not voiced they have a role to play in organizational analysis. The chapters in this volume variously explore how certain realities become excluded or silenced. The stories that remain below the audible range in organizations offer researchers an access to study political practices which marginalise certain organisational realities whilst promoting others. This volume offers a further contribution by paying heed to silence and the processes of silencing. These silences influence the choice of issues on organisational agendas, the choice of audience(s) to which these discourses are addressed and the ways of addressing them. In exploring these relatively understudied terrains, Untold Stories in Organizations comprises an important contribution to the organizational storytelling space, opening paths for new trajectories in storytelling research.

If I Never Met You

When Rosemary Clooney appeared on David Frankham's BBC radio program in 1955, she encouraged her host to pursue his unfulfilled dream of acting. Without knowing anyone else in America, Frankham left England for Hollywood, where a same day chance encounter with Elizabeth Taylor and Alec Guinness soon launched him onto live television without a single acting lesson or credit to his name. Frankham appeared on many of TV's enduring classics, from playing Larry Marvick, one of the engineers who designed the USS Enterprise on Star Trek, to other popular shows such as Alfred Hitchcock Presents, The Outer Limits, and Maverick. Movie success followed, including leading roles in Return of the Fly, Master of the World, and Tales of Terror, all three starring his boyhood idol, Vincent Price. Other notable film roles included voicing Sgt. Tibs the cat in Disney's 101 Dalmatians. With a foreword by film and Disney historian Brian Sibley, here is the inspiring story of a working actor whose passion for his craft only enhanced his appreciation of working with such greats as Walt Disney, Basil Rathbone, Debra Paget, Boris Karloff, Shirley Temple, Rock Hudson, Roger Corman, and many more. David Frankham shares his anecdotes and the positive worldview that enabled him to make boyhood dreams come true.
